Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 5, 2010, the Board of Directors (the Board) of Cyanotech Corporation (the Company) entered into a Letter Agreement (Agreement) pursuant to which one director position was added to the size of the Board. In accordance with the Agreement, that position was filled by Brent Bailey, 58, who was elected as a new director of the Company, effective immediately; he will stand for re-election by stockholders at the 2011 annual meeting of stockholders. Also pursuant to the Agreement, Mr. Bailey will become President and Chief Executive Officer of the Company and its subsidiary, Nutrex Hawaii, Inc., on January 11, 2011. In the past five years, he formed and expanded his own leadership development and strategic planning consulting firm, Unlocking Potential LLC, in Pinehurst, North Carolina. Prior thereto his career spanned 30 years as an operating executive. He served as President and Chief Operating Officer of Pharmavite, a subsidiary of Otsuka Pharmaceutical Company, and led Pharmavite to becoming an industry leader while its Nature Made brand became the #1 mass market nutritional supplement brand. He was also Executive Vice President of Marketing at Del Monte Foods; Senior Vice President & General Manager Household Division of The Dial Corporation; Executive Vice President of Marketing and Development Personal Care Division of Weyerhaeuser; and Vice President of Sales and Marketing Van de Kamp's Frozen Foods Division of Pillsbury. In addition, he held marketing positions with Frito-Lay, Procter & Gamble and a health care start-up.

The Agreement provides for a term of up to seven years (Employment Term) with a beginning salary of \$300,000 and participation in an annual incentive program with a target bonus opportunity of 50% of his then-current salary, plus an opportunity for a greater bonus if he achieves stretch goals measured by compound annual earnings growth significantly exceeding fiscal year earnings goals, subject to the Board's discretion. In addition, as part of the Agreement the Company has agreed to grant stock options (Options) under its Restated 2005 Stock Option Plan (Plan), subject to the Plan, the Stock Option Agreement and the Agreement, equivalent to approximately 13½% of all issued and outstanding shares of the Company's \$.02 par value common stock (Common Stock) as of the actual date of commencement of his Employment Term. Such Options will vest and become exercisable in increasingly larger increments on the anniversary dates of the commencement date of his Employment Term plus twelve months. Currently, the Plan has insufficient shares of Common Stock reserved for the Plan; an initial grant from the 371,000 shares currently available will be made on or about the commencement date of his Employment Term. At its next meeting of stockholders, the Company will propose an increase in Plan shares to an amount adequate to provide for all anticipated option grants through August 21, 2015, the Plan's termination date. In the event of termination without cause, Mr. Bailey will be entitled to a severance payment of \$300,000. The Agreement contains an 18-month noncompetition provision, as well as confidentiality, non-disparagement and intellectual property provisions. Other provisions in the Agreement and in the Plan govern potential consequences of a Change in Control.

The above summary of the material terms of the Agreement is qualified by reference to the text of the Agreement which is filed herewith as Exhibit 10.1 and is incorporated by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 5, 2010, the Board amended Article II, Section 2 of the Company's Bylaws to increase the size of the Board by one, from five to six.
