Yes No

Ad-Hoc Notice

March 30, 2017

Moscow, Russian Federation Mobile TeleSystems OJSC (MTS NYSE: MBT), the leading telecommunications operator in Russia and the CIS, announces that it has received the notification of the sale of an economic interest in 100,000 MTS American Depositary Shares (ADSs) by virtue of the CFD (contracts for difference) transaction from Mr. Andrei Dubovskov, President and CEO of MTS.

The transaction was made on March 29, 2017 at price USD 1,137,372.42.

As a matter of record, persons deemed insiders by the Company are restricted to transactions involving the Company's securities during pre-determined open periods as defined by internal company policies. Following the publication of Q4 and FY 2016 financial and operating results on March 21, 2017, Mr. Dubovskov and other insiders were informed of the duration of the next open period, which began on March 24 and closed on March 31, 2017.

Mr. Dubovskov now directly owns 350,718 MTS shares, his voting rights is 0.01755% in the Company.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
