On August 2, 2013, HealthDataInsights, Inc. (HDI), a wholly owned subsidiary of HMS Holdings Corp. (the Registrant) entered into a modification of its Medicare Recovery Audit Contract with the Centers for Medicare & Medicaid Services (CMS). Under this contract, which expires in February 2014, HDI serves as the Medicare recovery audit contractor (RAC) for CMS Region D. The modification amends the previously disclosed transition plan for the incumbent Medicare RACs.

Under the amended transition plan, the Medicare RACs are now permitted to continue requesting certain medical records through November 15, 2013 and sending improper payments for processing until January 30, 2014. In addition, under the amended transition plan, each Medicare RAC will remain responsible for assisting CMS with the appeals process, and returning fees previously paid on successful appeals, for their current region through December 31, 2015.
