**Item 1.01 Entry into a Material Definitive Agreement.**

*Master Repurchase Agreement*

On July 9, 2014, PennyMac Mortgage Investment Trust (the Company), through its wholly-owned subsidiaries, PennyMac Operating Partnership, L.P. (POP) and PennyMac Corp. (PMC), entered into a Master Repurchase Agreement with Bank of America, N.A. (BANA), pursuant to which POP may sell to BANA, and later repurchase, newly originated mortgage loans in an aggregate principal amount of up to \$550 million, \$350 million of which is committed (the Loan Repo Facility). The Loan Repo Facility will be used to fund newly originated mortgage loans that have been purchased by PMC from correspondent lenders and pledged by PMC to POP pending sale and/or securitization. The Loan Repo Facility is committed to January 30, 2015, and the obligations of POP are fully guaranteed by the Company.

The principal amount paid by BANA for each eligible mortgage loan is based upon a percentage of the lesser of the market value, unpaid principal balance, purchase price or takeout price of such mortgage loan. Upon POP's repurchase of a mortgage loan, it is required to repay BANA the principal amount related to such mortgage loan plus accrued interest (at a rate reflective of the current market and based on LIBOR plus a margin) to the date of such repurchase. POP is also required to pay BANA a commitment fee for the Loan Repo Facility, as well as non-utilization fees and certain other administrative costs and expenses in connection with BANA's structuring, management and ongoing administration of the Loan Repo Facility.

The Loan Repo Facility contains margin call provisions that provide BANA with certain rights in the event of a decline in the market value of the purchased mortgage loans. Under these provisions, BANA may require POP to transfer cash or additional eligible mortgage loans with an aggregate market value in an amount sufficient to eliminate any margin deficit resulting from such a decline.

The Loan Repo Facility requires POP and the Company to maintain various financial and other covenants, which include maintaining (i) a minimum tangible net worth for POP of \$700 million and for the Company of \$860 million, (ii) a minimum of \$40 million in unrestricted cash and cash equivalents at each of POP and the Company, in each case on a consolidated basis as of the end of each calendar month, (iii) a maximum ratio of total liabilities to tangible net worth of 5:1 for each of POP and the Company, and (iv) profitability of at least \$1.00 at each of POP and the Company over the prior three calendar quarters.

In addition, the Loan Repo Facility contains events of default (subject to certain materiality thresholds and grace periods), including payment defaults, breaches of covenants and/or certain representations and warranties, cross-defaults, guarantor defaults, material adverse changes, bankruptcy or insolvency proceedings and other events of default customary for this type of transaction. The remedies for such events of default are also customary for this type of transaction and include the acceleration of the principal amount outstanding under the Loan Repo Facility and the liquidation by BANA of the mortgage loans then subject to the Loan Repo Facility.

PennyMac Loan Services, LLC, a subsidiary of PennyMac Financial Services, Inc. (NYSE: PFSI), is the Company's loan servicer pursuant to a loan servicing agreement.

## Edgar Filing: PennyMac Mortgage Investment Trust - Form 8-K

The foregoing description of the Loan Repo Facility does not purport to be complete and is qualified in its entirety by reference to the full text of the Loan Repo Facility and the related guaranty, which have been filed with this Current Report on Form 8-K as Exhibit 10.1 and Exhibit 10.2, respectively.

### *Amendment to Master Repurchase Agreement*

On July 9, 2014, the Company, through PMC, entered into an amendment to its master repurchase agreement, dated November 7, 2011, by and among BANA, PMC, the Company and POP (the Repurchase Agreement ).

Under the terms of the Repurchase Agreement, PMC may sell to, and later repurchase from, BANA newly originated residential mortgage loans that are purchased from correspondent lenders by PMC and held for sale and/or securitization. Pursuant to the terms of the amendment, BANA and PMC agreed that they would not enter

into any new transactions and that BANA would no longer be committed to enter into any additional transactions under the Repurchase Agreement. The purpose of the amendment was to wind down the Repurchase Agreement and transfer all financing activity thereunder from the Repurchase Agreement to the Loan Repo Facility described above.

The foregoing description of the amendment to the Repurchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the amendment, which has been filed with this Current Report on Form 8-K as Exhibit 10.3.
