Introduction to Unaudited Pro Forma Condensed Consolidated Financial Statements

The following unaudited pro forma condensed consolidated balance sheet as of December 31, 2004, reflects the financial position of Lexington Corporate Properties Trust (the "Trust") as if the acquisition of the twenty-seven properties (the "Properties") had occurred on December 31, 2004 (rather than April 13, 2005). The unaudited pro forma condensed consolidated statement of operations for the year ended December 31, 2004, present the results of operations of the Trust as if the acquisition of the Properties, excluding one property that is included in discontinued operations since it is held for sale, had occurred on January 1, 2004 (rather than April 13, 2005).

These unaudited pro forma condensed consolidated financial statements should be read in connection with the financial statements of the Trust for the year ended December 31, 2004, included in the Trust's Annual Report on Form 10-K and the financial statements included in Item 9.01 (a) of the Trust's Amendment No.1 to Form 8-K/A (date of earliest reported event: April 13, 2005).

These unaudited pro forma financial statements are not necessarily indicative of the expected results of operations of the Trust for any future period. Differences could result from, among other considerations, future changes in the Trust's portfolio of investments, changes in interest rates, changes in the capital structure of the Trust, changes in property level operating expenses, and changes in property level revenues including rents expected to be received on leases in place or signed during and after 2004.
