NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

May 27, 2011

MERIT MEDICAL SYSTEMS, INC.

You are cordially invited to attend the Annual Meeting of Shareholders of Merit Medical Systems, Inc. (the Company), which will be held on Friday, May 27, 2011, at 3:00 p.m., at the Company's corporate offices at 1600 West Merit Parkway, South Jordan, Utah, 84095 (the Annual Meeting), for the following purposes:

- (1) To elect two directors of the Company, to serve until the Annual Meeting of the Company's Shareholders in 2014 and until their respective successors have been duly elected and qualified;
- (2) To conduct an advisory vote on a non-binding resolution to approve the compensation of the Company's named executive officers;
- (3) To conduct an advisory vote on a non-binding resolution to determine whether the Company's shareholders will be asked to approve the compensation of the Company's named executive officers every one, two or three years;
- (4) To consider and vote upon a proposal to ratify the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2011; and
- (5) To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

The Board of Directors has fixed the close of business on April 8, 2011 as the record date for the determination of shareholders entitled to receive notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof.

IMPORTANT

Whether you plan to attend the Annual Meeting or not, we urge you to vote your shares as soon as possible. Please either sign and return the accompanying card in the postage-paid envelope or instruct us via the Internet as to how you would like your shares voted. This will ensure representation of your shares at the Annual Meeting if you are unable to attend. Instructions on how to vote your shares via the Internet are on the proxy card or voting instruction card.

By Order of the Board of Directors,

KENT W. STANGER
Chief Financial Officer, Secretary and Treasurer

April 11, 2011

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON MAY 27, 2011:

This Proxy Statement and the accompanying annual report to shareholders are available at: www.proxyvote.com

Among other things, this Proxy Statement contains information regarding:

- Date, time and location of the Annual Meeting;
- Matters being submitted to the shareholders; and
- Information concerning voting in person at the Annual Meeting.

METHOD FOR ELECTRONIC VIEWING, PRINTING OF THE PROXY MATERIALS:

The record date for the Annual Meeting is April 8, 2011. Shareholders of record on the record date will be entitled to notice and to vote, in person or by proxy, at the Annual Meeting and any adjournments or postponements thereof.

The Company has chosen the Internet as a method of providing access to its proxy materials, including its Annual Report, to each shareholder of record in a fast and efficient manner. This reduces the amount of paper necessary to produce these materials, as well as the costs associated with mailing these materials to all shareholders.

Accordingly, on April 11, 2011, the Company will begin mailing Notices Regarding Internet Availability of Proxy Materials (the Notices), to all shareholders of record as of April 8, 2011, and post its proxy materials on the website referenced in the Notices (www.proxyvote.com).

As described in the Notices, all shareholders may choose to access the Company's proxy materials on the website referred to in the Notice or may request to receive a printed set of the Company's proxy materials. In addition, the Notices and websites provide information regarding how shareholders may request to receive proxy materials in printed form by either mail or sign-up electronically for e-mail delivery in the future. This proxy statement contains additional information regarding the proposals to be considered at the Annual Meeting, and shareholders are encouraged to read it in its entirety.

METHODS OF VOTING

The method of voting by proxy differs for shares registered directly in a shareholder's name, considered the shareholder of record, and shares held in street name, which means shares held of record by a trustee or in an account at a brokerage firm, bank, dealer, or other similar organization. If the shareholder holds shares as a record holder, the shareholder may either vote the shares by proxy on www.proxyvote.com, by means of the telephone or by mail by requesting a printed copy of this Proxy Statement and then voting by telephone or mail, or by attending the Annual Meeting and voting in person. If a shareholder requests a printed copy of this Proxy Statement, a proxy card (the Proxy) will also be mailed to the shareholder. If a shareholder votes his, her or its proxy by telephone, the Internet or by returning the Proxy to the Company before the Annual Meeting, the individuals designated in the Proxy will vote as the Proxy directs. If a shareholder votes by telephone or over the Internet, the shareholder does not need to return the Proxy. Telephone and Internet voting facilities for shareholders will be available 24 hours a day, and will close at 11:59 p.m., Eastern Time, on May 26, 2011.

If a shareholder holds shares of the Company's common stock in street name, the shareholder must either instruct his, her or its broker or nominee as to how to vote such shares or obtain a Proxy, executed by the broker or nominee, to be able to vote at the Annual Meeting.

- **Voting by Mail.** If a shareholder chooses to vote by mail, simply mark the enclosed Proxy and complete, sign, date and mail it in the postage-paid envelope provided. The Proxy must be completed, signed and dated by the shareholder or the shareholder's authorized representative.
 - **Voting by Telephone.** Shareholders of record can vote by phone by following the instructions on the Proxy or by calling toll-free at 1-800-690-6903. Voice prompts will instruct shareholders to vote their shares and confirm that their vote has been properly recorded. If the shares are registered in street name, you can vote by telephone when you receive your materials by mail using the toll-free phone number located on your Proxy. A large
-

number of banks and brokerage firms are participating in the Broadridge Investor Communications Solutions, Inc. (Broadridge) online program. This program provides eligible shareholders the opportunity to vote via the internet or by telephone. If your bank or brokerage firm is participating in Broadridge s program, your voting form will provide instructions.

- **Voting over the Internet.** Registered shareholders can vote on the Internet by following the instructions included in the Notices and accessing the Internet at www.proxyvote.com. As with telephone voting, shareholders can confirm that their votes have been properly recorded.

- **Voting in Person at the Annual Meeting.** If a shareholder plans to attend the Annual Meeting and vote in person, the Company will provide a ballot at the Annual Meeting. Shareholders of record have the right to vote in person at the Annual Meeting. If a shareholder holds shares in street name and the shareholder wishes to vote at the Annual Meeting, the shareholder will need to bring to the Annual Meeting a legal proxy from the broker or other nominee authorizing the shareholder to vote those shares.

The Company provides Internet proxy voting to allow shareholders to vote their shares on-line, with procedures designed to ensure the authenticity and correctness of proxy vote instructions. However, please be aware that shareholders must bear any costs associated with their Internet access, such as usage charges from Internet access providers and telephone companies.

If a shareholder receives multiple Notices, the shareholder s shares are registered in more than one name or are registered in different accounts. Shareholders should follow the voting instructions on each Notice to ensure that all of their shares are voted.

PROXY STATEMENT

Annual Meeting of Shareholders

May 27, 2011

SOLICITATION OF PROXIES

This Proxy Statement is being furnished to the shareholders of Merit Medical Systems, Inc., a Utah corporation (the "Company"), in connection with the solicitation by the Board of Directors of the Company of proxies from holders of outstanding shares of the Company's common stock, no par value (the "Common Stock"), for use at the Annual Meeting of Shareholders of the Company to be held on Friday, May 27, 2011, at 3:00 p.m., at the Company's corporate offices at 1600 West Merit Parkway, South Jordan, Utah, and at any adjournment or postponement thereof (the "Annual Meeting"). This Proxy Statement, the Notice of Annual Meeting of Shareholders and the accompanying form of proxy are first being mailed or made available to shareholders of the Company on or about April 11, 2011.

The Company will bear all costs and expenses relating to the solicitation of proxies, including the costs of preparing, printing and mailing to shareholders this Proxy Statement and accompanying materials, as well as the expense of making this Proxy Statement and accompanying materials available on the Internet. In addition to the solicitation of proxies by use of the mail and the Internet, the directors, officers and employees of the Company, without receiving additional compensation, may solicit proxies personally or by telephone, electronic mail or facsimile. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of the shares of Common Stock held by those persons, and the Company will reimburse those brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

VOTING

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

The Board of Directors has fixed the close of business on April 8, 2011 as the record date for determination of shareholders entitled to receive notice of and to vote at the Annual Meeting (the Record Date). As of the Record Date, there were issued and outstanding 28,727,863 shares of Common Stock. The holders of record of the shares of Common Stock on the Record Date entitled to be voted at the Annual Meeting are entitled to cast one vote per share on each matter submitted to a vote at the Annual Meeting.

Proxies

Shares of Common Stock that are entitled to be voted at the Annual Meeting and are represented by properly executed proxies will be voted in accordance with the instructions on those proxies. If no instructions are indicated, those shares will be voted FOR the election of each of the two director nominees identified in this Proxy Statement, FOR the compensation of the Company's named executive officers, FOR THREE-YEAR INTERVALS with respect to the non-binding resolution to recommend the frequency of future non-binding votes of the Company's shareholders regarding the compensation of the Company's named executive officers, FOR the ratification of the appointment of Deloitte & Touche LLP (Deloitte) to serve as the Company's independent registered public accounting firm for the year ending December 31, 2011, and, in the discretion of the proxy holder, as to any other matters that may properly come before the Annual Meeting. The Company is not currently aware of any other matters to be presented at the Annual Meeting.

A shareholder who has executed and returned a proxy may revoke it at any time prior to its exercise at the Annual Meeting by executing and returning a proxy bearing a later date by mail, by voting via the Internet, by filing with the

Secretary of the Company, at the address set forth above, a written notice of revocation bearing a later date than the proxy being revoked, or by voting the Common Stock covered thereby in person at the Annual Meeting. In order to revoke a proxy executed with respect to shares held in street name, the shareholder must contact the appropriate broker or nominee.

Shares of Common Stock that are held in street name, which means shares held of record by a trustee or in an account at a brokerage firm, bank, dealer, or other similar organization (collectively, brokerage firms), may be voted, even if the beneficial holder does not provide the brokerage firm with voting instructions. Brokerage firms have the authority under applicable securities rules to cast votes on certain routine matters, even if they do not receive instructions from their customers. The ratification of the Company's independent registered accounting firm is considered a routine matter for which brokerage firms may vote un-instructed shares. The election of directors and the two other proposals to be considered at the Annual Meeting are not considered routine matters under current securities rules. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. This is called a broker non-vote. It should be noted that securities rules previously considered the election of directors to be a routine matter for which brokerage firms could vote in the election of directors if the record holder had not received instructions on how to vote from the beneficial owner. Accordingly, given this recent change, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

Vote Required

A majority of the issued and outstanding shares of Common Stock entitled to vote, properly represented in person or by proxy, is required for a quorum at the Annual Meeting. Abstentions and broker non-votes, which are indications by a broker that it does not have discretionary authority to vote on a particular matter, will be counted as represented for the purpose of determining the presence or absence of a quorum. Under the Utah Revised Business Corporations Act, once a quorum is established, shareholder approval with respect to a particular proposal is generally obtained when the votes cast in favor of the proposal exceed the votes cast against the proposal.

Holders of shares of Common Stock are entitled to one vote at the Annual Meeting for each share of Common Stock held of record on the Record Date. In the election of directors, shareholders will not be allowed to cumulate their votes. The two nominees receiving the highest number of votes will be elected. The advisory vote on executive compensation is non-binding; however, the Company will record the number of votes cast in favor of and against the proposal and will report the voting results at the Annual Meeting. The advisory vote on the frequency of holding future advisory votes on executive compensation is also non-binding; however, the Company will record the number of votes cast with respect to the frequency of one year, two years or three years and will report the voting results at the Annual Meeting. Approval of the proposal to ratify the appointment of Deloitte to serve as the independent registered public accounting firm of the Company for the year ending December 31, 2011 requires that the votes cast in favor of the proposal must exceed the votes cast against the proposal. Accordingly, abstentions and broker non-votes will not affect the outcome of the election of directors, the advisory votes with respect to executive compensation or the proposal to ratify the appointment of the Company's independent registered public accounting firm. Any other matter presented for approval by the shareholders at the Annual Meeting will generally be approved if the number of votes cast in favor of a matter exceeds the number of votes cast in opposition. With respect to any such matter, abstentions and broker non-votes are not likely to affect the outcome of a vote on such matter.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

At the Annual Meeting, two directors of the Company are to be elected to serve until the annual meeting of the Company's shareholders in 2014 and until their successors are duly elected and qualified. If either of the nominees is unavailable to serve, which is not now anticipated, the proxies solicited by this Proxy Statement will be voted for other persons as may be designated by the Board of Directors. The two nominees receiving the highest number of votes at the Annual Meeting will be elected.

Classification of Board of Directors

The Company's Articles of Incorporation, as amended, provide for the classification of the Board of Directors, also known as a staggered board. The directors of the Company are divided into three classes, with the directors in each class serving a three-year term. The classes are staggered, with the terms of one-third of the directors, as near as possible, expiring at each annual shareholders meeting. Based upon the existing classification of the Board of Directors, the terms of James J. Ellis and Kent W. Stanger are scheduled to expire in connection with the Annual Meeting.

Nominees for Election as Directors

The Board of Directors and its Nominating and Corporate Governance Committee (the Nominating Committee) believe that each of the following nominees possesses the experience and qualifications that directors of the Company should possess, as described in detail below, and that the experience and qualifications of each nominee compliments the experience and qualifications of the other nominees. The experience and qualifications of each nominee, including information regarding the specific experience, qualifications, attributes and skills that led the Board of Directors and the Nominating Committee to conclude that he should be nominated to serve as a director of the Company at the present time, in light of the Company's business and structure, are set forth below:

James J. Ellis, 77, has been a director of the Company since November 1995. He has been Managing Partner of Ellis Rosier and Associates, an insurance and investment firm, since 1992. Mr. Ellis served as General Manager of MONY Financial Services, Dallas, Texas, from 1979 until his retirement in 1992. He also serves as a director of Jack Henry & Associates, Inc., a publicly-traded company engaged in the sales and service of software for the banking industry. Mr. Ellis received a Bachelor degree of Business and Public Administration from the University of Missouri in 1956. The Board of Directors recognizes the breadth and depth of Mr. Ellis' considerable business and financial expertise. Mr. Ellis brings to the Board of Directors valuable experience serving as a director of other public companies, which enhances his contributions to the activities of the Board of Directors, including his service as the Chairman of the Compensation Committee. Mr. Ellis has applied his extensive financial acumen to encourage disciplined financial management in the Company's operations. Mr. Ellis' finance and investment skills, together with his experience in the areas of corporate governance and compliance, have been increasingly valuable to the deliberations of the Board of Directors, as the Company has explored and pursued various growth and expansion opportunities. Mr. Ellis is an independent director.

Kent W. Stanger, 56, has been Chief Financial Officer, Secretary, Treasurer and a director of the Company since 1987. Prior to joining the Company, Mr. Stanger was the controller for Utah Medical Products, Inc., a medical device manufacturer, from 1985 to August 1987. Prior to 1985, he was the corporate controller for Laser Corporation, American Laser and Modulaire Industries, Inc., and was a practicing certified public accountant from 1979 through 1982 with Hansen, Barnett and Maxwell, a Utah accounting firm. Mr. Stanger received a Bachelor of Arts degree in accounting from Weber State University in 1978. Mr. Stanger was a founder of the Company and, through more than 20 years of service as the principal financial manager of the Company, has developed a broad understanding of the Company's business and operations, as well as the markets in which the Company competes. The Board of Directors values Mr. Stanger's accounting and financial management skills,

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

and benefits greatly from his participation in the deliberations of the Board of Directors, as well as his ability to implement the strategic objectives identified by the Board of Directors. Along with Mr. Lampropoulos, Mr. Stanger plays an important role in communicating the expectations, advice, concerns and encouragement of the Board of Directors to the Company's employees.

The Board of Directors recommends that shareholders vote FOR each of the foregoing nominees to serve as a director of the Company.

Directors Whose Terms of Office Continue

The experience and qualifications of each continuing director of the Company, including information regarding the specific experience, qualifications, attributes and skills that led the Board of Directors and the Nominating Committee to conclude that he should serve as a director of the Company at the present time, in light of the Company's business and structure, are set forth below:

Fred P. Lampropoulos, 61, has been Chairman of the Board, Chief Executive Officer (CEO) and President of the Company since its formation in July 1987. From 1983 to June 1987, Mr. Lampropoulos was Chairman of the Board and President of Utah Medical Products, Inc., a medical device manufacturer. He has been involved in and holds more than 100 patents on devices used in the diagnosis and therapeutic treatment of cardiovascular disease. He serves on several community and advisory boards and has been the recipient of numerous awards, including the 2003 Utah Governor's Medal for Science and Technology. Mr. Lampropoulos' term as a director expires in 2012. The Board of Directors believes the Company benefits immensely from Mr. Lampropoulos' experience as founder, Chief Executive Officer and President of the Company. He plays a critical role in communicating the expectations, advice, concerns and encouragement of the Board of Directors to the Company's employees. Mr. Lampropoulos has a deep knowledge and understanding of the Company, as well as the markets in which the Company's products compete. Mr. Lampropoulos also performs a critical function as the Chairman of the Board, providing decisive leadership and direction to the activities and deliberations of the Board of Directors. The Board of Directors also believes Mr. Lampropoulos' leadership, drive and determination are significant factors in the Company's growth and development, and continue to be tremendous assets to the Company and its shareholders.

Franklin J. Miller, M.D., 70, has been a director of the Company since 2005, and served as a consultant to the Company, assisting in product testing and development, from 1997 through March 2005. Dr. Miller retired as a Professor of Radiology and Surgery from the University of Utah Department of Radiology in 2005, where he was the Director of Interventional Radiology from 1976 through 2001. In January 2002, Dr. Miller was appointed as Clinical Professor of Radiology at the University of California, San Diego, where he began the Hereditary Hemorrhagic Telangiectasia Clinic, one of only eight such clinics in the United States. Dr. Miller has served on advisory boards to several medical device companies and has been on the editorial and review boards for numerous medical journals. He is a graduate of Temple University Medical School, and served his resident and fellowship physician training at Johns Hopkins Hospital. Dr. Miller's term as a director expires in 2012. Dr. Miller contributes a valuable set of skills, training and experiences to the deliberations of the Board of Directors. Prior to joining the Board of Directors, Dr. Miller was actively engaged as a consultant in the Company's product testing and development activities. During his service as a director, Dr. Miller has continued to provide critical advice regarding the Company's product development strategy, and plays a significant role in the Company's evaluation of acquisition and other growth opportunities. Based, in part, on his extensive medical training and his experience with various medical devices, Dr. Miller provides the Board of Directors valuable insight regarding the needs and preferences of the medical professionals who use and purchase the Company's products. As an independent director, Dr. Miller has demonstrated his ability to ask difficult questions and encourage the Company's implementation of good business practices.

Rex C. Bean, 81, has been a director of the Company since 1988. Mr. Bean retired from the U.S. Air Force in 1987 and is principally engaged in the management of private investments. Mr. Bean was awarded a Bachelor of Science degree in Electrical Engineering from Utah State University and performed graduate work in electrical engineering at Syracuse University. Mr. Bean's term as a director expires in 2013. Mr. Bean contributes a unique perspective to the Board of Directors, having served as a director of the Company since its early stages. Mr. Bean's education and training in electrical engineering have served the Company extremely well, as he has participated in the development and evaluation of many of the Company's products during more than 20 years of service as a director. Mr. Bean, who is an independent director, understands the Company's operations and culture in depth, and is diligent in his efforts to preserve the Company's guiding principles and values, notwithstanding the tremendous growth and expansion the Company has experienced during his service.

Richard W. Edelman, 70, has been a director of the Company since 1988. From 2000 to the present, Mr. Edelman has served as a Managing Director and Senior Vice President of SMH Capital Inc., an investment banking firm (SMH). From 2000 to 2006, he was the Managing Director and Manager of SMH's Dallas branch. From 1998 to 2000, he was a Senior Vice President and Branch Manager of Southwest Securities, Inc., a stock brokerage firm headquartered in Dallas, Texas. From 1996 to 1998, he was Managing Director of Rodman & Renshaw, Inc., a stock

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

brokerage firm. From 1987 to 1996, he was employed by Southwest Securities, Inc. as a Senior Vice President and securities analyst. Prior to joining Southwest Securities, Inc. in 1987, Mr. Edelman was a securities analyst and Vice President for Schneider, Bernet and Hickman, a Dallas, Texas securities firm. Mr. Edelman obtained a Master of Business Administration degree from Columbia University in 1966. Mr. Edelman's term as a director expires in 2013. The Board of Directors nominated Mr.

Edelman for election to serve as a director, in part, because of the depth of his financial training, experience and his analytical acumen. Mr. Edelman possesses a keen ability to review and understand financial information, both with respect to the Company and with respect to potential business partners and acquisition candidates. His financial training and experience have been extremely valuable to the Board of Directors in his service as the Chairman of the Audit Committee and his qualification as a financial expert. As an independent director, Mr. Edelman has demonstrated his ability to ask difficult questions and encourage the Company's implementation of strong financial practices.

Michael E. Stillabower, M.D., 67, has been a director of the Company since 1996. Dr. Stillabower has been a physician in private practice in Wilmington, Delaware since 1980. In 1999, Dr. Stillabower was appointed Director, Cardiovascular Research, of Christiana Care Health Systems. From 1988 to 1999, he was Chief of Cardiology at the Medical Center of Delaware, where he had held a number of appointments including Director, Coronary Care Unit, from 1984 to 1988. In May 1995 he was appointed Clinical Associate Professor of Medicine, Jefferson Medical College in Philadelphia, Pennsylvania, where he obtained his M.D. degree in 1976. He is an elected Fellow of the American College of Cardiology and a member of other professional associations and is actively engaged in cardiology research, instruction and publication of related papers and abstracts. Dr. Stillabower's term as a director expires in 2013. Dr. Stillabower's nomination reflects the Board of Directors recognition of his expertise in the medical profession, his valuable role in developing and evaluating existing and proposed Company products and his understanding of the medical community and the markets for the Company's products. Dr. Stillabower contributes more than 30 years of specialized training and experience in cardiology and related fields to the Board of Directors, and has actively participated in the development and commercialization of many of the Company's products. He has used the Company's products in cardiac procedures, and provides valuable insights from a practitioner's viewpoint. Dr. Stillabower is an independent director.

CORPORATE GOVERNANCE

Committees of the Board

The Board of Directors has standing Audit, Compensation and Nominating and Corporate Governance Committees. The Company believes each of the directors serving on the Audit, Compensation and Nominating and Corporate Governance Committees is an independent director for purposes of the Marketplace Rules of The Nasdaq Global Select Market, on which the Common Stock is currently quoted, and that each of the directors serving on the Compensation Committee is an outside director for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). During the year ended December 31, 2010, the Board of Directors held 15 meetings. No director attended fewer than 75% of the total number of meetings of the Board of Directors and of any committee on which he served.

Audit Committee. The Audit Committee meets to review and discuss the Company's accounting practices and procedures with the Company's management and independent public accountants, and to review the quarterly and annual financial statements of the Company. The Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the Company's accounting, auditing and reporting practices. The Audit Committee's primary duties include reviewing the scope and adequacy of the Company's internal accounting and financial controls; reviewing the independence of the Company's independent registered public accounting firm; approving the scope of the audit activities of the Company's independent registered public accounting firm; approving the fees of the Company's independent registered public accounting firm; approving any non-audit related services; reviewing the audit results; reviewing the objectivity and effectiveness of the Company's internal audit function; and reviewing the Company's financial reporting activities and the accounting standards and principles followed.

Deloitte currently serves as the Company's independent registered public accounting firm. The current members of the Audit Committee are Richard W. Edelman (Chairman), James J. Ellis and Rex C. Bean, each of whom is an independent director for purposes of the Marketplace Rules of The Nasdaq Global Select Market. The Board of Directors has determined that Richard W. Edelman, who serves as the Chairman of the Audit Committee, is an audit committee financial expert as defined in Item 407(d) of Regulation S-K under the Securities Exchange Act of 1934, as amended. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is available on the Company's Internet website, www.merit.com. The Audit Committee met five times during 2011.

Compensation Committee. The Compensation Committee is responsible for overseeing, reviewing and approving executive compensation and benefit programs of the Company. The members of the Compensation Committee are James J. Ellis (Chairman), Rex C. Bean and Franklin J. Miller. Each of the members of the Compensation Committee is a non-employee director who qualifies as (i) an independent director for purposes of the Marketplace Rules of The Nasdaq Global Select Market, (ii) a non-employee director under Rule 16b-3 of the Securities Exchange Act of 1934 and (iii) an outside director under Section 162(m) of the Internal Revenue Code.

The Board of Directors has adopted a written Compensation Committee Charter, a copy of which is available on the Company's Internet website, www.merit.com. Additional information regarding the functions, procedures and authority of the Compensation Committee is provided in the Compensation Discussion and Analysis beginning on page 10 below. The Compensation Committee Report appears on page 16 below. The Compensation Committee met twice during 2011; however, the members of the Compensation Committee met informally and discussed compensation issues affecting the Company at other times throughout the year as well.

Nominating and Corporate Governance Committee. The Nominating Committee is responsible for overseeing the nomination of the Company's directors. The Nominating Committee selects, evaluates and recommends to the full Board of Directors qualified candidates for election to the Board of Directors. The members of the Nominating Committee are Rex C. Bean (Chairman), James J. Ellis, and Michael E. Stillabower, M.D. The Nominating Committee met once in 2011. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which is available on the Company's Internet website, www.merit.com.

Nomination Process

The policy of the Nominating Committee is to consider properly-submitted shareholder recommendations for candidates to serve as directors of the Company. In evaluating those recommendations, the Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board of Directors and to address the membership criteria described below. Any shareholder wishing to recommend a candidate for consideration by the Nominating Committee should submit a recommendation in writing indicating the candidate's qualifications and other relevant biographical

information and provide confirmation of the candidate's consent to serve as a director. This information should be addressed to Rashelle Perry, Chief Legal Officer of the Company, at 1600 West Merit Parkway, South Jordan, Utah 84095.

The Nominating Committee reviews the appropriate skills and characteristics required of directors in the context of the current composition of the Board of Directors. There is currently no set of specific minimum qualifications that must be met by a nominee recommended by the Nominating Committee, as different factors may assume greater or lesser significance at particular times and the needs of the Board of Directors may vary in light of its composition and the Nominating Committee's perceptions about future issues and needs. Among the factors the Nominating Committee typically considers are a candidate's independence, skills, integrity, policy-making experience, ability to work constructively with the Company's management and directors, capacity to evaluate strategy and reach sound conclusions, availability of time, awareness of the social, political and economic environment and diversity.

The Nominating Committee utilizes a variety of methods for identifying and evaluating director nominees. The Nominating Committee assesses the appropriate size of the Board of Directors, and whether any vacancies on the Board of Directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating Committee through various means, including current directors, professional search firms, shareholder recommendations or other referrals. Candidates are evaluated by the Nominating Committee, and may be considered at any point during the year. All director nominee recommendations which are properly submitted to the Nominating Committee are considered by the Nominating Committee prior to the issuance of the proxy statement for the next annual meeting of shareholders. Any materials provided to the Company by a shareholder in connection with the recommendation of a director candidate are forwarded to the Nominating Committee, which considers the recommended candidate in light of the director qualifications discussed above. To date, the Nominating Committee has not engaged a professional search firm to assist in identifying qualified candidates for service on the Board of Directors.

Board Diversity

In identifying nominees, the Nominating Committee does not have a formal policy regarding the consideration of gender, race, sexual preference, religion and other traits typically associated with the term diversity. As described in "Nomination Process" above, the Nominating Committee considers it important that the Board of Directors be composed of directors with a diverse range of experience, areas of expertise and skills, but has not adopted any formal policy regarding diversity with respect to director nominees.

Board Leadership Structure and Role in Risk Oversight

Mr. Fred P. Lampropoulos currently serves as the Chairman of the Board and Chief Executive Officer of the Company. The Board of Directors and the Nominating Committee believe that the traditional practice of combining the roles of chairman of the board and chief executive officer currently provides the preferred form of leadership for the Company. Given Mr. Lampropoulos' vast experience since founding the Company in 1987, his involvement as an inventor and holder of more than 100 patents on diagnostic and therapeutic devices, the respect which he has earned from the Company's employees, business partners and shareholders, and his proven leadership skills, the Board of Directors believes the best interests of the Company's shareholders are met by Mr. Lampropoulos' continued service in both capacities. The Board of Directors believes Mr. Lampropoulos' fulfillment of both responsibilities encourages clear accountability and effective decision-making, and provides strong leadership for the Company's employees and other stakeholders.

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

Given the outstanding experience and qualifications the Company's independent directors contribute to the deliberations and activities of the Board of Directors, the Company has implemented a number of practices designed to encourage effective corporate governance. These practices include:

- the requirement that at least a majority of the Company's directors meet the standards of independence applicable to the Company;
and
- regular executive sessions of the Board of Directors and its committees, which are typically held in conjunction with each regularly scheduled Board of Directors and committee meeting and include individual sessions with representatives of the Company's independent registered public accounting firm, internal auditors and legal counsel.

The Board of Directors believes no single leadership model is appropriate for all companies at all times. The Board of Directors recognizes that, depending on the circumstances, other leadership models, such as a separate,

independent chairman of the board, may be appropriate. Based upon the Company's future needs and resources, the Board of Directors may determine to modify the existing leadership structure in the future.

The Board of Directors is actively involved in assessing and managing risks that could affect the Company. One of the roles of the Board of Directors is to periodically assess the processes utilized by management with respect to risk assessment and risk management, including identification by management of the principal risks of the Company's business, and the implementation by management of appropriate systems to deal with such risks. The Board of Directors fulfills these responsibilities either directly, through delegation to committees of the Board of Directors, or, as appropriate, through delegation to individual directors.

When the Board of Directors determines to delegate any risk management oversight responsibilities, typically such delegation is made to the standing committees of the Board of Directors. The Audit Committee is generally responsible for oversight of risks such as those relating to the quality and integrity of the Company's financial reports, the independence and qualifications of the Company's independent registered public accounting firm, and the Company's compliance with disclosure and financial reporting requirements. The Nominating Committee is generally responsible for oversight of risks addressed through the identification and recommendation of individuals qualified to become directors of the Company, director and management succession planning and development and implementation of corporate governance principles. The Compensation Committee is generally responsible for oversight of risks such as those relating to employment policies and the Company's compensation and benefits systems. These committees exercise their oversight responsibilities through regular reports from officers of the Corporation responsible for each of these risk areas, including the Company's Chief Legal Officer and Internal Auditor, regular meetings to discuss and analyze such risks, and, when necessary, consultation with outside advisors.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics (the Code of Conduct), which is applicable to all employees, including its principal executive officer, principal financial officer and principal accounting officer, and is supplemented by additional provisions applicable to the CEO and the Company's senior financial and accounting officers. The Code of Conduct is posted on the Company's Internet website, www.merit.com. All directors, officers and employees of the Company are required to act ethically at all times and in accordance with the principles and policies set forth in the Code of Conduct.

Among other principles and policies, the Code of Conduct sets forth the Company's position that a conflict of interest exists when a person's private interest interferes in any way with the interests of the Company. The Code of Conduct recognizes that a conflict of interest occurs when the Company enters into a transaction in which an employee, officer, or director, or someone related to or affiliated with an employee, officer, or director, has a significant personal interest. The Code of Conduct also recognizes that a conflict of interest arises when an employee, officer or director of the Company receives an improper benefit as a result of the person's position with the Company, and prohibits any form of loan or credit to directors or officers of the Company or their family members.

The Code of Conduct obligates employees, officers and directors to promptly disclose conflicts of interest to a supervisor, management, or the Board of Directors. Any directors who have a conflicting interest in a potential conflicting interest transaction may not participate in the review of that transaction by the Board of Directors. Any waiver of the Code of Conduct may be made only by the Board of Directors and is required to be promptly disclosed as required by law or the regulations of any exchange on which the Company's securities are traded, including the Nasdaq Global Select Market.

Whistleblower Hotline

As contemplated by the Code of Conduct, the Company has established a whistleblower hotline that enables Company employees, vendors, customers, and shareholders, as well as other interested parties, to submit confidential and anonymous reports of suspected or actual violations of the Code of Conduct. The Company's whistleblower hotline may be accessed by telephone at (877) 874-8416 or online at www.silentwhistle.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company's executive officers and directors to file with the Securities and Exchange Commission (the Commission) initial reports of ownership and reports of changes in ownership of the Common Stock and other securities that are derivative of the Common Stock. Executive officers and directors are required by Commission regulations to furnish the Company with copies of all Section 16(a) reports they file. Based solely upon a review of the copies of those forms and written

representations from the Company's executive officers and directors, the Company believes that all Section 16(a) reports required to be filed by the Company's officers and directors during the year ended December 31, 2010 were filed timely, except with respect to: (1) a Form 4 reporting one transaction in the Common Stock, which was filed by Fred P. Lampropoulos three days after its due date; and (2) a Form 4 for Mr. Lampropoulos reporting 11 transactions in the Common Stock, which was inadvertently filed by a third party as a test filing and then, following discovery of the error, filed properly one day after its due date.

Shareholder Communication with the Board of Directors

The Board of Directors will receive communications from shareholders. All communications, except those related to shareholder proposals that are discussed below under the heading "Proposals of Shareholders," must be sent to the Chairman of the Board of Directors at the Company's executive offices at 1600 West Merit Parkway, South Jordan, Utah 84095. Communications submitted to the Board of Directors (other than communications received through the Company's whistleblower hotline, which are reviewed and addressed by the Audit Committee) are reported to the other directors of the Company at the next regular meeting of the Board of Directors. All members of the Board of Directors are strongly encouraged to attend the Company's annual meetings of shareholders. All members of the Board of Directors, except one, were present at the 2010 Annual Meeting of the Company's Shareholders.

Compensation Committee Interlocks and Insider Participation

The current members of the Compensation Committee are James J. Ellis (Chairman), Rex C. Bean and Franklin J. Miller. None of the members of the Compensation Committee is currently, or has formerly been, an officer or employee of the Company or any of its subsidiaries. The Company had no relationship during 2010 requiring disclosure under Item 404 of Regulation S-K with respect to any of the persons who served on the Compensation Committee during 2010.

EXECUTIVE OFFICERS

In addition to Mr. Lampropoulos and Mr. Stanger, whose biographies are included previously in this Proxy Statement as directors of the Company, certain information is furnished with respect to the following executive officers of the Company:

Martin R. Stephens, 57, joined the Company in 2004 and currently serves as the Company's Executive Vice President of Sales and Marketing. Prior to his appointment, Mr. Stephens previously served as the Company's Executive Vice President of Sales from 2004 to 2010 and as Vice President of Business Development in 2004. Prior to joining the Company, Mr. Stephens was employed at Zions Utah Bancorporation, Salt Lake City, Utah, where he has served as Vice President of Sales, from 1989 to 2003. From 1988 to 2004, Mr. Stephens served as an elected Representative in the Utah House of Representatives and served as Speaker of the House from 1998 to 2004. Mr. Stephens earned a Bachelor of Business Administration from Weber State University.

Arlin D. Nelson, 70, joined the Company in 1988 and currently serves as the Company's Chief Operating Officer. Prior to his appointment as Chief Operating Officer, Mr. Nelson worked for the Company as Vice President of the Company's Research and Development Department from 2004 to 2006 and as Manufacturing and Research & Development Engineer from 1988 to 2004. Prior to joining the Company, Mr. Nelson served as the Vice President of Operations of Intermountain Packing, Inc. from 1985 to 1987 and served as Co-Founder and Vice President of

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

Operations of Willow Technology, Inc. from 1979 to 1984.

Rashelle Perry, 45, joined the Company in 2001, and currently serves as the Company's Chief Legal Officer. Prior to joining the Company, Ms. Perry served as General Counsel for Promedix.com, Salt Lake City, Utah and Corporate Counsel for Unishippers Association, Inc., Salt Lake City, Utah. Ms. Perry also worked for Novell, Inc. in Orem, Utah and for the law firm of Parsons, Davies, Kinghorn and Peters in LLC, Salt Lake City, Utah. Ms. Perry earned an Honors Bachelor of Arts degree from the University of Utah in 1989 and a Juris Doctorate degree from the University of Utah in 1992.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis is designed to explain the Company's philosophy and objectives underlying its compensation policies, the processes the Company follows in setting compensation, and the components of compensation that the Company utilizes in compensating its named executive officers (NEOs) listed in the Summary Compensation Table located in page 17 of this Proxy Statement. The Summary Compensation Table, as well as other compensation tables beginning on page 17, should be read in conjunction with this discussion.

Executive Summary

The Company has delivered year-over-year revenue growth and maintained profitability since 1990 even during the recent global recession. The Compensation Committee believes there are multiple factors that contributed to the Company's strong history of financial and operating performance, but one of the key factors has been the Company's outstanding employees and the leadership provided by the NEOs. Accordingly, the Compensation Committee seeks to implement an executive compensation program that recognizes company performance and individual contribution, while encouraging long-term motivation and retention. The Compensation Committee believes the Company's executive compensation program has been instrumental in helping the Company sustain its strong financial performance over many years.

Under the oversight of the Compensation Committee, the Company's compensation philosophy is to offer compensation programs to the NEOs that:

- Focus executives on achieving or exceeding measurable performance targets;
- Encourage continuation of the Company's entrepreneurial spirit;
- Attract and retain highly-qualified and motivated executives;
- Promote the Company's guiding principles for adherence to a high ethical environment, as well as health and safety standards; and
- Align compensation with shareholder value.

In meeting these objectives, the Compensation Committee strives to align the interests of management and shareholders and maximize shareholder value.

The Company's compensation programs specific to the NEOs are overseen by the Compensation Committee. In pursuit of the Company's compensation philosophy and objectives, the Compensation Committee believes that the compensation packages provided to the NEOs should generally include both cash and equity-based compensation, generally in the form of stock options. Base pay and benefits are set at levels considered necessary to attract and retain qualified and effective executives. Variable incentive pay is used to align the compensation of the NEOs with the Company's short-term business and performance objectives, such as income and overall financial performance. Equity awards have historically been used to retain key employees and to motivate executives to create long-term shareholder value.

Process for Establishing Compensation

Procedure. The Compensation Committee has oversight responsibility for establishing the Company's compensation practices for the Company's CEO and the other NEOs. Performance reviews of the Company's CEO are based on the Company's performance during a given year, compared with the Company's performance objectives. Performance reviews of other NEOs are based on the CEO's evaluation of individual performance, as well as Company performance for that year. With respect to the compensation levels for the other NEOs, the Compensation Committee considers input and recommendations from the CEO. The CEO makes recommendations concerning salary adjustments, cash bonus programs or award amounts for the other NEOs, and the Compensation Committee maintains the authority to modify those recommendations.

Role of Consultants. The Compensation Committee did not engage an independent compensation consulting firm to review the Company's executive compensation programs with respect to the year ended December 31, 2010. In prior years, the Compensation Committee has engaged Hay Group, Inc., a global human resources consulting firm, (Hay Group) to serve as its independent advisor and compensation consultant. The Compensation Committee's prior engagement of Hay Group has included reviews of the Company's executive employment arrangements, incentive plan

designs and comparative data regarding severance, change in control, benefits and perquisites. At the direction of the Compensation Committee, Hay Group met in prior years with the Company's management to gain a better understanding of the Company's historical compensation policies and practices and provided the Compensation Committee with market data.

Evaluation. In evaluating compensation of the NEOs for the year ended December 31, 2010, the Compensation Committee considered, among other factors, the Company's performance and relative shareholder return, the awards given to the NEOs in past years, the Company's performance targets for the year ended December 31, 2010, and other factors considered relevant by the Compensation Committee. Notwithstanding the Compensation Committee's use of the information supplied by Hay Group, the decisions of the Compensation Committee with regard to the NEOs for 2010 were based principally on objective and subjective evaluations of the individual NEOs, without any specific comparative targets.

Other Considerations. As in past years, the Compensation Committee also relied on its experience and judgment in making executive compensation decisions after reviewing the performance of the Company for the year ended December 31, 2010 and evaluating the NEOs performance and responsibilities with the Company and current compensation arrangements. The compensation program for the NEOs and the Compensation Committee assessment process have been designed to be flexible in an effort to respond to the evolving business environment and individual circumstances relative to individual performance, as well as internal equity for compensation levels among the Company's executives.

The Company's executive compensation program is divided into two general categories; fixed pay and variable pay. Fixed pay consists of base salary and is intended to provide each NEO with a level of assured cash compensation appropriate for his or her position within the Company. Variable pay includes annual cash bonus awards and performance-based equity awards, each as explained in more detail below. The Compensation Committee believes that a portion of total compensation to the NEOs should be both at-risk and tied to the Company's achievement of its performance goals.

Generally, at the beginning of each year, the Company's CEO identifies performance goals which are intended to align the efforts of the Company's executives, including the NEOs, with the Company's achievement of its strategic business plan. The CEO then reviews those performance goals with the Compensation Committee. Those goals then become targets for the variable annual performance bonus component of the Company's executive compensation program. Because the performance goals are generally established at the beginning of each year and market conditions fluctuate throughout the year, the performance goals may not correspond to subsequent annual earnings estimates released by the Company.

Pay Mix

The allocation between cash and non-cash NEO compensation is influenced by the practices of subjective and objective analysis conducted by the Compensation Committee and the CEO, and is intended to reflect the Compensation Committee's determination of the appropriate compensation mix among base pay, annual cash incentives and long-term equity incentives. Actual cash and equity incentive awards are set as a result of the performance of the Company or the individual NEO, depending on the position of the NEO, the type of award and the Company's performance, compared to established goals. For the year ended December 31, 2010, the elements of the compensation mix for the NEOs included:

- Base salary, which is designed to attract and retain executives over time;
-

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

Annual performance bonus compensation, which is designed to focus on business objectives established by the Compensation Committee and CEO for a particular year;

- Broad-based employee retirement, welfare and fringe benefits programs, and other personal benefits; and
- Executive deferred compensation and, for those NEOs who are eligible, post-retirement medical benefits.

Fixed Compensation

Base Salary

The Compensation Committee does not use a specific formula for evaluating individual performance of the NEOs. Instead, the performance of the NEOs other than the CEO is assessed by the CEO based upon each NEO's contributions to the Company's business success. The performance of the CEO is assessed by the Compensation Committee in formal and informal meetings with the CEO, as well as executive sessions conducted by the Compensation Committee. The criteria used in setting the base salary for each NEO, including the CEO's base salary, vary depending on the executive's function, but generally include the Committee's assessment, for each NEO, of the NEO's:

- Leadership inside and outside the Company;

- Advancement of the Company's interests with customers, vendors and in other strategic business relationships;
- Contribution to the Company's product quality and development;
- Advancement in skills and responsibility; and
- The role in achievement of the Company's financial results.

Given the subjective nature of the criteria identified above, the Compensation Committee has not attempted to develop numeric measurements in determining base salaries for the NEOs. Instead, the Compensation Committee establishes base salaries at levels commensurate with the Compensation Committee's evaluation of each NEO's contribution to the Company's business success. Among the factors the Compensation Committee considered when establishing NEO base salaries for the year ended December 31, 2010 were: (a) for Mr. Lampropoulos, strategic business development, mergers and acquisitions, product development, patent inventions, international expansion (including China), subsidiary development, risk management, manufacturing capacity planning and strategy, and shareholder relations; (b) for Mr. Stanger, the Company's 2010 financial results, increased responsibility for the financial affairs of a larger and more complex organization, shareholder relations, cash flow and budget, and Mr. Stanger's role in negotiating, financing and completing the BioSphere acquisition transaction; (c) for Mr. Stephens, the increased responsibility associated with the integration of the BioSphere acquisition, including management of an expanded sales forces in the United States and Europe, and additional marketing responsibilities; (d) for Mr. Nelson, the significant increase in the size and scope of the Company's operations, conducting the Company's operations within the Board's budget, contribution to the integration of operations acquired by the Company and efforts to achieve cost savings in the Company's operations; and (e) for Ms. Perry, her role in negotiating, documenting, completing and integrating the BioSphere acquisition, the expanded scope of the Company's commercial, corporate, regulatory, compliance and intellectual property activities, the central functions she performs in connection with the expansion of the Company's international activities.

Based on the Compensation Committee's evaluation, the Compensation Committee approved the NEO base salaries for the year ended December 31, 2010 which are reflected in the Summary Compensation Table set forth on page 17 below. The Compensation Committee reviewed the performance of the Company and the NEOs, which included the criteria described above, and established the following base salary amounts for the NEOs for the year ending December 31, 2010: Fred P. Lampropoulos, \$660,000; Martin R. Stephens, \$350,000; Kent W. Stanger \$255,000; Arlin D. Nelson, \$225,000; and Rashelle Perry \$250,000.

Broad-Based Benefits Programs

The Company offers certain broad-based benefits programs, including benefits such as health, dental, disability and life insurance, health savings accounts, health care reimbursement accounts, paid vacation time and discretionary Company contributions to a 401(k) profit sharing plan. Benefits are provided to the Company's executives in accordance with practices the Compensation Committee believes are consistent with industry standards. The Compensation Committee believes such benefits are a necessary element of compensation in attracting and retaining employees. In addition, the NEOs receive limited perquisites in order to achieve a competitive pay package as detailed in the Summary Compensation Table.

Deferred Compensation Plan and Early Retiree Program

The Company provides a non-qualified deferred compensation plan for the benefit of certain of its highly-compensated management employees, including the NEOs. Under the non-qualified deferred compensation plan, eligible executives may elect in advance of each calendar year to defer up to 100% of their cash salary and bonus compensation earned with respect to such year. Amounts deferred are credited to an unfunded liability account maintained by the Company on behalf of the applicable NEO, which account is deemed invested in and earns a rate of return based upon certain notational and self-directed investment options offered under the plan. In its discretion, the Company may elect to credit each eligible participant's account under the deferred compensation plan with an employer matching contribution; however, the Company has never made such a matching contribution. Participant account balances under the deferred compensation plan are fully-vested and will be paid by the Company to each participant upon retirement or separation from employment, or on other specified dates, in a lump sum or in

installments according to a schedule elected in advance by the participant.

Effective in 2007, the Company also adopted an early retiree program allowing certain executive employees of the Company, including the NEOs, to continue to purchase health insurance benefits through the Company at the rate available to current Company employees plus ten percent (the Early Retiree Program). Benefits under the Early Retiree Program are available only to retirees who serve as vice presidents of the Company (or in a higher ranking position) at the time of

their retirement. In order to participate in the Early Retiree Program, executive retirees must meet specific criteria, such as having a minimum of ten years of service with the Company, being at least 45 years old at the time of their retirement, and having participated in the Company-sponsored medical plan for a minimum of two years prior to retirement date. Retiree coverage ceases when the participant elects any other group health insurance coverage or when the participant becomes eligible for Medicare.

The Company and its subsidiaries do not maintain any other executive pension or retirement plans for the NEOs.

Variable Compensation

In general, the Company's variable compensation programs are designed to align the interests of the Company's executive officers, including the NEOs, with the Company's operating and financial results.

Annual Performance Cash Bonuses

It is the Company's general practice to provide NEOs with the opportunity to earn annual performance bonus compensation under a program that recognizes attainment of key Company objectives. The objectives that underlie the Company's annual incentive compensation programs are established annually by the Compensation Committee and the CEO, and may vary between years and between NEOs, but generally include objectives that reward attainment of targeted sales and earnings levels. In setting the performance bonus amounts that an NEO is eligible to earn for achieving specified objectives, the Compensation Committee and the CEO review bonus and total cash compensation levels for each NEO. Bonus opportunities for achieving objectives are generally established for each NEO based on job scope and contribution; however, the Compensation Committee retains the discretion to adjust performance bonus amounts based on factors that are not included in the pre-determined Company objectives. Executives also have the opportunity to earn additional discretionary bonuses for extraordinary performance, as determined by the Compensation Committee and/or the CEO.

The decision as to whether to provide an annual performance bonus program to NEOs for any year, the type and funding of any program offered, and the objectives that underlie any program, are subject to the discretion of the CEO and the Compensation Committee based on their assessment of general and industry specific conditions existing during the applicable period. The Compensation Committee and/or the CEO may also exercise discretion based on their assessment of the NEO's contribution and accountability for the objectives that are the subject of the bonus and any other factors the Compensation Committee and/or the CEO considers relevant.

For 2010, the CEO and the Compensation Committee set target annual performance bonus amounts for each of the NEOs as follows: Mr. Lampropoulos - \$450,000; Mr. Stanger - \$80,000; Mr. Stephens \$100,000; Mr. Nelson - \$80,000; and Ms. Perry - \$60,000. The target performance bonus amounts were established by the CFO and the Compensation Committee based upon their assessment of the anticipated role of each NEO in the Company's achievement of the performance goals established for 2010. The CEO and the Compensation Committee also set internal Company goals, the attainment of which would determine (subject to the Compensation Committee's exercise of negative discretion) the amount of annual performance bonus payable to the NEOs for 2010. For 2010, the Compensation Committee established incentive cash bonus objectives for the NEOs, other than Mr. Stephens, in the following categories: sales, gross margins, earnings per share, cost savings and acquisition integration. The Compensation Committee also assigned various weights to each of the incentive cash bonus categories. For 2010, the Compensation Committee assigned the following weights to the incentive cash bonus categories: earnings per share: 40%; sales: 20%; gross margins: 15%; cost savings: 20%; and acquisition integration: 5%. With respect to Mr. Stephens, the Compensation Committee established sales objectives, on an aggregate basis, for the divisions over which he had supervisory responsibility during 2010. The Compensation Committee believes that the 2010 annual cash bonus objectives provided meaningful motivation to the NEOs and were instrumental in

influencing Company performance in 2010.

The specific 2010 objectives established by the Compensation Committee for the NEOs other than Mr. Stephens in the five performance bonus categories, together with the level of the Company's actual 2010 performance in those categories, are set forth in the following table:

Performance Category	2010 Goal	2010 Results
Sales	\$283 291 million	\$297 million
Gross Margins	100 basis point increase	104 basis point increase
GAAP Earnings Per Share	\$.85 .89	\$.43
Adjusted (non-GAAP) Earnings Per Share	\$.91-.95 (1)	\$.87 (2)
Cost Savings	\$5 million	\$6.1 million
Acquisition Integration	Integration of 2010 Acquisition	Completed (3)

(1) Adjusted (non-GAAP) Earnings Per Share 2010 Goal excludes amortization of intangibles prior to the BioSphere acquisition.

(2) Adjusted (non-GAAP) Earnings Per Share 2010 Results excludes one-time charges related to the impairment of assets associated with the Endotek business line and BioSphere acquisition and severance expenses. Amount also excludes amortization of all intangibles.

(3) In reaching its conclusion that the Acquisition Integration goal was satisfied, the Compensation Committee considered the following activities of the Company in connection with the BioSphere acquisition: transfer, qualification and launch of the BioSphere products through the Company's sales channels, facility space and cost reductions, employee training and integration, and integration of BioSphere sales and marketing activities and personnel.

After evaluating the Company's performance in the five performance bonus categories summarized above, which indicated that the Company exceeded the targeted sales, gross margin, cost savings and completed acquisition integration objectives for 2010, and applying the percentage weights to those four categories, the Compensation Committee reached a preliminary determination that the NEOs other than Mr. Stephens were eligible to receive 60% of their targeted performance bonus payments. The Compensation Committee then considered other, discretionary, factors it considered important for purposes of determining the amount of performance bonuses payable to the NEOs other than Mr. Stephens, including the market performance of the Common Stock and the Company's financial and operating requirements, and exercised negative discretionary authority to reduce the amount of the performance bonus payments to 35% of the targeted performance bonus payments for the NEOs other than Mr. Stephens. The targeted 2010 sales level upon which Mr. Stephens' performance bonus was based was \$151.7 million and his actual 2010 sales performance was \$155.4 million. Accordingly, Mr. Stephens earned the full amount of his targeted performance bonus for 2010. Performance bonus amounts earned by the NEOs for 2010 are reported under the heading "Non-Equity Incentive Plan Compensation" in the Summary Compensation Table that appears on page 17 below.

Discretionary Bonuses

In addition to the cash bonus opportunities under the performance bonus program described above, the CEO or Compensation Committee (for the CEO himself) may choose to reward extraordinary performance and achievements by awarding discretionary bonuses to the NEOs and other executives from time to time that are not part of the annual incentive plan or any other plan. With respect to the NEOs, any discretionary bonuses awarded based on exceptional performance rather than pre-determined performance criteria during 2010 would be reported under the heading "Bonus" in column (d) of the Summary Compensation Table that appears on page 17 below. There is no expectation that all NEOs will receive discretionary performance bonuses in any particular year, and the criteria for such bonuses are not established in advance. The Company did not pay any discretionary performance bonuses during 2010.

Long-Term Incentive Compensation

Historically, long-term equity awards, in the form of stock options, have been granted at the Compensation Committee's discretion to the NEOs annually in an effort to provide long-term performance-based compensation, to encourage the NEOs to continue their engagement with the Company throughout the vesting periods, and to align management and shareholder interests. In making awards under the Merit Medical Systems, Inc. 2006 Long Term Incentive Plan (the "2006 Incentive Plan"), the Compensation Committee considers grant size, the appropriate combination of equity-based awards, the impact of the grant on the Company's financial performance, as determined in accordance with the requirements of the Financial Accounting Standards Board ASC Topic 718 ("ASC Topic 718"), and the corresponding compensation value used by the Company in determining the amount of the awards (which may vary from the ASC Topic 718 expense). Generally, the amount of long-term equity awards granted to the NEOs has been based upon the Compensation Committee's assessment of each NEO's expected future contributions to the Company; however, the amount of those awards may be influenced by external factors such as general economic or industry-specific conditions. The Company generally grants long-term equity awards at the regularly scheduled Compensation Committee meeting held in May or December of each year, but may vary the date of grant from year to year. After evaluating general economic and industry conditions for the year ended December 31, 2010, as well as the Company's operating and financial performance during the year, the Compensation Committee elected not to grant any awards to the NEOs or any other Company executive officers under the 2006 Incentive Plan.

Options granted under the 2006 Incentive Plan prior to 2010 were granted to NEOs with exercise prices equal to the closing price per share on the date of each grant, (or if the market was closed on that date, with the most immediately available recent closing price), and have historically vested on an immediate, three-year, or five-year pro-rated basis. The 2006 Incentive Plan allows for a minimum three-year vesting schedule, although vesting of options may accelerate upon a change in control of the Company. The Company has not granted options with an exercise price below 100% of the trading price of the underlying shares of Common Stock on the date of grant or granted options that are priced on a date other than the grant date (unless granted on a Saturday or day when the market is closed). Stock options only have value to the extent the value of the underlying shares of Common Stock on the exercise date exceeds the exercise price. Accordingly, stock options provide compensation to the NEOs only if the underlying share price increases over the option term.

Other

Employment Agreements

The Compensation Committee has determined that executive employment agreements are a necessary component of the Company's compensation package in order to provide competitive compensation arrangements, particularly because such agreements are standard in the Company's industry. Moreover, the Compensation Committee believes that the change in control provisions within the agreements help to attract and retain the Company's NEOs by reducing the personal uncertainty and anxiety that arises from the possibility of a future business combination.

The Company has entered into amended and restated employment agreements (collectively, the *Employment Agreements*) with each of the NEOs. The annual base salaries payable under the *Employment Agreements*, as adjusted for 2010, were \$660,000 for Mr. Lampropoulos; \$255,000 for Mr. Stanger; \$350,000 for Mr. Stephens; \$275,000 for Mr. Nelson; and \$250,000 for Ms. Perry. The amount of the base salary payable to each NEO is subject to change based on review by the Compensation Committee on an annual basis. The employment status of each of the NEOs pursuant to the *Employment Agreements* is at will; however, the *Employment Agreements* provide for mandatory severance payments to each NEO in the event the NEO's employment with the Company terminates for certain reasons in connection with a Change in Control. Those severance arrangements are discussed in greater detail below under the heading *Executive Compensation Tables and Discussion Potential Payments upon Termination or Change in Control*.

In addition to the annual base salary described above, the *Employment Agreements* also provide for the NEOs to receive an annual cash bonus in an amount to be determined in the sole discretion of the Board of Directors (which has delegated that authority to the Compensation Committee); provided, however, that for fiscal years ending after a Change in Control, the annual bonus must be at least equal to an NEO's average annual cash bonus for the last three full fiscal years ending prior to the Change in Control. The NEOs (and to the extent applicable, their spouses and eligible dependants) are eligible to participate in all incentive, savings and retirement, medical insurance, prescription insurance, dental insurance, term life insurance, long-term disability insurance and other employee benefit plans, policies or arrangements maintained by the Company for its employees generally and, at the discretion of the Compensation Committee, in incentive stock option and other benefit plans maintained by the Company for Company executives. The *Employment Agreements* also provide for certain fringe benefits, paid vacation, the furnishing of office and support staff and the reimbursement of business expenses incurred by the NEOs, all in accordance with the Company's established policies.

The terms of the *Employment Agreements* reflect in part the concern of the Compensation Committee that any future threatened or actual change in control of the Company, such as an acquisition or merger, could cause disruption and harm to the Company in the event of the resulting loss of any of its key executives. The change in control provisions in the *Employment Agreements* are intended to provide a measure of incentive and security to the executives until the resolution of any such threat or actual change in control. The Compensation Committee believes that such agreements should not include provisions that would obligate a potential acquirer of the Company to make large payouts to

the NEOs simply because a change in control has occurred. Because of this concern, the occurrence of a change in control event alone will not trigger any payment obligations to the NEOs under their respective Employment Agreements. Additional change in control payment obligations under the Employment Agreements only arise in the event the NEO's employment is terminated without Cause in connection with the change in control or the NEO resigns for Good Reason (as defined in the Employment Agreements) in connection with a change in control. Thus, the Compensation Committee regards the employment agreements as double trigger change in control agreements.

Tax Deductibility and Executive Compensation

Section 162(m) of the Code imposes a \$1 million annual limit on the amount that a public company may deduct for compensation paid to the company's chief executive officer during a tax year or to any of the company's three other most highly compensated executive officers who are still employed at the end of the tax year. The limit does not apply to

compensation that meets the requirements of Code Section 162(m) for qualified performance-based compensation (i.e., compensation paid only if the executive meets pre-established, objective goals based upon performance criteria approved by the Company's shareholders).

The Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code and attempts, to the extent practical, to implement compensation policies and practices that maximize the potential income tax deductions available to the Company by qualifying such policies and practices as performance-based compensation exempt from the deduction limits of Section 162(m). In certain situations, the Compensation Committee may approve compensation that will not meet the requirements of Code Section 162(m) in order to ensure competitive levels of total compensation for its executive officers. No NEO's compensation in 2010 exceeded the \$1 million deduction limit.

Compensation Policies and Practices Relating to Risk Management

The Compensation Committee has reviewed the Company's compensation program in total, which applies to all of the Company's full-time employees, and believes that there is no material risk of a material adverse effect on the Company resulting from the program. As a matter of best practice, the Company intends to continue to monitor its compensation program to ensure that those programs continue to align the interests of the Company's employees with those of its shareholders while avoiding unnecessary or excessive risk.

COMPENSATION COMMITTEE REPORT

The Compensation Committee establishes and oversees the design and function of the Company's executive compensation program. The undersigned members of the Compensation Committee of the Board of Directors have reviewed and discussed the foregoing Compensation Discussion and Analysis with the management of the Company and recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement for the 2010 Annual Meeting.

(1) Bonus amounts in column (d) represent discretionary bonuses not based upon pre-determined performance criteria. Incentive bonuses under the Company's performance-based annual bonus plan based on pre-established performance criteria appear in column (f) under the heading Non-Equity Incentive Plan Compensation.

(2) The amounts in column (e) reflect the aggregate grant date fair value of the awards granted to the NEOs in the year shown, computed in accordance with FASB ASC Topic 718. Such amounts have been calculated in accordance with current financial statement reporting guidance, using the same assumptions the Company has used for financial statement reporting purposes pursuant to the Company's long-term incentive plans. Assumptions used in the calculation of these amounts are included in footnotes to the Company's audited consolidated financial statements for the years ended December 31, 2009 and December 31, 2008, which consolidated financial statements are included in the Company's Annual Reports on Form 10-K filed with the Securities and Exchange Commission on March 10, 2010 and March 4, 2009, respectively. No awards were granted during 2010.

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

(3) Amounts includes vacation benefits paid to the NEOs in cash in lieu of vacation benefits: (i) for the year ended December 31, 2010, in the amount of \$31,731 for Mr. Lampropoulos, \$24,520 for Mr. Stanger, \$26,923 for Mr. Stephens and \$24,038 for Mr. Nelson; (ii) for the year ended December 31, 2009, in the amount of \$75,484 for Mr. Lampropoulos, \$24,520 for Mr. Stanger, \$13,462 for Mr. Stephens, \$8,654 for Mr. Nelson and \$30,619 for Ms. Perry; (iii) for the year ended December 31, 2008, in the amount of \$17,692 for Mr. Lampropoulos, \$13,462 for Mr. Stephens and \$17,308 for Mr. Nelson.

(4) Amounts shown also include matching contributions made by the Company for the benefit of the NEOs to the Company's 401(k) Plan in the following amounts: (i) for the year ended December 31, 2010: Mr.

Lampropoulos, \$5,513; Mr. Stanger, \$5,513; Mr. Stephens, \$5,513; Mr. Nelson, \$389; and Ms. Perry, \$5,450 and (ii) for the year ended December 31, 2009: Mr. Lampropoulos, \$5,513; Mr. Stanger, \$5,513; Mr. Stephens, \$5,513; Mr. Nelson, \$5,132; and Ms. Perry, \$5,513. The NEOs received no matching contributions under the Company's 401(k) Plan for 2008.

(5) Amounts shown also reflect the incremental travel expenses incurred by the Company for spouses of the following NEOs who attended the Company's off-site President's Award recognition event: (i) for the year ended December 31, 2010, Mr. Stephens in the amount of \$469; (ii) for the year ended December 31, 2009, Mr. Stephens in the amount of \$562 and Mr. Nelson in the amount of \$1,552; (iii) for the year ended December 31, 2008, Mr. Stanger in the amount of \$1,503 and Mr. Stephens in the amount of \$1,634.

Grants of Plan-Based Awards for 2010

The following table sets forth information concerning non-equity based and equity-based plan awards granted to the NEOs during the year ended December 31, 2010.

Name Granted	Grant Date	Non-Equity Incentive Plan Awards Target (\$) (1)
Fred P. Lampropoulos	02/01/2010	\$ 450,000

Option Exercises and Stock Vested in 2010

The following table provides information regarding stock options exercised by the NEOs during the year ended December 31, 2010.

(a) Name Granted	(b) Number of Shares Acquired on Exercise	(c) Value Realized on Exercise (1)
Martin R. Stephens	10,000	\$ 47,896

(1) The reported value for this column is determined by multiplying the number of option shares by the difference between the market price of the Common Stock on the date of exercise and the exercise price of the stock option. The value is stated before payment of applicable taxes.

Non-Qualified Deferred Compensation for 2010

Pursuant to the Merit Medical Systems, Inc. Deferred Compensation Plan (the "Deferred Compensation Plan"), NEOs may elect prior to the beginning of each calendar year to defer the receipt of base salary and bonuses earned for the ensuing calendar year. Amounts deferred are credited to an unfunded liability account maintained by the Company on behalf of the applicable NEO, which account is deemed invested in and earns a rate of return based upon certain notational, self-directed investment options offered under the Deferred Compensation Plan. The NEO's accounts under the Deferred Compensation Plan may also be credited with a discretionary employer matching contribution, although no such discretionary contribution was made for 2010 or any other time since the Deferred Compensation Plan's inception. Participant account balances under the Deferred Compensation Plan are fully-vested and will be paid by the Company to each NEO upon retirement or separation from employment, or on other specified dates certain, in a lump sum form or in installments according to a schedule elected in advance by the participant.

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

The following table sets forth certain information regarding the account balances and amounts credited under the Deferred Compensation Plan in 2010 with respect to the NEOs.

Potential Payments Upon Termination or Change in Control

Employment Agreements. In December 2010, the Company entered into Amended and Restated Employment Agreements (as subsequently amended the Employment Agreements) with each of the NEOs as described in the Compensation Discussion and Analysis commencing on page 10 above. The Employment Agreements provide payments and benefits in the event of termination of employment under certain circumstances, including in connection with a change in control as follows:

(a) Other Than in Connection with a Change in Control. If an Executive's employment with the Company is terminated for any reason, voluntarily or involuntarily, with or without Cause (as defined below), other than

in Connection with a Change in Control (as defined below), the Company is obligated to pay the Executive a lump sum cash payment equal to his or her accrued and unpaid base salary and any accrued vacation pay earned but not yet paid through the date of termination, to the extent not already paid, plus a lump sum cash payment equal to the Executive's accrued annual bonus earned for the Company's last fiscal year ending immediately prior to the Executive's date of termination, to the extent not already paid (the sum of such payments hereinafter referred to as the Accrued Obligations). Any severance benefit is solely at the discretion of the Company. A termination is deemed to be in Connection with a Change in Control if it occurs on or within two years after the date of a Change in Control or, in the case of involuntary termination without Cause, within six months prior to a Change in Control and in anticipation of the Change in Control. A Change in Control means: (i) the acquisition in one or more integrated transactions by any individual, entity or group of beneficial ownership of more than 30% of either the then outstanding shares of common stock of the Company or the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors; (ii) individuals who as of December 31, 2010 constitute the Board of Directors (the Incumbent Board), cease for any reason to constitute at least a majority of the Board of Directors; provided, however, that any individual who becomes a director subsequent to December 31, 2010 whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board; and (iii) consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the Company, subject to certain exceptions set forth in the Employment Agreements.

(b) For Good Reason or Without Cause in Connection with a Change in Control. If an NEO's employment with the Company is terminated by the NEO for Good Reason (as defined below) in Connection with a Change in Control or by the Company without Cause in Connection with a Change in Control, the Company is obligated to: (i) pay to the NEO any Accrued Obligations to the extent not already paid; (ii) pay to the NEO a cash severance benefit equal to two times (three times solely in the case of Mr. Lampropoulos) the sum of (A) the NEO's annual base salary then in effect, and (B) the NEO's average annual bonus for the last three full fiscal years ending prior to the Change in Control; (iii) continue to provide group health benefits to the NEO and/or NEO's eligible spouse and dependent children for two years (three times solely in the case of Mr. Lampropoulos) after the date of the NEO's termination; (iv) provide the NEO with certain outplacement services at the Company's expense; and (v) pay or provide to the NEO certain other accrued benefits to the extent not already paid or provided.

For purposes of the Employment Agreements, Cause means: (i) the willful and continued failure of an NEO to perform his or her duties after a written demand for substantial performance specifically identifying the deficiencies in the Executive's performance has been delivered to the NEO by the Board of Directors or, in the case of all NEOs other than Mr. Lampropoulos, the Company's Chief Executive Officer; (ii) the willful engaging by an NEO in illegal conduct, intentional misconduct or gross negligence which materially and demonstrably injures the Company; or (iii) violation of written Company policies prohibiting workplace discrimination, sexual harassment, and alcohol or substance abuse. For purposes of the Employment Agreements, Good Reason means: (i) the Company's assignment to the NEO upon or within two years after a Change in Control of any duties inconsistent with or that diminishes the NEO's duties, authority or responsibilities under the terms of the NEO's Employment Agreement; (ii) the Company's failure to comply with certain compensation provisions in the Employment Agreements; (iii) the Company requiring the NEO to relocate to another office or location upon or within two years of a Change in Control; (iv) the failure by the Company to require any successor entity to comply with the terms of a respective Employment Agreement; or (v) the NEO's voluntary resignation for any reason, in the NEO's sole discretion, within 30 days after the date of a Change in Control.

(c) For Cause or Without Good Reason Following a Change in Control. If the Company terminates an NEO's employment for Cause on or after the date of a Change in Control, the Company must pay to the NEO his or her annual base salary and accrued vacation and must continue to pay and/or provide certain other welfare benefits to the extent not already provided and/or unpaid. If an NEO voluntarily terminates his or her employment without Good Reason upon or following a Change in Control, the Company is obligated to pay the NEO for Accrued Obligations and to provide certain other accrued benefits to the extent not already paid and/or provided.

(d) Upon Death or Disability. Upon an NEO's death or disability other than in Connection with a Change in Control, the Company is obligated to pay the NEO (or the NEO's estate) an amount equal to Accrued Obligations plus any additional severance benefits approved by the Compensation Committee. If an NEO's employment is terminated after the date of a Change in Control by reason of the NEO's death, the Company must also continue to provide certain other benefits to the NEO's family for a stated period. If an NEO's employment is terminated after the date of a Change in Control by reason of the NEO's disability, the Company must also continue to provide certain welfare

benefits.

If a Change in Control with respect to the Company results in compensatory payments to an NEO, including severance benefits and acceleration of vesting of a NEO's stock options, and if the value of such severance benefits and option acceleration exceeds 2.99 times the NEO's average W-2 compensation with the Company for the five taxable years preceding the year of the Change in Control (the Base Period Amount), the Change in Control related payments and option acceleration would result in an excess parachute payment under Code Section 280G. An NEO would be subject to a 20% excise tax on, and the Company would be unable to deduct, the amount by which such parachute payments to the NEO exceed the NEO's Base Period Amount. The Employment Agreements provide that in the event any payments made to an NEO, when added to all other parachute payments to the NEO within the meaning of Section 280G of the Code, result in the payment of an excess parachute payment to the NEO within the meaning of Section 280G and 4999 of the Code, then: (i) the cash payments owed to the NEO shall be reduced by the minimum amount necessary to avoid the imposition of an excise or penalty tax on the NEO, provided such reduction does not exceed \$1,000, or (ii) in all other cases, the Company must pay to the NEO an additional amount (on a fully-grossed-up, after tax basis) sufficient to put the NEO in the same after-tax position that the NEO would have been in had payments under the respective Employment Agreement not been subject to the excise tax under Code Section 4999 (a Tax Gross-Up Payment).

Accelerated Stock Option Vesting Upon a Change in Control. Under the Company's 2006 Incentive Plan and prior stock option plan, all otherwise unvested stock options held by NEOs become fully vested upon a change in control as defined below, without regard to whether the NEO terminates employment. The Company's stock option plans generally define a change in control as (i) certain changes in the majority of the Board of Directors within a 24 month period; (ii) the acquisition by any person of 50% or more of the Common Stock or other voting securities; (iii) consummation of a merger or reorganization of the Company in which neither the Company nor another entity controlled by the Company's shareholders is the surviving entity; (iv) a sale or other disposition of all or substantially all of the Company's assets to another entity that is not controlled by the Company's shareholders; or (v) shareholder approval of a liquidation of the Company. Additionally, in the case of stock options granted, such options remain exercisable following a change in control for their entire original term notwithstanding termination of the option holder's employment prior to the scheduled option expiration date.

Amounts Payable upon a Change in Control without Termination of Employment.

The following table shows for each NEO the intrinsic value of his or her otherwise unvested stock options on December 31, 2010 that would have vested had a change in control within the meaning of the Employment Agreements occurred on that date, calculated by multiplying the number of underlying shares by the closing price of Common Stock on the last trading day of 2010 and by then subtracting the applicable option exercise price:

(a) Name	(b) Intrinsic Value of Stock Options \$
Fred P. Lampropoulos	128,260
Kent W. Stanger	81,620
Martin R. Stephens	39,240
Arlin D. Nelson	50,900
Rashelle Perry	31,840

The Employment Agreements do not provide for any additional payments to the NEOs merely upon a Change in Control absent a termination of employment of the NEOs.

Amounts Payable upon Termination of Employment

Termination Without Cause or For Good Reason In Connection with a Change in Control. The following table shows the amounts that would be payable to each NEO if the Company had undergone a Change in Control within the meaning of the Employment Agreements on December 31, 2010 and the NEO's employment with the Company terminated voluntarily for Good Reason or involuntarily without Cause on December 31, 2010. The following amounts are in addition to accrued vacation and distributions from the Company's 401(k) Plan that are payable to all salaried employees upon termination of employment:

(a) Name	(b) Salary and Bonus Continuation \$	(c) Stock Option Vesting Acceleration \$ (1)	(d) Health Plan Coverage Continuation \$ (2)	(e) Deferred Compensation Plan \$ (3)	(f) Tax Gross- up \$ (4)	(g) Total \$
Fred P. Lampropoulos	2,877,650	128,600	37,791			3,044,041
Kent W. Stanger	694,733	81,620	24,374	115,142		915,869
Martin R. Stephens	833,333	39,240	24,183	213,229		1,109,985
Arlin D. Nelson	771,667	50,900	17,152			839,719
Rashelle Perry	674,067	31,840	2,342	374,815		1,083,064

(1) The amounts shown in column (c) represents the intrinsic value of the otherwise unvested stock options held by NEOs on December 31, 2010 calculated by multiplying the number of shares underlying such options by the closing price of Company shares on December 31, 2010, the last trading day of 2010 (\$15.83 a share), and by then subtracting the applicable exercise price.

(2) The amounts in column (d) represent the estimated future cost of providing continuing Company-paid coverage under the Company's group health, disability and life insurance plans for the applicable severance period. The estimated amounts are based upon December 31, 2010 actual premium rates, plus a 10% assumed rate of annual premium cost increases.

(3) The amounts in column (e) represent the account balance in each NEO's Deferred Compensation Plan account as of December 31, 2010.

(4) None of the NEOs would have received a Tax Gross-Up Payment as a result of their termination without Cause or resignation for Good Reason in connection with a Change in Control on December 31, 2010 because the value of their December 31, 2010 Change in Control related severance benefits and option acceleration would have been less than 2.99 times their applicable Base Period Amounts.

Termination Without Cause or For Good Reason (Other Than in Connection with a Change in Control). The following table shows the amounts that would be payable to each NEO if the NEO's employment with the Company had terminated voluntarily for good reason or involuntarily without Cause, other than in connection with a Change in Control, on December 31, 2010 and the Company had exercised its discretion to pay severance equal to one year's salary and the annual bonus paid in 2010. The following amounts are in addition to accrued vacation and distributions from the Company's 401(k) Plan that are payable to all salaried employees upon termination of employment:

(a) Name	(b) Discretionary Severance \$ (1)	(c) Health Plan Coverage Plan Continuation \$	(d) Deferred Compensation Plan \$ (2)	(e) Total \$
Fred Lampropoulos	1,060,100			1,060,100
Kent W. Stanger	410,100		115,142	525,242
Martin R. Stephens	450,000		213,229	663,229
Arlin D. Nelson	355,000			355,000
Rashelle Perry	416,600		374,815	791,415

(1) Assumes the Company had exercised its discretion to pay severance equal to one year's salary and the 2010 annual bonus.

(2) The amounts in column (d) represent the account balance in the NEO's Deferred Compensation Plan account as of December 31, 2010.

Termination on Account of Death, Disability, Involuntary Termination For Cause or Voluntary Resignation Without Good Reason. If, on December 31, 2010, a NEO had died, his or her employment had been terminated on account of disability, his or her employment had been terminated for cause or he or she had voluntarily resigned without good reason, whether or not in connection with a change in control, he or she would have been entitled to receive only: (a) his or her accrued salary and bonus earned through December 31, 2010; (b) accrued but unpaid vacation pay through December 31, 2010; (c) distribution of his or her vested account balance from the Company's 401(k) Plan; (d) the payment of insured benefits, if applicable, under the Company's broad-based long-term disability insurance or group term life insurance plans; and (e) distribution of his or her Deferred Compensation Plan account balance.

DIRECTOR COMPENSATION

The Company uses a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve as directors. In setting director compensation, the Company considers the significant amount of time that directors expend in fulfilling their duties to the Company as well as the skill level required by the Company of directors.

Cash Compensation Paid to Directors

For the year ended December 31, 2010, all non-employee directors of the Company received an annual cash retainer of \$25,000 plus \$2,000 for each in-person board meeting attended and \$2,000 for each telephonic board meeting attended. Each member of the Audit Committee received \$1,000 per meeting attended and the Audit Committee Chair received an annual retainer of \$7,500. Members of the Compensation Committee receive \$1,000 for each meeting attended and the Compensation Committee Chair received an annual retainer of \$5,000. Members of the Nominating and Corporate Governance Committee were not paid additional amounts for attendance at Nominating and Corporate Governance Committee meetings. All directors are also reimbursed by the Company for their out-of-pocket travel and related expenses incurred in attending all Board of Directors and committee meetings.

Stock Awards

Directors are also eligible to participate in the Company's equity incentive programs. During 2010, each non-employee director received an award of options to purchase 20,000 shares of Common Stock at an exercise price of \$16.45 per share, the per share market closing price on the date of the grant. Director stock options vest over five years at the rate of 20% per year.

Director Summary Compensation Table for 2010

Edgar Filing: MERIT MEDICAL SYSTEMS INC - Form DEF 14A

The following table summarizes the compensation earned or paid by the Company to non-employee directors for the year ended December 31, 2010.

(a) Name (1)	(b) Fees Earned or Paid in Cash \$	(c) Option Awards \$ (2)	(d) Non-Equity Incentive Plan Compensation \$	(e) All Other Compensation \$	(f) Total Compensation \$
Rex C. Bean	59,750	141,056			200,806
Michael E. Stillabower, M.D.	46,500	141,056			187,556
James J. Ellis	63,500	141,056			204,556
Richard W. Edelman	60,000	141,056			201,056
Franklin J. Miller, M.D.	62,000	141,056			203,056

(1) Fred P. Lampropoulos and Kent W. Stanger served as directors of the Company during the year ended December 31, 2010, but are not identified in the foregoing Director Compensation Table because of their dual status as NEOs and directors. Director fees and option awards to Messrs. Lampropoulos and Stanger

as directors are reported in the Summary Compensation Table set forth on page 17. Commencing January 1, 2008, Messrs. Lampropoulos and Stanger were not paid director fees for their service as directors.

(2) The amounts shown in column (c) reflect the aggregate grant date fair value of all awards granted in 2010. The Company calculated these amounts in accordance with financial statement reporting rules, using the same assumptions as the Company used for financial statement reporting purposes pursuant to the Company's long-term incentive plans. Assumptions used in the calculation of these amounts are included in footnotes to the Company's audited financial statements for the year ended December 31, 2010. As of the end of 2010, each non-employee director had outstanding options for the following number of Company shares: Mr. Bean, 202,221; Dr. Stillabower, 174,444; Mr. Ellis, 156,667; Mr. Edelman, 160,776 and Dr. Miller, 89,950.

Related Party Transactions

Joseph Wright, President of Merit Technology Group, a division of the Company, is the brother-in-law of Fred P. Lampropoulos, the Chairman of the Board, Chief Executive Officer and President of the Company. During the year ended December 31, 2010, the Company paid to Mr. Wright total compensation (including salary, bonus and commission) of \$415,000.

Justin Lampropoulos, Vice President of Global OEM, a division of the Company, is the son of Fred P. Lampropoulos, the Chairman of the Board, Chief Executive Officer and President of the Company. During the year ended December 31, 2010, the Company paid to Mr. Lampropoulos total compensation (including salary, bonus and commission) of \$294,000.

Policies and Procedures Regarding Transactions with Related Parties

The Company's Code of Ethics and Business Conduct requires that every employee avoid situations where loyalties may be divided between the Company's interests and the employee's own interests. Employees and directors must avoid conflicts of interest that interfere with the performance of their duties or are not in the Company's best interests.

Pursuant to its written charter, the Audit Committee reviews and approves all related party transactions as such term is used by ASC Topic 850 *Related Party Disclosures*, or as otherwise required to be disclosed in the Company's financial statements or periodic filings with the Securities and Exchange Commission, other than (a) grants of stock options made by the Board of Directors or any committee thereof or pursuant to an automatic grant plan, or (b) payment of compensation authorized by the Board of Directors or any committee thereof. Related party transactions include transactions between the Company, its executive officers and directors. The Company has adopted written policies and procedures regarding the identification of related parties and transactions and the approval process. The Audit Committee will consider each proposed related-party transaction in light of the specific facts and circumstances presented, including but not limited to the risks, costs and benefits to the Company and the availability from other sources of comparable services or products.

PRINCIPAL HOLDERS OF VOTING SECURITIES

The following table sets forth information as of April 8, 2011, with respect to the beneficial ownership of shares of Common Stock by each person known by the Company to be the beneficial owner of more than 5% of the Common Stock, by each director, by each director nominee, by each NEO and by all directors and executive officers as a group. For each individual and group included in the table below, percentage ownership is calculated by dividing the number of shares beneficially owned by such person or group by the sum of the 28,727,863 shares of Common Stock outstanding as of April 8, 2011, plus the number of shares of Common Stock that such person or group had the right to acquire on or within 60 days after April 8, 2011. Unless otherwise noted, each person named has sole voting and investment power with respect to the shares indicated.

PROPOSAL NO. 2 - ADVISORY VOTE ON EXECUTIVE COMPENSATION

Background

Section 14A of the Securities Exchange Act of 1934, as amended (Section 14A), which was enacted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, requires that the Company provide its shareholders with the opportunity to vote on an advisory (non-binding) resolution to approve the compensation of the NEOs (referred to as a Say-on-Pay proposal) as disclosed in this Proxy Statement.

Accordingly, the following resolution will be submitted to the Company s shareholders for approval at the Annual Meeting:

RESOLVED, that the Company s shareholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company s Proxy Statement for the 2011 Annual Meeting of Shareholders, pursuant to the compensation disclosure rules of the U.S. Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2010 Summary Compensation Table and the other related tables and disclosures.
