Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On October 24, we and our subsidiaries CRA International (UK) Limited (the UK Borrower), CRA International Limited (the Canadian Borrower), and CRA International (Netherlands) B.V. (the Dutch Borrower and, together with the Canadian Borrower and the UK Borrower, the Designated Borrowers); the Designated Borrowers, together with CRA International, the Borrowers) entered into an Amended and Restated Credit Agreement with Citizens Bank, N.A. as a lender and an issuing bank and as administrative agent, Bank of America, N.A., as a lender and an issuing bank, and Santander Bank, N.A., as a lender (the Credit Agreement), and we entered into a related Amended and Restated Securities Pledge Agreement with Citizens Bank, N.A., as administrative agent (the Securities Pledge Agreement). The Credit Agreement amends and restates that certain Credit Agreement, dated as of April 24, 2013, among us, the UK Borrower, the lenders party thereto and Citizens Bank, N.A. (formerly RBS Citizens, N.A.), as administrative agent (the Existing Credit Agreement), and the Securities Pledge Agreement amends and restates that certain Securities Pledge Agreement, dated as of April 24, 2013, between us and Citizens Bank, N.A. (formerly RBS Citizens, N.A.), as administrative agent.

The Credit Agreement provides us with a \$125 million revolving credit facility, subject to our continued compliance with the terms thereof. The revolving credit facility includes a \$35 million sublimit for borrowings by the Designated Borrowers, a \$35 million sublimit for multicurrency borrowings in Euros, Pounds Sterling, Canadian Dollars, Swiss Francs, and any other currency (other than U.S. Dollars) that is approved pursuant to the Credit Agreement (the Alternate Currencies), a \$15 million sublimit for the issuance of letters of credit (\$2 million of which may be denominated in Alternate Currencies), and a \$5 million sublimit for swingline loans by the swingline lender (initially Citizens Bank, N.A.).

At closing, letters of credit in the aggregate amount of approximately \$3.6 million that had been issued under the Existing Credit Agreement were deemed to be issued and outstanding under the new revolving credit facility. No other amount was drawn (or deemed to be drawn) under the new revolving credit facility at closing.

We may use the proceeds of the revolving credit loans to provide working capital and for other general corporate purposes, including the financing of permitted acquisitions, subject to our compliance with the terms of the Credit Agreement.

We may repay any borrowings under the revolving credit facility at any time (without any premium or penalty), but must repay all borrowing thereunder in no event later than October 24, 2022.

Our borrowings under the revolving credit facility bear interest at a rate *per annum* of, at our option, either (i) the Base Rate, as defined in the Credit Agreement, plus an applicable margin, which varies within a range of 0.25% to 1.25% depending on our total leverage ratio (as determined under the Credit Agreement), or (ii) the Eurocurrency Rate, as defined in the Credit Agreement, plus an applicable margin, which varies within a range of 1.25% to 2.25% depending

on our total leverage ratio (as determined under the Credit Agreement). We are required to pay a fee on the unused portion of the revolving credit facility at a rate *per annum* that varies within a range of 0.200% to 0.350% depending on our total leverage ratio (as determined under the Credit Agreement).

Subject to certain terms and conditions set forth in the Credit Agreement, including our *pro forma* compliance with the financial covenants specified therein, we may request from time to time that the lenders under the Credit Agreement or other financial institutions that would become lenders thereunder provide additional revolving credit commitments thereunder, provided that the aggregate principal amount of all such additional commitments does not exceed \$50 million. No existing lender under the Credit Agreement is obligated to provide any such additional commitment.

We must comply with various customary financial and non-financial covenants under the Credit Agreement. The primary financial covenants under the Credit Agreement consist of a maximum consolidated total leverage ratio and a minimum consolidated interest coverage ratio. The primary non-financial covenants under the Credit Agreement limit, subject to various exceptions, our ability to incur future indebtedness, to place liens on assets, to pay dividends or make other distributions on our capital stock, to repurchase our capital stock, to conduct acquisitions, to make investments and loans, to alter our capital structure and to dispose of assets.

The lenders under the Credit Agreement are entitled to accelerate repayment of the loans under the Credit Agreement upon the occurrence of any of various customary events of default, which include, among other events, failure to pay when due any principal, interest, fees or other amounts in respect of the loans (subject to a grace period for non-principal amounts), breach of any of our covenants (subject, in some cases, to certain grace periods) or representations under the loan documents, default under any of our or any of our material subsidiaries' indebtedness agreements above a threshold principal amount, a bankruptcy or insolvency event with respect to us or any of our material subsidiaries, an unsatisfied judgment against us or any of our material subsidiaries above a threshold amount, or our undergoing a change of control (as defined in the Credit Agreement).

Borrowings under the Credit Agreement are secured by the equity interests of our direct wholly-owned United States subsidiaries and portions of the equity interests of certain of our foreign subsidiaries, as provided in the Securities Pledge Agreement.
