Citigroup, a Delaware corporation, is the owner of all of the outstanding capital stock of CHI. Citigroup is a diversified holding company providing, through its subsidiaries, a broad range of financial services to consumer and corporate customers worldwide. The principal business address of Citigroup is 399 Park Avenue, New York, NY 10043.

Attached as Schedule A is information concerning each executive officer and director of Citigroup Chile and Citigroup.

Other than as described in Schedule B, during the last five years, none of the Reporting Persons or, to the best knowledge of the Reporting Persons, none of the directors and executive officers listed in Schedule A, has been (i) convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding has been or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, U.S. federal or state securities laws or finding any violations with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The aggregate consideration paid by Citibank Chile for its interest in LQ Inversiones Financieras S.A. (LQIF), and therefore indirectly in the Issuer, described in Item 4 below consisted of the contribution of the operations and businesses of Citibank Chile, the successor to the Chilean branches of Citibank, to the Issuer and the contribution by Citigroup and its subsidiaries of other assets and businesses to LQIF. For purposes of the transaction, the operations and businesses of Citibank Chile were deemed to represent 10.5% of the pro forma equity of the Issuer after giving effect to the contribution and, together with other assets and businesses contributed by Citigroup to LQIF, were the basis for the issuance by LQIF to Citigroup of the 33% equity interest in LQIF.

Item 4. Purpose of Transaction

On July 19, 2007, Citigroup and COIC entered into a Master Joint Venture Agreement (the Framework Agreement) with Quiñenco, the parent corporation of LQIF, which is the controlling shareholder of the Issuer, for the purpose of establishing a strategic partnership that combines Citigroup's principal operations in Chile with the Issuer's local banking franchise to create a banking and financial services institution with approximately 20% market share of the Chilean banking industry. Entry into the Framework Agreement was disclosed by the Issuer in a Report on Form 6-K filed with the SEC on July 19, 2007. A copy of an English language translation of the Framework Agreement was filed as an Exhibit to the 2007 Annual Report on Form 20-F of the Issuer and is incorporated by reference in this statement on Schedule 13D.

The Framework Agreement provided that Citigroup would initially acquire a 33% equity interest in LQIF and two options to increase its stake in LQIF up to a total of 50%. Citigroup could also be required to increase its stake in LQIF to up to a total of 41.5% if Quiñenco exercises its put option under the Framework Agreement. The acquisition by Citigroup of its initial interest in LQIF occurred, with effect on January 1, 2008, under the terms of the Framework Agreement and a corresponding Merger Agreement between the Issuer and Citibank Chile. As consideration for the merger and, taking into account the deemed pro forma 10.5% share of the Issuer's equity represented by the operations and businesses of Citibank Chile, the Issuer issued and conveyed to LQIF 8,443,861,140 Banco de Chile Common Shares. Approval of the merger by the shareholders of the Issuer and the effective date for the merger of January 1, 2008, were disclosed by the Issuer in a Report on Form 6-K filed with the SEC on December 27, 2007. A copy of an English language translation of the Merger Agreement was filed as an Exhibit to the 2007 Annual Report on Form 20-F of the Issuer and is incorporated by reference in this statement on Schedule 13D.

In March, April and May of 2008, LQIF purchased 25,396,941, 55,007,573 and 576,351,940 additional shares of SM-Chile's Series B stock, respectively, representing a 2.7% voting interest in Banco de Chile, for an aggregate purchase price of Ch\$40,855,257,833, and in May 2008 and June 2008, LQIF purchased 517,584,924 and 937,621,434 additional Banco de Chile Common Shares, respectively, representing a 1.8% voting interest in Banco de Chile, for an aggregate purchase price of Ch\$60,851,464,840. The source of funds for the consideration paid was dividends received in 2008 from Banco de Chile. The purchases of Banco de Chile Common Shares and of the shares of SM-Chile were made in the open market through the Santiago Stock Exchange.

Following the transactions contemplated by the Framework Agreement described above, and the subsequent LQIF investment, LQIF exercises control of the Issuer through direct ownership of a 32.1% voting interest in the Issuer and indirect ownership of a 29.6% voting interest in the Issuer. The indirect ownership voting interest held by LQIF in the Issuer is a result of LQIF's direct ownership of a 58.2% interest in Sociedad Matriz del Banco de Chile, S.A.

(SM-Chile)¹, a corporation organized under the laws of the Republic of Chile. SM-Chile owns a 15% interest in the Issuer and all of the shares of Sociedad Administradora de la Obligacion Subordinada SAOS S.A. (SAOS), a corporation organized under the laws of the Republic of Chile, which in turn owns a 35.4% interest in the Issuer. The voting rights associated with the Banco de Chile Common Shares owned by SAOS and SM-Chile are exercised directly by SM-Chile's shareholders, in the proportion, and with the preferences, set forth in SM-Chile's by-laws. SAOS does not have direct voting rights over any Banco de Chile Common Shares it holds. Therefore, although LQIF generally controls SAOS and SM-Chile, it does not have the power to direct the voting or disposition of all Banco de Chile Common Shares owned by each of SAOS and SM-Chile, but only its proportionate share of such shares in accordance with SM-Chile's by-laws. The entirety of the economic rights associated with SAOS' interest in the Issuer is pledged to, and all distributions in respect thereof are to be paid directly to, the Chilean Central Bank.

Pursuant to the Framework Agreement and the Shareholders Agreement (as defined below), Citigroup Chile has certain rights to (i) require Quiñenco to vote its shares of LQIF in favor of the election of two candidates for the board of directors of LQIF nominated by Citigroup Chile (increasing to three, including naming the Vice Chairman, if and when both options are exercised) of a total of seven directors of LQIF; (ii) cause LQIF to vote its shares in favor of the election of two candidates for the board of directors of SM-Chile nominated by Citigroup Chile (increasing to four, including naming the Vice Chairman, if and when both options are exercised) of a total of nine directors of SM-Chile; and (iii) cause LQIF to vote its shares in favor of the election of two candidates for the board of directors of the Issuer nominated by Citigroup Chile (increasing to five and the second of the two alternate directors, including naming the Vice Chairman, if and when both options are exercised) of a total of eleven directors of the Issuer. In the case of SM-Chile and the Issuer, the number of directors appointed by Citigroup Chile could be reduced by the number of directors appointed by minority shareholders under Chilean law, but in no event will Citigroup Chile have less than one director of the Issuer.

Pursuant to the Framework Agreement and the Shareholders Agreement, Quiñenco has agreed that it shall not permit LQIF to, and shall cause LQIF not to permit the Issuer to, engage in Fundamental Strategic Decisions (as defined below) without Citigroup's consent. For purposes of the Framework Agreement and the Shareholders Agreement, Fundamental Strategic Decisions are defined to include entry into new lines of business, certain credit decisions, dissolution or liquidation, proposed appointment of auditors or material changes in accounting practices and principles, dealings with regulatory agencies, material investments in non-financial businesses and services, amendments to the bylaws relating to the Framework Agreement or the Shareholders Agreement, and the delisting or deregistration of the shares of the Issuer or SM-Chile from the New York Stock Exchange, the Securities and Exchange Commission, the Chilean Stock Exchanges or the Chilean Superintendence of Securities and Insurance.

Pursuant to the Framework Agreement and the Shareholders Agreement, Citigroup has the right to propose the appointment, for the Issuer, LQIF, and their subsidiaries, of (i) the Chief Financial Officer (defined as the person in charge of management, planning, and accounting control, as well as management and analysis tasks); (ii) the head of Corporate and Investment Banking, treasury, and the broker-dealer controlled by the Issuer; and (iii) the head of compliance and anti-money laundering controls, which person shall have direct and permanent access to (and will be subject to the additional supervision of) the Board of Directors of the Issuer.

Pursuant to the Framework Agreement, each of Citigroup and Quiñenco has the option of purchasing the other party's ownership interests in LQIF, SM-Chile and/or Banco de Chile in the event of a change of control with respect to the other party.

On December 27, 2007, Quiñenco, Citigroup Chile and certain of Quiñenco's subsidiaries entered into a Shareholders Agreement that formalized the rights of Citigroup with respect to the governance of the Issuer as set forth in the Framework Agreement (and as discussed in the preceding paragraphs). Additionally, pursuant to the Shareholders Agreement, each of Citigroup and Quiñenco has a right of first offer with respect to sales of LQIF shares by the other party, as well as tag-along rights with respect to any sale of LQIF shares by the other party. The

right of first offer may expire as to one or both parties in certain circumstances depending on their respective ownership percentages of LQIF and on whether Citigroup exercises the options described below. Citigroup will also have preemptive rights with respect to any issuance of capital stock by LQIF, SM-Chile or Banco de Chile. The Shareholders Agreement became effective on January 1, 2008. A copy of an English language translation of the Shareholders Agreement was filed as an Exhibit to the 2007 Annual Report on Form 20-F of the Issuer and is incorporated by reference in this statement on Schedule 13D.

Except as otherwise provided herein in connection with the transactions described above, the Reporting Persons currently have no intention of engaging in any of the events set forth in subparagraphs (a) through (j) of Item 4 of Schedule 13D. Except as otherwise provided herein, although no Reporting Person has any specific plan or proposal to purchase or sell Banco de Chile Common Shares, depending on various factors, including, without limitation, the Issuer's financial position and business strategy, price levels of shares of Common Stock, conditions in the securities market and general economic and industry conditions, each of the Reporting Persons may, acting either jointly or independently with respect to any other Reporting Person or Quiñenco S.A., take such actions with respect to its investment in the Issuer as it deems appropriate, including, without limitation, purchasing additional Banco de Chile Common Shares or selling some or all of its shares of Common Stock or engaging in any hedging or similar transactions with respect to the Common Stock in the ordinary course of its business.

Item 4 of this statement on Schedule 13D is incorporated herein by reference.

The Reporting Persons do not have the power to direct the voting or disposition of any of the Banco de Chile Common Shares beneficially owned by LQIF; however they may be deemed to constitute a group within the meaning of Rule 13d-5(b) under the Exchange Act with the Unaffiliated Members referred to in Section 2 of this statement on Schedule 13D, who, in fact, control the voting and disposition of such shares, and to have shared beneficial ownership of all of such shares by virtue of the Shareholders Agreement described in this statement on Schedule 13D entered into with Quiñenco, the controlling shareholder of LQIF, and certain of Quiñenco's subsidiaries, pursuant to which Citigroup Chile has certain rights to require Quiñenco to vote its shares of LQIF in favor of the election of candidates for the board of directors of LQIF nominated by Citigroup Chile, and to cause LQIF to vote its shares in favor of the election of candidates for the board of directors of the Issuer nominated by Citigroup Chile.

As members of the group, the Reporting Persons beneficially own in the aggregate 49,886,736,420 Banco de Chile Common Shares, which represent approximately 61.7% of the outstanding Banco de Chile Common Shares (based

(SM-Chile) directly and indirectly through Sociedad Administradora de la Obligacion Subordinada SAOS S.A. (SAOS), which are beneficially owned by LQIF by virtue of LQIF's ownership of 58.2% of the outstanding voting shares of SM-Chile and the provisions of SM-Chile's by-laws. The voting rights associated with the Banco de Chile Common Shares owned

by SAOS and SM-Chile are exercised directly by SM-Chile's shareholders, in the proportion, and with the preferences, set forth in SM-Chile's by-laws. SAOS does not have direct voting rights over any Banco de Chile Common Shares it holds. Therefore, although LQIF generally controls SAOS and SM-Chile, it does not have the power to direct the voting or disposition of all Banco de Chile Common Shares owned by each of SAOS and SM-Chile, but only its proportionate share of such shares in accordance with SM-Chile's by-laws. The entirety of the economic rights associated with SAOS' interest in the Issuer is pledged to, and all distributions in respect thereof are to be paid directly to, the Chilean Central Bank. Citigroup Chile S.A. (Citigroup Chile) holds 32.9% of the outstanding voting shares of LQIF. In addition, pursuant to the Framework Agreement described in this statement on Schedule 13D, Citigroup has the right to increase its stake in LQIF up to a total of 50%. Citigroup could also be required to increase its stake in LQIF to up to a total of 41.5% if Quiñenco exercises its put option (continued...)

Item 6. Contracts, Arrangement, Understandings or Relationships with Respect to Securities of the Issuer

Item 4 of this statement on Schedule 13D is incorporated herein by reference.

Pursuant to the Framework Agreement, Citigroup acquired two options to acquire an additional approximately 17.0% voting interest in LQIF (for a total 50% interest in LQIF if and when both options are exercised). The first option is for Citigroup Chile or a Citigroup Wholly-Owned Subsidiary that it designates (as defined in the Framework Agreement) to acquire an additional approximately 8.5% voting interest in LQIF. If this option is not otherwise exercised by Citigroup Chile or the Citigroup Wholly-Owned Subsidiary that it designates, then Quiñenco has the option to require Citigroup Chile to acquire such additional approximately 8.5% voting interest in LQIF. These options may be exercised by

either party by April 30, 2010, except that the deadline for exercise may be adjusted in certain circumstances. The second option is for Citigroup Chile or the Citigroup Wholly-Owned Subsidiary that it designates to acquire an additional approximately 8.5% voting interest of LQIF. This option may be exercised by May 3, 2010, subject to any additional agreed upon extension.

On December 27, 2007, Citigroup entered into a Global Connectivity Agreement with the Issuer, which Global Connectivity Agreement sets forth the terms upon which the Issuer, Citigroup and its affiliates will develop a relationship with respect to cross-border business and services being applied to Corporate and Investment Banking, Private Banking International Personal Banking, Global Transactions Services, and other services and products. The parties agreed on the following principles with respect to implementing the terms of the agreement: (i) the

under the Framework Agreement. The Reporting Persons do not have the power to direct the voting or disposition of any of the shares of Banco de Chile Common Stock beneficially owned by LQIF; however they may be deemed to constitute a group within the meaning of Rule 13d-5(b) under the Securities Exchange Act of 1934, as amended, with the Unaffiliated Members referred to in Section 2 of this statement on Schedule 13D, who, in fact, control the voting and disposition of such shares, and to have shared beneficial ownership of all of such shares by virtue of the Shareholders Agreement described in this statement on Schedule 13D entered into with Quiñenco S.A. (Quiñenco), the controlling shareholder of LQIF, and certain of Quiñenco's subsidiaries, pursuant to which Citigroup Chile has certain rights to require Quiñenco to vote its shares of LQIF in favor of the election of candidates for the board of directors of LQIF nominated by Citigroup Chile, and to cause LQIF to vote its shares in favor of the election of candidates for the board of directors of the Issuer nominated by Citigroup Chile.

promotion of global connectivity products among Chilean customers, (ii) the setup of a technology platform, (iii) the training of bank officers, and (iv) the construction of international support networks to carry out the transactions contemplated by the agreement. A copy of an English language translation of the Global Connectivity Agreement was filed as an Exhibit to the 2007 Annual Report on Form 20-F of the Issuer and is incorporated by reference in this statement on Schedule 13D.

On December 27, 2008, Citigroup entered into a Cooperation Agreement with the Issuer, which Cooperation Agreement establishes a communication mechanism between the parties to enhance the exchange of ideas and information related to the integration of the Issuer's business with that of Citigroup in Chile and it also provides for certain specific areas of collaboration going forward (such as with respect to our hedging and derivatives strategies). A copy of an English language translation of the Cooperation Agreement was filed as an Exhibit to the 2007 Annual Report on Form 20-F of the Issuer and is incorporated by reference in this statement on Schedule 13D.

SCHEDULE B

On July 28, 2003, Citigroup settled enforcement proceedings related to the manipulation of Enron's and Dynegy's financial statements. The Commission found that Citigroup knew or should have known that the acts or omissions described in the Order would contribute to Enron's and Dynegy's violations of Exchange Act Section 10(b) and Exchange Act Rule 10b-5. Consequently, Citigroup was found to be a cause of Enron's and Dynegy's violations within the meaning of Exchange Act Section 21C. Citigroup consented to an order to cease and desist from committing or causing any violation of the antifraud provisions of the federal securities laws, and agreed to pay \$120 million as disgorgement, interest and penalty.

On March 23, 2005, the SEC entered an administrative and cease-and-desist order against CGMI. The SEC order found that CGMI willfully violated Section 17(a)(2) of the Securities Act and Rule 10b-10 promulgated under the Exchange Act. Specifically, the order found that there were two distinct disclosure failures by CGMI in the offer and sale of mutual fund shares to its customers. Based on these findings, the order censured CGMI, required that CGMI cease and desist from committing or causing violations and future violations of Section 17(a) of the Securities Act and Exchange Act Rule 10b-10, and required that CGMI pay a \$20 million civil money penalty.

In a related proceeding on March 22, 2005, the NASD accepted a Letter of Acceptance, Waiver and Consent dated March 18, 2005 (the "AWC") that had been submitted by CGMI. Without admitting or denying the findings, CGMI accepted and consented, prior to a hearing and without an adjudication of any issue of law or fact, to the entry of findings by NASD. Based on its findings and with CGMI's consent, the NASD censured CGMI and fined it \$6.25 million. In the AWC, CGMI also agreed to complete certain undertakings, including retaining an Independent Consultant, among other things, to conduct a comprehensive review of the completeness of its disclosures regarding the differences in mutual fund share classes and the policies and procedures relating to CGMI's recommendations to its customers of different class shares of mutual funds.

On May 31, 2005, the SEC issued an order in connection with the settlement of an administrative proceeding against Smith Barney Fund Management LLC ("SBFM"), a former subsidiary of Citigroup, and CGMI, relating to the appointment of an affiliated transfer agent for the Smith Barney family of mutual funds managed by SBFM (the "Affected Funds").

The SEC order finds that SBFM and CGMI willfully violated Section 206(1) of the Investment Advisers Act of 1940, as amended, and the rules promulgated thereunder (the "Advisers Act"). Specifically, the order found that SBFM and CGMI knowingly or recklessly failed to disclose to the boards of the Affected Funds in 1999 when proposing a new transfer agent arrangement with an affiliated transfer agent that: First Data Investors Services Group ("First Data"), the Affected Funds' then-existing transfer agent, had offered to continue as transfer agent and do the same work for substantially less money than before; and that Citigroup Asset Management ("CAM"), the former Citigroup business unit that, at the time, included the Affected Funds' investment manager and other investment advisory companies, had entered into a side letter with First Data under which CAM agreed to recommend the appointment of First Data as sub-transfer agent to the affiliated transfer agent in exchange for, among other things, a guarantee by First Data of specified amounts of asset management and investment banking fees to CAM and CGMI. The order also found that SBFM and CGMI willfully violated Section 206(2) of the Advisers Act by virtue of the omissions discussed above and other misrepresentations and omissions in the materials provided to the Affected Funds' boards, including the failure to make clear that the affiliated transfer agent would earn a high profit for performing limited functions while First Data continued to perform almost all of the transfer agent functions, and the suggestion that the proposed arrangement was in the Affected Funds' best interests and that no viable alternatives existed. SBFM and CGMI do not admit or deny any wrongdoing or liability. The settlement does not establish wrongdoing or liability for purposes of any other proceeding.

The SEC censured SBFM and CGMI and ordered them to cease and desist from violations of Sections 206(1) and 206(2) of the Advisers Act. The order required Citigroup to pay \$208.1 million, including \$109 million in disgorgement of profits, \$19.1 million in interest, and a civil money penalty of \$80 million. Approximately \$24.4 million has already been paid to the Affected Funds, primarily through fee waivers. The

Edgar Filing: BANK OF CHILE - Form SC 13D

remaining \$183.7 million, including the penalty, has been paid to the U.S. Treasury and will be distributed pursuant to a plan submitted for the approval of the SEC. At this time, there is no certainty as to how the above-described proceeds of the settlement will

be distributed, to whom such distributions will be made, the methodology by which such distributions will be allocated, and when such distributions will be made. The order also required that transfer agency fees received from the Affected Funds since December 1, 2004, less certain expenses, be placed in escrow and provided that a portion of such fees may be subsequently distributed in accordance with the terms of the order. On April 3, 2006, an aggregate amount of approximately \$9 million held in escrow was distributed to the Affected Funds.

The order required SBFM to recommend a new transfer agent contract to the Affected Funds' boards within 180 days of the entry of the order; if a Citigroup affiliate submitted a proposal to serve as transfer agent or sub-transfer agent, SBFM and CGMI would have been required, at their expense, to engage an independent monitor to oversee a competitive bidding process. On November 21, 2005, and within the specified timeframe, the Affected Funds' Boards selected a new transfer agent for the Affected Fund. No Citigroup affiliate submitted a proposal to serve as transfer agent. Under the order, SBFM also must comply with an amended version of a vendor policy that Citigroup instituted in August 2004.
