On April 18, 2007, the Board of Directors of Central Valley Community Bancorp (the Company), at the recommendation of the Executive and Directors Resources Committee (Compensation Committee), approved a 5% increase to the base salary of the Company's Chief Executive Officer, Daniel J. Doyle. Mr. Doyle's salary for 2007 will be \$295,000. The Compensation Committee also recommended and the Board approved a target bonus for 2007 at 50% of Mr. Doyle's salary, or \$147,500, subject to adjustments, up or down, depending on actual performance. The target bonus is weighted 70% for Company wide financial performance thresholds and 30% for management components with an additional modifier determined by the outcome of regulatory examinations and internal and external audits. If financial performance, management components and regulatory examinations and audits exceed 100% of targets, Mr. Doyle's bonus could increase by as much as 56%. Consequently, the highest potential bonus Mr. Doyle could earn would be \$230,500.
