PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS TO
BE HELD ON July 27, 2005**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Artemis International Solutions Corporation, a Delaware corporation (referred to throughout this Proxy Statement as Artemis International, the Company, we, our or us) for at the Company's Annual Meeting of Stockholders to be held on July 27, 2005 (the Annual Meeting) at 10:00 a.m., local time, at the Company's corporate headquarters located at 4041 MacArthur Boulevard, Suite 401, Newport Beach, CA 92660 and at any adjournment thereof. This Proxy Statement and the accompanying proxy are being mailed to our stockholders on or about June 20, 2005.

THE PROXY

The Company's Board of Directors (the Board) has selected and named as proxyholders, Robert Stefanovich and Charles Savoni. Mr. Stefanovich and Mr. Savoni are both executive officers of the Company. Mr. Stefanovich is Executive Vice President and Chief Financial Officer. Mr. Savoni is Senior Vice President, General Counsel and Secretary.

All shares represented by each properly executed, unrevoked proxy received in time for the Annual Meeting will be voted in the manner specified therein. If no specification is made on the proxy as to any one or more of the proposals, the common stock, \$.001 par value (the Common Stock) of the Company represented by the proxy will be voted both for the re-election of the Class II directors and for the ratification of the selection of Independent Accountants, as named in the Proxy Statement, and will also be voted with respect to any other matters that may come before the Annual Meeting, at the discretion of the proxyholders. The Company does not currently know of any other such business to be conducted at the Annual Meeting. An executed proxy may be revoked at any time before its exercise by filing with the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date. The execution of the enclosed proxy will not affect a stockholder's right to vote in person should such stockholder find it convenient to attend the Annual Meeting and desire to vote in person.

VOTING AT THE ANNUAL MEETING

Only holders of record at the close of business on June 10, 2005 (the Record Date), are entitled to receive notice of and to vote at the Annual Meeting and any adjournment thereof. On the Record Date, the Company had issued and outstanding 10,817,079 shares of Common Stock and 4,090,909 shares of Series A Convertible Preferred Stock, \$.001 par value.

Edgar Filing: ARTEMIS INTERNATIONAL SOLUTIONS CORP - Form DEF 14A

The holders of the Common Stock are entitled to one vote per share on all matters to be voted on at the Annual Meeting. The holders of the Series A Preferred Stock are entitled to one vote per share on all matters to be voted upon at the Annual Meeting, on an "as converted" basis, voting together with the holders of the Common Stock. The Company's Bylaws do not provide for cumulative voting by stockholders.

At the Annual Meeting, when the Series A Preferred Stock votes together with the Common Stock as one class, all such shares would represent an aggregate of 14,907,988 votes.

The holders of a majority of the Company's outstanding voting securities, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment thereof. While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions (also referred to as withheld votes), the Company believes that abstentions should be counted for purposes of determining if a quorum is present at the Annual Meeting for the transaction of business. With respect to broker nominee votes, the Delaware Supreme Court has held that broker nominee votes may be counted as present or represented for purposes of determining the presence of a quorum. Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a vote against such proposals.

SOLICITATION

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of mail, but directors, officers and regular employees of the Company may solicit proxies personally or by telephone or special letter without any additional compensation. The Company also will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for any reasonable expenses in forwarding proxy materials to beneficial owners.

PROPOSAL 1**ELECTION OF CLASS II DIRECTORS**

At the Annual Meeting, three individuals are to be elected to hold office until their term expires and until their successors are elected and qualified. It is intended that the accompanying proxy will be voted in favor of the following persons to serve as directors unless the shareholder indicates to the contrary on the proxy. The election of the Company's directors requires a plurality of the votes cast in person or by proxy at the meeting. Management expects that each of the nominees will be available for election, but if any of them is unable to serve at the time the election occurs, it is intended that such proxy will be voted for the election of another nominee to be designated by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RE-ELECTION OF EACH NOMINEE AS A CLASS II DIRECTOR. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR THE RE-ELECTION OF THE THREE NOMINEES AS CLASS II DIRECTORS AS DESCRIBED BELOW.

The following table sets forth the names and ages as of June 30, 2005, and positions of directors and the nominees, as well as the committees that the director is or the nominee shall be a member of, and their respective class of director. A summary of the background and experience of each of these individuals is set forth after the table.

NAME	AGE	POSITION	COMMITTEE	DIRECTOR
<u>Nominees</u>				
Pekka Pere	48	Director		Class II
Olof Odman	61	Director	Audit, Compensation and Nominating	Class II
Bengt-Ake Algevik	55	Director		Class II
<u>Continuing Directors</u>				
Steve Yager	51	Chairman of the Board		Class III
Mike Murphy	47	Director	Audit and Compensation	Class III
Joseph Liemandt	36	Director	Compensation and Nominating	Class I
David Cairns	59	Director	Audit and Nominating	Class I

Artemis International's Certificate of Incorporation and Bylaws provide for the Board of Directors to be divided into three classes, with each class to be as nearly equal in number of directors as possible. The term of each class of director should expire in a year that is different than either of the other two respective classes of directors. In this regard, Messrs. Pere, Odman and Algevik are the current Class II directors, the term for which expires in 2005, and are the director nominees up for re-election at the Annual Meeting. They shall continue to comprise the Class II directors, serving from 2005 - 2008, if re-elected. Messrs. Liemandt and Cairns comprise the Class I directors, and are continuing to serve through 2007. Messrs. Yager and Murphy comprise the Class III directors, and are continuing to serve through 2006.

Edgar Filing: ARTEMIS INTERNATIONAL SOLUTIONS CORP - Form DEF 14A

Each nominee has consented to being named in this Proxy Statement and to serve if re-elected. If, prior to the Annual Meeting, any nominee should become unavailable to serve, the voting securities of the Company, represented by a properly executed and returned proxy, will be voted for such additional person as shall be designated by the Board of Directors, unless the Board of Directors determines to reduce the number of directors in accordance with the Company's Certificate of Incorporation and Bylaws.

In March 2000, the Company adopted the Artemis International Solutions Corporation 2000 Non-Employee Directors Stock Option Plan (Non-Employee Director Plan). The Non-Employee Director Plan has been amended and restated, as recommended by the Company's Board of Directors and ratified by shareholders at the 2004 Annual Meeting. Under the Non-Employee Director Plan, each non-employee director who is elected or appointed to the Board after February 24, 2004, shall receive an initial grant of options to purchase 15,000 shares of our Common Stock at an exercise price equal to the fair market value of the common stock as of the date of his or her election or appointment. For each non-employee director already serving on the Board as of February 24, 2004, he or she received a grant of options on February 24, 2004, to purchase 7,500 shares of our Common Stock at an exercise price equal to the fair market value of the common stock as of February 24, 2004, unless the non-employee director was provided a special initial grant greater than 7,500 shares. Thereafter, commencing in 2005, each non-employee director shall receive a grant of options on his or her Board anniversary date to purchase up to 7,500 shares of Common Stock (without making any adjustment under the Non-Employee Director Plan or otherwise for any stock split, stock dividend or similar recapitalization event occurring on or after the date of the most current amendment and restatement of the Non-Employee Director Plan becoming effective). (In February 2005, the Board voted to approve an additional grant to Messrs. Pere and Odman for 7,500 options each, in recognition of their long service on the Board on behalf of the Company and for equitable purposes considering the grants issued to newly elected Board members.)

With respect to directors serving on committees, under the Non-Employee Director Plan, each non-employee director who, on or after February 24, 2004, is elected or appointed as, or was already, a member of the Audit, Compensation and/or the Nominating Committee, shall receive a grant of options to purchase 3,500 shares of our Common Stock at an exercise price equal to the fair market value of the common stock as of February 24, 2004, if already so serving on any such committee, or as of any later date applicable when first becoming a member of any such committee. Thereafter, each non employee director who continues to serve on any such committee upon his or her applicable committee anniversary date shall be automatically granted an Option on such anniversary date to purchase up to 3,500 shares of Common Stock (without making any adjustment under the Non-Employee Director Plan or otherwise for any stock split, stock dividend or similar recapitalization

event occurring on or after the date of the most current amendment and restatement of the Non-Employee Director Plan becoming effective).

Option grants provided under the Non-Employee Director Plan shall vest as the Board shall determine from time-to-time. The current vesting schedules established by the Board are as follows: (i) for an initial grant of options to purchase 15,000 shares pertaining to directors elected or appointed to the Board after February 24, 2004 - 50% of the options vest immediately upon the grant date, with the remaining 50% vesting one year later, provided that the director has attended at least 60% of the Board meetings held during the interim period; (ii) for the grant of options to purchase 7,500 shares pertaining to directors already serving on the Board as of February 24, 2004, - 100% of the options vested as of February 24, 2005, provided that the director had attended at least 60% of the Board meetings held during the preceding year; (iii) commencing in 2005, for any annual grant of options to purchase 7,500 shares pertaining to directors who reach their Board anniversary date - 100% of the options vest one year after the anniversary date, provided that the director has attended at least 60% of the Board meetings held during the interim period; and (iv) for the grant of options to purchase 3,500 shares pertaining to directors who, on or after February 24, 2004, are elected or appointed as, or were already, a member of the Audit, Compensation and/or the Nominating Committees - 100 % of the options vest one year after the applicable committee anniversary date, provided that the director remains on said committee and has attended at least 60% of the applicable committee meetings held during the interim 12-month period.

COMMUNICATING WITH THE INDEPENDENT DIRECTORS

The Board will consider written communications that are submitted by stockholders and will respond if and as appropriate. The Chairman of the Board (if an independent director), or otherwise the Chairman of the Nominating Committee, with the assistance of the Company's General Counsel, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he or she considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the Chairman of the Board or the Chairman of the Nominating Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which the Company tends to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the Board should address such communications to Board of Directors c/o Corporate Secretary, Artemis International Solutions Corporation, 4041 MacArthur Boulevard, Suite 401, Newport Beach, CA 92660.

CODE OF BUSINESS CONDUCT AND ETHICS AND CODE OF ETHICS FOR SENIOR FINANCIAL OFFICERS

The Company has adopted a written Code of Business Conduct and Ethics that applies to all of the Company's employees and its directors. The Code of Business Conduct and Ethics is augmented by an additional Code of Ethics For Senior Financial Officers, which applies to the Company's principal executive officer, principal financial officer, principal accounting officer or controller, and/or persons performing similar functions. The Company has posted a current copy of both codes on its website under the Corporate Governance section, which is located at <http://www.aisc.com>. In addition, the Company intends to post on its website all disclosures that are required by law concerning any amendments to, or waivers of, any provision of the codes.

COMMITTEES OF THE BOARD

The Company's Board of Directors currently has three committees, the Audit Committee, the Compensation Committee, and the Nominating Committee. The Audit Committee, currently consisting of Mr. Odman, Mr. Murphy and Mr. Cairns, recommends the appointment of the independent public accountants of the Company, considers the independence of the Company's independent public accountants, reviews and approves the scope of the annual audit and reviews the results thereof with the Company's independent accountants. The Audit Committee also assists the Board in fulfilling its fiduciary responsibilities relating to accounting and reporting policies, practices and procedures, and reviews the continuing effectiveness of the Company's business ethics and conflicts of interest policies. All of the members of the Audit Committee are independent as defined in NASDAQ Marketplace Rule 4200(A)(15). In addition, Mr. Cairns qualifies as being a financial expert for purposes of serving on the Audit Committee as defined in NASDAQ Marketplace Rule 4200(d)(2)(A). The Compensation Committee, currently consisting of Mr. Odman, Mr. Murphy and Mr. Liemandt, reviews the salaries, bonuses and stock awards proposed for the officers of the Company. The Compensation Committee is also responsible for administering the Company's Stock Incentive Plan.

The Nominating Committee currently consists of Mr. Odman, Mr. Liemandt and Mr. Cairns. This Committee was formed effective June 16, 2004, with Mr. Cairns joining it on December 1, 2004. All of the members of the Nominating Committee are independent as defined in NASDAQ Marketplace Rule 4200(A)(15). While no formal charter for the Nominating Committee has been adopted, the Nominating Committee is responsible for overseeing the composition of the Board and its various other committees, and for recruiting and recommending candidates who are independent pursuant to the NASDAQ standard as referenced above for ratification by the full Board when applicable openings arise at both the Board level and within the other committees. In addition, the Nominating Committee recommends the slate and Class of directors to be voted upon by shareholders at annual shareholder meetings. The Nominating Committee will consider director candidates recommended by security holders. Security holders wishing to submit any such recommendation must comply with the procedures set forth below under the heading, Stockholder Proposals for the 2006 Annual Meeting. The Nominating Committee identifies and evaluates nominees for director without distinguishing between whether a security holder has recommended the candidate or someone else or some other entity has recommended the candidate. The Nominating Committee will consider factors including, but not limited to: knowledge of the Company; knowledge of and breadth of experience in the software industry; work experience and positions held; education; and whether the candidate is independent as defined above.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No interlocking relationships exist between the members of the Company's Board of Directors or the Compensation Committee and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past. None of the members of the Compensation Committee was an officer or employee of the Company at any time during the fiscal year ended December 31, 2004.

ATTENDANCE AT BOARD AND COMMITTEE MEETINGS

During the fiscal year ended December 31, 2004, the Board of Directors met on fifteen occasions. In addition, the Audit Committee met seven times, while the Nominating Committee convened on two occasions. The Compensation Committee did not convene, as two of its three members resigned early in the year, and the full Board of Directors acted in the committee's stead. All directors attended at least 75% of the meetings held by the Board of Directors and all committees of the Board on which any such director may have served.

COMPENSATION COMMITTEE REPORT

The Compensation Committee (Compensation Committee) of the Board of Directors is comprised of three directors who are not officers or employees of the Company. During most of the fiscal year ended December 31, 2004, the duties of the Compensation Committee were effectively carried out by the entire Board, as a result of the resignations of two Board members who had served on the Compensation Committee prior to their respective resignations. In this regard for 2004, the full Board was responsible for establishing and administering the policies that govern the compensation of executive officers, including the Named Executive Officers. Effective September 10, 2004, the Compensation Committee was re-formed, being comprised of Mr. Odman, Mr. Murphy and Mr. Liemandt. The Committee's charter can be reviewed at the Company's website under the Corporate Governance section: <http://www.aisc.com> The Compensation Committee has furnished the following report on executive compensation.

The Compensation Committee reviews and administers the Company's various compensation plans, including the base compensation levels of Executive Officers, the Company's bonus plan and the Company's stock incentive plans.

General Compensation Policy. The Compensation Committee's fundamental compensation policy is to make a substantial portion of an executive's total potential compensation contingent upon the financial performance of the Company. Accordingly, in addition to each executive's base salary, the Company offers the opportunity for an annual cash bonus, which is tied to the Company's achievement of financial performance goals, and stock option awards to provide incentives to the executive officers through an equity interest in the Company. The Compensation Committee believes that the stockholders benefit by aligning the long-term interests of stockholders and executive employees.

Base Salary. For the fiscal year 2004, the full Board reviewed the recommendations of the Chief Executive Officer as to proposed base salaries for all executives reporting to the Chief Executive Officer, as well as the proposed base salary for the Chief Executive Officer himself. Increases in base salaries generally reflect increased responsibilities over the prior fiscal year and/or strong individual performance in the prior fiscal year, or adjustments to changes in market conditions to help assure retention.

The full Board performed an annual review of the base salary of each of the executive officers with reference to the executive's performance, level of responsibility and experience to determine whether the current base salary is appropriate and competitive. The full Board evaluated the reasonableness of the base salary based upon the median salary range paid to executive officers with comparable duties at companies of similar size in the same geographic area in the computer technology industry. No specific quantitative weight was given to any particular performance measurement.

Cash Bonuses. The Company's Board approved and implemented a senior management quarterly bonus plan for fiscal 2004. The plan was designed to provide an incentive to certain designated senior managers to maximize stockholder value by achieving targeted levels of revenue and operating profit. Participants in the plan included all executive officers of the Company and certain other key senior managers.

Pursuant to the terms of the plan, the criterion for earning a bonus was based on the Company's revenue and operating profit for fiscal 2004 being equal to or greater than 80% of the revenue and operating profit set forth in the Company's annual operating plan (AOP) as approved by the Company's Board, with specific quarterly goals established and incorporated into the plan.

Stock Option Awards. The Company has granted stock options under its various stock option plans at prices equal to the fair market value of the Company's Common Stock at the date of grant. Grants to executive officers are based on their responsibilities and relative positions in the Company and are considered an integral component of total compensation. The Compensation Committee and the Board believe the granting of options to be beneficial to stockholders, because it increases management's incentive to enhance stockholder value. Grants are proposed by the Chief Executive Officer and reviewed by the Compensation Committee based on the individual's overall performance. The Compensation Committee believes that stock option grants can serve as an important incentive in retaining and motivating key employees of the Company. The individual grants of stock options made by the Company during the year ended December 31, 2004, as approved by the full Board, to each of the Named Executive Officers are provided above in the discussion under Compensation Executive Officers and Other Information, Summary of Option Grants, in the table identified as Individual Grants.

Chief Executive Officer Compensation. The base salary of the Chief Executive Officer, Patrick Ternier, was recommended and approved by the full Board. The Board reviewed the salaries of comparable executive officers at companies of similar size and in the same geographic area as the Company and in the software industry. The policy of the Board and the Compensation Committee is to have a substantial portion of the Chief Executive Officer's total compensation based on the Company's financial performance. As such, Mr. Ternier's annual base salary was set at \$275,000, with a potential bonus of \$200,000 based on the fiscal 2004 AOP.

Policy Regarding Deductibility of Compensation. Section 162(m) of the Internal Revenue Code (Section 162(m)) provides that for federal income tax purposes, the otherwise allowable deduction for compensation paid or accrued to a covered employee of a publicly held corporation is limited to no more than \$1 million per year. Section 162(m) does not presently affect the Company because, for the fiscal year ended December 31, 2003, no executive officer's compensation exceeded \$1 million, and the Company does not believe that the compensation of any executive officer will exceed \$1 million for the 2004 fiscal year. Options granted under the Company's Stock Incentive Plans would be considered performance-based compensation. As performance-based compensation, compensation attributable to options granted under the Plan and awarded to covered employees will not be subject to the compensation deduction limitations of Section 162(m).

Artemis management (Management) is responsible for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent accountants, Squar Milner, Reehl & Williamson LLP (Squar Milner), are responsible for performing an independent audit of the consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit Committee is responsible for overseeing the conduct of these activities and recommending them to the Board of Directors.

The Audit Committee is responsible for pre-approving all audit and permitted non-audit services to be performed for us by our independent auditor as outlined in the Audit Committee charter. Prior to engagement of the independent auditor for each year's audit, management or the independent auditor submits to the Audit Committee for approval an aggregate request of services expected to be rendered during that year, which the Audit Committee pre-approves. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor. The Audit Committee does not delegate to management its responsibility to pre-approve services performed by the independent auditor.

The Audit Committee held seven meetings during fiscal year 2004. The Audit Committee reviewed Squar Milner's audit scope, audit plans and identification of audit risks. The interim financial information contained in each quarterly financial report was reviewed by the Audit Committee and discussed with Management and Squar Milner prior to release.

The Audit Committee also reviewed and discussed the Company's consolidated financial statements for the year ended December 31, 2004, with Management and Squar Milner. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. Stockholder ratification of the Company's independent public accountants is not required under Delaware law or under the Company's Amended and Restated Certificate of Incorporation or its Amended and Restated By-Laws. If the stockholders do not ratify the selection of Squar Milner as the Company's independent public accountants for the year ending December 31, 2005, the Board of Directors will evaluate what would be in the best interests of the Company and its stockholders and consider whether to select new independent public accountants for the current year or whether to wait until the completion of the audit for the current year before changing independent public accountants.

During the fiscal year ended December 31, 2004, there were no disagreements between the Company and Squar Milner on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which any such disagreements, if not resolved to Squar Milner's satisfaction, would have caused Squar Milner to make reference to the subject matter of the disagreement in connection with their audit report. A representative of Squar Milner will be available at the Annual Meeting and will have the opportunity to make a statement and/or respond to questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFYING THE SELECTION OF SQUAR MILNER AS THE COMPANY'S INDEPENDENT ACCOUNTANTS. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR RATIFYING THE SELECTION OF SQUAR MILNER AS THE COMPANY'S INDEPENDENT ACCOUNTANTS.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the fourth quarter of 2003, the Company engaged Bengt-Ake Algevik to perform certain business consultancy functions for which he received consideration, including travel and other expenses, of approximately \$200,000. Mr. Algevik completed his assignment in May 2004 and was appointed a director of the Company effective June 16, 2004.

At December 31, 2004 and 2003, the Company had no receivables due from Proha, which, factoring in the common stock conversion rights of the holders of the Series A Preferred Stock arising from the Preferred Series A Financing transaction as described above, owns approximately 56% of the Company's outstanding common stock, post conversion of the Series A Preferred Stock. At December 31, 2004, 2003 and 2002, the Company had other payables to Proha of \$0.3 million, \$0.2 million and \$0.1 million, respectively.

On March 1, 2004, the Company's wholly-owned subsidiary in Finland, Artemis Finland Oy ("Artemis Finland"), entered into a loan agreement with a financial institution in the amount of approximately \$3.1 million. The loan was originally due on March 1, 2006 and accrues interest at 0.5 percentage points above the 3-month Euribor rate per annum, which is payable on a quarterly basis. The loan was secured by cash collateral provided by Proha equal to the loan amount and a security interest in all of Artemis Finland's property and assets. Artemis and Proha executed a letter of commitment, whereby Proha agreed to provide the Company sufficient advance notice of its intent to demand the return of its collateral from the financial institution to give the Company a minimum of 90 days to provide additional collateral, if necessary, or repay the loan. On October 11, 2004, the Company received a notification from Proha declaring its intent to demand the return of the \$3.1 million provided to the financial institution as collateral. Under this notification, the Company was required to repay the loan by January 10, 2005. On January 11, 2005, Artemis Finland and Proha informed the financial institution to use the cash collateral provided by Proha as the method by which Artemis Finland shall be deemed to have pre-paid the loan in full. Contemporaneously, Artemis Finland entered into a Payment Schedule Agreement ("Payment Agreement") with Proha, whereby Proha effectively replaced the financial institution as the creditor and Artemis Finland agreed to pay Proha 2.5 million Euros in three installments (1.25 million Euros by January 17, 2005, 625,000 Euros by February 27, 2005 and 625,000 Euros by March 31, 2005). The Company paid the three installments on their respective due dates pursuant to the Payment Agreement.

There are several related party agreements in place between Artemis Finland and Proha or its subsidiaries and investees as further described below:

During 2002, Artemis Finland incurred \$309,000 in fees for certain business consulting, legal and accounting services provided by Proha.

Additionally, Artemis Finland shares office space with Proha, for which Proha charges Artemis Finland a share of its office-related costs ("Office Allocation Charge"), such as rent, utilities, telecommunication costs, office maintenance and certain other business costs based on headcount. The Office Allocation Charge was \$431,000, \$341,000, and \$290,000 for the years ended December 31, 2004, 2003 and 2002, respectively.

Accountor Oy, a provider of accounting and payroll services, which was owned by Proha (80.1%) and Artemis (19.9%) through November 2002 until its sale to an unrelated party, is providing certain bookkeeping, payroll and reporting services ("Service Charge") to Artemis Finland. The Service Charge was \$0, \$80,000 and \$82,000 for the
