Item 5. Other Events

On August 12, 2002, Tiffany & Co. announced that its wholly-owned subsidiary, TSAC Corp., has entered into a stock purchase agreement with Seymour Holtzman and certain of his affiliates, including Jewelcor Management, Inc., to purchase their shares of the common stock, par value \$0.01 per share, of Little Switzerland, Inc. (OTCBB: LSVI.OB), representing approximately 12% of the outstanding Little Switzerland common stock, at \$2.40 per share. Tiffany currently beneficially owns approximately 45% of Little Switzerland's outstanding common stock. The stock purchase agreement contemplates that TSAC Corp. promptly will commence a cash tender offer to acquire the balance of the outstanding shares of Little Switzerland's common stock at \$2.40 per share. The stock purchase agreement will be subject to conditions identical to the conditions of the tender offer, including the minimum tender and majority of the minority conditions described below.

The purchase price of \$2.40 per share represents a 73 percent premium over the closing price of \$1.39 on August 12, 2002. Neither the stock purchase agreement nor the tender offer is conditioned on Tiffany & Co. or any of its subsidiaries obtaining any financing or the approval of Little Switzerland's Board of Directors. The stock purchase agreement and the tender offer are, however, subject to the tender of a sufficient number of Little Switzerland shares so that, upon the closing of the tender offer and the stock purchase agreement, Tiffany would beneficially own at least 90% of the outstanding Little Switzerland common stock on a fully-diluted basis. In addition, the stock purchase agreement and the tender offer are subject to the tender of at least a

majority of the outstanding Little Switzerland shares, excluding shares beneficially owned by Tiffany, Mr. Holtzman or any of Mr. Holtzman's affiliates.

Tiffany & Co. expects to commence the tender offer on or soon after August 15, 2002. Tiffany anticipates causing TSAC Corp. to acquire any shares not purchased under the stock purchase agreement and in the tender offer through a "short form" merger at the same cash price per share as the tender offer, so long as the tender offer is successful and Tiffany & Co. beneficially owns at least 90% of the outstanding shares of Little Switzerland Common Stock after its completion, including the shares purchased pursuant to the stock purchase agreement. If the tender offer is successful, Tiffany & Co. intends to operate Little Switzerland as a separate business unit under the trade name LITTLE SWITZERLAND. A copy of the Company's press release with respect to the offering is filed as Exhibit 99.1 hereto.
