Item 2.02. Results of Operations and Financial Condition.

On November 10, 2015, Neos Therapeutics, Inc. (the Company) announced its financial results for the quarter ended September 30, 2015. The full text of the press release issued in connection with the announcement is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

The information in this Form 8-K (including Exhibit 99.1) shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.

Item 8.01. Other Events.

On January 9, 2015, the Company submitted to the U.S. Food and Drug Administration (the FDA) a New Drug Application (the NDA) under section 505(b)(2) of the Federal Food, Drug, and Cosmetic Act for Cotempla XR-ODT (Methylphenidate Extended Release Orally Disintegrating), 10 mg, 20 mg, and 30 mg tablets. As previously disclosed, on October 16, 2015, the Company received a notification from the FDA stating that, as part of its ongoing review of the Company's NDA, the FDA had identified deficiencies that precluded discussion of labeling and postmarketing requirements/commitments at that time.

On November 10, 2015, the Company issued a press release announcing that it received a complete response letter from the FDA for the Company's NDA. A copy of the press release is filed herewith as Exhibit 99.1 and is incorporated into this Item 8.01 by reference.

By filing this information, the Company makes no admission as to the materiality of any information in this report. The information contained in this report is intended to be considered in the context of the Company's filings with the U.S. Securities and Exchange Commission (the Commission) and other public announcements that the Company makes, by press release or otherwise, from time to time. The Company undertakes no duty or obligation to publicly update or revise the information contained in this report, although it may do so from time to time as its management believes is appropriate. Any such updating may be made through the filing of other reports or documents with the Commission, through press releases or through other public disclosure.

This report contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other federal securities laws, including statements concerning our ability to commercialize Cotempla XR-ODT and the PDUFA date for our product candidates. Forward-looking statements generally relate to future events or our future financial or operating performance. Any statements contained herein which do not describe historical facts, including but not limited to statements regarding the Company's expectations with regard to discussions with the FDA, plans, and expectations as to the PDUFA date are forward-looking statements which involve risks and uncertainties that could cause actual results to differ materially from those discussed in such forward-looking statements.

Such risks and uncertainties include, without limitation, any deficiencies the FDA may identify with respect to Cotempla XR-ODT and whether the Company will be able to address the issues that may relate to those deficiencies, the receipt of regulatory approval for Cotempla XR-ODT and the Company's other product candidates

for the treatment of attention deficit disorder (ADHD), the Company's ability to market and sell its product candidates, the Company's ability to successfully compete in the market for medications indicated for ADHD, the manufacture of Cotempla XR-ODT or its other product candidates, and other risks set forth under the caption "Risk Factors" in the Company's final prospectus filed on July 24, 2015 pursuant to Rule 424(b) of the Securities Act of 1933, as amended, as updated by its subsequently filed Quarterly Reports on Form 10-Q and its other SEC filings. The Company cautions you not to place undue reliance on any forward-looking statements, which speak only as of the date they are made.
