Item 1.01 **Entry into a Material Definitive Agreement.**

On July 29, 2008, The AES Corporation (the "Company") and certain subsidiary guarantors amended and restated the Company's existing senior secured credit facility pursuant to the terms of the Fourth Amended and Restated Credit and Reimbursement Agreement, dated as of July 29, 2008 (the "Amended and Restated Credit Agreement"). The Amended and Restated Credit Agreement, under which Citicorp USA, Inc. is acting as Administrative Agent for the lenders listed therein, provides for a \$200 million term loan facility maturing on August 10, 2011, and \$750 million revolving credit facility maturing on June 23, 2010.

The Company entered into the Amended and Restated Credit Agreement to, among other things: (i) increase the size of the Restricted Payments basket; (ii) reduce the required minimum Cash Flow Coverage Ratio (as defined therein) and increase the maximum Recourse Debt to Cash Flow Ratio (as defined therein); (iii) clarify and make modifications in the provisions that permit hedging activities; and (iv) make certain other changes, such as excluding certain equity-like securities from the definition of Recourse Debt, amending the financial reporting and environmental notice requirements, clarifying that the term "Permitted Business" includes climate solutions, carbon offsets, biofuels, battery storage and ancillary businesses, including related trading activities and amending certain other definitions and covenants. For the quarter ended June 30, 2008, the last covenant testing period under the Amended and Restated Credit Agreement, the Company was in compliance with the foregoing debt covenants. However, it is seeking these amendments in order to align the credit documents with the Company's current business plans and to allow the Company to pursue business and capital structure opportunities prospectively.

The foregoing description of the Amended and Restated Credit Agreement is qualified in its entirety by reference to the text of the Amended and Restated Credit Agreement, which is included as an Exhibit 10.2 to this Current Report on Form 8-K and incorporated by reference herein.
