**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On July 7, 2006, Gaming Partners International Corporation (GPIC), through its subsidiary GPI SAS, completed the purchase of an existing approximately 10,700 square foot, two-story building in Beaune, France located near GPIC's existing facility. GPIC purchased the building from UNEDIC. The purchase price was 650,000 euros (approximately US \$827,800 as of July 7, 2006), of which GPIC made a five percent earnest money deposit, plus certain statutory costs. The building will serve as the administrative and sales headquarters and non-gaming chip production facility for GPIC's operations outside of the United States, resulting in additional space for gaming chip production at GPIC's existing facility in Beaune, France. The new space will allow GPIC to increase its gaming chip production capacity without any significant interference with ongoing business operations. GPIC used available cash to pay for the building.

**Item 9.01 Financial Statements and Exhibits.**

(d) Exhibits.

Exhibit 10.01. Sale of Real Estate Goods and Title Contract, dated as of May 26, 2006, between UNEDIC and GPI SAS.
