\* Note: A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

\*\* The Issuer expects that delivery of the notes will be made to investors on or about June 10, 2016, which will be the seventh business day following the date of the prospectus supplement (such settlement being referred to as "T+7"). Under Rule 15c6-1 of the Exchange Act, trades in the secondary market generally are required to settle in three business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the notes on the date of pricing of the notes or the next three succeeding business days will be required, by virtue of the fact that the notes initially will settle in T+7 to specify an alternative settlement cycle at the time of any such trade to prevent failed settlement and should consult their own advisors.
