Item 2. Identity and Background

This statement on Schedule 13D is being filed by Rio Tinto plc, a public limited company organized under the laws of England and Wales (**Rio Tinto**), and by Rio Tinto Canada Holding Inc., a corporation incorporated under the laws of Canada and an indirect wholly-owned subsidiary of Rio Tinto plc (the **Offeror**). Rio Tinto and the Offeror are referred to collectively as the **Reporting Persons**.

The principal executive offices of Rio Tinto are located at 6 St. James's Square, London SW1Y 4LD, United Kingdom. The address of the registered offices of Rio Tinto is the same as the address of Rio Tinto's principal executive offices.

Information required to be disclosed herein with respect to the Reporting Persons, their directors and executive officers is set forth in Schedule A hereto and the information set out in Schedule A hereto is incorporated herein by this reference.

During the past five years, none of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the directors or executive officers listed in Schedule A (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding were or are subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, U.S. federal or state securities laws or finding any violations with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The aggregate purchase price for the Alcan Common Shares tendered in the Offer described in Item 4 below was approximately \$34.2 billion. The Reporting Persons funded the purchase of the Alcan Common Shares through funds provided by a new credit facility agreement. Rio Tinto, the Offeror and Rio Tinto Finance plc, a subsidiary of Rio Tinto, entered into a facility agreement dated July 12, 2007, (the **Facility Agreement**) with Credit Suisse, Deutsche Bank AG, London Branch, The Royal Bank of Scotland plc and Societe Generale. The Facility Agreement comprises two term facilities and two revolving facilities for a total amount of up to U.S.\$40 billion. The funds made available under the Facility Agreement have been used in part to fund the purchase of the Alcan Common Shares.

All information contained in the sections entitled **Source and Amount of Funds** of the take-over bid circular (the **Circular**) dated July 24, 2007 attached as Exhibit (a)(1)(A) to the Schedule TO-T (the **Schedule TO**) filed by the Reporting Persons with the Securities and Exchange Commission on July 24, 2007 and **Source and Amount of Funds** of the notice of extension (the **Notice of Extension**), dated September 17, 2007, attached as Exhibit 99.(a)(5)(T) to the Schedule TO-T/A filed by the Reporting Persons on September 17, 2007 is incorporated herein by reference.

Item 4. Purpose of Transaction

Pursuant to the Support Agreement dated July 12, 2007, as amended on July 20, 2007 with effect as of July 12, 2007, between Alcan, the Offeror and Rio Tinto (the **Support Agreement**), the Offeror commenced a tender offer to purchase all of the outstanding Alcan Common Shares at a purchase price of \$101 per share, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Circular and in the related Letter of Transmittal (the **Letter of Transmittal**) (which, together with the Circular and

any amendments or supplements thereto, are referred to herein collectively as the Offer) on July 24, 2007. The initial offering period expired at 6:00 p.m., Eastern Time, on October 23, 2007 (the **Initial Offering Period**), at which time the Reporting Persons accepted the approximately 298,759,912 Alcan Common Shares that had been validly tendered and not withdrawn (not including Alcan Common Shares delivered through notices of guaranteed delivery) in connection with the Offer, represented approximately 79.41% of the outstanding shares on a fully diluted basis. The Reporting Persons commenced a subsequent offering period on October 24, 2007, which will expire at 6:00 p.m. Eastern Time on November 8, 2007, unless extended (the **Subsequent Offering Period**). From the beginning of the Subsequent Offering Period to date, the Reporting Persons have accepted approximately 39,525,649 additional Alcan Common Shares tendered in the Offer. All Alcan Common

Edgar Filing: ALCAN INC - Form SC 13D

Shares acquired pursuant to the Offer have been acquired at the offer price of \$101 per share for an aggregate purchase amount of approximately \$34.2 billion.

The Offeror is making the Offer in order to acquire all of the issued and outstanding Alcan Common Shares. Following the conclusion of the Offer, the Offeror will, subject to applicable law, seek to acquire, directly or indirectly, all remaining outstanding Alcan Common Shares not tendered under the Offer, if any, by way of a subsequent acquisition transaction. In order to effect a subsequent acquisition transaction, the Offeror may seek to cause a special meeting of the Alcan shareholders to be called to consider an amalgamation, plan of arrangement, capital reorganization, consolidation or other transaction as a result of which the Offeror or one of its affiliates would, directly or indirectly, acquire all of the remaining Alcan Common Shares. If the Offeror acquires over 90% of the outstanding Alcan Common Shares under the Offer, it intends to acquire the remaining outstanding shares through a compulsory acquisition pursuant to section 206 of the Canadian Business Corporations Act.

Pursuant to the Support Agreement, the Offeror is entitled to designate such number of members of the board of directors of Alcan, and any committees thereof, as is proportionate to the percentage of the outstanding Alcan Common Shares owned from time to time by the Offeror, and Alcan will cooperate fully with the Offeror, subject to all applicable laws, to enable the Offeror's designees to be elected or appointed, including, at the request of the Offeror, using its reasonable best efforts to increase the size of the board of directors of Alcan and to secure the resignations of such directors as the Offeror may request. As of October 25, 2007, five persons designated by the Offeror became members of the board of directors of Alcan and eight incumbent directors resigned.

If permitted by applicable law, the Offeror intends to cause Alcan to cease to be a reporting issuer under Canadian securities legislation and to apply to delist the Alcan Common Shares from the Toronto Stock Exchange, the New York Stock Exchange, the SWX Swiss Exchange, the London Stock Exchange, Euronext Paris and Euronext Brussels (with respect to the international depository receipts) and to cause the Alcan Common Shares to be deregistered under the Exchange Act as soon as practicable after the completion of the Offer.

Following the completion of the Offer, Rio Tinto intends to focus on the integration of its aluminum business operations with those of Alcan in order to maximize synergies and optimize operational effectiveness. Rio Tinto intends to retain its focus on mining and metals activities by the divestment of Alcan's Packaging division, as jointly agreed with Alcan.

All information contained in the sections entitled Purpose of the Offer, Support Agreement, Relationships Between the Offeror and Alcan, Effect of the Offer on the Market for Alcan Common Shares: Stock Exchange Listing and Public Disclosure, and Acquisition of Shares Not Deposited of the Circular is incorporated herein by reference.

Except as set forth in this statement (including any information incorporated herein by reference) and in connection with the transaction described above, neither Reporting Person has any plan or proposal that relates to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.
