PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS, SEPTEMBER 6, 2007

GENERAL INFORMATION

This Proxy Statement is furnished to shareholders of NVE Corporation, a Minnesota corporation (NVE or the Company), in connection with the solicitation of proxies by our Board of Directors for use at our Annual Meeting of shareholders to be held on Thursday, September 6 at 3:30 p.m. Central Daylight Time at the SpringHill Suites by Marriott, 11552 Leona Road, Eden Prairie, Minnesota, 55344, and at any adjournment or postponements of the meeting (the 2007 Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders and Notice of Internet Availability of Proxy Materials. This Proxy Statement and the accompanying form of Proxy were first made accessible to our shareholders on or about July 20, 2007.

Annual Meeting Admission

Proof of ownership (such as a recent brokerage statement or letter from your broker) and a form of photo identification are required for admission to the 2007 Annual Meeting.

Householding of Documents

We are sending only one annual report, proxy statement, and Notice of Internet Availability of Proxy Materials to eligible shareholders who share a single address unless we received instructions to the contrary from any shareholder at that address. This practice, known as householding, is designed to reduce our printing and postage costs. If a registered shareholder residing at an address with other registered shareholders wishes to receive a separate annual report, proxy statement, or Notice of Internet Availability of Proxy Materials in the future, he or she may contact Curt A. Reynders, our Secretary, at telephone number (952) 829-9217, or by mail to the address at the top of this page. You can also request delivery of single copies of our documents if you are receiving multiple copies.

Other Matters and Proposals of Shareholders

Our Board is not aware that any matter other than those described in the Notice of Annual Meeting of Shareholders to which this Proxy Statement is appended will be presented for action at the 2007 Annual Meeting. If, however, other matters do properly come before the 2007 Annual Meeting, the persons named in our proxy card intend to vote the proxied shares in accordance with their best judgment on those matters. If any matters properly come before the shareholders at our 2007 Annual Meeting, but we did not receive notice of it prior to May 22, 2007, the persons named in our proxy card for the 2007 Annual Meeting will have the discretion to vote the proxied shares on such matters in accordance with their best judgment.

Proposals of shareholders intended to be presented at our next annual meeting of shareholders must be received by our Secretary at our executive offices in Eden Prairie, Minnesota, no later than March 11, 2008 for inclusion in our proxy statement and proxy relating to that annual meeting. The proposal must be in accordance with the provisions of Rule 14a-8 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934. It is suggested the proposal be submitted by certified mail, return receipt requested. Upon receipt of any such proposal, we will determine whether or not to include such proposal in our proxy statement and proxy in accordance with regulations governing the solicitation of proxies. Shareholders who intend to present a proposal at our next annual meeting of shareholders without including such proposal in our proxy statement must provide us with notice of such proposal no later than May 22, 2008. NVE reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

VOTING INFORMATION

Only shareholders of record at the close of business on July 13, 2007 are entitled to execute proxies or to vote at the 2007 Annual Meeting. As of that date there were outstanding 4,632,383 shares of our common stock, \$0.01 par value per share (Common Stock). Each holder of Common Stock is entitled to one vote for each share of Common Stock held with respect to the matters mentioned in the foregoing Notice of Annual Meeting of Shareholders and any other matters that may properly come before the 2007 Annual Meeting. A majority of the outstanding shares of

Edgar Filing: NVE CORP /NEW/ - Form DEF 14A

The affirmative vote of a plurality of the voting power of the Common Stock present, in person or by proxy, and entitled to vote at the 2007 Annual Meeting, is required to approve Proposal 1. The affirmative vote of a majority of the voting power is required to approve Proposal 2. The matters mentioned in the foregoing

1

Notice of Annual Meeting and Notice of Internet Availability of Proxy Materials. Proxies indicating abstention from a vote and broker non-votes will be counted toward determining whether a quorum is present at the 2007 Annual Meeting, but will not be counted toward determining if a majority of the Common Stock present has voted affirmatively.

Solicitation and Revocability of Proxies

We will pay the costs and expenses of solicitation of proxies. In addition to the use of the mails, proxies may be solicited by our directors, officers, and regular employees personally or by telephone, but these people will not be specifically compensated for those services.

Proxies are solicited on behalf of the Board of Directors. Any shareholder giving a proxy in such form may revoke it either by submitting a new proxy card or by completing a ballot at the meeting at any time before it is exercised. Such proxies, if received in time for voting and not revoked, will be voted at the 2007 Annual Meeting in accordance with the specification indicated thereon. If no specification is indicated on a proxy, such proxy will be voted in favor of Proposals 1 and 2 described in this proxy statement.

VOTING METHODS

You may view this year's proxy materials at <http://www.nve.com/AnnualReports.php>.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

We operate under written Corporate Governance Guidelines, which are available through the [Investors](#) section of our Website (www.nve.com).

Board Composition, Independence, and Meeting Attendance

Our Board consists of five directors. The Board met five times in fiscal 2007 (fiscal years referred to in this document end March 31). Each director attended all of the meetings of the Board and of the committees on which they serve. The Board has determined that each of our directors, with the exception of Dr. Baker, are independent as defined under NASDAQ Marketplace Rule 4200(a)(15) and applicable SEC rules. In making this determination, the Board has concluded that none of these members has a relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Board Committees

The Board has three standing committees: the Audit, Compensation, and Nominating/Corporate Governance committees. Each committee is governed by a written charter, all of which are available through the [Investors](#) section of our Website (www.nve.com).

Audit Committee

The Audit Committee currently consists of three independent directors: Ms. Hollister, Mr. Glarner, and Mr. Hartman. The Audit Committee met five times in fiscal 2007. Our Board has determined that each of the members meet the criteria of [audit committee financial experts](#) in accordance with the applicable rules and regulations of the SEC. The primary responsibility of the Audit Committee is to oversee our financial reporting process on behalf of the Board and our shareholders. The Report of the Audit Committee, including a description of the functions of the committee, is included in this Proxy Statement.

Compensation Committee

The Compensation Committee currently consists of Mr. Glarner, Ms. Hollister, and Mr. Irish. The Compensation Committee met three times in fiscal 2007. The Compensation Committee reviews and sets compensation guidelines for executive officers and other senior management, and the composition and levels of participation in incentive compensation and fringe benefits for all employees. The Compensation Committee also oversees administration of our 2000 Stock Option Plan, as amended.

Compensation Committee Interlocks and Insider Participation

Each member of the Compensation Committee has been determined to be independent as defined by NASDAQ Marketplace Rule 4200(a)(15) and to have no relationship with the company that would interfere with the exercise of independent judgment as a Committee member. Each Committee member has also been determined to be [non-employee directors](#) as defined by Rule 16b-3 under the Securities Exchange Act of 1934 and [outside directors](#) as defined by Section 162(m) of the Internal Revenue Code. No member of the Compensation Committee is or has been an officer of NVE. We have no compensation committee interlocks that is, none of our officers serves as a director or a compensation committee member of a company that has an officer or former officer serving on our Board or Compensation Committee.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee currently consists of all of our independent directors: Mr. Glarner, Mr. Hartman, Ms. Hollister, and Mr. Irish. The Nominating/Corporate Governance Committee met four times in fiscal 2007. The Committee's functions include selection of candidates for our Board, select members of various committees, and address corporate governance matters.

Our process for identifying and evaluating candidates to be nominated to the Board starts with an evaluation of a candidate by the Nominating/Corporate Governance Committee and CEO. Candidates can be forwarded to the Nominating/Corporate Governance Committee by members of our Board or our CEO. The committee recommends to the Board the slate of directors to serve as management's nominees for election by the shareholders at the Annual Meeting. The Committee will also consider candidates recommended by shareholders. To date we have not engaged any third party to assist in identifying or evaluating potential nominees.

Director Qualifications

Edgar Filing: NVE CORP /NEW/ - Form DEF 14A

In evaluating candidates, the Board will require that candidates possess, at a minimum, a desire to serve on the Company's Board, an ability to contribute to the effectiveness of the Board, an understanding of the function of the board of a public company and relevant industry knowledge and experience. In addition, while not required of any one candidate, the

5

Board would consider favorably experience, education, training or other expertise in business or financial matters and prior experience serving on boards of public companies. Collectively, the composition of the Board must meet the listing requirements of the NASDAQ Stock Market, where our Common Stock is listed. In evaluating any candidate for director nominee, the Board will also evaluate the contribution of the proposed nominee toward compliance with the NASDAQ Stock Market listing standards.

Shareholder Nominees

Shareholder proposals for nominations to the Board should be submitted to the Nominating/Corporate Governance Committee at our offices, 11409 Valley View Road, Eden Prairie, Minnesota, 55344. To be considered by the Board for nomination at the next succeeding annual meeting, nominations must be delivered not less than 90 days nor more than 120 days prior to the first anniversary of the mailing of the notice of the preceding year's annual meeting. Shareholders' proposals must provide the following information for each nominee: (i) the name, age, business address, and residence address of the person; (ii) the principal occupation or employment of the person; (iii) the number of shares of our stock owned by the person; (iv) the written and acknowledged statement of the person that such person is willing to serve as a director; and (v) any other information relating to the person that would be required to be disclosed in a solicitation of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, if the candidate had been nominated by or on behalf of the Board. Candidates recommended by our shareholders will be considered under the same standards as candidates that are identified by the Nominating/Corporate Governance Committee. No shareholders submitted director nomination proposals in connection with this year's meeting.

Shareholder Communications With the Board and Director Attendance at Annual Meetings

Shareholders and others who wish to communicate with our Board as a whole or any individual director, may write to them at our offices, 11409 Valley View Road, Eden Prairie, Minnesota, 55344. The Secretary will forward any such written communication to the Board, or if indicated, to a specified individual member of the Board, unless the written communication is (i) a personal or similar grievance, a shareholder proposal or related communication, an abusive or inappropriate communication or a communication not related to the responsibilities or duties of the Board, in which case the Secretary has the authority to discard the communication or to take appropriate legal action regarding the communication; or (ii) a request for information about the company, a stock-related matter or any other matter that does not appear to require direct attention by the Board or any individual director, in which case the Secretary will attempt to handle the inquiry or request directly. All such communications will be kept confidential to the extent possible. We do not have a formal policy regarding attendance by members of the Board at our annual meetings of shareholders, but we encourage our directors to attend. All of our directors and director nominees attended our 2006 Annual Meeting.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees and directors, including our principal executive officer, principal financial officer, and principal accounting officer. The Code of Business Conduct and Ethics is incorporated by reference into this Report, and a copy is available from the Investors' section of our Website (www.nve.com). We intend to post on our Website any amendment to, or waiver from, a provision of our Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, controller, and other employees performing similar functions within four business days following the date of such amendment or waiver.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

Our overall philosophy is that compensation levels should be adequate to retain highly-qualified personnel without being unreasonable or excessive. In determining annual compensation for senior managers, we consider the manager's position, performance, productivity, recent compensation history, experience, and education. We also take into account whether an employee has options or accumulated wealth from options. We consider the full range of pay components, including, but not limited to, the desired mix of equity, salary, and performance-based compensation. Performance-based compensation should reward the achievement of specific annual objectives with the ultimate goal of profitable growth and improving shareholder value. Our significant compensation and practices and trends are summarized below.

Reduced salaries

Our CEO and certain other senior managers have been paid reduced salaries in recent years in consideration of equity and performance-based compensation. This has reduced our overhead and, we believe, provided incentives to improve shareholder value.

Performance-based compensation

Certain of our senior managers have the opportunity to receive performance-based cash compensation. We believe performance-based compensation is appropriate where specific annual goals can be established, measured, and linked to profitable growth and our ultimate objective of improving shareholder value. The Compensation Committee sets individual thresholds and targets for each eligible manager at the start of the fiscal year. The Compensation Committee has discretion to increase performance-based compensation if thresholds and targets are not met. No such discretion was used in fiscal 2007.

Reduced use of stock options

We have reduced our use of stock options to compensate our NEOs and other employees since our adoption of the provisions of Financial Accounting Standards Board (FASB) Statement of Financial Accounting Standards (SFAS) No. 123(R) on April 1, 2006. SFAS No. 123(R) requires us to recognize expenses associated with the issuance of options. For example, no stock options were granted to our NEOs in fiscal 2007.

No special benefits or perquisites for senior managers

Our practice has been to extend fringe benefits to all of our employees. Our goal is to provide a benefit package of equal or higher aggregate value than offered by companies with which we compete for employees. Such benefits include paid vacations, holidays, 401(k) retirement plans, Health Savings Accounts, tuition reimbursement, and health, life, and dental insurance. We believe these benefits help us attract and retain employees throughout the company. Our senior managers have not received any significant benefits other than those offered to all employees.

The Compensation Committee has reviewed all components of our NEOs' compensation as set forth in the following summary tally sheet:

The Role of Named Executive Officers in Compensation Decisions

The Compensation Committee makes all compensation decisions for the CEO and his staff, including the CFO. The committee is responsible for any equity awards to any employee. The CEO annually reviews the performance of each member of his staff. The conclusions reached and recommendations based on these reviews, including salary adjustments and performance-based compensation, are presented to the Compensation Committee. The Compensation Committee has discretion to modify any of the CEO's recommendations.

Setting Named Executive Officers' Compensation

We have no pre-established policy or target for the allocation between salary and performance-based compensation. The Compensation Committee does not use a comparison with a specific compensation peer group because we do not believe there are public companies of comparable size devoted substantially to all of the same markets in which we compete. The Compensation Committee has full and sole authority to retain and terminate compensation consultants to assist in the evaluation of CEO, executive staff, and director compensation. We have not employed consultants because we do not believe it is a necessary use of company resources, and we believe members of our Compensation Committee, by virtue of experience in compensation management and service on other boards, have reasonable knowledge of compensation practices. We do, however, review data on overall compensation trends such as salary and wage data from the U.S. Bureau of Labor Statistics.

Fiscal 2007 Named Executive Officer Compensation

For the fiscal year ended March 31, 2007, the principal components of compensation for NEOs were salary and performance-based compensation.

Named Executive Officers Salary

The Company provides the named executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. Salary levels are typically considered annually as part of the company's performance review process as well as upon a promotion or other change in job responsibility. Consistent with our practice of paying certain senior managers reduced salaries in consideration of equity and performance-based compensation, Dr. Baker's base salary was \$114,000 per year effective April 1, 2006. His salary was increased to \$152,000 per year effective January 1, 2007 and \$175,000 per year effective April 1, 2007 in consideration of his performance and to bring his salary closer to competitive levels. Mr. Reynders' salary was increased to \$95,000 per year effective with his promotion to CFO on January 16, 2006 and to \$105,000 per year effective April 1, 2007 in consideration of his performance, which was evaluated as outstanding. The Compensation Committee believes the salaries paid both Dr. Baker and Mr. Reynders are lower than comparable positions at public companies with comparable revenues or market capitalization, and that reliance on equity and performance-based compensation provide motivation to facilitate profitable growth and ultimately to increase shareholder value.

CEO Performance-Based Compensation

Dr. Baker's performance-based incentive compensation in fiscal 2007 and recent years has been tied to weighted percentages of revenue growth, weighted differently for different product lines, on contract bookings, and on a percentage of revenue profitability improvements in certain product lines. The Compensation Committee sets performance criteria and targets at the beginning of the fiscal year. Dr. Baker's performance-based compensation was based on pre-determined criteria and most resulted from our revenue growth in fiscal 2007 compared to fiscal 2006.

CFO Performance-Based Compensation

Mr. Reynders performance-based compensation for fiscal 2007 was based on a percentage of revenue growth and a percentage of pre-tax income growth in fiscal 2007 compared to fiscal 2006. Criteria and targets were set at the beginning of the fiscal year by the Compensation Committee.

Perquisites and Other Personal Benefits

We do not provide our named executive officers or other senior managers with perquisites or personal benefits other than those available to all of our employees, because we do not currently believe such benefits are an appropriate use of company funds. We have not entered into change of control severance agreements with the named executive officers or any other employees.

Compensation Tax and Accounting Implications

Accounting for Stock-Based Compensation

Effective April 1, 2006 we adopted the provisions of, and account for stock-based compensation in accordance with SFAS No. 123(R). Under the fair value recognition provisions of SFAS No. 123(R), we measure stock-based compensation cost at the grant date based on the fair value of the award and recognize the compensation expense over the requisite service period, which is generally the vesting period. We use the Black-Scholes standard option pricing model to determine the fair value of stock options for financial reporting and for the purposes of disclosures in this proxy statement.

Tax Implications of Stock-Based Compensation

Under SFAS No. 109, stock-based compensation deductions for tax return purposes that do not reduce taxes reported for book purposes are credited to Additional paid-in capital.

COMPENSATION COMMITTEE REPORT

We have reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, we recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

DIRECTOR COMPENSATION

Directors receive option awards but no cash compensation for their service on our Board. The non-cash director compensation maximizes operating cashflow and, we believe, better aligns our directors' interest with our ultimate objective of improving shareholder value.

Non-employee directors automatically receive a nonqualified option to purchase 6,000 shares of Common Stock vesting in 25% installments beginning with the date of the grant and each year thereafter upon initial election, and an immediately-vested option to purchase 2,000 shares on each reelection to the Board. The following table summarizes director compensation in fiscal year ended March 31, 2007:

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (\$)	Option Awards (\$)	Non-Equity Incentive Plan Compensation (\$)	Change in Pension Value and Nonqualified Deferred Compensation Earnings (\$)	All Other Compensation (\$)	Total (\$)
Terrence W. Glarner			29,860				29,860
James D. Hartman			47,710				47,710
Patricia M. Hollister			29,860				29,860

AUDIT COMMITTEE DISCLOSURE**Fees Billed to Us by Ernst & Young During Fiscal 2007 and 2006*****Audit Fees***

We incurred total fees of \$115,000 relating to the audit of the March 31, 2007 financial statements, review of the financial statements included in fiscal 2007 quarterly reports on Forms 10-Q, and other matters directly relating to the fiscal 2007 audit. Fees were \$59,000 for similar services for the year ended March 31, 2006. The increase in audit fees for fiscal 2007 compared to fiscal 2006 was primarily due to expenses related to our first Sarbanes-Oxley Section 404 controls-based audit.

Tax, Audit-Related, and All Other Fees

Fees billed to us by Ernst & Young LLP, our independent registered public accounting firm, relating to tax compliance matters were \$2,500 in fiscal 2007 and \$8,025 in fiscal 2006. We incurred no fees for audit-related services in fiscal 2007 or 2006, and no other fees for services were billed to us by Ernst & Young, during fiscal 2007 or 2006.

Audit Committee Pre-Approval Policy

Rules adopted by the SEC in order to implement requirements of the Sarbanes-Oxley Act of 2002 require audit committees of public companies to pre-approve audit and permissible non-audit services provided by their independent auditors. In the event it becomes necessary to engage the independent auditor for additional services not contemplated in the original pre-approval, the Company will obtain the specific pre-approval of the Audit Committee before engaging the independent auditor. The pre-approval policy requires the Audit Committee to be informed of each service performed by the independent auditor, and the policy does not include any delegation of the Audit Committee's responsibilities to management. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated will report any pre-approval decisions to the Audit Committee as a whole at its next scheduled meeting. The Audit Committee approved all fees paid to Ernst & Young described in the section above.

Audit Committee Report

In connection with the financial statements for the fiscal year ended March 31, 2007, the Audit Committee has reviewed and discussed the audited financial statements with management, discussed with Ernst & Young the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T and received a written disclosure and letter from the Auditors for matters required by Independence Standards Board Standard No. 1, and has discussed with Ernst & Young their independence.

Edgar Filing: NVE CORP /NEW/ - Form DEF 14A

Based upon these reviews and discussions, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Annual Report on Form 10-K for the year ended March 31, 2007 filed with the SEC. The Board has approved this inclusion.

PROPOSAL 2. RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected Ernst & Young LLP as our registered public accounting firm to audit our financial statements for fiscal 2008 and recommends that the shareholders ratify the selection. Shareholder ratification is not required by our Articles of Incorporation but our Board is submitting the selection for ratification as a matter of good corporate practice. If our shareholders fail to ratify the selection, our Audit Committee will reconsider whether or not to retain Ernst & Young. Even if the selection is ratified, our Audit Committee in its discretion may direct the selection of different independent auditors at any time during the year if our Audit Committee determines that such a change would be in our and our shareholders' best interests. Representatives of Ernst & Young are expected to be present at our 2007 Annual Meeting and will have the opportunity to make a statement if they wish to do so. We also expect that they will be available to respond to appropriate questions.

Ernst & Young has audited our financial statements annually since our 2001 fiscal year, including our financial statements for fiscal 2007.
