Item 8.01 Other Events.

This Current Report on Form 8-K discloses certain additional information relating to the proposed acquisition of Investment Technology Group, Inc. (the Company) by Virtu Financial, Inc. (Virtu). Subject to the terms and conditions of the Agreement and Plan of Merger (the Merger Agreement), dated as of November 6, 2018, by and among the Company, Virtu and Impala Merger Sub, Inc., a wholly owned subsidiary of Virtu (Merger Sub), Merger Sub will merge with and into the Company (the Merger), with the Company continuing as the surviving entity.

In connection with the Merger Agreement and the transactions contemplated thereby, a putative class action lawsuit was filed on behalf of Company stockholders in the Supreme Court of the State of New York. The lawsuit is captioned *Levy v. Troise et al.*, Index No. 616749/2018 (N.Y. Sup. Ct. Dec. 14, 2018) (the Levy Action). In general, the complaint asserts claims against the Company and the Company's board of directors, alleging, among other things, that the defendants failed to make adequate disclosures in the Company's proxy statement filed with the Securities and Exchange Commission (SEC) on December 14, 2018 relating to the Merger (in its definitive form, the Proxy Statement). The Company believes that the allegations in the complaint are without merit.

Another putative class action lawsuit was filed on behalf of Company stockholders in the United States District Court for the District of Delaware. The lawsuit is captioned *Scarantino v. Investment Technology Group, Inc. et al.*, Case No. 1:19-cv-00024 (D. Del. Jan. 7, 2018) (the Scarantino Action) (collectively with the Levy Action, the Actions). In general, the complaint asserts claims against the Company and the Company's board of directors, alleging, among other things, that the defendants failed to make adequate disclosures in the Proxy Statement. The Company believes that the allegations in the complaint are without merit.

The Company has reached an agreement with the respective plaintiffs to resolve the Actions. In connection with the resolution of the Actions, the Company has agreed to make the following amended and supplemental disclosures (the Amended and Supplemental Disclosures) to the Proxy Statement. The Amended and Supplemental Disclosures should be read in conjunction with the Proxy Statement, which should be read in its entirety. Defined terms used but not defined herein have the meanings set forth in the Proxy Statement. Each of the plaintiffs has agreed that, following the filing of this Current Report on Form 8-K, they will dismiss the respective Actions in their entirety, with prejudice as to the named plaintiffs only and without prejudice to all other members of the putative classes.

While the Company believes that the disclosures set forth in the Proxy Statement comply fully with applicable law, to avoid the nuisance, potential expense, burden and delay due to continued litigation and to provide additional information to the Company's stockholders, the Company has agreed to make these Amended and Supplemental Disclosures. Nothing in the Amended and Supplemental Disclosures shall be deemed an admission of the legal necessity or materiality under applicable law of any of the disclosures set forth herein or in the Proxy Statement. To the contrary, the Company denies all allegations in the litigation that any additional disclosure was or is required.

SUPPLEMENTAL DISCLOSURES

The Company has agreed to make these supplemental disclosures to the Proxy Statement. This supplemental information should be read in conjunction with the Proxy Statement, which should be read in its entirety. Defined terms used but not defined below have the meanings set forth in the Proxy Statement. All page references in the information below are to pages in the Proxy Statement. Paragraph references used herein refer to the Proxy Statement before any additions or deletions resulting from the supplemental disclosures. The information contained herein speaks only as of January 14, 2019 unless the information indicates another date applies.

1. The section of the Proxy Statement entitled *Proposal No. 1 The Merger Unaudited Prospective Financial Information* is hereby supplemented as follows:

The following table is added immediately following the table on page 28 of the Proxy Statement:

Additional Unaudited Prospective Financial Information

(dollars in millions)

	Q4 2018		2019		2020		2021		2022

2. The section of the Proxy Statement entitled *Proposal No. 1 The Merger Opinion of the Company's Financial Advisor Public Trading Multiples* is hereby supplemented as follows:

The first three paragraphs on page 31 of the Proxy Statement are amended and restated in their entirety to read as follows:

Using publicly available information, J.P. Morgan compared selected financial data of the Company with similar data for selected publicly traded companies engaged in businesses which J.P. Morgan judged to be sufficiently analogous to the Company. The companies selected by J.P. Morgan were as follows:

- Virtu Financial, Inc.
- Euronext N.V.
- TMX Group Limited
- Bolsas Y Mercados Españoles, Sociedad Holding De Mercados Y Sistemas Financieros, S.A.

These companies were selected, among other reasons, because they are publicly traded companies with operations and businesses that, for the purposes of J.P. Morgan's analysis, may be considered similar to those of the Company. However, certain of these companies may have characteristics that are materially different from those of the Company. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the selected companies differently than they would affect the Company.

Edgar Filing: INVESTMENT TECHNOLOGY GROUP, INC. - Form 8-K

Using publicly available information, J.P. Morgan calculated, for each selected company, the ratio of the company's stock price to the consensus equity research analyst estimate for the company's earnings per share (EPS) for the years ending December 31, 2019 (the CY19E P/E) and December 31, 2020 (the CY20E P/E).

The CY19E P/E and CY20E P/E for the companies selected by J.P. Morgan were as follows:

	CY19E P/E	CY20E P/E
Virtu Financial, Inc.	17.3x	15.5x
Virtu Financial, Inc. (prior to news reports of a potential sale of the Company on October 4, 2018)	14.0x	12.9x
Euronext N.V.	15.9x	15.0x
TMX Group Limited	16.9x	15.3x
Bolsas Y Mercados Españoles, Sociedad Holding De Mercados Y Sistemas Financieros, S.A.	15.5x	14.9x

3. The section of the Proxy Statement entitled Proposal No. 1 The Merger Opinion of the Company's Financial Advisor Selected Transaction Analysis is hereby supplemented as follows:

The last paragraph on page 31, including the table immediately following such paragraph, of the Proxy Statement is amended and restated in its entirety to read as follows:

Using publicly available information, J.P. Morgan reviewed selected transactions involving acquired businesses and assets that, for purposes of J.P. Morgan's analysis, may be considered similar to the Company's business or assets.

Using publicly available information, J.P. Morgan calculated, for each selected transaction, the ratio of the target company's firm value to the target company's EBITDA for the twelve-month period prior to announcement of the applicable transaction (FV/LTM EBITDA). The transactions selected by J.P. Morgan for its analysis, and the FV/LTM EBITDA multiple for each transaction, were as follows:

Month/Year Announced	Target	Acquiror	FV/LTM EBITDA
April 2017	KCG Holdings, Inc.	Virtu Financial, Inc.	19.8x
September 2016	Bats Global Markets, Inc.	CBOE Holdings, Inc.	13.7x
March 2016	International Securities Exchange (U.S. Exchange Holdings, Inc.)	Nasdaq, Inc.	12.8x
December 2015	GFI Group Inc.	BGC Partners, Inc.	13.7x
November 2015	ICAP plc Global Broking	Tullett Prebon plc	13.2x
December 2012	NYSE Euronext, Inc.	IntercontinentalExchange Group, Inc.	9.7x

4. The section of the Proxy Statement entitled Proposal No. 1 The Merger Opinion of the Company's Financial Advisor Discounted Cash Flow Analysis is hereby supplemented as follows:

The last full paragraph on page 32 (such paragraph beginning with J.P. Morgan conducted) of the Proxy Statement is amended and restated to read as follows:

J.P. Morgan conducted a discounted cash flow analysis for the purpose of determining an implied fully diluted equity value per share for the Company common stock. A discounted cash flow analysis is a method of evaluating an asset using estimates of the future unlevered cash flows generated by the asset and taking into consideration the time value of money with respect to those cash flows by calculating their present value. The unlevered free cash flows refers to a calculation of the future cash flows generated by an asset without including in such calculation any debt servicing costs. Specifically, unlevered free cash flow for this purpose represents EBITDA less taxes, capital expenditures and changes in net working capital, as applicable. J.P. Morgan treated stock-based compensation as a cash expense in the unlevered free cash flow calculation for purposes of its discounted cash flow analysis, as stock-based compensation was viewed as a true economic expense of the business. Present value refers to the current value of the cash flows generated by the asset, and is obtained by discounting those cash flows back to the present using an appropriate discount rate and applying a discounting convention that assumes that all cash flows were generated at the midpoint of each period. Terminal value refers to the present value of all future cash flows generated by the asset for periods beyond the projections period.

5. The section of the Proxy Statement entitled Proposal No. 1 The Merger Interests of the Company's Directors and Executive Officers in the Merger is hereby supplemented as follows:

The fifth paragraph on page 35 of the Proxy Statement is amended and restated in its entirety to read as follows:

For an estimate of the amounts that would become payable to the Company's named executive officers upon the vesting and settlement of their unvested equity awards, see Quantification of Potential Payments to the Company's Named Executive Officers in Connection with the Merger. The Company estimates that the aggregate amount that would become payable to its three executive officers who are not named executive officers in settlement of their unvested equity awards if the effective time of the merger were December 1, 2018, based on a price per share of Company common stock of \$30.30, and each such executive experienced a severance-qualifying termination of employment immediately thereafter, would be \$3,031,788. The Company estimates that the aggregate amount that

Edgar Filing: INVESTMENT TECHNOLOGY GROUP, INC. - Form 8-K

would become payable to its seven non-employee directors in settlement of their unvested equity awards if the effective time of the merger were December 1, 2018, based on a price per share of Company common stock of \$30.30, would be \$968,903. Such amounts are set forth in the table below*:

Name	Amount (\$)

Lilien, R. Jarrett	107,929
Lynch, Kevin	152,470
Shavel, Lee	163,529

* The sum of the individual amounts may not equal the aggregate amount due to rounding.
