The Loan is not a revolving credit facility and may not be drawn, repaid and redrawn and any repayments or prepayments of principal on the Loan shall permanently reduce the Loan. The obligations of Lenders hereunder are several and not joint or joint and several. Borrower irrevocably authorizes Agent and Lenders to disburse the proceeds of the Loan on the Closing Date.

2.6 Promise to Pay; Manner of Payment.

Edgar Filing: EVOLVING SYSTEMS INC - Form 8-K

Borrower absolutely and unconditionally promises to pay, when due and payable pursuant hereto, principal, interest and all other amounts and Obligations payable hereunder and under any other Loan Document, without any right of rescission and without any deduction whatsoever, including any deduction for set-off, recoupment or counterclaim, notwithstanding any damage to, defects in or destruction of the Collateral or any other event, including obsolescence of any property or improvements. Any payments made by the Credit Parties shall be made by wire transfer on the date when due, without offset, deduction or counterclaim, in Dollars, in immediately available funds to such account as may be indicated in writing by Agent to Borrower from time to time. Any such payment received after 2:00 p.m. (New York City time) on any date shall be deemed received on the next succeeding Business Day, and any applicable interest or fees shall continue to accrue in respect thereof. Whenever any payment under any Loan Document shall be stated to be due or shall become due and payable on a day other than a Business Day, the due date thereof shall be extended to, and such payment shall be made on, the next succeeding Business Day, and such extension of time in such case shall be included in the computation of payment of any interest (at the interest rate in effect during such extension) and/or fees, as the case may be.

2.7 **Payments by Agent**

Should any Obligation required to be paid under any Loan Document remain unpaid beyond any applicable cure period, such Obligation may be paid by Agent, on behalf of Lenders. Any sums expended or amounts paid by Agent and/or Lenders as a result of any Credit Party's failure to pay, perform or comply with any Loan Document or any of the Obligations may be charged to Borrower's account and added to the Obligations.

2.8 **Computation of Interest and Fees; Lawful Limits**

All interest and fees owing from time to time under the Loan Documents shall be computed on the basis of a year of 360 days and for the actual number of days elapsed in each calculation period, as applicable. In no contingency or event whatsoever, whether by reason of acceleration or otherwise, shall the interest and other charges paid or agreed to be paid to Agent, for the benefit of Lenders, or Lenders for the use, forbearance or detention of money hereunder exceed the maximum rate permissible under applicable law which a court of competent jurisdiction shall, in a final determination, deem applicable hereto. If, due to any circumstance whatsoever, fulfillment of any provision hereof, at the time performance of such provision shall be due, shall exceed any such limit, then, the obligation to be so fulfilled shall be reduced to such lawful limit, and, if Agent or Lenders shall have received interest or any other charges of any kind which might be deemed to be interest under applicable law in excess of the maximum lawful rate, then such excess shall be applied first to any unpaid fees and charges hereunder, then to the unpaid principal balance owed by Borrower hereunder, and if the then remaining excess interest is greater than the previously unpaid principal balance, Agent and Lenders shall promptly refund such excess amount to Borrower and the provisions hereof shall be deemed amended to provide for such permissible rate. The terms and provisions of this Section 2.8 shall control to the extent any other provision of any Loan Document is inconsistent herewith.

2.9 **Reallocation of Commitments**

Edgar Filing: EVOLVING SYSTEMS INC - Form 8-K

The Credit Parties, Agent and the Lenders agree and acknowledge that, on terms and conditions satisfactory to each Borrower, Revolving Borrower, Agent, each of the Lenders, and the Revolving Lender, any Commitment of any Lender hereunder and the Revolving Lender under the Revolving Loan Agreement for the benefit of any Borrower or Revolving Borrower may be reallocated and adjusted from time to time with any other Commitment or Commitments of such Lender under this Agreement or Revolving Lender for the benefit of the other Borrower or Revolving Borrower, and the outstanding Loans thereunder and hereunder reclassified or re-categorized in connection therewith and herewith to evidence or effectuate any such reallocation and adjustment, without constituting a novation, for any purpose, including, without limitation, for purposes of accurately reflecting each Borrower's or Revolving Borrower's relative contribution to, or allocable amount or share of, Evolving System's Consolidated EBITDA, earnings, revenue, assets and/or liabilities. For clarification purposes, any such reallocation and adjustment shall require the written consent of each Borrower, Revolving Borrower, Agent, each Lender and Revolving Lender and shall not, in any event, result in a reduction of the aggregate Commitments contained herein and in the Revolving Loan Agreement.

III. **FEES**

3.1 **Commitment Fee**

On the Closing Date, Borrower shall pay to Agent, for the ratable benefit of Lenders, a nonrefundable commitment fee equal to One Hundred Twenty Seven Thousand Five Hundred Dollars (\$127,500), which commitment fee shall be deemed fully earned and due and payable on the Closing Date and in addition to any other fee from time to time payable under the Loan Documents.

3.2 **Prepayment Premium.**

If the Obligations are accelerated as a result of either (i) an Event of Default under Article VIII(a), (g)(ii) (g)(v) or (h) or (ii) an Event of Default resulting from violation of any of the financial covenants set forth in Exhibit B-1 hereto or Borrower otherwise prepays, or is required to prepay, the Loan in full or in part (other than as a result of any mandatory prepayment under Sections 2.5(c)(iii) or 2.5(d)), then, on the effective date of such acceleration or prepayment, Borrower shall pay to Agent, for the ratable benefit of Lenders (in addition to the then outstanding principal, accrued interest and other Obligations owing pursuant to the terms of this Agreement and any other Loan Document), as yield maintenance for the loss of bargain and not as a penalty, an amount equal to the Prepayment Premium (prior to giving effect to any payment of Obligations as a result thereof). For purposes of determining the Prepayment Premium, if any, due upon acceleration of the Obligations, such acceleration shall be deemed to have occurred on the date the Event of Default giving rise to such acceleration first occurred.

IV. **CONDITIONS PRECEDENT**

4.1 **Conditions to Funding of the Loan and the Closing**

The obligations of Agent and Lenders to consummate the transactions contemplated herein and to fund the Loan in each case are subject to the delivery of all documents listed on, the taking of all actions set forth on and the satisfaction of each of the conditions precedent listed on Exhibit D hereto, all in a manner, form and substance satisfactory to Agent in its sole discretion.

On November 14, 2005, Evolving Systems entered into an \$8.5 million Senior Term Loan with CapitalSource, bearing interest at LIBOR plus an applicable margin. The LIBOR rate varies, but can be no less than 3.75%. The standard applicable margin of 6.25% may be reduced to 5.25% if the Company meets and maintains certain financial requirements. The Senior Term Loan is secured by substantially all of the assets of Evolving Systems and its U.S. subsidiaries, as well as a pledge, subject to certain limitations, of stock of the foreign subsidiaries of Evolving Systems. The Senior Term Loan requires quarterly principal and monthly interest payments through October 2010. If the Company is in compliance with all financial covenants, no events of default have occurred, and certain minimum liquidity conditions are met, early payment is allowed.

On November 14, 2005, Evolving Systems Holdings Ltd. and Evolving Systems Ltd. entered into a \$4.5 million Senior Revolving Facility with CapitalSource, bearing interest at LIBOR plus 4.0%. The LIBOR rate varies, but can be no less than 3.75%. The Senior Revolving Facility is secured by substantially all of the assets of Evolving Systems Holdings Ltd. and Evolving Systems Limited. Borrowings under the Senior Revolving Facility are limited to a multiple of the Company's EBITDA, as defined, less the balance of the Senior Term Loan, described above. The multiple ranges from 2.50 in the first year to 1.75 in the fourth year. The agreement mandates an initial borrowing of \$2.0 million. The Senior Revolving Facility requires monthly payments of interest and fees, with the unpaid balance due in October 2010. Evolving Systems and its U.S. subsidiaries executed a Guaranty of the Senior Revolving Facility.

The Senior Term Loan and Senior Revolving Facility include negative covenants that place restrictions on the Company's ability to: incur additional indebtedness; create liens or other encumbrances on assets; make loans, enter into letters of credit, guarantees, investments and acquisitions; sell or otherwise dispose of assets; declare dividends; cause or permit a change of control; merge or consolidate with another entity; change its method of accounting and record keeping; make negative pledges; make capital expenditures; and change the nature of its business materially. The Senior Term Loan and Senior Revolving Facility also include financial covenants that require the Company to maintain a specified ratio of debt to EBITDA, as defined; minimum EBITDA for the trailing twelve months; and ratio of fixed charges, as defined, to EBITDA.

Outstanding amounts under the Senior Term Loan and Senior Revolving Facility may be accelerated by notice from CapitalSource upon the occurrence and continuance of certain events of default, including: payment defaults, breach of covenants beyond applicable grace periods, and breach of representations and warranties.

Text of Agreements. The full text of the Senior Loan Facility, and the Senior Revolving Facility, as well as ancillary agreements are attached as Exhibits 10.1(a) through 10.1(i) to this Current Report on Form 8-K. The foregoing descriptions are qualified in their entirety by reference to such exhibits.

Evolving Systems applied the proceeds from the Senior Term Loan to the Old Credit Facility and entered into a Subordination Agreement and Subordinated Notes with the Tertio Sellers for approximately \$4.9 million, bearing interest at 11% through December 31, 2007, and 14% thereafter. The Subordinated Notes

are subordinate to the Senior Term Loan and Senior Revolving Facility. Principal and interest are due in May 2011.

The Subordinated Notes include negative covenants that place restrictions on Evolving Systems' ability to: incur additional indebtedness; create liens or other encumbrances on assets; make loans, enter into letters of credit, guarantees, investments and acquisitions; sell or otherwise dispose of assets; declare dividends; cause or permit a change of control; merge or consolidate with another entity; change its method of accounting and record keeping; make negative pledges; make capital expenditures; and change the nature of its business materially. The Subordinated Notes also include a financial covenant requiring Evolving Systems to maintain a specified ratio of debt to EBITDA, as defined.

Outstanding amounts under the Subordinated Notes may be accelerated by notice from the Tertio Sellers upon the occurrence and continuance of certain events of default, including: payment defaults, breach of covenants beyond applicable grace periods, and breach of representations and warranties. Certain clauses, however, are not in effect until the Senior Term Loan and Senior Revolving Facility are paid.

Text of Agreements. The full text of the Subordinated Loan Facility are attached as Exhibits 10.1(j) and 10.1(k) to this Current Report on Form 8-K. The foregoing descriptions are qualified in their entirety by reference to such exhibits.

Item 3.03 Material Modifications to Rights of Security Holders

In connection with the transactions described herein, the Tertio Sellers, as holders of Evolving Systems' Series B Convertible Preferred Stock (the Preferred Stockholders), agreed that until the credit facility termination date, they would not seek to restrain, challenge, contest, assert a defense to, delay, impair, or otherwise prevent or impede the exercise by CapitalSource of its rights and remedies under any Pledge Agreement or other Security Document. See item 5.03 below.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

In connection with the modification of the rights of the Preferred Stockholders described in Item 3.03 above, the Preferred Stockholders and Evolving Systems agreed to amend the Certificate of Designation of Series B Convertible Preferred Stock. A copy of the amendment is attached as Exhibit 3.1(c). The amendment was filed with the State of Delaware on November 15, 2005.
