Item 2.02. Results of Operations and Financial Condition.

On February 8, 2007, the Company issued a press release reporting its second quarter financial results. The press release is attached as Exhibit 99.1 to this report.

The release furnished as Exhibit 99.1 to this Report contains the following non-GAAP measure: Net loss applicable to common shareholders adjusted to exclude stock-based compensation recorded for the quarter ended December 31, 2006 increased \$0.02 per share to \$0.14 loss per share for the quarter ended December 31, 2006. Net loss applicable to common shareholders adjusted to exclude a one-time charge associated with the Company entering into a licensing agreement with Japan and stock-based compensation recorded for the six months ended December 31, 2006 increased \$0.06 per share to \$0.32 loss per share for the quarter ended December 31, 2006. (Refer below to our reconciliation table of GAAP net loss applicable to common shareholders to the adjusted net loss available to common shareholders).

Reconciliation of Non-U.S. GAAP Financial Measure

Adjusted Loss applicable to common stockholders defined as loss applicable to common shareholders less one-time expense for the Japanese license agreement recorded for the quarters ended December 31, 2006 and 2005, respectively.

Note: Adjusted loss available to common shareholders, defined as loss available to common shareholders adjusted for a one-time charge associated with entering into an agreement to license clofarabine in Japan and stock-based compensation required to be recorded in the statement of operations is a non-U.S. GAAP measure used by management in evaluating the performance of the Company's overall business. The Company believes that this performance measure contributes to a more complete understanding by investors of the overall results of the Company. For the three months ended December 31, 2006 and 2005, the Company recorded stock-based compensation of \$1,137,752 and \$496,571 respectively. For the six months ended December 31, 2006, the Company recorded a one-time charge of \$3,953,074 recorded as R&D expense relating to the Company signing a Japanese licensing agreement and

\$1,760,247 relating to stock-based compensation. For the six months ended December 31, 2005 the Company recorded stock-based compensation of \$978,319.

The information set forth in the above Item 2.02 and the attached Exhibit 99.1 is furnished to, but shall not be deemed filed with the Commission for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise incorporated by reference into any filing pursuant to the Securities Act of 1933, as amended, or the Exchange Act, except as otherwise expressly stated in such a filing.
