**Item 1.01. Entry into a Material Definitive Agreement.**

*Australia Management Agreement*

On January 31, 2013, CommonWealth REIT, or the Company, entered into a business and property management agreement, or the Australia Management Agreement, with RMR Australia Asset Management Pty Limited, or RMR Australia, for the benefit of CWH Australia Trust (formerly the MacarthurCook Industrial Property Fund), a subsidiary of the Company, or CWHAT. The Australia Management Agreement replaces the business and property management agreement, or the Prior Australia Management Agreement, which the Company entered into in October 2010 with MacarthurCook Fund Management Limited with respect to CWHAT's businesses, operations and real estate investments. The terms of the Australia Management Agreement are substantially similar to the terms of the Prior Australia Management Agreement. RMR Australia has been granted an Australian financial services license by the Australian Securities & Investments Commission.

The Australia Management Agreement, which was approved by the Company's Compensation Committee, which is composed solely of the Company's Independent Trustees, establishes the basis upon which RMR Australia will provide management, administrative and real estate investment services in respect of CWHAT's businesses, operations and real estate investments. The Australia Management Agreement provides for compensation to RMR Australia for business management and real estate investment services at an annual rate equal to 0.5% of the average historical cost, including the cost of capital improvements, of CWHAT's real estate investments, as described in the Australia Management Agreement. The Australia Management Agreement also provides for additional compensation to RMR Australia for property management services at an annual rate equal to 50% of the difference between 3.0% of collected gross rents, including reimbursed operating expenses and taxes, and the aggregate of all amounts paid or payable by or on behalf of CWHAT to third party property managers. Additionally, the Australia Management Agreement provides for further compensation to RMR Australia for construction supervision services at an annual rate equal to 50% of the difference between 5.0% of constructions costs and any amounts paid to third parties for construction management and/or supervision.

The Company has two agreements with its manager, Reit Management & Research LLC, or Reit Management, to provide management and administrative services to the Company: (1) a business management agreement, or the Business Management Agreement, which relates to the Company's business generally and provides that the Company will pay Reit Management a business management fee equal to specified percentages of the historical cost of the Company's real estate investments, including 1.0% of the historical cost of the Company's properties located outside the United States, Puerto Rico and Canada, and (2) a property management agreement, or the Property Management Agreement, which relates to the property level operations of the Company's properties and provides for a management fee equal to 3.0% of gross rents and a construction supervision fee equal to 5.0% of construction costs.

In connection with the Australia Management Agreement, however, Reit Management has agreed to waive half of the business management fee payable by the Company under the Business Management Agreement and half of the property management fee and construction supervision fee payable by the Company under the Property Management Agreement, in each case, with respect to the Company's properties that are subject to the Australia Management Agreement for so long as the Australia Management Agreement is in effect and the Company or any of its subsidiaries are paying the fees under that agreement. The termination of the Prior Australia Management Agreement resulted in the termination of a similar waiver, which Reit Management granted to the Company in October 2010 in connection with that agreement.

The foregoing descriptions of the Australia Management Agreement, the related waiver, the Business Management Agreement and the Property Management Agreement are not complete and are subject to and qualified in their entirety by reference to the Australia Management Agreement, the waiver, the
