the reporting person became a limited partner of MF Manager upon its conversion to a limited partnership form of organization. The internal reorganizations and name changes did not alter the proportionate interests of the ultimate security holders of the renamed entities. The actual pro rata portion of beneficial ownership that may be deemed attributable to the reporting person is not readily determinable because it is subject to several variables, including the internal rate of return and vesting within the sole shareholder of JPM SBIC and within MF Manager. The reporting person disclaims beneficial ownership in the securities to the extent it exceeds his pecuniary interest.
