PROXY STATEMENT

FOR THE

ANNUAL MEETING OF STOCKHOLDERS

December 9, 2010

This Proxy Statement accompanies the Notice (the "Notice") of the Annual Meeting of Stockholders (the "Annual Meeting") of Evolution Petroleum Corporation, a Nevada corporation (hereinafter, "us", "we", "our" or the "Company"), in connection with the solicitation of proxies by and on behalf of our Board of Directors for use at our Annual Meeting to be held at 10 a.m., Central Time, at our Company's principal executive offices at 2500 CityWest Boulevard, Suite 1300, Houston, Texas 77042, on December 9, 2010, and at any postponement(s) or adjournment(s) thereof.

The Company's Annual Report for the fiscal year ended June 30, 2010 is being mailed to stockholders with the mailing of the Notice of Meeting and Proxy Statement. This Proxy Statement and the accompanying proxy card are first being sent to our stockholders on or about October 28, 2010.

The solicitation of proxies by the Board of Directors will be conducted primarily by mail. Continental Stock Transfer & Trust Company ("CST"), as part of CST's services as the Company's transfer agent, assists in the solicitation of proxies in connection with the Annual Meeting. In addition, officers, directors and employees of the Company may solicit proxies personally or by telephone, email, or facsimile communication. These officers, directors and employees will not receive any compensation for these services. The Company will reimburse brokers, custodians, nominees, and fiduciaries for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of common stock of the Company. The costs of solicitation will be borne by the Company.

What is the purpose of the 2010 Annual Meeting?

At the 2010 Annual Meeting, stockholders will act upon the matters outlined in the attached Notice of Meeting and described in detail in this Proxy Statement, which are:

- (1) the election of six directors to the Board of Directors of the Company;

(2) the ratification of the appointment of Hein & Associates, LLP, an independent registered public accounting firm, as our independent auditors for the fiscal year ending June 30, 2011; and

(3) to transact such other business as may properly come before the Annual Meeting or any postponement or adjournment thereof.

In addition, Company management will report on our performance during the fiscal year ended June 30, 2010, which we refer to as fiscal 2010, and respond to questions from stockholders.

Although the Board does not anticipate that any other matters will come before the 2010 Annual Meeting, your executed proxy gives the official proxies the right to vote your shares at their discretion on any other matter properly brought before the Annual Meeting.

Who is entitled to vote at the 2010 Annual Meeting?

Only stockholders of record at the close of business on October 22, 2010 (the Record Date) will be entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof.

How can I Vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record (i.e., your shares are registered directly in your name, as opposed to being held in a stock brokerage account or by a bank or other nominee), you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your

vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy. To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive. To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. Properly executed proxies in the accompanying form, received in due time and not previously revoked, will be voted at the Annual Meeting or any adjournment thereof as specified therein by the person giving the proxy; however, if no specification is made the shares represented by proxy will be voted as recommended by our Board of Directors, to the extent permitted by law.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

Unlike in prior years, your broker is no longer able to vote on your behalf for the election of directors without specific voting instructions from you.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in the street name of the entity holding your shares.

As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the 2010 Annual Meeting. However, since you are not the stockholder of record (record holder), you may not vote these shares in person at the 2010 Annual Meeting unless you obtained a signed proxy from the record holder giving you the right to vote the shares.

If you hold your shares in street name, you will receive instructions from your broker or other nominee describing how to vote your shares. If you do not instruct your broker or nominee how to vote your shares, they may vote your shares as they decide as to each matter for which they have discretionary authority.

There are also non-discretionary matters for which brokers and other nominees do not have discretionary authority to vote your shares unless they receive timely instructions from you. When a broker or other nominee does not have discretion to vote on a particular matter, you have not given timely instructions on how the broker or other nominee should vote your shares and the broker or other nominee indicates it does not have authority to vote such shares on its proxy, a broker non-vote results. Although any broker non-vote would be counted as present at the meeting for purposes of determining a quorum, it would be treated as not entitled to vote with respect to non-discretionary matters.

Recent changes to regulatory rules eliminated broker discretionary voting with respect to the election of directors. Where a matter is not considered routine, such as Proposal No. 1, regarding the election of directors, the shares held by the broker will not be voted on that proposal without specific instruction from the beneficial holder of the shares. Therefore, unlike in prior years, your broker is not able to vote on your behalf in any director election without specific voting instructions from you.

How Can I Revoke My Proxy or Change My Vote?

Even if you have given a proxy or given your broker, bank or other agent voting instructions, you have the power to revoke your proxy or change your voting instructions at any time before the Annual Meeting. Stockholders of record may revoke their proxy prior to its exercise by

Edgar Filing: EVOLUTION PETROLEUM CORP - Form DEF 14A

delivering written notice of revocation to our Corporate Secretary, at 2500 CityWest Boulevard, Suite 1300, Houston, Texas 77042, by executing a later-dated proxy, or by attending the Annual Meeting and voting in person. If your shares are held by your broker or bank as a nominee or agent (such as in your brokerage account), you may change your vote by following the instructions provided by your broker or bank. You may also change your vote by voting in person at the Annual Meeting if you have obtained a valid proxy from your broker, bank, or other agent to vote your shares at the Annual Meeting.

What are the voting rights of the holders of our common stock?

Holders of our common stock are entitled to one vote per share with respect to each of the matters to be presented at the Annual Meeting. With regard to the election of directors, the six nominees receiving the greatest number of votes cast will be elected provided a quorum is present. On each other matter to be presented, the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote will be necessary to approve the matter.

Abstentions will be counted towards the tabulation of votes cast on matters properly presented to the stockholders (except the election of directors) and will have the same effect as negative votes. Broker non-votes will not be counted as votes cast and, therefore, will have no effect on the outcome of the matters presented at the Annual Meeting.

Under a new rule recently approved by the SEC, brokers no longer have discretionary voting power with respect to the election of directors. Because directors are elected by a plurality of the votes cast, abstentions and broker non-votes will

not be counted in determining which nominees received the largest number of votes cast.

What constitutes a quorum?

Our Bylaws provide that the presence, in person or by proxy, of the holders of a majority of outstanding shares of our common stock at our Annual Meeting shall constitute a quorum.

For the purpose of determining the presence of a quorum, proxies marked "withhold authority" or "abstain" will be counted as present. Shares represented by proxies that include broker non-votes will also be counted as shares present for purposes of establishing a quorum. On the Record Date there were 27,446,519 shares of our common stock (including restricted shares) issued and outstanding and such shares are the only shares entitled to vote at the Annual Meeting.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendations are set forth together with the description of the Proposals in this Proxy Statement. In summary, the Board recommends a vote **FOR** election of each of the six directors named in this Proxy Statement to the Board of Directors (see Proposal I) and a vote **FOR** the ratification of the appointment of Hein & Associates, LLP as our independent auditors for the year ending June 30, 2011 (See Proposal II).

The proxy holders will vote in their discretion with respect to any other matter that may properly come before the Annual Meeting.

Proxies

If the enclosed proxy card is executed, returned in time and not revoked, the shares represented thereby will be voted at the Annual Meeting and at any postponement(s) or adjournment(s) thereof in accordance with the instructions indicated on such proxy. **IF NO INSTRUCTIONS ARE INDICATED ON THE PROXY CARD, THE OFFICIAL PROXIES WILL VOTE (1) FOR THE PROPOSALS DESCRIBED IN THIS PROXY STATEMENT AND (2) AS TO ANY OTHER MATTERS PROPERLY BROUGHT BEFORE THE ANNUAL MEETING OR ANY POSTPONEMENT OR ADJOURNMENT THEREOF, IN THE SOLE DISCRETION OF THE PROXY HOLDERS.**

A stockholder who has returned a proxy card may revoke it at any time prior to its exercise at the Annual Meeting by (i) giving written notice of revocation to our Corporate Secretary, (ii) properly submitting to Evolution Petroleum Corporation a duly executed proxy bearing a later date, or (iii) appearing at the Annual Meeting and voting in person. All written notices of revocation of proxies should be addressed as follows: Evolution Petroleum Corporation, 2500 CityWest Boulevard, Suite 1300 Houston, Texas 77042, Attention: Corporate Secretary.

What are the Company's Governance Practices and Policies?

See the detailed discussion under [Corporate Governance](#), beginning on page 15.

PROPOSAL I**ELECTION OF DIRECTORS****The Board of Directors**

Our directors are elected annually by the stockholders to serve until the next annual meeting of stockholders and until their successors are duly elected and qualified. The minimum number of directors is established by our Bylaws, and may be increased by the majority vote of the Board of Directors. The current authorized number of directors is six. Assuming the presence of a quorum, a plurality of the votes cast in person or by proxy at the Annual Meeting is required for the election of each director.

Director Nominees

All six nominees are currently serving as directors of the Company. There are five independent directors serving on our Board as defined in the listing standards of the NYSE Amex. All six of our incumbent directors are standing for re-election.

As discussed in more detail under the heading **Nominating and Corporate Governance Committee** in this proxy statement, the Board considers qualifications and other factors when evaluating individual directors, as well as the composition of the Board as a whole. As part of this process, the Board and its Nominating and Corporate Governance Committee review the particular experiences, qualifications, attributes or skills of each of the nominees. The biographies of each of the nominees below contain information regarding the person's service as a director, business experience, director positions held currently or at any time during the last five years, and information regarding involvement in certain legal or administrative proceedings, if applicable. They also highlight the particular experiences, qualifications, attributes or skills that have caused the Nominating and Corporate Governance Committee and the Board to conclude that such persons should serve as a director of the Company.

PROPOSAL II

**PROPOSAL TO RATIFY THE APPOINTMENT OF
HEIN & ASSOCIATES LLP AS OUR COMPANY S AUDITORS**

The Audit Committee of our Board of Directors has appointed the firm of Hein & Associates, LLP, an independent registered public accounting firm, as our independent auditors to audit our consolidated financial statements for the fiscal year ending June 30, 2011. From June 30, 2004 through June 30, 2010, Hein & Associates LLP served as our independent auditors.

We are not required to seek stockholder approval for the appointment of our independent auditors; however, the Audit Committee and the full Board of Directors believe it to be sound corporate practice to seek such approval. If the appointment is not ratified, the Audit Committee will investigate the reasons for stockholder rejection and will re-consider the appointment. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of our company and our stockholders.

Independent Public Auditors

Aggregate fees billed to us for professional services by Hein & Associates LLP during the fiscal years ended June 30, 2010 and 2009 were as follows:

	2010	2009
Audit Fees	\$ 91,650	\$ 86,355
Audit-Related Fees	\$ 2,200	\$ 2,500
Tax Fees	\$	\$ 5,882

In the above table, in accordance with the SEC's definitions and rules, audit fees are fees we paid Hein & Associates LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K, the review of financial statements included in our Form 10-Q's and for services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements.

Audit-related fees are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. Tax fees are fees primarily for assistance with an IRS field audit and subsequent revised tax filings associated with prior year tax returns prepared by Hein before fiscal 2008. With this exception, Hein has not provided us with tax compliance, tax advice or tax planning services since fiscal year 2007.

All audit related services and tax fees were pre-approved by our Audit Committee Chairman.

The Audit Committee has considered the compatibility of the non-audit services provided by Hein & Associates LLP, to Hein & Associates continued independence and has concluded that its independence is not compromised. In order to reduce non-audit services performed by our independent registered public accounting firm, we have retained Grant Thornton LLP to replace Hein & Associates tax compliance, tax advice and tax planning services starting in fiscal 2008.

Pre-Approval of Services by External Auditor

The Audit Committee has adopted policies and procedures for the pre-approval of the audit and non-audit services performed by the independent auditors in order to ensure that the provision of such services does not impair the auditors' independence. The Audit Committee approves all audit fees and terms for all services provided by the independent auditors and consider whether these services are compatible with the auditors' independence. The Chairman of the Audit Committee may approve additional proposed services that arise between Committee meetings provided that the decision to approve the service is presented at the next scheduled Committee meeting. All non-audit services provided by the independent auditors must be pre-approved by the Audit Committee Chairman prior to the engagement. The Audit Committee pre-approved all audit and permitted non-audit services by Hein & Associates LLP in fiscal 2010.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF HEIN & ASSOCIATES LLP AS OUR INDEPENDENT AUDITORS FOR FISCAL YEAR 2011.

Representatives of Hein & Associates LLP will be present at the Annual Meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

(1) For fiscal years 2009 and 2010, all executive officers were awarded unrestricted stock bonuses from the Stock Plan, in lieu of cash bonuses at the election of the Company, for all of their short-term incentive plan compensation.

(2) As recently prescribed by the SEC in December 2009, amounts presented for awards of stock-based compensation include the entire lump sum grant date fair value of the total award, even though the awards vest ratably over a four year period in the future. For stock awards, the lump sum grant date fair value equals the product of the shares awarded times the award's prior day closing market price, in accordance with ASC Topic 718. Since the named executive's actual income is realized as the stock awards vest over the four year vesting period, the realization of such income may vary significantly from the amounts presented in the table, depending on the share price of the award on the vesting date. Furthermore, unvested stock awards may be forfeited by the named executive in the event of termination of service.

(3) Includes healthcare subsidy; life, accidental death, dismemberment and long-term disability insurance; and 401(k) matching contributions by the Company, all on terms offered to all employees.

Stock Awards

Edgar Filing: EVOLUTION PETROLEUM CORP - Form DEF 14A

We believe our success depends on attracting and retaining industry experienced personnel that are aligned with our shareholders' interests. In doing so, our compensation policies are designed to place a significant emphasis on long-term-incentives in the form of restricted stock awards to all of our employees. Generally, we implement this policy by making a larger onetime award upon commencement of employment with us, with additional smaller awards made on an annual basis. All awards are currently made from the Company's 2004 Stock Plan (the Stock Plan), typically with four year pro-rata vesting schedules.

The Summary Compensation Table above describes the long-term stock incentive awards granted to the Named Executives in fiscal year 2010, vesting 1/16th per quarter from the date of grant.

Bonuses

As another dimension of our compensation policy, we award annual short-term performance bonuses to all of our employees. For our Named Executives, annual bonuses are discretionarily awarded in accordance with the Named Executive's employment agreement.

Mr. Herlin received a bonus for fiscal year 2010 of \$185,625 pursuant to his Employment Agreement dated April 4, 2005 with the Company. The bonus was paid in unrestricted stock from the Stock Plan in lieu of cash, at the election of the Company.

Mr. McDonald received a bonus for fiscal year 2010 of \$102,921 pursuant his Employment Agreement dated April 4, 2005 with the Company. The bonus was paid in unrestricted stock from the Stock Plan in lieu of cash, at the election of the Company.

Mr. Mazzanti received a bonus for fiscal year 2010 of \$97,203 pursuant his Employment Agreement dated June 23, 2005 with the Company. The bonus was paid in unrestricted stock from the Stock Plan in lieu of cash, at the election of the Company.

Executive Employment Agreement: Daryl V. Mazzanti

On June 23, 2005, we entered into an Executive Employment Contract with Mr. Daryl V. Mazzanti for Mr. Mazzanti to serve as Vice President of Operations of our company (the Employment Contract). Under the Employment Contract, Mr. Mazzanti received an initial annual salary of \$155,000, and, pursuant to a provision that allows annual increases at the discretion of the Board of Directors. Change in Control Policy

In August 2010, the Board of Directors approved an employee severance policy for a change in control event. A change in control event is generally defined to include a tender offer, takeover bid, exchange offer or acquisition for forty percent (40%) or more of the Company's outstanding common stock. The new policy applies to all employees including Messrs. Herlin, McDonald and Mazzanti and provides that in the event of a change in control, employees terminated within one year of the event shall receive severance pay in the amount of one year of base pay and targeted annual discretionary bonus, plus one year continuation of the company's subsidy of health, disability and life insurance benefits. Pursuant to the Company's Amended and Restated 2004 Stock Plan, the Administrator under the Plan has provided that in the event of a change in control, half of all unvested options and stock awards would vest on the date of such change in control and the remainder of unvested options and stock awards would vest upon the employee's termination within a year of the change in control.

Compensation of Directors

Except as noted, our directors receive compensation for serving on the board and for serving as committee members. Robert S. Herlin, who serves as the Chairman of the Board, President and Chief Executive Officer, and Kelly W. Loyd, an affiliate of a major stockholder, receive no

additional compensation for serving as a director or committee member.

The compensation plan for our outside directors (other than for Mr. Loyd) constitutes a cash retainer of \$24,000 per year, or the equivalent cash value issued in common stock at the election of each director, plus meeting fees of \$1,000 per day for board and committee meetings attended in person and \$500 per day for those meetings attended telephonically, with a maximum of one fee paid per day in total. The Chair of the Audit Committee is paid an additional retainer of \$12,000 per annum, the Chair of the Compensation Committee is paid an additional retainer of \$7,500 per annum, and the Chair of the Nominating Committee is paid an additional \$3,750 per annum. In addition to the cash retainers and fees, the outside directors (excluding Mr. Loyd) receive a payment of restricted stock with a fair market value of \$36,000 per annum awarded as of the date of each annual stockholders meeting. These shares of restricted stock vest over one year from the date of grant. We also reimburse our non-employee directors for any direct expenses they incur in their capacity as directors, generally limited to travel costs related to board or committee meetings.

Mr. Cagan may earn compensation from our company through his relationship with our financial advisor, CMCP and placement agent (Colorado Financial Services, Inc.). Mr. Cagan, as a registered representative of Colorado Financial Services and as a partner of CMCP, could serve as our placement agent in private equity financings, whereby CMCP could earn (i) cash fees equal to 8% of gross equity proceeds, declining to 4%, subject to the amount of equity raised through

CMCP, plus (ii) a fixed fee equal to 4% of shares offered, payable in warrants. Neither Mr. Cagan nor CMCP have received any compensation pursuant to this arrangement over the past two fiscal years. In addition, in the past we have reimbursed CMCP for the costs of legal services performed by staff members of CMCP under the direction of our previous general counsel. We ceased obtaining such legal services from CMCP at the end of calendar year 2006. We also reimburse Mr. Cagan for documented travel expenses he incurs from time to time directly on our behalf.

(4) Mr. Loyd does not receive any compensation for his services as a member of the Board of Directors.

CORPORATE GOVERNANCE

Meetings of the Board of Directors and Committees

Board of Directors

The property, affairs and business of our company are under the general management of our Board of Directors as provided by the laws of the State of Nevada and our Bylaws. We have separately designated standing Audit, Compensation and Nominating Committees of the Board of Directors. The Audit Committee was established in accordance with section 3(a)(58)(A) of The Securities Exchange Act of 1934, as amended (the Exchange Act). The Board of Directors held four meetings during fiscal 2010. Each director attended at least 75% of the aggregate of the total meetings of the Board and the total number of meetings held by all committees of the Board on which such director served during fiscal 2010. The Company currently has no formal policy with respect to the attendance of members of the Board of Directors at annual meetings. Three Directors, Mr. Herlin, Mr. DiPaolo and Mr. Dozier attended our 2009 Annual Meeting.

Director Independence

The Board of Directors affirmatively determines the independence of each director in accordance with the NYSE Amex rules and listing standards. The Board has determined that Messrs. Laird Q. Cagan, William E. Dozier, Edward J. DiPaolo, Gene G. Stoever and Kelly W. Loyd each qualify as independent non-employee directors with no relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Mr. Herlin is not independent.

Audit Committee

The Board of Directors has instructed the Audit Committee to meet periodically with our management and independent auditors to, among other things, review the results of the annual audit and quarterly reviews and discuss our financial statements, recommend to our board the independent auditors to be retained, and receive and consider the auditors' comments as to controls, adequacy of staff and management performance and procedures in connection with audit and financial controls. The Audit Committee is also authorized to review related party transactions for potential conflicts of interest. The Audit Committee's functions are further described under the heading Audit Committee Report. A copy of the written charter adopted by the Board of Directors for the Audit Committee and as currently in effect is included on our website, http://www.evolutionpetroleum.com/company_governance.html.

The Audit Committee is composed of Mr. Gene G. Stoever, Chairman, and Messrs. Edward J. DiPaolo and William E. Dozier. Each member of the Audit Committee is independent, as such term is defined in the listing standards for companies listed on the NYSE Amex. Each member of the Audit Committee also satisfies the Securities and Exchange Commission's additional independence requirements for members of audit committees. The Board has determined that Mr. Stoever qualifies as a financial expert as defined under Item 401(e)(2) of Regulation S-K of the Securities Act of 1933. The Audit Committee met four times during fiscal year 2010.

Audit Committee Report

The management of Evolution Petroleum Corporation is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm (herein, our independent auditor) is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America. The Audit Committee monitors and oversees these processes and reports to our Board of Directors with respect to its findings.

In order to fulfill its monitoring and oversight duties, the Audit Committee has reviewed and discussed the audited financial statements contained in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2010 with management and the independent registered public accounting firm, Hein & Associates LLP, and the matters required to be discussed by the statement on Auditing Standards No. 61, as amended and adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and has discussed with the independent auditor the independent auditor's independence.

During fiscal 2010, management assessed the effectiveness of the Company's system of internal control over financial reporting in connection with the Company's compliance with Section 404 of the Sarbanes-Oxley Act of 2002, which the Audit Committee reviewed and discussed with management and the Company's independent auditing firm as of June 30, 2010. In accordance with SEC rules for smaller reporting companies, the independent auditors were not asked to render an opinion as to the effectiveness of internal controls over financial reporting.

Based on the forgoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the year ended June 30, 2010 be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2010 for filing with the Securities and Exchange Commission. The Board of Directors approved such inclusion.

Respectfully submitted by the Audit Committee,

Mr. Gene G. Stoever, Chairman

Mr. Edward J. DiPaolo

Mr. William E. Dozier

Compensation Committee

The Compensation Committee is authorized to review annual salaries and bonuses of our executive officers and has the authority to determine the recipients of options and stock awards, the time or times at which options and stock awards shall be granted, the exercise price of each option, and the number of shares to be issuable upon the exercise of each option under our stock plan. In addition, the Compensation Committee recommends to the full Board the compensation of our Chief Executive Officer. In fulfilling its responsibilities, the Compensation Committee has the authority to engage independent compensation consultants or legal advisers when determined by the Committee to be necessary or appropriate. The members of the Compensation Committee consist of Mr. Dozier, Chairman, and Messrs DiPaolo and Cagan. A copy of the written charter adopted by the Board of Directors for the Compensation Committee and as currently in effect is included on our website, http://www.evolutionpetroleum.com/company_governance.html. All of the three members of the Compensation Committee are independent, as such term is defined in the listing standards for companies listed on the NYSE Amex. The Compensation Committee met four times during fiscal year 2010.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, the members of which are Mr. DiPaolo, who serves as Chairman, and Messrs. Stoever and Loyd, is responsible for identifying, screening, and recommending qualified candidates to serve on our Board of Directors and providing guidance and policy on corporate governance. A copy of the written charter adopted by the Board of Directors for the Committee and as currently in effect is included on our website, http://www.evolutionpetroleum.com/company_governance.html. Pursuant to its charter, the Committee is directed, among other things, to: develop and recommend to the Board specific guidelines and criteria for selecting nominees to the Board; formulate a process to identify and evaluate candidates to be recommended; review periodically compensation programs for non-employee directors and make recommendations for changes when appropriate; and evaluate the performance of incumbent members of the Board to determine whether to recommend such persons for re-election. All three members of the nominating committee are independent as defined in the listing standards for companies listed on the NYSE Amex.

It is our policy that the Committee consider recommendations for the nomination of directors submitted by our shareholders. All such stockholder nominating recommendations must be in writing, addressed to the Nominating Committee, care of the Corporate Secretary at Evolution Petroleum Corporation, 2500 CityWest Boulevard, Suite 1300, Houston, Texas 77042. Submissions must be made by mail, courier or personal delivery. E-mailed submissions will not be considered. Stockholders wishing to recommend nominees for election as directors at an annual meeting should submit such recommendation, together with any relevant information that they wish the Nominating Committee to consider, to the Corporate Secretary no later than 120 days prior to the date of the notice of annual meeting released to stockholders in connection with the current year's annual meeting. The stockholder's nomination notice shall set forth: (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director: (a) the name, age, business address and residence address of the person; (b) the principal occupation or employment and business experience of the person for at least the previous five years; (c) the class and number of shares of our capital stock which are beneficially owned by the person; and (d) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to the rules and regulations of the SEC under Section 14 of the Exchange Act; and (ii) as to the stockholder giving the notice: (a) the name and record address of the stockholder; and (b) the class and number of shares of our capital stock which is beneficially owned by the stockholder. Such submission must be accompanied by the written consent of the

proposed nominee to be named as a nominee and to serve as a director, if elected. We may require any proposed nominee to furnish such other information as may reasonably be required by us to determine the eligibility of such proposed nominee to serve as a director.

The Committee has determined that, at the minimum, nominees for directorship should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the Company's stockholders. They must also have an inquisitive and objective perspective, practical wisdom and mature judgment. The Company endeavors to have a board representing diverse experience in areas that are relevant to the Company's business activities. Directors must be willing to devote sufficient time to carrying out their duties and responsibilities efficiently, and should be committed to serve on the Board for an extended period of time.

Prior to nominating a candidate for election to the Board, the Committee will review the qualifications of each candidate. The Committee does not have a formal policy with regard to considering diversity in its identification of director candidates; however, the Committee does consider diversity in business and professional experience, education, and background that can benefit us by increasing the range of skills and perspectives available to our Board of Directors. Members will be selected without regard to race, gender, religious belief, ancestry, national origin or disability. Our Board of Directors believes that adherence to these principles will provide an environment and practices that will yield the best return for our shareholders. Each director is expected to act as the lead director in their respective area of expertise.

Final candidates may be interviewed by the Company's Chairman of the Board and one or more other Committee members. The Committee will then make a recommendation to the Board based on its review, the results of interviews with the candidate and all other available information.

In determining whether to nominate an incumbent director for reelection, the Committee will evaluate each incumbent's continued service, in light of the Board's collective requirements, at the time such Director comes up for reelection.

In determining whether to include a stockholder nominee in the Board's slate of nominees, the Committee will consider all information relevant in their business judgment to the decision of whether to nominate the particular candidate for a Board seat, taking into account the current composition of the Company's Board.

In addition to the foregoing, stockholders may nominate directors for election without consideration by the Committee so long as we are provided with proper notice of such nomination, which notice includes all the information required pursuant to Regulation 14A under the Exchange Act including the consent to serve as a director. The Nominating Committee met once during fiscal year 2010.

Annual Meeting Attendance

We do not have a policy requiring members of our Board of Directors to attend annual meetings of our stockholders.

Leadership Structure of the Board

As prescribed by our bylaws, the Chairman of our Board of Directors has the power to preside at all meetings of the Board. Robert S. Herlin, our Chief Executive Officer and President, serves as the Chairman of our Board of Directors. Although our Board believes that the combination of the Chairman and Chief Executive Officer positions is appropriate for our company in the current circumstances, there is no corporate policy requiring those positions to be held by the same person.

Our Chief Executive Officer is appointed by the Board to manage our daily affairs and operations. We believe that Mr. Herlin's extensive industry experience and direct involvement in our operations make him best suited to serve as Chairman in order to (i) lead the Board in productive, strategic planning, (ii) determine necessary and appropriate agenda items for meetings of the Board with input from both our independent directors and management, and (iii) determine and manage the amount of time and information devoted to discussion and analysis of agenda items and other matters that may come before the Board. Our Board structure also fosters strong oversight by our independent directors, each of whom acts as the lead director in their area of industry expertise. Mr. Herlin is the only member of management who serves on the Board, and all of the other directors are fully independent. Each of the committees of the Board is chaired by an independent director.

Meetings of Non-Management Directors

Our non-management Board members regularly meet in executive session outside the presence of management, generally at each Board meeting. Because there are only five non-management directors that meet in the executive sessions, they have determined that is not necessary to appoint a lead director to preside over such sessions. Any of the non-management directors is permitted to raise any item for discussion. These executive sessions may be attended by our outside legal counsel, who is responsible for providing feedback regarding these meetings to the Chairman and serving as a liaison between the non-management directors and the Chairman. The Board believes that this informal approach is appropriate and effective due to the size of our Board and effectively complements our combined Chief Executive Officer/Chairman structure.

Risk Oversight

The Board considers oversight of our risk management efforts to be a responsibility of the entire Board. The Board's role in risk oversight includes receiving regular reports from members of senior management on areas of material risk to us, including but not limited to operational, financial, personnel, information technology, environmental, legal and regulatory, strategic and reputational risks. The full Board receives these reports to enable the Board to understand our risk identification, risk management, and risk mitigation strategies. The Board also makes risk management an integral part of our annual strategic planning process, which addresses, among other things, the risks and opportunities facing us.

Transactions with Related Parties

None.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, including the principal executive officer, principal financial officer and principal accounting officer. IMPORTANT VOTING INFORMATION

NEW SEC RULES CONCERNING THE ELECTION OF DIRECTORS

If you hold your shares through a broker, bank or other financial institution, the U.S. Securities and Exchange Commission recently implemented a rule that changes the manner in which your vote in the election of directors will be handled at our upcoming 2010 Annual Meeting. Stockholders who hold shares of our common stock through a broker, bank or other financial institution receive proxy materials before each stockholder meeting.

In the past, if you did not transmit your voting instructions before the stockholder meeting, your broker was allowed to vote on your behalf on the election of directors and other matters considered to be routine.

New Rules for Stockholder Voting

Effective January 1, 2010, your broker will no longer be permitted to vote on your behalf on the election of directors unless you provide specific instructions by completing and returning the proxy card. For your vote to be counted, you now will need to communicate your voting decisions to your broker, bank or other financial institution before the date of the stockholder meeting.

Your Participation in Voting the Shares You Own Is Important

Voting your shares is important to ensure that you have a say in the governance of your company. Please review the proxy materials and follow the instructions on the proxy card to vote your shares. We hope you will exercise your rights and fully participate as a stockholder in our company's future.

More Information Is Available

If you have any questions about this new rule or the proxy voting process in general, please contact the broker, bank or other financial institution where you hold your shares. The SEC also has a website (www.sec.gov/spotlight/proxymatters.shtml) with more information about your rights as a stockholder.
