**Item 8.01. Other Events.**

Fred Hadeed, Executive Vice President for Business Development for United Therapeutics Corporation (the Company), has resigned effective December 1, 2006, after which he will serve as Senior Advisor to the Company. In accordance with the terms of his employment agreement, Mr. Hadeed will receive a one time lump sum payment of approximately \$1.5 million, representing two times the sum of his current salary and his average bonus over the last two years, and all of his unvested stock options will immediately become vested. As of November 30, 2006, Mr. Hadeed had 225,000 unvested stock options which were scheduled to vest through September 2009. As a result of the accelerated vesting of these options, a non-cash compensation charge of approximately \$3.9 million will be recognized in December 2006. This charge generally represents the unrecognized compensation expense related to the grant of these options that would have otherwise been recognized in the ordinary course through September 2009.
