As you know, a majority of Placer Dome shareholders have accepted Barrick's offer and Barrick has now acquired control.

You play an important role in communicating with our employees and external callers. There will be many questions and issues that will arise through the course of the integration of our two companies. To assist you in dealing with them, we have provided some initial guidance. You should not hesitate to contact your supervisor to discuss any questions that arise and ensure that you have the necessary information to fulfill your responsibilities.

You should continue to answer the phones as you have normally done in the past until otherwise advised.

Thank you for your efforts.
