## Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form S-8

- (1) Estimated solely for the purpose of calculating the registration fee in accordance with Rule 457(h) under the Securities Act of 1933 as follows:
  - (i) in the case of shares of Charter Communications, Inc. Class A common stock, par value \$0.001 (the "Common Stock") upon exercise of outstanding options granted under the Charter Communications, Inc. 2001 Stock Incentive Plan, the fee is calculated on the basis of the price at which the

II-1

outstanding options may be exercised: 6,742,830 options exercisable at \$23.0938 per share; and 1,410,000 options exercisable at \$21.195 per share; and (ii) in the case of shares of Common Stock for which options have not yet been granted and the option price of which is therefore unknown, the fee is calculated on the basis of (i) the average of the high and low sale prices per share of Common Stock as quoted on the Nasdaq National Market on May 16, 2001 (within 5 business days prior to filing this Registration Statement).

- (2) Represents the aggregate number of shares of Common Stock which may be issued upon the exercise of options which have been granted and/or may hereafter be granted under the plan.

### EXPLANATORY NOTE

In May 2000, the Company filed a registration statement on Form S-8 (333-36688) registering 25,009,798 shares of Common Stock issuable in exchange for membership units received upon the exercise of options granted under the 1999 Charter Communications Option Plan (the "1999 Option Plan"). In February 2001, the Board of Directors of the Company approved the adoption of the Charter Communications, Inc. 2001 Stock Incentive Plan (the "2001 Incentive Plan"), subject to the approval of the Company's shareholders which is expected to occur in June 2001. Upon effectiveness of the 2001 Incentive Plan, the Company will have a total of 60,000,000 shares of its Class A common stock available for the grant of options and other stock-based benefits under the 1999 Option Plan and the 2001 Incentive Plan or, in the alternative, the Company can use shares available under the 2001 Incentive Plan for stock-based benefits other than options.

The 1999 Option Plan provided for options covering up to 25,009,798 membership units in Charter Communications Holding Company, LLC (a direct subsidiary of the Company) which are exchanged immediately upon issuance for shares of the Company's Class A common stock on a one-for-one basis. To ensure that the combined number of shares covered by both plans would be 60,000,000, the 1999 Option Plan was amended to provide that any unissued shares, including those that become available as a result of termination of an option under the terms of the 1999 Option Plan, be removed from the 1999 Option Plan and be added to the 2001 Incentive Plan. The 2001 Incentive Plan, in turn, provides that it starts with 38,895,911 shares available, with the number to increase automatically by the number of options removed from under the 1999 Option Plan. Thus, the number of shares covered by each plan changes on a daily basis, but in no event will the total under both plans exceed 60,000,000 shares.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law permits a corporation to include in its charter documents and in agreements between the corporation and its directors and officers, provisions expanding the scope of indemnification beyond that specifically provided by current law.

The registrant's certificate of incorporation provides that a director of the registrant shall not be personally liable to the registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability: (i) for any breach of the directors' duty of loyalty to the registrant or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of the Delaware General Corporation Law; or (iv) for any transaction from which the director derived an improper personal benefit.

The registrant's bylaws require the registrant, to the fullest extent authorized by the Delaware General Corporation Law, to indemnify any person who was or is made a party or is threatened to be made a party or is otherwise involved in any action, suit or proceeding by reason of the fact that he is or was a director or officer of the registrant or is or was serving at the request of the registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other entity or enterprise, in each case, against all expense, liability and loss (including attorneys' fees, judgments, amounts paid in settlement, fines, ERISA excise taxes or penalties) reasonably incurred or suffered by such person in connection therewith.

## Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form S-8

Wood, a member of the Board of Directors of the registrant, against claims, damages, liabilities, losses or expenses incurred or suffered by either of them in connection with or arising out of their performance of their respective duties as an officer or director of the registrant.

The registrant has obtained directors' and officers' liability insurance policies which are intended to insure such person against certain liabilities incurred in their respective capacities as directors and officers of the registrant.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

A. (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a) (3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent

## Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form S-8

post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (A) (1) (i) and (A) (1) (ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

II-5

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court

of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
