Protective expects to receive approximately \$144,825,000 in net proceeds from the sale of the Debentures, after deducting the underwriting discount and estimated offering expenses payable by Protective.

Protective intends to use the net proceeds from this offering to redeem the remaining \$125 million in aggregate principal amount outstanding of Protective's remaining 7.25% Capital Securities due 2066, and the remainder of the net proceeds for general working capital purposes.

At June 30, 2012, Protective's indebtedness totaled approximately \$2.03 billion, and after giving effect to this offering and the use of proceeds as described and based on the

assumptions set forth under "Use of Proceeds" in the preliminary prospectus supplement, will total approximately \$2.05 billion (on a carrying value basis), of which \$1.51 billion will rank senior to the Debentures.

Other financial information presented in the preliminary prospectus supplement is deemed to have changed to the extent affected by the changes described herein.
