Item 2.01. Completion of Acquisition or Disposition of Assets.

On September 28, 2008, MTS Systems Corporation, through its wholly-owned subsidiary MTS Systems (China) Co., Ltd. (collectively the Company), completed its acquisition of substantially all the assets of the SANS Group, a privately held company based in Shenzhen China, for a purchase price of \$43,600,000 (USD), pursuant to a Master Asset Purchase Agreement dated April 28, 2008, as modified by a Mutual Waiver Agreement dated July 31, 2008, as amended. The assets, which are used to manufacture static tension and compression materials testing machines, consist of real estate, furniture and fixtures, facilities, property, machinery and equipment, automobiles, inventory, accounts receivable, advances from customers, accounts payable, other receivables, intellectual property, patents, trademarks, trade secrets, copyrights, domain names, goodwill, product designs, bills of material, customer lists, customer contracts, sales channels, computer software, data files and all computer hardware and peripherals of the SANS Group. The acquisition excludes certain defined assets and liabilities of the SANS Group.

The SANS Group is comprised of Shenzhen SANS Material Testing Co., Ltd., Shenzhen SANS Measurement Technique Co., Ltd., and Shanghai SANS Testing Machine Co., Ltd., each a domestic limited liability company existing under the laws of the Peoples Republic of China and none of which had any previous material relationship with the Company or, to the Company's knowledge, its affiliates.

Through September 28, 2008, the Company has paid the SANS Group the RMB equivalent of \$26,400,000. On or before November 3, 2008, \$6,300,000 will be placed into a joint MTS/SANS escrow account to satisfy potential indemnification claims by the Company and \$10,900,000 will be paid upon the satisfactory completion of certain post-closing conditions. The Company funded the purchase price through a combination of cash on hand and the use of its credit facility.

On October 2, 2008, the Company issued a press release announcing the closing of the acquisition. The complete text of the press release is attached here to as Exhibit 99.1.
