**Item 1.01. Entry Into a Material Definitive Agreement**

On March 1, 2019, LTC Properties, Inc. (the Company) entered into separate equity distribution agreements (the Agreements) with JMP Securities LLC, Credit Agricole Securities (USA) Inc., KeyBanc Capital Markets Inc. and Mizuho Securities USA Inc. (each, an Agent, and together, the Agents). Under the terms of the Agreements, the Company may offer and sell, from time to time, up to \$200,000,000 in aggregate offering price of shares of the Company's common stock, par value \$0.01 per share (the Shares), through the Agents.

Affiliates of Credit Agricole Securities (USA) Inc., Mizuho Securities USA Inc. and KeyBanc Capital Markets Inc., are members of the banking syndicate for the Company's unsecured revolving line of credit and receive customary fees for their services.

Sales of the Shares, if any, may be made in negotiated transactions, which may include block trades, or transactions that are deemed to be at the market offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange. Subject to the terms of the Agreements, each Agent, if acting as Agent, will use its commercially reasonable efforts consistent with its normal trading and sales practices to sell the Shares, as instructed by the Company. The Company will pay the Agents a commission that will not exceed 2.00% of the gross sales price of all Shares sold through the Agents under the Agreements. Under the terms of the Agreements, the Company also may sell Shares to an Agent as principal for its own account at a price agreed upon in writing at the time of sale.

The Agreements contain customary representations, warranties and agreements by the Company, indemnification obligations of the Company and the Agents, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Agreements were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Agreements.

The offering is being made pursuant to the Company's effective registration statement on Form S-3 and an accompanying prospectus (Registration Statement No. 333-229966) previously filed with the Securities and Exchange Commission and a prospectus supplement thereunder. A copy of the opinion of Ballard Spahr LLP relating to the legality of the issuance and sale of the shares in the offering is attached as Exhibit 5.1 hereto.

The Agreements are filed as Exhibit 1.1, Exhibit 1.2, Exhibit 1.3 and Exhibit 1.4 to this Current Report on Form 8-K and are incorporated herein by reference; the description of the material terms of the Agreements is qualified in its entirety by reference to the exhibits.

The Original Agreements were terminable at will by the Company and the placement agents with no penalty. The Original Agreements established an at-the-market program through which the Company had the right to sell, from time to time and at its sole discretion, shares of its common stock having an aggregate offering price of up to \$200,000,000.
