**Item 1.01 Entry into a Material Definitive Agreement**

On September 12, 2016, First Midwest Bank (the **Bank**), a wholly-owned subsidiary of First Midwest Bancorp, Inc. (the **Company**), entered into an agreement of sale and purchase (the **Sale Agreement**) with Oak Street Real Estate Capital, LLC ( **Oak Street** ), providing for the sale to Oak Street of 55 properties owned and operated by the Bank as branches (the **Branches**) for an aggregate cash purchase price of approximately \$150 million. The Branches are located in Illinois and Indiana.

Under the Sale Agreement, the Bank has agreed, concurrently with the closing of the sale of the Branches, to enter into triple net lease agreements (the **Lease Agreements**) with Oak Street or its affiliates according to which the Bank will lease each of the Branches. Subject to the right of the Bank to terminate certain of the Lease Agreements at the end of the eleventh year, the Lease Agreements will have initial terms of fourteen years. Each Lease Agreement will provide the Bank with five consecutive renewal options of five years each.

The sale-leaseback transaction will result in an initial pre-tax gain of approximately \$90 million (after transaction-related expenses), with \$6 million realized upon the closing of the transaction and the remaining \$84 million deferred and realized on a straight line basis over the initial terms of the Lease Agreements. Aggregate first year rent expense under the Lease Agreements will be approximately \$11 million (excluding any amortization of the deferred gain). The Lease Agreements also will include a 1.5% annual rent escalation during the initial term and during the first and second five-year renewal periods. The Company expects that the investment of proceeds and the gain from the sale-leaseback transaction, net of occupancy expenses associated with the Branches, will be modestly accretive to the Company's earnings over the initial term of the Lease Agreements.

Upon the closing of the previously-announced proposed acquisition of Standard Bancshares, Inc., the Company will operate approximately 130 branches. Rebalancing the Company's branch network from one that is predominately owned to one that is primarily leased is responsive to the Company's growth and better positions the Company to fulfill its service commitment through capital and operational flexibility. In addition, the Company believes that the sale-leaseback transaction will expand its ability to invest in the enhancement of its mobile and online delivery channels as well as adapt efficiently to evolving consumer preferences. The Company will not close any Branches or exit any markets as part of the sale-leaseback transaction.

The Company anticipates that the sale-leaseback transaction will close by September 30, 2016, subject to the satisfaction of customary closing conditions.

The foregoing description of the Sale Agreement and the Lease Agreements is a summary and is qualified in its entirety by the complete terms of these agreements, which are filed as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K and incorporated by reference herein.
