PART I

Item 1. BUSINESS

(a) General Development of Business

Hormel Foods Corporation, a Delaware corporation (the Company), was founded by George A. Hormel in 1891 in Austin, Minnesota, as Geo. A. Hormel & Company. The Company started as a processor of meat and food products and continues in this line of business. The Company's name was changed to Hormel Foods Corporation on January 31, 1995. The Company is primarily engaged in the production of a variety of meat and food products and the marketing of those products throughout the United States and internationally. Although pork and turkey remain the major raw materials for its products, the Company has emphasized for several years the manufacturing and distribution of branded, value-added consumer items rather than the commodity fresh meat business. The Company has continually expanded its product portfolio through organic growth, new product development, and acquisitions.

Internationally, the Company markets its products through Hormel Foods International Corporation (HFIC), a wholly owned subsidiary. HFIC has a presence in the international marketplace through joint ventures and placement of personnel in strategic foreign locations such as Australia, Brazil, Canada, China, Japan, and the Philippines. HFIC has a global presence with a minority position in a food company in the Philippines (The Purefoods-Hormel Company, Inc., 40% holding).

On November 27, 2017, subsequent to the end of the fiscal year, the Company completed the acquisition of Columbus Manufacturing, Inc. (Columbus), an authentic premium deli meat and salami company, from Chicago-based Arbor Investments. The purchase price is approximately \$850.0 million. The transaction was closed in the first quarter of fiscal 2018 and was funded with cash on hand along with borrowing \$375.0 million under a term loan facility and \$375.0 million under a revolving credit facility. The allocation of the purchase price will be finalized upon completion of the fair value analysis of Columbus's assets. Columbus specializes in authentic premium deli meat and salami and allows the Company to enhance its scale in the deli by broadening its portfolio of products, customers, and consumers.

On August 22, 2017, the Company acquired Cidade do Sol (Ceratti) for a preliminary purchase price of approximately \$103.5 million, subject to customary working capital adjustments. The transaction was funded by the Company with cash on hand. The acquisition of the *Ceratti*® brand allows the Company to establish a full in-country presence in the fast-growing Brazilian market with a premium brand.

On August 16, 2017, the Company acquired Fontanini Italian Meats and Sausages (Fontanini), a branded foodservice business, from Capitol Wholesale Meats, Inc. for a preliminary purchase price of \$427.9 million, subject to customary working capital adjustments. The transaction provides a cash flow benefit resulting from the amortization of the tax basis of assets, the net present value of which is approximately \$90.0 million. The transaction was funded by the Company with cash on hand and by utilizing short-term financing. Fontanini specializes in authentic Italian meats and sausages, as well as a variety of other premium meat products including pizza toppings and meatballs and allows the Company to expand its foodservice business.

Edgar Filing: HORMEL FOODS CORP /DE/ - Form 10-K

On January 3, 2017, the Company completed the sale of Clougherty Packing, LLC, parent company of Farmer John and Saag's Specialty Meats, along with PFFJ, LLC, farm operations in California, Arizona, and Wyoming. The closing price was \$145.0 million in cash.

On May 26, 2016, the Company acquired Justin's, LLC (Justin's) of Boulder, Colorado, for a purchase price of \$280.9 million. The transaction provides a cash flow benefit resulting from the amortization of the tax basis of assets, the net present value of which is approximately \$70.0 million. The purchase price was funded by the Company with cash on hand and by utilizing short-term financing. This acquisition allowed the Company to enhance its presence in the specialty natural and organic nut butter category.

On May 9, 2016, the Company completed the sale of Diamond Crystal Brands resulting in proceeds, net of selling costs, of closing price of \$110.1 million.

On July 13, 2015, the Company acquired Applegate Farms, LLC (Applegate) of Bridgewater, New Jersey, for a final purchase price of \$774.1 million in cash. The purchase price was funded by the Company with cash on hand and by utilizing short-term financing. This acquisition allows the Company to expand the breadth of its protein offerings to provide consumers more choice in this fast growing category.

The Company has not been involved in any bankruptcy, receivership, or similar proceedings during its history. Substantially all the assets of the Company have been acquired in the ordinary course of business.

Table of Contents

The Company had no other significant change in the type of products produced or services rendered, or in the markets or methods of distribution, since the beginning of the 2017 fiscal year.

(b) Segments

The Company's business is reported in five segments: Grocery Products, Refrigerated Foods, Jennie-O Turkey Store (JOTS), Specialty Foods, and International & Other. Net sales to unaffiliated customers, operating profit, total assets, and the presentation of certain other financial information by segment, are reported in Note P of the Notes to Consolidated Financial Statements and in the Management's Discussion and Analysis of Financial Condition and Results of Operations of the Annual Stockholders' Report for the fiscal year ended October 29, 2017, incorporated herein by reference.

(c) Description of Business

Products and Distribution

The Company's products primarily consist of meat and other food products. The meat products are sold fresh, frozen, cooked, and canned. The percentages of total revenues contributed by classes of similar products for the last three fiscal years are as follows:

| | <u>October 29, 2017</u> | <u>Fiscal Year Ended October 30, 2016</u> | <u>October 25, 2015</u> |
|---------------|-------------------------|---|-------------------------|
| Perishable | 53.7% | 53.1% | 53.0% |
| Poultry | 20.2 | 18.2 | 18.4 |
| Shelf-stable | 19.1 | 20.5 | 18.6 |
| Miscellaneous | 7.0 | 8.2 | 10.0 |
| | 100.0% | 100.0% | 100.0% |

Reporting of revenues from external customers is based on similarity of products, as the same or similar products are sold across multiple distribution channels such as retail, foodservice, or international. Revenues reported are based on financial information used to produce the Company's general-purpose financial statements.

The Perishable category includes fresh meats, frozen items, refrigerated meal solutions, sausages, hams, guacamole, and bacon (excluding JOTS products). Shelf-stable includes canned luncheon meats, peanut butter, chilies, shelf-stable microwaveable meals, hash, stews, meat spreads, flour and corn tortillas, salsas, tortilla chips, and other items that do not require refrigeration. The Poultry category is composed primarily of JOTS products. The Miscellaneous category primarily consists of nutritional food products and supplements, dessert and drink mixes, and industrial gelatin products.

Domestically, the Company sells its products in all 50 states. The Company's products are sold through its sales personnel, operating in assigned territories or as dedicated teams serving major customers, coordinated from sales offices located in most of the larger U.S. cities. The Company also utilizes independent brokers and distributors. As of October 29, 2017, the Company had approximately 1,030 sales personnel engaged in selling its products. Distribution of products to customers is primarily by common carrier.

Through HFIC, the Company markets its products in various locations throughout the world. Some of the larger markets include Australia, Brazil, Canada, China, England, Japan, Mexico, Micronesia, the Philippines, Singapore, and South Korea. The distribution of export sales to customers is by common carrier, while the China and Brazil operations own and operate their own delivery system. The Company, through HFIC, has licensed companies to manufacture various Company products internationally on a royalty basis, with the primary licensees being Tulip International of Denmark and CJ CheilJedang Corporation of South Korea.

Raw Materials

The Company has, for the past several years, been concentrating on branded products for consumers with year-round demand to minimize the seasonal variation experienced with commodity-type products. Pork continues to be the primary raw material for Company products. The Company's expanding line of branded products has reduced, but not eliminated, the sensitivity of Company results to raw material supply and price fluctuations.

The majority of the hogs harvested by the Company are purchased under supply contracts from producers located principally in Minnesota, Iowa, Nebraska, and Kansas. The cost of hogs and the utilization of the Company's facilities are affected by both the level and the methods of pork production in the United States. The Company uses supply contracts to ensure a stable supply of raw materials. The Company's contracts are based on market-based formulas and/or markets of certain swine production inputs,

Table of Contents

to better balance input costs with customer pricing, and all contract costs are fully reflected in the Company's reported financial statements. In fiscal 2017, the Company purchased 96 percent of its hogs under supply contracts. The Company also procures a portion of its hogs through farms it either owns or operates in Colorado.

In fiscal 2017, JOTS raised turkeys representing approximately 77 percent of the volume needed to meet its raw material requirements for whole bird and branded turkey products. Turkeys not sourced within the Company are contracted with independent turkey growers. JOTS turkey-raising farms are located throughout Minnesota and Wisconsin.

Production costs in raising hogs and turkeys are subject primarily to fluctuations in feed grain prices and, to a lesser extent, fuel costs. To manage this risk, the Company hedges a portion of its anticipated purchases of grain using futures contracts.

Additionally, the cost and supply of avocados, peanuts, whey, and natural and organic protein are impacted by the changing market forces of supply and demand, which can impact the cost of the Company's products. The Company uses long-term supply contracts and forward buying in an attempt to manage these risks.

Manufacturing

The Company has two plants that harvest hogs for processing. Quality Pork Processors, Inc. of Dallas, Texas, operates the harvesting facility in Austin, Minnesota, under a custom harvesting arrangement. The Company currently has seven turkey harvest and processing operations, and 31 facilities that produce and distribute other manufactured items. Albert Lea Select Foods, Inc. operates the processing facility in Albert Lea, Minnesota, under a custom manufacturing agreement. Company products are also custom manufactured by several other companies. The following are the Company's larger custom manufacturers: Abbyland Foods, Inc., Abbotsford, Wisconsin; Agropur Division Natrel USA, Maplewood, Minnesota; Algood Food Company, Louisville, Kentucky; Busseto Foods, Inc., Fresno, California; Deitz & Watson, Inc., Philadelphia, Pennsylvania; HP Hood LLC, Lynnfield, Massachusetts; John F. Martin and Sons, Stevens, Pennsylvania; Jones Dairy Farm, Fort Atkinson, Wisconsin; OSI Industries LLC, Chicago, Illinois; Perdue Farms Inc., Salisbury, Maryland; Reichel Foods, Inc., Rochester, Minnesota; Reser's Fine Foods, Topeka, Kansas; Steuben Foods, Jamaica, New York; and West Liberty Foods, LLC, West Liberty, Iowa. Exel, Inc., based in Westerville, Ohio, operates distribution centers for the Company in Dayton, Ohio, and Osceola, Iowa.

Patents and Trademarks

There are numerous patents and trademarks important to the Company's business. The Company holds 39 U.S.-issued and 10 foreign patents. Most of the trademarks are registered. Some of the more significant owned or licensed trademarks used by the Company or its affiliates are:

HORMEL, ALWAYS TENDER, APPLGATE, AUSTIN BLUES, BACON 1, BLACK LABEL, BREAD READY, CAFÉ H, CERATTI, CHI-CHI'S, COLUMBUS, COMPLEATS, CURE 81, CYTOSPORT, DAN'S PRIZE, DI LUSSO, DINTY MOORE, DON MIGUEL, DOÑA MARIA, EMBASA, EVOLVE, FAST N EASY, FIRE BRAISED, FONTANINI, HERDEZ, HORMEL GATHERINGS, HORMEL VITAL CUISINE, HOUSE OF TSANG, JENNIE-O, JUSTIN'S, LA VICTORIA, LAYOUT, LLOYD'S, MARY KITCHEN, MUSCLE MILK,

NATURAL CHOICE, OLD SMOKEHOUSE, PILLOW PACK, RANGE BRAND, REV, ROSA GRANDE, SKIPPY, SPAM, SPECIAL RECIPE, THICK & EASY, VALLEY FRESH, and WHOLLY GUACAMOLE.

The Company's patents expire after a term that is typically 20 years from the date of filing, with earlier expiration possible based on the Company's decision to pay required maintenance fees. As long as the Company intends to continue using its trademarks, they are renewed indefinitely.

Customers and Backlog Orders

During fiscal year 2017, sales to Wal-Mart Stores, Inc. (Wal-Mart) represented approximately 14.4 percent of the Company's revenues (measured as gross sales less returns and allowances), compared to 13.7 percent in fiscal 2016. Wal-Mart is a customer for all five segments of the Company. The five largest customers in each segment make up approximately the following percentage of segment sales: 47 percent of Grocery Products, 40 percent of Refrigerated Foods, 42 percent of JOTS, 49 percent of Specialty Foods, and 20 percent of International & Other. The loss of one or more of the top customers in any of these segments could have a material adverse effect on the results of such segment. Backlog orders are not significant due to the perishable nature of a large portion of the products. Orders are accepted and shipped on a current basis.

Table of Contents

Competition

The production and sale of meat and food products in the United States and internationally are highly competitive. The Company competes with manufacturers of pork and turkey products, as well as national and regional producers of other meat and protein sources, such as beef, chicken, fish, peanut butter, and whey. The Company believes its largest domestic competitors for its Refrigerated Foods segment in 2017 were Tyson Foods, Inc. and Smithfield Foods, Inc.; for its Grocery Products segment, Conagra Brands, Inc., General Mills, Inc., Campbell Soup Co., and J. M. Smucker Co.; and for JOTS, Cargill, Inc. and Butterball, LLC.

All segments compete on the basis of price, product quality and attributes, brand identification, breadth of product line, and customer service. Through aggressive marketing and strong quality assurance programs, the Company's strategy is to provide higher quality products that possess strong brand recognition, which would then support higher value perceptions from customers.

Research and Development

Research and development continues to be a vital part of the Company's strategy to extend existing brands and expand into new branded items. The expenditures for research and development for fiscal 2017, 2016, and 2015, were approximately \$34.2 million, \$34.7 million, and \$32.0 million, respectively. There are approximately 145 employees engaged in full-time research and development, 69 in the area of improving existing products and 76 in developing new products.

Employees

As of October 29, 2017, the Company had approximately 20,200 active domestic and foreign employees.

(d) Geographic Areas

Financial information about geographic areas, including total revenues attributed to the U.S. and all foreign countries in total for the last three fiscal years of the Company, is reported in Note P of the Notes to Consolidated Financial Statements of the Annual Stockholders' Report for the fiscal year ended October 29, 2017, incorporated herein by reference.

(e) Available Information

Edgar Filing: HORMEL FOODS CORP /DE/ - Form 10-K

The Company makes available, free of charge on its Web site at www.hormelfoods.com, its annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934. These reports are accessible under the caption, Investors Filings & Reports SEC Filings on the Company's Web site and are available as soon as reasonably practicable after such material is electronically filed with or furnished to the Securities and Exchange Commission.

The documents noted above are also available in print, free of charge, to any stockholder who requests them.

(1) Many of the Company's properties are not exclusive to any one segment, and a few of the properties are utilized in all five segments. For locations that support multiple segments, but with a substantial percentage of activity attributable to certain segments, only the principal segments have been listed.

(2) Acres.

The Company believes its operating facilities are well maintained and suitable for current production volumes, and expansion plans are either completed or in process to accommodate all volumes anticipated in the foreseeable future.

Item 3. LEGAL PROCEEDINGS

The Company is a party to various legal proceedings related to the on-going operation of its business, including claims both by and against the Company. At any time, such proceedings typically involve claims related to product liability, contract disputes, wage and hour laws, employment practices, or other actions brought by employees, consumers, competitors, or suppliers. Resolution of any currently known matters, either individually or in the aggregate, is not expected to have a material effect on the Company's financial condition, results of operations, or liquidity.

Item 4. MINE SAFETY DISCLOSURES

Not applicable.

Table of Contents**PART II****Item 5. MARKET FOR REGISTRANT'S COMMON EQUITY, RELATED STOCKHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES**

The high and low sales price of the Company's common stock and the dividends per share declared for each quarter of fiscal 2017 and fiscal 2016 are shown below (as adjusted for the two-for-one stock split distributed on February 9, 2016):

| <u>2017</u> | <u>High</u> | <u>Low</u> | <u>Dividend</u> |
|--------------------|--------------------|-------------------|------------------------|
| First Quarter | \$38.840 | \$33.180 | \$0.170 |

¹On January 31, 2013, the Company announced its Board of Directors had authorized the repurchase of 10,000,000 shares of its common stock with no expiration date. The repurchase program was authorized at a meeting of the

Company's Board of Directors on January 29, 2013. On November 23, 2015, the Board of Directors authorized a two-for-one split of the Company's common stock. As part of the resolution to approve that stock split, the number of shares remaining to be repurchased was adjusted proportionately. The stock split was subsequently approved by stockholders at the Company's Annual Meeting on January 26, 2016, and effected January 27, 2016. All numbers in the table above reflect the impact of this stock split.

Item 6. SELECTED FINANCIAL DATA

Selected Financial Data for the five fiscal years ended October 29, 2017, on page 14 of the Annual Stockholders' Report for the fiscal year ended October 29, 2017, is incorporated herein by reference.

Item 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Table of Contents

Item 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Information on the Company's exposure to market risk included in the Management's Discussion and Analysis of Financial Condition and Results of Operations on pages 34 and 35 of the Annual Stockholders' Report for the fiscal year ended October 29, 2017, is incorporated herein by reference.

Item 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

Consolidated Financial Statements, including unaudited quarterly data, on pages 39 through 67 and the Report of Independent Registered Public Accounting Firm on page 38 of the Annual Stockholders' Report for the fiscal year ended October 29, 2017, are incorporated herein by reference.

Item 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

None.

Item 9A. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

As of the end of the period covered by this report (the Evaluation Date), the Company carried out an evaluation, under the supervision and with the participation of management, including the Chief Executive Officer and the Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15(e) of the Securities Exchange Act of 1934, as amended (the Exchange Act)). In designing and evaluating the disclosure controls and procedures, management recognized any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded, as of the Evaluation Date, our disclosure controls and procedures were effective to provide reasonable assurance the information we are required to disclose in reports we file or submit under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in Securities and Exchange Commission rules and forms, and such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

Internal Control over Financial Reporting

(a) The report entitled Management's Report on Internal Control Over Financial Reporting on page 36 of the Annual Stockholders' Report for the fiscal year ended October 29, 2017, is incorporated herein by reference.

(b) The report entitled Report of Independent Registered Public Accounting Firm on page 37 of the Annual Stockholders' Report for the fiscal year ended October 29, 2017, is incorporated herein by reference.

(c) During the fourth quarter of fiscal year 2017, there has been no change in the Company's internal control over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

Item 9B. OTHER INFORMATION

None.
