**Item 1.01 Entry Into a Material Definitive Agreement.**

On May 27, 2016, Ur-Energy Inc. (the Company) entered into an At Market Issuance Sales Agreement (the Sales Agreement) with MLV & Co. LLC and FBR Capital Markets & Co., each a Distribution Agent, and, collectively, the Distribution Agents, under which the Company may, from time to time, issue and sell common shares at market prices on the NYSE MKT or other market for its common shares in the United States through the Distribution Agents for aggregate sales proceeds of up to \$10,000,000 (the ATM Offering).

Under the Sales Agreement, the Company will set the parameters for the sale of shares, including the number of shares to be issued, the time period during which sales are requested to be made, any limitation on the number of shares that may be sold in any one trading day and any minimum price below which sales may not be made. Subject to the terms and conditions of the Sales Agreement, the Distribution Agents may sell the shares by any method that is deemed to be an at the market offering as defined in Rule 415 under the Securities Act of 1933, as amended (the Securities Act), including by means of ordinary brokers transactions at market prices, in block transactions or as otherwise agreed by the Distribution Agents and the Company. The Distribution Agents will use commercially reasonable efforts in conducting such sales activities consistent with its normal trading and sales practices and applicable state and federal laws, rules and regulations and the rules of the NYSE MKT. The Sales Agreement may be terminated by the Company upon prior notice to the Distribution Agents or by the Distribution Agents upon prior notice to the Company, or at any time by the Distribution Agents under certain circumstances, including but not limited to the occurrence of a material adverse change in the Company.

The Sales Agreement provides that the designated Distribution Agent will be entitled to compensation for its services at a commission rate of up to 3% of the gross sales price per share sold. The Company has agreed in the Sales Agreement to reimburse certain expenses of the Distribution Agents in connection with the ATM Offering up to a maximum of \$25,000.

The Company has no obligation to sell any shares under the Sales Agreement, and the Company or the Distribution Agents may suspend the offering of shares under the Sales Agreement upon notice to the other and subject to other conditions. The Company has agreed in the Sales Agreement to provide indemnification and contribution to the Distribution Agents against certain liabilities, including liabilities under the Securities Act.

The shares will be issued pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-198232), which was declared effective by the U.S. Securities and Exchange Commission (the SEC) on September 12, 2014. The Company filed a prospectus supplement, on May 27, 2016, with the SEC in connection with the ATM Offering.
