Certain statements in this document are forward-looking statements under Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements are based on current expectations. However, actual results may differ materially from expectations due to the risks, uncertainties and other factors that affect our business and Vanguard's business. These factors include, among others, the occurrence of any event, change or other circumstances that could give rise to the termination of the acquisition agreement with Vanguard; the failure to satisfy conditions to completion of the proposed acquisition, including receipt of regulatory approvals; changes in the business or operating prospects of Vanguard; changes in health care and other laws and regulations; economic conditions; adverse litigation or regulatory developments; competition; our success in implementing our business development plans and integrating newly acquired assets; our ability to hire and retain health care professionals; our ability to meet our capital needs, including our ability to manage our indebtedness; and our ability to grow our Conifer Health Solutions business segment. We and Vanguard provide additional information about these and other factors in the reports filed with the Securities and Exchange Commission, including, but not limited to, those described in Risk Factors and Management's Discussion and Analysis of Financial Condition and Results of Operations in our and Vanguard's annual reports on Form 10-K for the year ended December 31, 2012 and June 30, 2013, respectively.
