ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF TRUSTEES AND OFFICERS.

Section 2-418 of the Maryland General Corporation Law generally permits indemnification of any trustee or officer made a party to any proceedings by reason of service as a trustee or officer unless it is established that (i) the act or omission of such person was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty; or (ii) such person actually received an improper personal benefit in money, property or services; or (iii) in the case of any criminal proceeding, such person had reasonable cause to believe that the act or omission was unlawful. The indemnity may include judgments, penalties, fines, settlements and reasonable expenses actually incurred by the trustee or officer in connection with the proceeding; but, if

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-8

the proceeding is one by or in the right of the company, indemnification is not permitted with respect to any proceeding in which the trustee or officer has been adjudged to be liable to the company, or if the proceeding is one charging improper personal benefit to the trustee or officer, whether or not involving action in the trustee's or officer's official capacity, indemnification of the trustee or officer is not permitted if the trustee or officer was adjudged to be liable on the basis that personal benefit was improperly received. The termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or any entry of an order of probation prior to judgment, creates a rebuttable presumption that the trustee or officer did not meet the requisite standard of conduct required for permitted indemnification. The termination of any proceeding by judgment, order or settlement, however, does not create a presumption that the trustee or officer failed to meet the requisite standard of conduct for permitted indemnification.

The Registrant's trustees and officers are and will be indemnified against certain liabilities under Maryland law, and under the Registrant's Declaration of Trust. The Registrant's Declaration of Trust requires the Registrant to indemnify its trustees and officers to the fullest extent permitted from time to time by the laws of Maryland. The Registrant's Declaration of Trust also provides that, to the fullest extent permitted under Maryland law, the Registrant's trustees and officers will not be liable to the Registrant or its shareholders for money damages.

The foregoing reference is necessarily subject to the complete text of the Registrant's Declaration of Trust and the statute referred to above and is qualified in its entirety by reference thereto.

The Registrant has also entered into indemnification agreements with certain officers and trustees for the purpose of indemnifying such persons from certain claims and actions in their capacities as such.

ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-8

are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to trustees, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form S-8

against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a trustee, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such trustee, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
