### **Item 1.01 Entry into a Material Definitive Agreement**

On June 28, 2007, we entered into an Agreement and Plan of Acquisition (the “Agreement”) with UTEK CORPORATION, a Delaware corporation, (“UTEK”) and Non-Destructive Assessment Technologies, Inc, a Florida corporation (“NDATI”), pursuant to which we acquired 100% of NDATI’s outstanding stock from UTEK in exchange for a total of 6,750,000 shares of our Class A Common Stock (the “Shares”), with 6,412,500 shares being issued to UTEK and 337,500 shares being issued to Falcon Financial. As a result of this transaction NDATI became our wholly-owned subsidiary. Pursuant to a License Agreement (the “License Agreement”) with Iowa State University Research Foundation (“ISURF”), NDATI owns the Licensing rights to certain patented inventions entitled “Pulsed Eddy Current Instrument” (the “Licensed Products”), which permits NDATI to make, use and sell the Licensed Products for the life of the patent or until the License Agreement is terminated. Under the License Agreement, NDATI must pay certain royalty payments to ISURF out of net sales of products sold that utilize the Licensed Products.

### **Item 2.01 Completion of Acquisition or Disposition of Assets**

On July 3, 2007, we completed the above-described transaction acquiring 100% of the outstanding stock of NDATI. At the time of the acquisition NDATI assets included \$250,000 in cash and the licensing rights contained in the License Agreement. There was no material relationship between us or NDATI, or our officers, directors, or shareholders prior to entering into the Agreement.

### **Item 3.02 Unregistered Sale of Equity Securities**

On July 3, 2007, pursuant to the above-described transaction, we issued an aggregate of 6,750,000 shares of our Class A Common Stock (the “Shares”), with 6,412,500 shares being issued to UTEK and 337,500 shares being issued to Falcon Financial., all restricted in accordance with Rule 144. The issuance was exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, and both UTEK and Falcon Financial are sophisticated investors.
