**Item 8.01 Other Events.**

Section 303A.03 of the New York Stock Exchange ( NYSE ) Listed Company Manual requires NYSE-listed companies to disclose in its annual proxy statements a method for communicating directly with the presiding non-management director or the non-management directors as a group. In its proxy statement for the 2006 annual meeting of stockholders, the Registrant disclosed that its process for communicating with the Board of Directors was posted on the Registrant s website, instead of disclosing the process in the proxy statement.

The Registrant hereby confirms the process for communicating with the Board of Directors:

You can contact any of our Directors by mail in care of the Office of the Corporate Secretary, Harrah s Entertainment, Inc., PO Box 98905, Las Vegas, Nevada 89193. All mail received will be opened and screened for security purposes. The mail will then be logged in. All mail, other than trivial or obscene items, or bulk mailings, will be forwarded. Trivial items will be delivered to the Directors at the next scheduled Board meeting.

Mail addressed to a particular Director will be forwarded or delivered to that particular Director. The Board of Directors has designated Robert G. Miller to preside at all meetings of non-management Directors. Mail addressed to Outside Directors or Non-Management Directors will be forwarded or delivered to Mr. Miller. Mail addressed to the Board of Directors will be forwarded or delivered to the Chairman of the Board.

By specifically stating the procedure that the Registrant has in place for communicating with non-management directors in this Current Report on Form 8-K, the NYSE has informed the Registrant that it has cured this disclosure deficiency.

Additionally, on October 19, 2006, the Registrant issued a press release announcing that its Board of Directors had declared a cash dividend of \$.40 per share for every issued and outstanding share of common stock, to be paid on November 22, 2006, to stockholders of record at the close of business on November 8, 2006. The text of the press release is attached to this report as Exhibit 99.1 and is incorporated herein by reference.
