Under Rules adopted by the U.S. Securities and Exchange Commission (the SEC), we have chosen to provide our shareholders with proxy materials on the Internet, rather than sending printed copies of such materials through the mail. In connection with this decision, a Notice Regarding the Availability of Proxy Materials is being mailed to our shareholders who have not previously requested electronic access to our proxy materials or paper proxy materials. This notice contains instructions on how you may access and review our proxy materials on the Internet and how you may vote your shares. The notice also contains information concerning how to request our proxy materials in printed form or by e-mail, at no charge. We anticipate that the notice will be mailed to shareholders on or about December 4, 2014. If you hold shares of our Common Stock in street name through a broker, rather than directly in your own name, you should contact your broker to request paper proxy packages.

QUESTIONS AND ANSWERS

*The following questions and answers are intended to address briefly some commonly asked questions regarding the matters to be addressed at the Annual Meeting. These questions and answers may not address all questions that may be important to you as an ARC shareholder. Please refer to the more detailed information contained elsewhere in this proxy statement and the documents referred to in this proxy statement, which you should read carefully. See *Where You Can Find More Information* on page 33.*

Except as otherwise noted:

- References in this proxy statement to ARC, the Company, we, us, and our refer to the business of ARC Group Worldwide, Inc. and its subsidiaries.

Q: Why am I receiving these materials?

A: We are providing you with this proxy statement in connection with an Annual Meeting of our shareholders, which will take place on January 16, 2015, starting at 11:00 AM Eastern Standard Time, at the offices of Quadrant Management Inc., 1345 Avenue of the Americas, 27th Floor, New York, NY 10105. As a shareholder, you are invited to attend the Annual Meeting and are entitled and requested to vote on the proposals described in this proxy statement.

Q: What am I being asked to vote on?

A: You are being asked by the Board of Directors of ARC to consider and vote on the following matters:

- The election of the five nominees as directors whose names are set forth on the proxy card to hold office until the next Annual Meeting of shareholders or until their respective successors have been elected and qualified, referred to in this proxy statement as **Proposal No. 1**;

- The approval of the Company's proposed ARC Group Worldwide, Inc. 2015 Employee Stock Purchase Plan, referred to in this proxy statement as **Proposal No. 2**; and

- The ratification of the selection of Grant Thornton LLP to serve as our certified independent accountants for the year ending June 30, 2015, referred to in this proxy statement as **Proposal No. 3**.

Q: What quorum and vote is required in connection with each of the proposals?

A: A quorum, consisting of the holders of a majority of the shares of our Common Stock entitled to vote as of the record date of the Annual Meeting, must be present in person or represented by proxy before any action may be taken at the Annual Meeting. Abstentions and broker non-votes will be treated only as shares that are present for purposes of ascertaining whether there is a quorum sufficient for the Annual Meeting to be convened and conduct the business of the meeting.

Regarding Proposal No. 1 pertaining to the election of five directors of the Company, the affirmative vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect each director.

The approval of a majority of all shares of Common Stock present and voting in person or by proxy will be required to approve each of Proposals Nos. 2 and 3.

Q: Why is ARC seeking shareholder approval of the proposed ARC Group Worldwide, Inc. 2015 Employee Stock Purchase Plan as described in Proposal No. 2?

A: We are asking our shareholders to approve the proposed ARC Group Worldwide, Inc. 2015 Employee Stock Purchase Plan (the ESPP). The Board believes the ESPP will advance the interests of the Company and its shareholders by providing its employees with an opportunity through payroll deductions to purchase shares of Common Stock and will be helpful in attracting, retaining and rewarding valued employees. We believe that we can attract and encourage the continued employment and service of, and maximum efforts by employees, consultants and directors by offering those persons an opportunity to acquire a direct proprietary interest in our operations and future success. The proposed ESPP is attached as Appendix A.

Table of Contents

Q: What happens if I do not vote?

A: The presence in person or by proxy of a majority of the outstanding shares of our Common Stock entitled to vote is required for us to ascertain a quorum and convene our Annual Meeting. If you do not vote, we may not be able to obtain a quorum to properly conduct the Annual Meeting. If you do not wish to vote, we request that you return your proxy indicating that you consent to being present for purposes of obtaining the quorum. In this manner, we will be able to conduct the Annual Meeting even if you do not vote your shares on any of the proposals submitted to the vote of the shareholders.

Q: What happens if I abstain?

A: If you vote **ABSTAIN** by proxy or if you otherwise vote **ABSTAIN** at the Annual Meeting, your shares will be counted only for purposes of determining the presence of a quorum. Broker non-votes will not be considered to be abstentions unless explicitly marked **abstain** and will otherwise only be present at the Annual Meeting for purposes of ascertaining a quorum.

Section 8 of Article II of the Company Bylaws provides that if a quorum exists, action on a matter, other than the election of directors, by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast within the voting group opposing the action. Election of directors is determined by plurality voting and therefore abstentions will not have an effect on the outcome of the election of directors. Abstentions will not have an effect on the outcome of voting on any matters submitted to the vote of the shareholders.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most of our shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the shareholder of record with respect to those shares and the notice is being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. After carefully reading and considering the information contained in this proxy statement, if you are the shareholder of record, please submit your proxy in accordance with the instructions set forth in the proxy card so that your shares may be voted at the Annual Meeting.

Beneficial Ownership If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or other nominee who is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you request a legal proxy from your broker, bank or other nominee. Your broker, bank or other nominee has enclosed a voting instruction card with this proxy statement for you to use in directing such institution regarding how to vote the

shares you beneficially own.

See [How to Vote Your Shares](#) beginning on Page 6.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: If your shares are held in street name, your broker may, under certain circumstances, vote your shares. Certain brokerage firms have authority to vote a client's unvoted shares on some routine matters but cannot vote a client's unvoted shares on non-routine matters. If you do not give voting instructions to your broker on a non-routine matter, your shares may constitute broker non-votes. A broker non-vote occurs on a matter when a broker returns an executed proxy but indicates that it does not have discretionary authority to vote on that matter and has not received instructions from the beneficial owner. Broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of the voting results on these proposals.

You should instruct your broker to vote your shares. If you do not instruct your broker, your broker may not have the authority to vote your shares for any of the proposals at the Annual Meeting.

Please check with your broker and follow the voting procedures your broker provides.

Table of Contents

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held directly in your name as the shareholder of record may be voted in person at the Annual Meeting. If you choose to do so, please bring your proxy card or proof of identification to the meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Annual Meeting. If you hold your shares in street name, you must request a legal proxy from your broker, bank or other nominee in order for you to vote at the Annual Meeting.

Q: How can I vote my shares without attending the Annual Meeting?

A: If you do not plan to attend the Annual Meeting, we request that you vote your shares as promptly as possible. You may vote electronically on the internet, by mail by using the proxy card, or by using the toll-free telephone number listed on the proxy card. Please see *How to Vote Your Shares* on Page 6.

For shares held in street name, you may vote your shares by submitting voting instructions to your broker, bank or other nominee. A voting instruction card will be provided by your broker, bank or other nominee.

Q: May I change my vote after I have submitted a proxy electronically, by telephone or mailed my signed proxy card?

A: Yes. You may change your vote at any time before your proxy is voted at the Annual Meeting. You can do this in several ways. If you hold your shares as a shareholder of record, you can send a written notice stating that you want to revoke your proxy, or you can complete and submit a new proxy card, in either case dated later than the prior proxy card relating to the same shares. You must submit your notice of revocation or your new proxy card to: ARC Group Worldwide, Inc., 810 Flightline Blvd., Deland, FL 32724, Attention: Chief Executive Officer.

You can also attend the Annual Meeting and vote in person. Simply attending the Annual Meeting, however, will not revoke your proxy; you must vote at the Annual Meeting to revoke your proxy if you have not previously revoked your proxy.

You can also change your vote by submitting a proxy at a later date by fax or mail if you have previously voted in connection with the Annual Meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked.

If your shares are held in street name and you have instructed your broker, bank or other nominee to vote your shares, the preceding instructions do not apply, and you must follow the voting procedures received from your broker, bank or other nominee to change your vote.

Q: Who can attend the Annual Meeting of the Shareholders in person?

A: You may attend the Annual Meeting only if you are a shareholder of our Company who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting. If you plan to attend the Annual Meeting, you must RSVP to InvestorRelations@arcgroupworldwide.com. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present government-issued photo identification (such as a driver's license). Shareholders holding stock in brokerage accounts must bring a brokerage statement or other evidence of share ownership as of November 26, 2014 in order to be admitted to the meeting.

Q: If I want to attend the Annual Meeting, what do I do?

A: If you wish to attend the Annual Meeting, you should come to the place of our Annual Meeting, located at Quadrant Management Inc., 1345 Avenue of the Americas, 27th Floor, New York, NY 10105 at 11:00 AM Eastern Standard Time, on January 16, 2015. Shareholders of record as of the record date for the Annual Meeting can vote in person at the Annual Meeting. If your shares are held in street name, then you must ask your broker, bank or other nominee holder how you can vote at the Annual Meeting.

Q: Do I have dissenters' or appraisal rights as a holder of ARC's Common Stock?

A: No. Dissenters' rights, also referred to as appraisal rights, will not be available to holders of ARC Common Stock under the Utah Revised Business Corporation Act.

PROXY STATEMENT SUMMARY

This summary highlights selected information also contained elsewhere in this proxy statement (this Proxy Statement) related to the matters you are being asked to vote upon and may not contain all of the information important to you. Each item in this summary refers to the page where that subject is hereinafter discussed in more detail.

ANNUAL MEETING OF SHAREHOLDERS

Date, Time, Place and Purpose

The Annual Meeting of ARC's shareholders will be held on January 16, 2015 at 11:00 AM, Eastern Standard Time (the Annual Meeting) at the offices of Quadrant Management Inc., 1345 Avenue of the Americas, 27th Floor, New York, NY 10105 for the following purposes:

1. To elect a Board of Directors consisting of five directors;
2. To approve the Company's proposed ARC Group Worldwide, Inc. 2015 Employee Stock Purchase Plan; and
3. To ratify the selection of Grant Thornton LLP to serve as our certified independent accountants for the year ending June 30, 2015.

Solicitation of Proxies

This Proxy Statement is provided in connection with the solicitation of proxies by ARC's Board of Directors, to be voted at the Annual Meeting or at any adjournment or postponement of the meeting. We anticipate that notice of the Annual Meeting will be first mailed, given or otherwise

Edgar Filing: ARC Group Worldwide, Inc. - Form DEFR14A

provided to shareholders on or about December 4, 2014.

Under Rules adopted by the U.S. Securities and Exchange Commission (the SEC), we have chosen to provide our shareholders with proxy materials on the Internet, rather than sending printed copies of such materials through the mail. In connection with this decision, a Notice Regarding the Availability of Proxy Materials is being mailed to our shareholders who have not previously requested electronic access to our proxy materials or paper proxy materials. This notice contains instructions on how you may access and review our proxy materials on the Internet and how you may vote your shares. The notice also contains information concerning how to request our proxy materials in printed form or by e-mail, at no charge. If you hold shares of our Common Stock in street name through a broker, rather than directly in your own name, you should contact your broker to request paper proxy packages.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. A broker non-vote occurs on a matter where a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered votes cast on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained. In particular, please note that brokers may not vote your shares on certain matters in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

A shareholder giving a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to our Chief Executive Officer, by substituting a new proxy executed at a later date, or by requesting, in person at the Annual Meeting, that the proxy be returned. Shareholders do not have dissenters' rights of appraisal for any action proposed to be taken at the Annual Meeting. The solicitation of proxies by the Company is to be made by mail, telephone and oral communications with shareholders. Our officers, directors and employees may solicit proxies, but these persons will not receive compensation for that solicitation other than their regular compensation. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by those persons. We may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing. We will pay all expenses involved in preparing, assembling and mailing this Proxy Statement and the enclosed material.

Table of Contents

Record Date, Shares Outstanding and Entitled to Vote

The close of business on November 26, 2014 has been fixed as the record date for the determination of holders of record of the Company's Common Stock, \$.0005 par value per share (the Common Stock), entitled to notice and to vote at the Annual Meeting. On the record date, 15,080,121 shares of Common Stock will be outstanding and eligible to vote at the Annual Meeting. Each share, unless otherwise set forth herein, is entitled to one vote. A majority of the issued and outstanding shares of Common Stock entitled to vote, represented either in person or by proxy, constitutes a quorum at any meeting of the shareholders. If sufficient votes for approval of the matters to be considered at the Annual Meeting have not been received prior to the meeting date, we intend to postpone or adjourn the Annual Meeting in order to solicit additional votes. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the original meeting.

How to Vote Your Shares

We will send a Notice of Internet Availability of Proxy Materials to all shareholders of record as of the record date for the Annual Meeting. That Notice will give you the opportunity to request a set of printed proxy materials, and you will be sent proxy materials if you request them. That set of printed proxy materials will also include a proxy card.

You are encouraged to review our Proxy Statement and Annual Report before you cast your vote.

You will be entitled to vote:

- electronically on the internet;
- by mail by using the proxy card and postage-paid return envelope if you request printed materials; or
- by using the toll-free telephone number listed on the Notice card.

You may vote electronically by using a website that provides links to our Proxy Statement and Annual Report. You may access your records on this website by using a control number printed on the Notice of Internet Availability. If you vote on the internet, you do not need to return your proxy card.

If you vote by mail, simply mark, sign and date each proxy card that you receive, and return them in the postage-paid envelopes that you will receive.

Edgar Filing: ARC Group Worldwide, Inc. - Form DEF14A

If you vote by telephone, easy-to-follow telephone voice prompts should enable you to vote your shares and confirm that your voting instructions have been properly recorded. Our telephone voting procedures are designed to authenticate shareholders by using the individual control numbers provided on each proxy card. Accordingly, please have your proxy card available when you call. If you vote by telephone, you do not need to return your proxy card. Proxies submitted by telephone must be received no later than 1:00 AM, Eastern Standard Time, on Friday, January 16, 2015, the day of the Annual Meeting. This cut-off time is necessary to enable us to complete a final vote tabulation.

Internet voting on our dedicated site is available 24 hours a day, seven days a week, except that no internet votes will be accepted after 1:00 AM, Eastern Standard Time, on Friday, January 16, 2015, the day of the Annual Meeting. This cut-off time is necessary to enable us to complete a final vote tabulation.

You can also come to the place of our Annual Meeting, located at Quadrant Management Inc., 1345 Avenue of the Americas, 27th Floor, New York, NY 10105 at 11:00 AM, Eastern Standard Time, on January 16, 2015. If you choose to do so, please bring your proxy card or proof of identification to the meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Annual Meeting. If you hold your shares in street name, you must request a legal proxy from your broker, bank or other nominee in order for you to vote at the Annual Meeting.

If you do not plan to attend the Annual Meeting, we request that you vote your shares as promptly as possible.

For shares held in street name, you may vote your shares by submitting voting instructions to your broker, bank or other nominee. A voting instruction card will be provided by your broker, bank or other nominee. For shares held in street name, you may be eligible to vote via the Internet if your broker, bank or other nominee participates in the proxy voting program provided by Broadridge. Instructions for voting via the Internet, if available, will be provided by your broker, bank or other nominee.

Votes at the Annual Meeting are counted by an inspector of election. Shares of stock present in person or represented by proxy, including abstentions (shares that do not vote with respect to one or more of the matters presented for shareholder approval),

Table of Contents

and broker non-votes, are counted as present and entitled to vote for purposes of determining whether a quorum exists at the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record, to be able to vote at the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the originally scheduled Annual Meeting. Please note, in the absence of your specific instructions as to how to vote, brokers may not vote your shares on the election of directors or on any other proposals other than the ratification of selection of Grant Thornton LLP to serve as our certified independent accountants for the year ending June 30, 2015. We encourage you to provide instructions to your broker regarding the voting of your shares.

In the election of directors, the five director candidates having the highest number of votes cast in favor of their election will be elected to the Board of Directors. A plurality of the votes present in person or represented by proxy at the Annual Meeting is required for election of the Directors. The determinations of the shareholders with respect to all other Proposals will be determined by a majority of those present and voting in person or by proxy.

How to Change Your Vote

You may change your vote at any time before your proxy is voted at the Annual Meeting. You can do this in several ways. If you hold your shares as a shareholder of record, you can send a written notice stating that you want to revoke your proxy, or you can complete and submit a new proxy card, in either case dated later than the prior proxy card relating to the same shares. You must submit your notice of revocation or your new proxy card to: ARC Group Worldwide, Inc., 810 Flightline Blvd., Deland, FL 32724, Attention: Chief Executive Officer.

You can also attend the Annual Meeting and vote in person. Simply attending the Annual Meeting, however, will not revoke your proxy; you must vote at the Annual Meeting to revoke your proxy if you have not previously revoked your proxy.

You can also change your vote by submitting a proxy at a later date by fax or via the Internet, if you have previously voted by fax or via the Internet in connection with the Annual Meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked.

If your shares are held in street name and you have instructed your broker, bank or other nominee to vote your shares, the preceding instructions do not apply, and you must follow the voting procedures received from your broker, bank or other nominee to change your vote.

Counting Your Vote

All properly executed proxies delivered and not properly revoked will be voted at the Annual Meeting as specified in such proxies. If you provide specific voting instructions, your shares of Common Stock will be voted as instructed. If you hold shares in your name and sign and return a proxy card or submit a proxy via the Internet without giving specific voting instructions, your shares will be voted as follows:

- **FOR EACH OF THE FIVE NOMINEES FOR ELECTION AS DIRECTORS WHOSE NAMES ARE SET FORTH ON THE PROXY CARD;**
- **FOR THE APPROVAL OF THE COMPANY'S PROPOSED EMPLOYEE STOCK PURCHASE PLAN; AND**
- **FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP AS OUR INDEPENDENT CERTIFIED ACCOUNTANTS FOR THE YEAR ENDING JUNE 30, 2015.**

Proxies solicited may be voted only at the Annual Meeting and any adjournment or postponement of the Annual Meeting and will not be used for any other meeting.

Quorum and Required Votes

A quorum, consisting of the holders of a majority of the shares of our Common Stock entitled to vote as of the record date of the Annual Meeting, must be present in person or represented by proxy before any action may be taken at the Annual Meeting. Abstentions and broker non-votes will be treated only as shares that are present for purposes of ascertaining whether there is a quorum sufficient for the Annual Meeting to be convened and conduct the business of the meeting.

Table of Contents

Regarding Proposal No. 1 pertaining to the election of five directors of the Company, the affirmative vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect each director.

The approval of a majority of all shares of Common Stock present and voting in person or by proxy will be required to approve each of Proposals Nos. 2 and 3.

Abstentions will not be counted for purposes of determining the outcome of any Proposals. Broker non-votes will be counted only for purposes of quorum and will not be counted for purposes of determining the outcome of any proposals submitted to the vote of the shareholders.

Abstentions and Broker Non-Votes

Votes at the Annual Meeting are counted by an inspector of election. Shares of stock present in person or represented by proxy, including abstentions (shares that do not vote with respect to one or more of the matters presented for shareholder approval), and broker non-votes, are counted as present and entitled to vote for purposes of determining whether a quorum exists at the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record, to be able to vote at the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the originally scheduled Annual Meeting. Please note that brokers may not vote your shares on the election of directors in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

In the election of directors, the five director candidates having the highest number of votes cast in favor of their election (constituting a plurality) will be elected to the Board of Directors. Only votes FOR or AGAINST the nominees for election as directors in respect of Proposal No. 1 will affect the outcome. Abstentions or withheld votes shall not affect the outcome of the election of directors.

Recommendation of Our Board of Directors for voting of the shareholders at the Annual Meeting.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE:

- **FOR EACH OF THE FIVE NOMINEES FOR ELECTION AS DIRECTORS WHOSE NAMES ARE SET FORTH ON THE PROXY CARD;**
- **FOR THE APPROVAL OF THE COMPANY'S PROPOSED EMPLOYEE STOCK PURCHASE PLAN; AND**

- **FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP AS OUR INDEPENDENT CERTIFIED ACCOUNTANTS FOR THE YEAR ENDING JUNE 30, 2015.**

Table of Contents**PROPOSAL NO. 1: ELECTION OF DIRECTORS**

The terms of the current directors expire upon the election and qualification of the directors to be elected at the Annual Meeting. The Board has nominated five persons for election at the Annual Meeting to serve until the Annual Meeting of shareholders following the fiscal year ending June 30, 2015 or until their successors are duly elected and qualified.

The directors shall be elected by the vote of a plurality of the votes cast (which means that the nominees who receive the most affirmative votes will be elected to serve as directors). Cumulative voting is not permitted in the election of directors. Each record holder of stock shall be entitled to vote in the election of directors and shall have as many votes for each of the shares owned by him or her as there are directors to be elected and for whose election he or she has the right to vote. As a result, a shareholder may vote all of his or her shares for each nominee, but may not cumulate the votes to vote more than the total number of shares owned for any one nominee. In the absence of instructions to the contrary, the person named in the accompanying proxy shall vote the shares represented by that proxy for the persons named below as the Board's nominees for directors. Each of the nominees currently is a director of the Company.

Each of the nominees has consented to be named in this Proxy Statement and to serve on the Board of Directors if elected. It is not anticipated that any of the nominees will become unable or unwilling to accept his nomination or election, but, if that should occur, the persons named in the proxy intend to vote for the election of such other person as the Board of Directors may recommend.

The following table sets forth, with respect to each nominee for director, the nominee's age, his position(s) and office(s) with the Company, and the year in which he first became a director. Individual background information concerning each of the nominees follows the table, as well as a brief discussion of the experience, qualifications, attributes or skills that led to the conclusion that such individual should be nominated. For additional information concerning the nominees, including stock ownership and compensation, see Executive Compensation, Security Ownership of Certain Beneficial Owners and Management, and Certain Transactions with Management and Principal Shareholders.

CORPORATE GOVERNANCE

Board Meetings

The Board of Directors had nine meetings during the fiscal year ended June 30, 2014, and each director serving as of such date participated in 100% of the meetings. The Board of Directors does not maintain a formal policy regarding the manner in which shareholders may communicate with the Board. The Board intends to adopt such a formal policy in the near future.

The Company encourages each member of the Board of Directors to attend the Annual Meeting of Shareholders, but does not require any member to do so. Mr. Young (in his capacity as an officer and director) and Mr. Kelley (in his capacity as an officer, having not yet been appointed as a director as of such date) were the only members of the Company's Board of Directors to attend the Company's most recent Shareholder's Meeting.

Board Independence

We are currently subject to corporate governance standards defining the independence of our directors imposed by the NASDAQ Capital Market's requirements for independent directors pursuant to Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market LLC (the "Independent Directors"). Of the current members of the Board of Directors, Gregory D. Wallis, Eddie W. Neely and Todd A. Grimm qualify as independent directors in accordance with the standards imposed by the NASDAQ Capital Market's requirements for independent directors. Mr. Wallis has served as an independent director since April of 2013, Mr. Neely has held such position since August of 2013 and Mr. Grimm since December 2013.

Board Risk Oversight

The Board of Directors has broad responsibility to provide oversight of significant risks to the Company primarily through direct engagement with Company management and through delegation of ongoing risk oversight responsibilities to the Board's committees.

Board Leadership Structure

From August of 2011 to August 2013, the roles of Chief Executive Officer and Chairman were segregated. Mr. Jason T. Young, who previously served as both the Company's Chief Executive Officer and Chairman, served solely as Chairman from August 2011 until his re-appointment as Chief Executive Officer in August 2013. At the present time, Mr. Young holds both the position of Chairman and that of Chief Executive Officer. The Company believes that since Mr. Young is the Chief Executive Officer of the Company and a member of the Board of Directors, it is appropriate for him to serve as Chairman of the Board. Mr. Young is highly knowledgeable about the Company's business and is capable of

effectively identifying strategic priorities and leading the Board's discussion and execution of strategy.

Effective as of the date of this Proxy Statement, the Board consists of five members, which includes three Independent Directors. The Company believes Independent Directors and management have different perspectives and roles in strategy development. The Chief Executive Officer brings corporate and capital markets experience and expertise, while the Company's independent Directors bring experience, oversight, and expertise from outside the Company. The Board believes that the presence of the Chief Executive Officer as a member of the Board promotes the development and execution of the Company's strategy and facilitates the flow of information between management and the Board, which is essential to effective corporate governance. The Board believes that a Board, a majority of whose directors are Independent Directors, is in the best interest of shareholders because it provides the appropriate balance between independent oversight of management and the development of strategy.

Audit Committee of the Board of Directors

Mr. Wallis, Mr. Grimm and Mr. Neely are Independent Directors serving on the Company's Audit Committee as of the date of this Proxy Statement. The responsibilities of the Audit Committee include overseeing our financial reporting process, reporting the results of the Committee's activities to the Board, retaining and ensuring the independence of our auditors, approving services to be provided by our auditors, reviewing our periodic filings with the independent auditors prior to filing, and reviewing and responding to any matters raised by the independent auditors in their management letter. The Audit Committee met five times during the fiscal year ended June 30, 2014; each meeting was attended by all committee members serving as of such date. The respective biographies and qualifications of the Audit Committee members are summarized above under the caption "Proposal No. 1: Election of Directors."

Audit Committee Financial Expert

Eddie W. Neely has been designated as the Company's Audit Committee financial expert. The biography and qualifications of Mr. Neely are summarized above under the caption Proposal No. 1: Election of Directors.

Audit Committee Charter

Our Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee will review and assess the adequacy of the Audit Committee charter annually.

Audit Committee Report

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to engage and discharge the Company's auditors. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States, and on the representations of the independent auditors included in the report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, or that the Company's independent accountants are in fact independent.

In this context, the Audit Committee has met and held discussions separately with management and the independent accountants. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by the Statement on Auditing Standards No. 61, Communications with Audit Committees, as currently in effect.

The Company's independent accountants also provided to the Audit Committee the written disclosure required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Committee discussed with the independent accountants that firm's independence. Non-audit services were provided by the Company's independent accountants in the year ended June 30, 2014 in connection with the audit of Keco corporation prior to the acquisition of substantially all of the assets of Keco Corporation by the Company in June 2014.

Edgar Filing: ARC Group Worldwide, Inc. - Form DEFR14A

Based on the Audit Committee's discussion with management and the independent accountants, and the Audit Committee's review of the representations of the management and the report of the independent accounts to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2014 filed with the SEC.

Compensation Committee

The Board of Directors currently has a Compensation Committee consisting of Gregory D. Wallis and Eddie W. Neely. The Compensation Committee has a charter which is located on the Company's website at <http://www.arcgroupworldwide.com/>. The Compensation Committee held one formal meeting during the fiscal year ended June 30, 2014 and several informal calls and meetings.

Nominating Committee: Nominating Policies and Procedures

The Company does not currently have a standing nominating committee of the Board of Directors because it believes that the nominating functions should be conducted by the full Board of Directors.

On June 30, 2008 the Board of Directors amended and restated its Policies and Procedures for Nominations of Director Candidates (the "Nomination Policies"), which became effective January 1, 2009. Director nominations are made to the Board of Directors by Independent Directors, constituting a majority of the Board of Directors' Independent Directors, in a vote in which only Independent Directors vote. It is the policy of the Board of Directors that each candidate recommended for nomination and election to the Board (each, a "Nominee"), regardless of whether such Nominee is recommended by a shareholder of the Company, the Board or any other person, shall be approved by a majority of the Independent Directors of the Board.

In general, the Board believes that certain minimum qualifications must be met by each Nominee for the Board, as well as meeting the applicable independence standards required by the SEC and federal securities laws. The Board believes that Nominees must reflect a Board that is comprised of directors (i) a majority of whom are independent (as determined under the aforementioned SEC director qualification standards); (ii) who are of high integrity; (iii) who have qualifications that will increase the overall effectiveness of the Board; and (iv) who meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members. In evaluating the qualifications of the Nominees, the Board considers many factors, including issues of leadership ability, career success, character, judgment, independence, background, age, expertise, diversity and breadth of experience, length of service, other commitments and the like. The Board evaluates such factors, among others, and does not assign any particular weight or priority to any of these factors. Also, the Board considers the suitability of each Nominee, including the current members of the Board, in light of the current size and composition of the Board.

Unless and until otherwise subsequently determined by the Board, the number of directors of the Company at any time shall be the number of directors that the Board nominated for election at the most recently-held Annual Meeting of shareholders, increased by the number of directors, if any, that the Board appointed subsequent to the most recently-held Annual Meeting of shareholders and also increased by the number of directors, if any, whose term as a director did not expire at the most recently-held Annual Meeting of shareholders.

The Board shall consider recommendations for Nominees to the Board from shareholders (an "Eligible Shareholder") holding a minimum of \$2,000 in market value, or 1%, of the Company's voting Common Stock, which stock is held through the date of the meeting electing directors, and which Eligible Shareholder complies with the nomination notice procedures set forth in the Nomination Policies. Nominees recommended by Eligible Shareholders (hereinafter referred to as "Shareholder Candidates") will be evaluated by the Board on the same basis as Nominees that may be identified by the Board, management or, if the Board permits, a search firm.

For a Shareholder Candidate to be considered by the Board, the Eligible Shareholder and the Shareholder Candidate must comply with the procedures set forth in the Company's Nomination Policies. Recommendations for Shareholder Candidate(s) to the Board of Directors from an Eligible Shareholder must be directed in writing to ARC Group Worldwide, Inc., Attn: Chief Executive Officer, at the Company's principle offices at 810 Flightline Blvd., Deland, FL 32724. The specific recommendations should include the information set forth in the Company's Nomination Policies.

For a recommendation of a Shareholder Candidate to be properly brought before the Board by an Eligible Shareholder, the Eligible Shareholder must have given timely notice thereof in writing to the Chief Executive Officer of the Company. To be timely, an Eligible Shareholder's notice must be delivered to the Chief Executive Officer not less than one hundred and twenty (120) days prior to the first anniversary of the preceding year's Annual Meeting. In the event that the date of the Annual Meeting is advanced by more than thirty (30) days or delayed by more than sixty (60) days from the anniversary date of the preceding year's Annual Meeting, the notice by the Eligible Shareholder must be delivered not later than the close of business on the later of the sixtieth (60th) day prior to such Annual Meeting or the tenth (10th) day following the day on which public announcement of the date of such Annual Meeting is first made.

Table of Contents

The Chief Executive Officer of the Company will provide a copy of the Nominating Policies and Procedures upon a request in writing from the Eligible Shareholder.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that the executive officers and directors, and persons who beneficially own more than 10% of the equity securities of reporting companies, file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms we received, we believe that during the year ended June 30, 2014, all such filing requirements applicable to our Company were complied with, except that reports were filed late by the following persons:

Name	Number of Late Reports	Transactions Not Timely Reported	Known Failures to File a Required Form
Everest Hill Group Inc. (1)	1	1	0
Todd A. Grimm (2)	1	1	0

(1) Everest Hill Group Inc., f/k/a Brean Murray Carret Group, Inc.

(2) Initial Form 3, due on December 24, 2013, in connection with the appointment of Todd A. Grimm to the Board, was inadvertently not filed. The Form 3 remediating filing was made on October 8, 2014 and the Form 5 reporting the late filing was filed on October 8, 2014. Mr. Grimm does not own any shares of the Company's Common Stock and has not made any transactions in the Company's Common Stock since the date of his appointment to the Board.

Code of Ethics

We have adopted a Code of Ethics, which was amended on November 10, 2006, that applies to all officers, directors and employees of the Company. The Code is publicly available and posted on the Company's website at the following link: <http://www.arcgroupworldwide.com/>.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis addresses the aspects of our compensation programs and explains our compensation philosophy, policies, and practices, with respect to our executive officers, including our Chief Executive Officer and Chief Financial Officer, which we collectively refer to as our Named Executive Officers.

Oversight of Executive Compensation Program

The Compensation Committee of our Board of Directors oversees our executive compensation programs. Each member of the Compensation Committee is an independent director as defined by the federal securities laws and in Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market LLC. The Compensation Committee is empowered to advise management and make recommendations to the Board of Directors with respect to the compensation and other employment benefits of executive officers and key employees of the Company. The various components of the compensation programs for executive officers are discussed below in Elements of Executive Compensation Program.

Objectives of Executive Compensation and What the Programs are Designed to Reward

The Company's executive compensation program is designed to integrate compensation with the achievement of our short-term and long-term business objectives and to assist us in attracting, motivating and retaining the highest quality executive officers and rewarding them for superior performance.

We believe that the compensation of our executive officers should reflect their success in attaining key operating objectives, such as growth or maintenance of market position, development of new products, maintenance and development of customer relationships and long-term competitive advantage. We also believe that executive compensation should reflect achievement of individual goals established for specific executive officers, as well as specific achievements by such individuals over the course of the year such as development of specific products or customer relationships or agreements or executing or integrating acquisitions and strategic arrangements.

Compensation Consultants

The Compensation Committee did not utilize the services of a compensation consultant in the fiscal year ended June 30, 2014, as the Compensation Committee believed that there was no current need for the services of such consultant with respect to review, assessment and determinations of Company executive compensation.

Elements of Executive Compensation Program

Compensation elements include:

- base salary;
- annual cash or equity incentive awards;
- long-term equity incentive compensation; and
- other health, welfare and pension benefits.

Base Salary

Base salary is designed to provide competitive levels of base compensation to our executives based on their experience, duties and scope of responsibilities. We pay base salaries because it provides a base compensation that is required to recruit and retain executives of the quality that we must employ to ensure the success of our Company.

Annual Cash or Equity Incentive Awards

Annual incentive compensation is designed to provide competitive levels of compensation based on experience, duties and scope of responsibilities. Incentive awards are influenced by the Company's profitability and achievement of planned profitability, as well as other factors.

Table of Contents

Long-Term Equity Incentive Compensation

Long-term equity awards were previously granted to our executives from our 1997 Stock Option and Compensation Plan (1997 Plan) until September 2007, when the shareholders of the Company approved the 2007 Stock Incentive Plan (the 2007 Plan). The 1997 Plan and the 2007 Plan were terminated during the fiscal year 2013. No stock options were issued for the years ended June 30, 2014 or June 30, 2013.

The Compensation Committee does not have a regular schedule for awarding equity-based compensation and the timing of such awards is subject to the discretion of the Compensation Committee. We do not backdate options or grant options retroactively or stock options with a so-called reload feature. In addition, we do not plan to coordinate grants of options so that they are made before the announcement of favorable information, or after the announcement of unfavorable information.

Other Health, Welfare and Retirement Benefits

Employees may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance, and life insurance. We provide these benefits to meet the health and welfare needs of employees and their families.

401(k) Plan

The operating entities sponsor a 401(k) plan and match employee contributions as determined by resolution of the Board on an annual basis. The employer contribution criteria currently varies by operating entity. Our executives are also eligible for the Company matches, subject to regulatory limits on contributions to 401(k) plans.

We do not currently provide pension arrangements or post-retirement health coverage for our executives or employees, although we may consider such benefits in the future. In addition, we do not provide any nonqualified defined contribution or other deferred compensation plans, although we may consider such benefits in the future.

Employment Agreements and Other Post-Employment Payments

Mr. Jason T. Young was re-appointed as our Chief Executive Officer on August 7, 2013 with an annual base salary of \$350,000. On August 19, 2013, the Board of Directors made an equity grant of 145,456 shares of the Company's Common Stock, valued at \$701,098 as of the issuance date, to Mr. Young in connection with his re-appointment as Chief Executive Officer of the Company (which equity grant is equal to 363,640 shares of the Company's Common Stock after giving effect to the 1.5 for 1 stock dividend paid to shareholders of the Company on May 1, 2014). Mr. Young had previously served as Chief Executive Officer of the Company but had resigned on August 16, 2011. The Equity Grant was negotiated with Mr. Young following his period of non-employment as inducement for him to accept re-employment by the Company. The

Equity Grant was independently considered by the independent directors of the Company who determined that it was fair and reasonable to the Company and the shareholders, and thereafter the Equity Grant was ratified and approved by the entire Board, with Mr. Young recusing himself from any deliberations or voting on the matter. The Company is not party to a written employment agreement with Mr. Young. The annual base salary of Mr. Young will be \$395,000 with a proposed discretionary bonus of \$350,000, retroactive to July 1, 2014, which is the commencement of the 2015 fiscal year. Tax Implications of Executive Compensation

We do not currently intend to award compensation that would result in a limitation on the deductibility of a portion of such compensation pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended; however, we may in the future decide to authorize other compensation in excess of the limits of Section 162(m) if it determines that such compensation is in the best interests of the Company.

Table of Contents

Although deductibility of compensation is preferred, tax deductibility is not a primary objective of our compensation programs. We believe that achieving our compensation objectives set forth above is more important than the benefit of tax deductibility and we reserve the right to maintain flexibility in how we compensate our executive officers that may result in limiting the deductibility of amounts of compensation from time to time.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on the review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Certain Transactions with Management and Principal Shareholders

We do not employ specific written procedures for the review, approval or ratification of related party transactions involving our directors, officers and employees or their family members, but we consider such transactions on a case-by-case basis. The Company requires that any material related party transactions be disclosed to the independent directors of the Board who shall review and assess the fairness of such transactions without the participation in the deliberation or voting of any interested parties. The Board of Directors follows fiduciary standards mandated under state law when considering all such matters.

During the past two fiscal years, and subsequent to such period, the Company has been involved with the following related party matters with certain members of management and certain shareholders.

During the fiscal year ended June 30, 2013, effective August 8, 2012, the Company acquired all of the shares of Quadrant Metals Technologies LLC (QMT) pursuant to a Membership Interest Purchase Agreement, dated as of April 6, 2012 with Quadrant Management, Inc. (QMI), QMT, QMP Holding Corp., QTS Holding Corporation, John Schoemer, Arlan Clayton, Robert Marten, QMT and Carret P.T., LP (the QMT Acquisition Agreement). The QMT Acquisition Agreement provided for the acquisition of QMT by the Company (such acquisition is referred to herein as the QMT Acquisition). QMT's subsidiaries include FloMet LLC, Tekna Seal LLC, General Flange & Forge LLC and TubeFit LLC. At the Company's Annual Shareholders Meeting on August 7, 2012, the Company's shareholders voted, among other actions, to (i) approve the QMT Acquisition and the issuance of 4,029,691 shares of the ARC Common Stock at an exchange price of \$7.80 per share (in each case giving effect to the Company's 1:1.95 reverse stock split of August 7, 2012, referred to herein as the Reverse Stock Split and which, after giving effect to the 1.5 for 1 stock dividend paid to shareholders of the Company on May 1, 2014 may be deemed to be equal to 10,074,250 shares of the ARC Common Stock at an exchange price of \$5.20 per share); and (ii) approve the sale of 57,768 shares of ARC Common Stock to Carret P.T., LP at \$7.80 per share (in each case giving effect to the Reverse Stock Split and which, after giving effect to the 1.5 for 1 stock dividend paid to shareholders of the Company on May 1, 2014 may be deemed to be equal to 143,762 shares of the ARC Common Stock at \$5.20 per share) in consideration for cash investment in ARC of \$450,594 (the Securities Sale). On August 8, 2012, the Company closed the QMT Acquisition and the Securities Sale.

Edgar Filing: ARC Group Worldwide, Inc. - Form DEFR14A

Pursuant to the terms of the ARC Advisory Agreement, originally entered into on January 21, 2009, (the ARC Advisory Agreement), QMI provided ARC financial advisory and business consulting services, including restructuring services. The ARC Advisory Agreement expired on December 31, 2013 and was not extended. In consideration for granting certain waivers, and in consideration for substantial merger and acquisition support services rendered to ARC over the past several years, QMI and ARC entered into a Letter Agreement pursuant to which ARC agreed to pay QMI transaction fees upon the closing of the QMT Acquisition and the acquisition of Advanced Forming Technology, Inc. (AFT) (the AFT Acquisition , and together with the QMT Acquisition, the Acquisitions), calculated by reference to 2% of the total enterprise value for the Acquisitions. As a result of the Closing of the Acquisitions on August 8, 2012, a fee of \$1.6 million has been paid to QMI.

QMI and QMT previously entered into a non-exclusive financial advisory agreement, (the QMT Financial Advisory Agreement), whereby QMI performed ongoing consulting and advisory services for QMT through QMI personnel. The scope of such services included business consulting services, financial advisory services, and other services. In consideration for such services, on April 1, 2012 QMT commenced paying an annual cash fee of \$250,000 to QMI. The QMT Financial Advisory Agreement continued in effect following the acquisition of QMT by the Company until December 31, 2013 when it terminated. Fees earned by QMI for the years ended June 30, 2014 were approximately \$835,000. Fees earned by QMI for the year ended June 30, 2013 were \$650,000.

Table of Contents

ARC, Everest Hill Group Inc. (Everest Hill Group), QMI, and QMT are under common control. Prior to the Acquisitions, QMI, through Everest Hill Group, owned 74.0% of the membership interests of QMT. As a result of the Acquisitions, Everest Hill Group became the controlling shareholder of ARC. Mr. Jason T. Young, the Company's Chairman and Chief Executive Officer, has been an employee of QMI since 2005, where he is responsible for making investments in U.S. and emerging market companies, and where he frequently serves in active management or director-level roles. Mr. Young is deemed to be an affiliate of Everest Hill Group. Mr. Jason T. Young and Mr. Alan Quasha, an officer of QMI, each serve on the Board of Directors of QMT and receive fees for such services.

On November 10, 2014 (the Closing Date), the Company and its subsidiaries AFT, ARC Wireless, Inc., Flomet LLC, General Flange & Forge LLC, Tekna Seal LLC, 3D Material Technologies, LLC, and QMT, entered into a subordinated term loan credit agreement, together with McLarty Capital Partners SBIC, L.P. (McLarty Capital), as administrative agent, and other lenders from time to time party thereto (the Subordinated Loan Agreement), regarding an extension of credit in the form of a subordinated term loan in an aggregate principal amount of \$20,000,000. The subordinated term loan under the Subordinated Loan Agreement will mature five years after the Closing Date. The interest rate set forth in the Subordinated Loan Agreement is 11.00% per annum. Upon an event of default under the Subordinated Loan Agreement, the interest rate increases automatically by 2.00% per annum. The Subordinated Loan Agreement contains customary representations and warranties, events of default, affirmative covenants and negative covenants and prepayment terms.

Mr. Jason T. Young, our Chairman and Chief Executive Officer has an indirect business relationship with McLarty Capital through his capacity as a partner in an investment manager which serves as the advisor to a fund which has an economic interest in McLarty Capital. The Board has therefore determined that Mr. Young has interests in the Subordinated Loan Agreement that may be different from the interests of the Company's shareholders generally. The Board has therefore created a special committee of directors (the Special Committee), none of whom is an officer or executive of the Company and none of whom has any interest in, or in connection with McLarty or the Subordinated Loan Agreement, that may be different from the interests of the Company's shareholders generally, to independently review, consider, evaluate, and possibly take action with respect to the Subordinated Loan Agreement. The Special Committee consists of the Company's independent directors Messrs. Eddie W. Neely, Gregory D. Wallis and Todd A. Grimm. The Special Committee was given extensive authority to evaluate and negotiate the Subordinated Loan Agreement, and to make recommendations to the Board regarding such transaction. The Special Committee was also granted authority to engage its own legal counsel and its own financial advisors to negotiate the Subordinated Loan Agreement independently of management. The Board also determined that it would not enter into the transaction without the authorization of the Special Committee. For purposes of ascertaining the fairness and reasonableness of the transaction with McLarty Capital, the Special Committee reviewed comparative public company information regarding similarly-situated subordinated loan transactions over the past 18 months and summaries of the material terms and conditions applicable to comparable transactions. Following their independent review, the Special Committee determined that it would be in the best interest of the Company and its shareholders for the Company to enter into the Subordinated Loan Agreement and related loan documents

Except as set forth herein, during the fiscal years ended June 30, 2013 and June 30, 2014, and subsequent to such date, there were no transactions between the Company and its directors, executive officers or known holders of greater than five percent of the Company's Common Stock in which the amount involved exceeded \$120,000 and in which any of the foregoing persons had or will have a direct or indirect material interest, and there is no such currently proposed transaction.

PROPOSAL NO. 2: APPROVAL OF THE PROPOSED

2015 EMPLOYEE STOCK PURCHASE PLAN

The Board of Directors recommends that the shareholders vote in favor of the proposed employee stock purchase plan (the "ESPP"). The purpose of the ESPP is to advance the interests of the Company and its shareholders by providing an incentive to attract, retain and reward eligible employees of the Company and its participating subsidiaries and by motivating such persons to contribute to the growth and profitability of the Company and its participating subsidiaries. The ESPP provides eligible employees with an opportunity to acquire a proprietary interest in the Company through the purchase of shares of Common Stock at a discounted price, which gives associates a vested interest in our success and aligns their interests with that of our shareholders.

Summary of the ARC Group Worldwide, Inc. 2015 Employee Stock Purchase Plan

In September 2014, the Board adopted the ESPP including the reservation of 750,000 shares of Common Stock for issuance thereunder, to become effective on February 1, 2015 (the "Effective Date") subject to shareholder approval. The Board believes that stock purchase plans play an important role in retaining employees and giving employees a sense that they have an important stake in the Company's affairs. The ESPP is designed to qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code").

The Board believes that the availability of an adequate number of shares in the ESPP share reserve is an important feature of the plan itself, and has determined that 750,000 shares should be sufficient to support issuances under the ESPP for the foreseeable future considering eligibility, contribution limits, current and expected stock price, and the Board's estimated participation rate. Shares issued under the ESPP will have the following attributes:

- Purchase price equal to 85% of fair market value on the date of purchase, resulting in minimal dilution to shareholders;
- Offering periods of 6 months and a 6-month holding period requirement on purchased shares; and
- The percentage of outstanding shares allocated to the plan will be approximately 5% of total common shares outstanding.

The description of the ESPP set forth below is a summary only, does not purport to be complete and is qualified in its entirety by reference to the provisions of the ESPP itself, which is attached as Appendix A to this Proxy Statement.

Description of the ARC Group Worldwide, Inc. 2015 Employee Stock Purchase Plan

Administration. The ESPP will be administered by the Committee appointed by the Board of Directors (the Committee). Subject to the express provisions of the ESPP, the Committee has authority, in its discretion, to interpret and construe any and all provisions of the ESPP, adopt rules and regulations for administering the ESPP and make all other determinations deemed necessary or advisable for administering the ESPP.

Plan Term. The ESPP will continue in effect for a term of ten years from its effective date.

Eligibility and Participation. In general, pursuant to the ESPP, all employees of the Company and all of its subsidiaries (except for those subsidiaries specifically excluded from participation by the Board or the Committee) who work more than 20 hours per week are eligible to participate in the ESPP. However, the following individuals are not eligible to participate:

- an individual who owns five percent or more of Company Common Stock; or
- a Section 16 officer or executive (thus excluding the CEO and CFO from participation in the ESPP).

No employee will be permitted to purchase more than \$25,000 of the Company Common Stock in any calendar year (based upon the fair market value of the stock as determined at the time the option is granted). Currently, the Company anticipates that approximately 700 employees will be eligible to participate in the ESPP.

Participation in the ESPP is voluntary. An eligible employee may elect to participate in the ESPP for any purchase period by completing the requisite payroll deduction form and delivering it to his or her employer no later than the date preceding the beginning date of the upcoming purchase period, or any such other date as may be determined appropriate by the Committee from time to time. An employee may increase or decrease his or her participation for any subsequent purchase period by submitting a new payroll deduction form during the enrollment period prior to that purchase period. An employee who elects to participate in the ESPP for any purchase period will be deemed to have elected to participate in the ESPP for each subsequent consecutive purchase period unless he or she elects to discontinue payroll deductions during a purchase period or exercises his or her right to withdraw all amounts previously withheld. In either such event, the employee must submit a change of election form or a new payroll deduction form, as applicable, to participate in the ESPP for any subsequent purchase period.

Table of Contents

Duration and Purchase Periods. Assuming approval by the shareholders, the ESPP will begin on February 1, 2015, and will terminate ten years thereafter, unless extended or terminated by the Board or the Committee. The ESPP will be carried out in a series of consecutive purchase periods. The first offer and purchase period will begin on February 1, 2015, and end on July 31, 2015, with succeeding consecutive non-overlapping six-month purchase periods, unless otherwise determined by the Committee.

Before the commencement of each purchase period, employees may elect a payroll deduction of his or her base salary in an amount equal to not less than 1% but not more than 5% of his or her base salary, valued, after tax, per payroll period, or such other amounts as the Committee may from time to time establish. An employee may not increase his or her elected percentage for a purchase period after the delivery deadline, but an employee may reduce or discontinue entirely his or her elected percentage for the purchase period by filing an amended election form within 15 days before the last day of the relevant offering period, or such other date as may be determined by the Committee. An employee may make such election to reduce or discontinue payroll deductions one time during any given purchase period.

On the exercise date, the amount deducted from each participant's salary will be used to purchase the maximum number of whole shares of Company Common Stock possible from funds accrued in such participant's account over the prior purchase period. The purchase price per share shall be equal to a 15% discount from the closing price of the Company's Common Stock on the date of purchase (the last trading day of each purchase phase).

Employees are not permitted to sell or otherwise transfer ownership of the shares until the six month anniversary of the date on which the shares are issued. Further, the Committee may require that employees not transfer such shares for any additional period determined by the Committee to be necessary to ensure that the Company or any of its subsidiaries is able to meet the reporting requirements pursuant to Section 423 of the Code.

Voluntary Withdrawal, Termination of Employment, Death. An employee may, preceding the termination date of a purchase period, withdraw all payroll deductions then credited to his or her account by giving written notice to his or her employer. Upon receipt of such notice of withdrawal, all payroll deductions credited to the employee's account will be paid to him or her without any earned interest credited, and no further payroll deductions will be made for such employee during that purchase period. Partial withdrawals of payroll deductions are not permitted.

If an employee's employment is terminated for any reason prior to the termination date of any purchase period in which he or she is participating, no Company Common Stock will be issued to such employee and the payroll deductions credited to his or her account will be returned to the employee.

If an employee dies before the termination date of any purchase period in which he or she was participating, the payroll deductions credited to the participant's account will be paid to the participant's estate.

Adjustments, Amendments and Termination. In the case of certain corporate transactions (including, without limitation, a stock split, stock dividend, reclassification, recapitalization, dissolution or liquidation, merger, consolidation, reorganization, sale of substantially all assets, or other change in the Company's structure affecting the Company's Common Stock), equitable and proportionate adjustments may be made by the Committee, subject to discretion by the Board, in the number and class of shares reserved for issuance under the ESPP and the calculation of the

Edgar Filing: ARC Group Worldwide, Inc. - Form DEFR14A

exercise price. In the event of a proposed change in control of the Company, the Committee may, in its discretion, terminate the ESPP as described below or shorten the purchase period then in progress by setting a new exercise date for such purchase period and notifying participants of the same.

The Board may amend the ESPP as it may deem proper and in the best interests of the Company or as may be necessary to comply with Section 423 of the Code or other applicable laws or regulations, provided that no such amendment shall, without prior approval of the Company shareholders: (i) increase the total number of shares reserved under the ESPP (except as set forth above in the event of certain corporate transactions); (ii) change the employees or class of employees eligible to participate under the ESPP, or (iii) materially increase the benefits accruing to employees under the ESPP.

The Board may terminate the ESPP at any time provided that (except as set forth above in the event of certain corporate transactions) no termination will take effect with respect to any purchase period in progress. If the ESPP is terminated, the balance in each participant's contribution account shall be paid to the participant without interest.

The Committee may, in order to comply with the laws in other countries in which the Company and its subsidiaries operate or have participants; modify the terms and conditions of the ESPP with respect to Participants who reside outside of the United States to comply with applicable foreign laws; establish sub-plans; and take any action deemed advisable to comply with any necessary local governmental regulatory exemptions or approvals; provided, however, that no action may be taken that would violate any securities law, tax law or any other applicable law or cause the ESPP not to comply with Section 423 of the Code.

New Plan Benefits

No purchase rights have been granted, and no shares have been issued, on the basis of the approval of the ESPP, which is the subject of this proposal. Because benefits under the ESPP will depend on employees' elections to participate and the fair market value of the Company's Common Stock at various future dates, it is not possible to determine the benefits that will be received by employees if the ESPP is approved by the shareholders. Only the eligible employees of the Company and its participating subsidiaries discussed above are eligible to participate in the ESPP.

Summary of U.S. Federal Income Tax Consequences of the Plan

The following summary is intended only as a general guide to the United States federal income tax consequences of participation in the Purchase Plan and does not describe all possible federal or other tax consequences of such participation or tax consequences based on particular circumstances.

Generally, there are no tax consequences to an employee of either becoming a participant in the Plan or purchasing shares under the Plan. The tax consequences of disposition of shares vary depending on the period such stock is held before its disposition. If a participant disposes of shares prior to the later of two years after the offering date or one year after the purchase date on which the shares are acquired (a disqualifying disposition), the participant recognizes ordinary income in the year of disposition in an amount equal to the excess of the fair market value of the shares on the purchase date over the purchase price. Such income may be subject to withholding of tax. Any additional gain or resulting loss recognized by the participant from the disposition of the shares is a capital gain or loss.

If the participant disposes of shares at least two years after the offering date and at least one year after the purchase date on which the shares are acquired, the participant recognizes ordinary income in the year of disposition in an amount equal to the lesser of (i) the excess of the fair market value of the shares on the date of disposition over the purchase price or (ii) the excess of the fair market value of the shares on the offering date over the purchase price (determined as if the purchase right were exercised on the offering date). Any additional gain recognized by the participant on the disposition of the shares is a capital gain. If the fair market value of the shares on the date of disposition is less than the purchase price, there is no ordinary income, and the loss recognized is a capital loss. If the participant owns the shares at the time of the participant's death, the lesser of (i) the excess of the fair market value of the shares on the date of death over the purchase price or (ii) the excess of the fair market value of the shares on the offering date over the purchase price (determined as if the purchase right were exercised on the offering date) is recognized as ordinary income in the year of the participant's death.

If the exercise of a purchase right does not constitute an exercise pursuant to an employee stock purchase plan under section 423 of the Code, the exercise of the purchase right will be treated as the exercise of a nonstatutory stock option. The participant would therefore recognize ordinary income on the purchase date equal to the excess of the fair market value of the shares acquired over the purchase price. Such income is subject to withholding of income and employment taxes. Any gain or loss recognized on a subsequent sale of the shares, as measured by the difference between the sale proceeds and the sum of (i) the purchase price for such shares and (ii) the amount of ordinary income recognized on the exercise of the purchase right, will be treated as a capital gain or loss, as the case may be.

Edgar Filing: ARC Group Worldwide, Inc. - Form DEFR14A

If the participant disposes of the shares in a disqualifying disposition, the Company should be entitled to a deduction equal to the amount of ordinary income recognized by the participant as a result of the disposition, except to the extent such deduction is limited by applicable provisions of the Code or the regulations thereunder. In all other cases, no deduction is allowed for the Company.

Required Shareholder Vote

The affirmative vote of holders of record of not less than a majority of the outstanding shares of Common Stock on the record date is required for approval of the Plan. Because the affirmative vote of a majority of our outstanding shares is required to approve this proposal, broker non-votes and abstentions have the same effect as a vote against this proposal.

**PROPOSAL NO. 3: RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP
TO SERVE AS OUR CERTIFIED INDEPENDENT ACCOUNTANTS
FOR THE YEAR ENDING JUNE 30, 2015.**

Independent Registered Public Accounting Firm

On April 10, 2014, the Company dismissed its former certified public accounting firm Hein & Associates LLP and engaged Grant Thornton LLP as the Company's independent registered public accountant effective as of April 10, 2014.

Hein & Associates LLP's report, dated October 3, 2013 on the Company's consolidated financial statements for the fiscal year ended June 30, 2013 did not contain any adverse opinion or disclaimer of opinion, nor was the report qualified or modified as to uncertainty, audit scope or accounting principles.

During the audit of the Company's June 30, 2013 financial statements, Hein & Associates LLP communicated the following deficiency in internal control over financial reporting which was considered to be a material weakness:

- The Company did not have adequately designed controls in place with regard to external SEC reporting compliance because its accountants and management did not have sufficient training and available resources, such as online disclosure checklists and external resources in financial reporting and SEC reporting matters.

Despite the material weakness, we believe that the consolidated financial statements included in the Annual Report on Form 10-K for the year ended June 30, 2013 present, in all material respects, our financial position, results of operations, changes in stockholders' equity, and cash flows for the periods presented in conformity with U.S. generally accepted accounting principles.

During the fiscal years ended June 30, 2013 and 2012 and through April 10, 2014, there were no disagreements with Hein & Associates LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Hein & Associates LLP, would have caused them to make reference to the subject matter of the disagreement(s) in connection with its reports on the financial statements for such years; and other than the material weakness communication above, there were no other reportable events, as that term is described in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Hein & Associates LLP with a copy of the Form 8-K, as filed with the SEC on April 16, 2014, and requested that Hein & Associates LLP furnish a letter addressed to the SEC stating whether or not it agrees with the above statements and, if not, stating the respects in which it does not agree. A copy of such letter, dated April 16, 2014, indicating that Hein & Associates LLP is in agreement with such disclosures, was filed as Exhibit 16.1 to the Company's Form 8-K.

On April 10, 2014, the Audit Committee of the Board of Directors of the Company engaged Grant Thornton LLP as the Company's independent registered public accountant. In deciding to select engaged Grant Thornton LLP, the Audit Committee reviewed auditor independence issues and existing commercial relationships with engaged Grant Thornton LLP and concluded that Grant Thornton LLP has no commercial relationship with the Company that would impair its independence for the fiscal year ended June 30, 2014. During the Company's two most recent fiscal years and the subsequent interim periods through April 10, 2014, the Company did not consult engaged Grant Thornton LLP with respect to any of the matters or events listed in Regulation S-K Item 304(a)(2).

The Board of Directors and its Audit Committee recommends that the shareholders vote in favor of ratifying the selection of the certified public accounting firm of Grant Thornton LLP as the auditors who will continue to audit financial statements and perform other approved services for the year ending June 30, 2015 or until the Audit Committee and Board of Directors, in its discretion, replaces them.

An affirmative vote of the plurality of shares represented at the meeting is necessary to ratify the selection of auditors. There is no legal requirement for submitting this proposal to the shareholders; however, the Board of Directors believes it is of sufficient importance to seek ratification. Whether the proposal is ratified or defeated, the Board of Directors may reconsider, at its discretion, its selection of Grant Thornton LLP. Representatives of Grant Thornton LLP are not expected to be present at the Annual Meeting.

6. PARTICIPATION.

6.1 Enrollment; Payroll Deductions. An Eligible Employee may elect to participate in the Plan by properly completing an Enrollment Form, which may be electronic, and submitting it to the Company, in accordance with the enrollment procedures established by the Committee. Participation in the Plan is entirely voluntary. By submitting an Enrollment Form, the Eligible Employee authorizes payroll deductions from his or her pay check in an amount equal to not less than 1%, but not more than 5% of his or her Compensation on each pay day occurring during an Offering Period (or such other maximum percentage as the Committee may establish from time to time before an Offering Period begins). Payroll deductions shall commence on the first payroll date following the Offering Date and end on the last payroll date on or before the Purchase Date. The Company shall maintain records of all payroll deductions but shall have no obligation to pay interest on payroll deductions or to hold such amounts in a trust or in any segregated account. Unless expressly permitted by the Committee, a Participant may not make any separate contributions or payments to the Plan.

6.2 Election Changes. During an Offering Period, a Participant may decrease or increase his or her rate of payroll deductions applicable to such Offering Period. To make such a change, the Participant must submit a new Enrollment Form authorizing the new rate of payroll deductions at least fifteen days before the Purchase Date. A Participant may decrease or increase his or her rate of payroll deductions for future Offering Periods by submitting a new Enrollment Form authorizing the new rate of payroll deductions at least fifteen days before the start of the next Offering Period.

6.3 Automatic Re-enrollment. The deduction rate selected in the Enrollment Form shall remain in effect for subsequent Offering Periods unless the Participant (a) submits a new Enrollment Form authorizing a new level of payroll deductions in accordance with Section 6.2, (b) withdraws from the Plan in accordance with Section 10, or (c) terminates employment or otherwise becomes ineligible to participate in the Plan.

7. GRANT OF OPTION. On each Offering Date, each Participant in the applicable Offering Period shall be granted an option to purchase, on the Purchase Date, a number of shares of Common Stock determined by dividing the Participant's accumulated payroll deductions by the applicable Purchase Price; subject to the limitations set forth in Section 4 and Section 13 of the Plan and adjustment in accordance with Section 18.

8. EXERCISE OF OPTION/PURCHASE OF SHARES. A Participant's option to purchase shares of Common Stock will be exercised automatically on the Purchase Date of each Offering Period. The Participant's accumulated payroll deductions will be used to purchase the maximum number of whole shares that can be purchased with the amounts in the Participant's notional account. No fractional shares may be purchased but notional fractional shares of Common Stock will be allocated to the Participant's ESPP Share Account to be aggregated with other notional fractional shares of Common Stock on future Purchase Dates, subject to earlier withdrawal by the Participant in accordance with Section 10 or termination of employment in accordance with Section 11.

9. TRANSFER OF SHARES. As soon as reasonably practicable after each Purchase Date, the Company will arrange for the delivery to each Participant of the shares of Common Stock purchased upon exercise of his or her option. The Committee may permit or require that the shares be deposited directly into an ESPP Share Account established in the name of the Participant with a Designated Broker and may require that the shares of Common Stock be retained with such Designated Broker for a specified period of time. Participants will not have any voting, dividend or other rights of a shareholder with respect to the shares of Common Stock subject to any option granted hereunder until such shares have been delivered pursuant to this Section 9. After purchase and delivery of the shares of Common Stock, the Participant may not sell or transfer such shares acquired until the lapse of 6 months from the respective Purchase Date.

Table of Contents

10. WITHDRAWAL

10.1 Withdrawal Procedure. A Participant may withdraw from an Offering by submitting to the Company a revised Enrollment Form indicating his or her election to withdraw at least fifteen days before the Purchase Date. The accumulated payroll deductions held on behalf of a Participant in his or her notional account (that have not been used to purchase shares of Common Stock) shall be paid to the Participant promptly following receipt of the Participant's Enrollment Form indicating his or her election to withdraw and the Participant's option shall be automatically terminated. If a Participant withdraws from an Offering Period, no payroll deductions will be made during any succeeding Offering Period, unless the Participant re-enrolls in accordance with Section 6.1 of the Plan.

10.2 Effect on Succeeding Offering Periods. A Participant's election to withdraw from an Offering Period will not have any effect upon his or her eligibility to participate in succeeding Offering Periods that commence following the completion of the Offering Period from which the Participant withdraws.

11. TERMINATION OF EMPLOYMENT; CHANGE IN EMPLOYMENT STATUS. Upon termination of a Participant's employment for any reason, including death, disability or retirement, or a change in the Participant's employment status following which the Participant is no longer an Eligible Employee, which in either case occurs at least thirty days before the Purchase Date, the Participant will be deemed to have withdrawn from the Plan and the payroll deductions in the Participant's notional account (that have not been used to purchase shares of Common Stock) shall be returned to the Participant, or in the case of the Participant's death, to the person(s) entitled to such amounts under Section 17, and the Participant's option shall be automatically terminated. If the Participant's termination of employment or change in status occurs within thirty days before a Purchase Date, the accumulated payroll deductions shall be used to purchase shares on the Purchase Date.

12. INTEREST. No interest shall accrue on or be payable with respect to the payroll deductions of a Participant in the Plan.

13. SHARES RESERVED FOR PLAN.

13.1 Number of Shares. A total of 750,000 shares of Common Stock have been reserved as authorized for the grant of options under the Plan. The shares of Common Stock may be newly issued shares, treasury shares or shares acquired on the open market.

13.2 Over-subscribed Offerings. The number of shares of Common Stock which a Participant may purchase in an Offering under the Plan may be reduced if the Offering is over-subscribed. No option granted under the Plan shall permit a Participant to purchase shares of Common Stock which, if added together with the total number of shares of Common Stock purchased by all other Participants in such Offering would exceed the total number of shares of Common Stock remaining available under the Plan. If the Committee determines that, on a particular Purchase Date, the number of shares of Common Stock with respect to which options are to be exercised exceeds the number of shares of Common Stock then available under the Plan, the Company shall make a pro rata allocation of the shares of Common Stock remaining available for purchase in as uniform a manner as practicable and as the Committee determines to be equitable.

14. TRANSFERABILITY. No payroll deductions credited to a Participant, nor any rights with respect to the exercise of an option or any rights to receive Common Stock hereunder may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 17 hereof) by the Participant. Any attempt to assign, transfer, pledge or otherwise dispose of such rights or amounts shall be without effect.

15. APPLICATION OF FUNDS. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose to the extent permitted by applicable law, and the Company shall not be required to segregate such payroll deductions or contributions.

16. STATEMENTS. Participants will be provided with statements at least annually which shall set forth the contributions made by the Participant to the Plan, the Purchase Price of any shares of Common Stock purchased with accumulated funds, the number of shares of Common Stock purchased, and any payroll deduction amounts remaining in the Participant's notional account.

17. DESIGNATION OF BENEFICIARY. A Participant may file, on forms supplied by the Committee, a written designation of beneficiary who is to receive any shares of Common Stock and cash in respect of any fractional shares of Common Stock, if any, from the Participant's ESPP Share Account under the Plan in the event of such Participant's death. In addition, a Participant may file a written designation of beneficiary who is to receive any cash withheld through payroll deductions and credited to the Participant's notional account in the event of the Participant's death prior to the Purchase Date of an Offering Period.

18. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION; DISSOLUTION OR LIQUIDATION; CORPORATE TRANSACTIONS.

18.1 Adjustments In the event that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Common Stock or other securities of the Company, or other change in the Company's structure affecting the Common Stock occurs, then in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, the Committee will, in such manner as it deems equitable, adjust the number of shares and class of Common Stock that may be delivered under the Plan, the Purchase Price per share and the number of shares of Common Stock covered by each outstanding option under the Plan, and the numerical limits of Section 7 and Section 13.

18.2 Dissolution or Liquidation Unless otherwise determined by the Committee, in the event of a proposed dissolution or liquidation of the Company, any Offering Period then in progress will be shortened by setting a new Purchase Date and the Offering Period will end immediately prior to the proposed dissolution or liquidation. The new Purchase Date will be before the date of the Company's proposed dissolution or liquidation. Before the new Purchase Date, the Committee will provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option will be exercised automatically on such date, unless before such time, the Participant has withdrawn from the Offering in accordance with Section 10.

18.3 Corporate Transaction In the event of a Corporate Transaction, each outstanding option will be assumed or an equivalent option substituted by the successor corporation or a parent or Subsidiary of such successor corporation. If the successor corporation refuses to assume or substitute the option, the Offering Period with respect to which the option relates will be shortened by setting a new Purchase Date on which the Offering Period will end. The new Purchase Date will occur before the date of the Corporate Transaction. Prior to the new Purchase Date, the Committee will provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option will be exercised automatically on such date, unless before such time, the Participant has withdrawn from the Offering in accordance with Section 10.

19.7 Notice of Disqualifying Dispositions.
