-

Item 1.01 Entry into a Material Definitive Agreement.

Indenture

NGL Energy Partners LP (the Partnership) and NGL Energy Finance Corp. (Finance Corp., and together with the Partnership, the Issuers) previously announced their entry into a purchase agreement with RBS Securities Inc., as representative of the initial purchasers listed on Schedule 1 to the purchase agreement (collectively, the Initial Purchasers) related to the issuance and sale by the Issuers to the Initial Purchasers of \$400,000,000 aggregate principal amount of the Issuers' 5.125% Senior Notes due 2019 (the Notes). The Issuers' obligations under the Notes are fully and unconditionally guaranteed (the Guarantees) on a senior unsecured basis, jointly and severally, by each of the Partnership's current and future restricted subsidiaries (other than Finance Corp.) that incur or guarantee indebtedness under certain of the Partnership's other indebtedness, including the Partnership's existing senior secured revolving credit facility (collectively, the Guarantors, and together with the Issuers, the Obligors).

The Notes and the Guarantees (collectively, the Securities) were issued pursuant to an indenture (the Indenture), dated July 9, 2014, by and among the Obligors and U.S. Bank National Association, as trustee (the Trustee). The Notes accrue interest from July 9, 2014 at a rate of 5.125% per year. Interest on the Notes is payable semi-annually in arrears on January 15 and July 15 of each year, beginning January 15, 2015. The Notes mature on July 15, 2019.

On or after June 15, 2019, the Issuers may redeem all or part of the Notes at a redemption price equal to 100% of the principal amount of the notes redeemed plus accrued and unpaid interest, if any, on the notes redeemed to but excluding the redemption date. Prior to June 15, 2019, the Issuers may redeem all or a part of the Notes at a redemption price equal to the Make-Whole Price, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

Make-Whole Price with respect to any Notes to be redeemed, means an amount equal to the greater of:

(1) 100% of the principal amount of such Note, and

(2) the sum of the present values of (a) 100% of the principal amount of such Notes and (b) the remaining scheduled payments of interest from the redemption date to June 15, 2019 (not including any portion of such payments of interest accrued as of the redemption date) discounted back to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined in the Indenture) plus 50 basis points;

plus, in the case of both (1) and (2), accrued and unpaid interest on such Notes, if any, to the redemption date.

If the Issuers experience certain kinds of changes of control, holders of the Notes will be entitled to require the Partnership to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess of \$2,000) of that holder's Notes pursuant to an offer on the terms set forth in the Indenture. The Partnership will offer to make a cash payment equal to 101% of the aggregate principal amount of the Notes repurchased

Edgar Filing: NGL Energy Partners LP - Form 8-K

plus accrued and unpaid interest on the Notes repurchased to the date of purchase, subject to the rights of holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date. Upon an event of default under the Indenture, the Trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding may declare all amounts owing under the Notes to be due and payable.

A copy of the Indenture is filed as Exhibit 4.1 hereto, and the form of the Global Notes included as Exhibits A1 and A2 to the Indenture are filed as Exhibit 4.2 hereto, and each is incorporated herein by reference. The description of the Indenture and the Securities in this Form 8-K is a summary and is qualified in its entirety by the terms of the Indenture.

Registration Rights Agreement

On July 9, 2014, in connection with the closing of this offering of the Notes, the Obligors entered into a registration rights agreement with RBS Securities Inc., as representative of the Initial Purchasers (the Registration Rights Agreement). Under the Registration Rights Agreement, the Obligors have agreed to, among other things, use their commercially reasonable efforts to (i) file an exchange offer registration statement with respect to the exchange notes and the exchange guarantees, (ii) cause such exchange offer registration statement to become effective on or prior to 365 days after the closing of this offering and (iii) keep such exchange offer registration statement effective continuously and keep the exchange offer period open for a period of not less than the period required under applicable United States federal and state securities laws to consummate the exchange offer (provided that such period shall not be less than 20 business days after the date on which the notice of the exchange offer is mailed to holders of the Notes). If, among other things, such exchange offer registration statement is not filed or declared effective by the Securities and Exchange Commission by the required time, or the exchange offer has not been consummated within 30 business days following the targeted date of effectiveness (as set forth in the Registration Rights Agreement), the Obligors will be required to pay to the holders of the Notes liquidated damages in an amount equal to 0.25% per annum on the principal amount of the Notes held by such holder during the 90-day period immediately following the occurrence of such registration default, and such amount shall increase by 0.25% per annum at the end of such 90-day period.

A copy of the Registration Rights Agreement is filed as Exhibit 4.3 hereto and is incorporated herein by reference. The description of the Registration Rights Agreement in this Form 8-K is a summary and is qualified in its entirety by the terms of the Registration Rights Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03 of this Current Report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.
