Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Adoption of Amended and Restated Executive Officer Performance Bonus Plan

The Annual General Meeting of Shareholders (AGM) of Seagate Technology plc (the Company) was held on October 30, 2013. The shareholders approved the Company s Amended and Restated Executive Officer Performance Bonus Plan (the EOPB) at the AGM. The EOPB will govern the award and payment of bonuses to the Company s executive officers. The Board of Directors had adopted the EOPB on July 23, 2013, subject to shareholder approval at the AGM.

The purpose of the EOPB is to motivate our executive officers and reward them for producing results that increase shareholder value. The bonuses awarded under the EOPB are generally intended to be qualified performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)). Our Chief Executive Officer (CEO) and any other executive who is subject to the requirements of Section 16 of the Securities Exchange Act of 1934, as amended, and who is selected to participate in the EOPB by the Compensation Committee (the Committee) is eligible for a bonus award under the EOPB. Currently, there are five executive officers, including our CEO, who are eligible to participate in the EOPB for our 2014 fiscal year, with a target bonus award equal to 100% of annual base salary for each of the participants except the CEO whose target bonus award is equal to 150% of his annual base salary.

Each participant s bonus will be based on the achievement of one or more performance targets, as determined by the Committee for each performance period within the time period mandated under Section 162(m). The potential performance criteria, as well as the permitted adjustments to such criteria, are set forth on pages 26 and 27 of the Company s Proxy Statement filed with the SEC on September 11, 2013. The maximum bonus that may be paid to any participant under the EOPB in respect of any performance period (which period may be shorter than, equal to or longer than a year, as determined by the Committee) may not exceed \$10 million and, in any case, may not exceed \$15 million in any fiscal year. The performance bonus awards (if any) are generally paid following written certification by the Committee as to the level of achievement of the applicable performance target(s); awards are payable in cash, with payment no later than the 15th day of the third month following the end of the performance period to which such bonus award relates.

A participant who, whether voluntarily or involuntarily, is terminated or demoted or otherwise ceases to be an executive officer at any time during a performance period or before payment of a bonus award will not generally be eligible to receive a bonus award in respect of that performance period, although the Committee may provide for payment of bonus awards in its discretion in the event of a participant s death or disability or in the event of a change in ownership or control of the Company. In addition, in the event of a qualifying termination of employment within the meaning of the Fifth Amended and Restated Executive Severance and Change in Control Plan, a participant may have rights to receive a full or partial bonus award under the terms of that plan.

Awards under the EOPB are based on actual future performance and, as a result, the amounts that will be paid under the EOPB are not currently determinable. The above description of the EOPB is qualified in its entirety by reference to the EOPB, a copy of which is filed as Exhibit 10.1 hereto and incorporated by reference herein.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.
