ANNUAL MEETING OF STOCKHOLDERS

PURPOSE OF THE ANNUAL MEETING

At the annual meeting, Aware will submit a proposal to the stockholders to elect two Class II directors, each for a three-year term.

Currently, Aware does not intend to submit any other proposals to the stockholders at the annual meeting. The board of directors was not aware, a reasonable time before mailing this proxy statement to stockholders, of any other business that may be properly presented for action at the annual meeting. If any other business comes before the annual meeting, the persons present will have discretionary authority to vote the shares they own or represent by proxy in accordance with their judgment, to the extent authorized by applicable regulations.

RECORD DATE

The board of directors of Aware has fixed the close of business on Friday, March 30, 2001 as the record date for the annual meeting. Only stockholders of record at the close of business on that date are entitled to receive notice of the meeting and to vote at the meeting or any adjournment of the meeting. At the close of business on the record date, there were issued and outstanding 22,618,309 shares of Aware's common stock, which are entitled to cast 22,618,309 votes.

QUORUM

Aware's by-laws provide that a quorum at the annual meeting will be a majority in interest of all stock issued, outstanding and entitled to vote at the meeting. Aware will treat shares of common stock represented by a properly signed and returned proxy as present at the meeting for purposes of determining the existence of a quorum at the meeting. In general, Aware will count votes withheld from any nominee for election as director, abstentions and broker "non-votes" as present or represented for purposes of determining the existence

Edgar Filing: AWARE INC /MA/ - Form DEF 14A

a quorum. A broker "non-vote" occurs when a broker or nominee holding shares for a beneficial owner does not vote on a proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner with respect to that proposal.

VOTE REQUIRED; TABULATION OF VOTES

The election of each Class II director will require the affirmative vote of a plurality of the shares of common stock properly cast on the proposal. Abstentions, votes withheld from director-nominees, and broker non-votes will not count as votes cast for or against the election of the director-nominees and accordingly will not affect the outcome of the vote.

Aware's transfer agent, EquiServe, will tabulate the votes at the annual meeting. EquiServe will tabulate separately the vote on each matter submitted to stockholders.

REVOCAION OF PROXIES

A stockholder who has executed a proxy may revoke the proxy at any time before it is exercised as the annual meeting in three ways:

o by giving written notice of revocation to the Clerk of Aware at the following address:

Aware, Inc.
40 Middlesex Turnpike
Bedford, Massachusetts 01730
Attention: Clerk

o by signing and returning another proxy with a later date; or

o by attending the annual meeting and informing the Clerk of Aware in writing that he or she wishes to vote in person.

Accordingly, stockholders who have executed and returned proxies in advance of the annual meeting may change their votes at any time before or at the annual meeting. Mere attendance at the annual meeting will not in and of itself revoke the proxy.

SOLICITATION OF PROXIES

Aware will bear all costs incurred in connection with the solicitation of proxies for the annual meeting. Aware will reimburse brokers, banks, fiduciaries, nominees and others for the out-of-pocket expenses and other reasonable clerical expenses they incur in forwarding proxy materials to beneficial owners of common stock held in their names. In addition to this solicitation by mail, Aware's directors, officers and employees may solicit proxies, without additional remuneration, by telephone, facsimile, electronic mail, telegraph and in person. Aware expects that the expenses of any special solicitation will be nominal. At present, Aware does not expect to pay any compensation to any other person or firm for the solicitation of proxies.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

ELECTION OF DIRECTORS

The annual meeting concerns the election of two Class II directors.

Edgar Filing: AWARE INC /MA/ - Form DEF 14A

The board of directors has nominated for election as Class II directors John K. Kerr and David Ehreth, each of whom is currently a Class II director of Aware. Mr. Kerr also serves as Aware's chairman of the board. Each director elected at the annual meeting will hold office until the annual meeting of stockholders in 2004 and until his successor is duly elected and qualified.

Each of the nominees has agreed to serve if elected, and Aware has no reason to believe that either nominee will be unable to serve. If either nominee is unable or declines to serve as a director at the time of the annual meeting, proxies will be voted for another nominee that our board will designate at that time. Proxies cannot be voted for more than two nominees.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF JOHN K. KERR AND DAVID EHRETH AS CLASS II DIRECTORS OF AWARE.

The board of directors is divided into three classes, referred to as Class I, Class II and Class III, each consisting of approximately one-third of the directors. One class is elected each year at the annual meeting of stockholders to hold office for a term of three years and until their respective successors have been duly elected and qualified. The number of directors has been fixed at seven, and there are currently two vacancies on the board of directors. The current terms of Messrs. Kerr and Ehreth, Aware's Class II directors, will expire at the annual meeting to be held on May 24, 2001. The term of Aware's sole Class III director, Mr. Reiter, will expire at the annual meeting to be held in 2002. The current terms of Messrs. Tzannes and Forney, Aware's Class I directors, will expire at the annual meeting to be held in 2003.

Executive officers are elected annually by the board of directors and serve at the discretion of the board or until their respective successors have been duly elected and qualified. There are no family relationships among Aware's directors and executive officers.

COMMITTEES AND MEETINGS OF THE BOARD

During 2000, the board of directors met six times and took action by written consent once. No incumbent director attended fewer than 75% of the total number of meetings held by the board and committees of the board on which he served.

Aware has an executive committee, a compensation committee and an audit committee but does not have a nominating committee or other committee performing similar functions. The executive committee has all of the powers of the board of directors except the power to: change the number of directors or fill vacancies on the board of directors; elect or fill vacancies in the offices of president, treasurer or clerk; remove any officer or director; amend the by-laws of Aware; change the principal office of Aware; authorize the payment of any dividend or distribution to shareholders of Aware; authorize the reacquisition of capital stock for value; and authorize a merger.

In 2000, the executive committee neither met nor took action by written consent; the compensation committee held three meetings and took action by written consent 16 times; and the audit committee met five times and took no action by written consent.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Aware's compensation committee is currently composed of Messrs. Kerr and Ehreth. Mr. Kerr formerly served as Aware's assistant vice president of marketing from June 1992 to November 1994. In 2000, no officer or employee of Aware participated in the deliberations of the compensation committee concerning the compensation of Aware's executive officers. No interlocking relationship existed between Aware's board of directors or compensation committee and the board of directors or compensation committee of any other company in 2000.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

DIRECTOR COMPENSATION

Aware reimburses each director for expenses incurred in attending meetings of the board of directors but does not pay any separate fees for serving as directors.

Edgar Filing: AWARE INC /MA/ - Form DEF 14A

In 2000, Aware compensated its directors through grants of nonqualified options under its 1996 Stock Option Plan. In accordance with the terms of the plan, the exercise price of each option is equal to the closing price of the common stock on the Nasdaq National Market on the date of grant. Each option has a term of ten years and vests in sixteen equal consecutive quarterly installments.

The following table provides information about these grants.

EXECUTIVE COMPENSATION

SUMMARY OF CASH AND OTHER COMPENSATION. The following table provides summary information concerning compensation earned for services rendered to Aware in all capacities during the last three fiscal years by Aware's chief executive officer in 2000 and each other executive officer of Aware.

Other annual compensation in the form of perquisites and other personal benefits has been omitted because the aggregate amount of perquisites and other personal benefits was less than \$50,000 and constituted less than 10% of the executive officer's total annual salary and bonus.

Long-term compensation awards represent stock options granted under Aware's 1996 Stock Option Plan. In 1998, 1999 and 2000, Aware did not make any restricted stock awards, grant any stock appreciation rights or make any long-term incentive plan payouts.

All other compensation represents group term life insurance premiums paid by Aware on behalf of the executive officers and the following matching contributions by Aware under its 401(k) plan for the benefit of the executive officers in 1998, 1999 and 2000: Mr. Tzannes, \$1,991, \$5,000 and \$5,250; Mr. Reiter, \$1,010, \$2,019 and \$2,135; Mr. Moberg, \$1,369, \$3,795 and \$3,978; and Mr. Gross, \$1,465, \$3,071 and \$3,224.

OPTION GRANTS IN LAST FISCAL YEAR. The following table provides information concerning stock options granted under the 1996 Stock Option Plan during 2000 to each of the executive officers.

In accordance with the terms of the plan, the exercise price of each option is equal to the closing price of the common stock on the Nasdaq National Market on the date of grant. Each option vests in 16 equal quarterly installments of 6.25%. In 2000, Aware granted employees options to purchase an aggregate of 1,631,350 shares of common stock under its 1996 Stock Option Plan.

The amounts reported in the last two columns represent hypothetical values that the executive officers could realize upon exercise of the options immediately before to the expiration of their terms, assuming the specified compounded rates of appreciation of the price of the common stock over the term of the options. Aware has calculated these numbers based on the rules of the Securities and Exchange Commission, and they do not represent Aware's estimate of future stock price growth. Actual gains, if any, on stock option exercises and common stock holdings will depend on the timing of the exercise and the future performance of the common stock. The common stock may not achieve the rates of appreciation assumed in this table and the executive officers may not receive the amounts reflected in this table. This table does not take into account any appreciation in the price of the common stock from the date of grant to the current date. The values shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise.

The value realized upon the exercise of options is based on the last sale prices of the common stock on the respective dates of exercise, as reported by the Nasdaq National Market, less the applicable option exercise prices. The value of unexercised in-the-money options at fiscal year-end is based on \$17.75 per share, the last sale price of the common stock on December 31, 2000, as reported by the Nasdaq National Market, less the applicable option exercise prices. Actual gains, if any, will depend on the value of the common stock on the date of the sale of the shares.

REPORT OF THE COMPENSATION COMMITTEE

The compensation committee established by the board of directors is composed of two outside directors, David Ehreth and John K. Kerr. The compensation committee has general responsibility for Aware's executive compensation policies and practices, including responsibility for establishing the specific compensation of Aware's executive officers and administering Aware's stock plans. The following report summarizes Aware's executive officer compensation policies for 2000.

7

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

COMPENSATION OBJECTIVES. Aware's executive compensation programs are generally designed to relate executive compensation to improvements in Aware's financial performance and corresponding increases in stockholder value. Decisions concerning executive compensation are intended to:

- o establish incentives that will link executive officer compensation to Aware's stock performance and motivate executives to attain Aware's quarterly and annual financial targets and to promote Aware's long-term financial success; and
- o provide a total compensation package that is competitive within the industry and that will assist Aware to attract and retain executives who will contribute to the long-term financial success of Aware.

EXECUTIVE COMPENSATION. Aware's executive compensation package for 2000 consisted of two principal components: base salary and a stock-based equity incentive in the form of participation in Aware's stock option plans. Aware's executive officers were also eligible to participate in other employee benefit plans, including health and life insurance plans and a 401(k) retirement plan, on substantially the same terms as other employees who met applicable eligibility criteria, subject to any legal limitations on the amounts that could have been contributed or the benefits that could have been paid under these plans. Aware's executive officers may also participate in Aware's sales bonus and patent bonus programs on substantially the same terms of other employees. Aware does not have a management incentive bonus program.

Aware's executive compensation policy emphasizes stock options in order to align the interests of management with the stockholders' interests in the financial performance of Aware for fiscal quarters, the fiscal year and the longer term. In granting stock options, the compensation committee considered in part the value of options held by the executive officers and the extent to which the compensation committee believed those options would provide sufficient motivation to the executive officers to achieve Aware's goals. In 2000, the compensation committee granted stock options under Aware's 1996 Stock Option Plan to each of Michael A. Tzannes, Edmund C. Reiter, Richard P. Moberg and Richard W. Gross. As indicated in the section captioned "Option grants in last fiscal year" above, all of the options granted to Messrs. Tzannes, Reiter, Moberg and Gross vest over 16 calendar quarters.

In establishing base salaries for executives, the compensation committee monitors salaries at other companies, particularly companies in the same industry and companies located in the same geographic area as Aware. In addition, for each executive the compensation committee considers historic salary levels, work responsibilities and base salary relative to other

Edgar Filing: AWARE INC /MA/ - Form DEF 14A

executives at Aware. To some extent, the compensation committee also considers general economic conditions, Aware's financial performance and each individual's performance. The compensation committee increased the base salaries of Aware's executive officers in 2000 in accordance with Aware's general policy of adjusting salaries annually to reflect comparable executive salaries for comparably sized companies and to accomplish Aware's compensation objectives as outlined above.

CHIEF EXECUTIVE OFFICER COMPENSATION. Consistent with Aware's overall executive officer compensation policy, Aware's approach to the chief executive officer's compensation package in 2000 was to be competitive with other companies in the industry. The compensation committee believes that this approach provided additional incentive to Mr. Tzannes to achieve Aware's performance goals and enhance stockholder value. Mr. Tzannes' salary was designed to give him assurance of a base level of compensation commensurate with his position and duration of employment with Aware and competitive with salaries for officers holding comparable positions in the industry.

8

POLICY REGARDING SECTION 162(m) OF THE INTERNAL REVENUE CODE. Section 162(m) of the Internal Revenue Code limits Aware's ability to deduct, for income tax purposes, compensation in excess of \$1.0 million paid to the chief executive officer and the three most highly compensated executive officers of Aware (other than the chief executive officer) in any year, unless the compensation qualifies as "performance-based compensation." The compensation committee believes that options granted under Aware's 1996 Stock Option Plan qualify as performance-based compensation and, as a result, are not subject to the \$1.0 million limit. In 2000, the aggregate base salaries, bonuses and other non-equity compensation of Aware's executive officers did not exceed the \$1.0 million limit. The compensation committee does not expect that non-equity compensation will exceed the \$1.0 million limit in the foreseeable future. With respect to equity compensation, the compensation committee's policy with respect to Section 162(m) is that it would prefer to cause compensation to be deductible by Aware; however, the compensation committee also weighs the need to provide appropriate incentives to Aware's executive officers against the potential adverse tax consequences that may result under Section 162(m) from the grant of compensation that does not qualify as performance-based compensation.

REPORT OF THE AUDIT COMMITTEE

The board of directors appointed an audit committee to review the results and scope of the annual audit of Aware's financial statements conducted by Aware's independent accountants, the scope of other services provided by Aware's independent accountants, proposed changes in Aware's financial and accounting standards and principles, and Aware's policies and procedures with respect to its internal accounting, auditing and financial controls. The audit committee also makes recommendations to the board of directors on the engagement of the independent accountants, as well as other matters which may come before the audit committee or at the direction of the board of directors. The audit committee is governed by a written charter adopted by the board of directors. A copy of the charter is attached to this proxy statement.

The audit committee currently consists of three non-employee directors. Each member of the audit committee is "independent" within the meaning of the Nasdaq Stock Market's marketplace rules.

Aware's management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of financial statements in accordance with generally accepted accounting principles. Aware's independent auditors are responsible for auditing those financial statements. The responsibility of the audit committee is to monitor and review these processes. However, the members of the audit committee are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, including with respect to auditor independence. The audit committee has relied, without independent verification, on the information provided to it and on the representations made by Aware's management and independent auditors.

Edgar Filing: AWARE INC /MA/ - Form DEF 14A

In fulfilling its oversight responsibilities, the audit committee discussed with representatives of PricewaterhouseCoopers LLP, Aware's independent auditors for fiscal 2000, the overall scope and plans for their audit of Aware's financial statements for fiscal 2000. The audit committee met with them, with and without Aware's management present, to discuss the results of their examinations and their evaluations of Aware's internal controls and the overall quality of Aware's financial reporting.

The audit committee reviewed and discussed the audited financial statements for fiscal 2000 with management and the independent auditors.

The audit committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the audit committee received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed their independence with them. In evaluating the independence of Aware's auditors, the audit committee considered whether the services they provided to Aware beyond their audit and review of Aware's financial statements were compatible with maintaining their independence. The audit committee also considered the amount of fees they received for audit and non-audit services.

Based on the audit committee's review and these meetings, discussions and reports, and subject to the limitations on the audit committee's role and responsibilities referred to above and in the audit committee charter, the audit committee recommended to the board of directors that Aware's audited financial statements for fiscal 2000 be included in Aware's annual report on Form 10-K. The audit committee also recommended to the board of directors that PricewaterhouseCoopers LLP be selected as Aware's independent auditors for fiscal 2001.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: AWARE INC /MA/ - Form DEF 14A

executive officers and directors, as well as persons who beneficially own more than ten percent of Aware's common stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Regulations of the SEC require these executive officers, directors and stockholders to furnish Aware with copies of all Section 16(a) forms they file.

Based solely upon a review of the Forms 3, 4 and 5 and amendments thereto furnished to Aware with respect to 2000, or written representations that Form 5 was not required for 2000, Aware believes that all Section 16(a) filing requirements applicable to its executive officers, directors and greater-than-ten-percent stockholders were fulfilled in a timely manner.

INDEPENDENT ACCOUNTANTS

The board of directors has selected PricewaterhouseCoopers LLP as independent accountants to audit the financial statements of Aware for the year ending December 31, 2001.

FEEES FOR PROFESSIONAL SERVICES

The following table provides the fees Aware paid to PricewaterhouseCoopers LLP for professional services rendered for fiscal 2000. Audit fees consist of fees for services rendered by PricewaterhouseCoopers LLP in connection with their audit of Aware's annual financial statements and their review of Aware's interim financial statements included in Aware's quarterly reports on Form 10-Q for fiscal 2000.

ATTENDANCE AT ANNUAL MEETING

Aware expects that representatives of PricewaterhouseCoopers LLP will be present at the annual meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

CHANGE IN INDEPENDENT AUDITORS IN 1999

Aware's audit committee recommended, and Aware's board of directors unanimously voted, effective May 25, 1999, to appoint PricewaterhouseCoopers LLP as its independent accountants for the fiscal year ending December 31, 1999, and to dismiss Deloitte & Touche LLP, which had served as Aware's independent accountants since April 1996. During Aware's fiscal years ended December 31, 1997 and 1998, and the subsequent interim period prior to May 25, 1999, Deloitte & Touche LLP did not have any disagreement with Aware on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Deloitte & Touche LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on Aware's financial statements. The reports of Deloitte & Touche LLP on Aware's financial statements for the period from January 1, 1997 through December 31, 1998 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the period from January 1, 1997 through May 25, 1999, there were no "reportable events" within

Edgar Filing: AWARE INC /MA/ - Form DEF 14A

the meaning of Item 304(a)(1)(v) of Regulation S-K promulgated under the Securities Act of 1933, as amended.

STOCKHOLDER PROPOSALS

If any stockholder would like to include any proposal in Aware's proxy materials for its next annual meeting of stockholders or special meeting in lieu thereof, the stockholder must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934. Among other requirements, Aware must receive the proposal at its executive offices no later than December 11, 2001. If any stockholder would like to submit a proposal for that meeting outside the processes of Rule 14a-8, notice of the proposal will be considered untimely under Rule 14a-4(c)(1) if Aware receives the notice after February 24, 2002.

AVAILABLE INFORMATION

STOCKHOLDERS OF RECORD ON MARCH 30, 2001 WILL RECEIVE COPIES OF THIS PROXY STATEMENT AND AWARE'S 2000 ANNUAL REPORT TO STOCKHOLDERS, WHICH CONTAINS DETAILED FINANCIAL INFORMATION CONCERNING AWARE. AWARE WILL MAIL, WITHOUT CHARGE, A COPY OF AWARE'S ANNUAL REPORT ON FORM 10-K (EXCLUDING EXHIBITS) TO ANY STOCKHOLDER WHOSE PROXY AWARE IS SOLICITING IF THE STOCKHOLDER REQUESTS IT IN WRITING. ANNEX A

AWARE, INC.

AUDIT COMMITTEE CHARTER

MISSION STATEMENT

The audit committee will assist the board of directors in fulfilling its oversight responsibilities. The audit committee will review the financial reporting process, the system of internal control, the audit process, and the company's process for monitoring compliance with laws and regulations and with the code of conduct. In performing its duties, the committee will maintain effective working relationships with the board of directors, management, and the external auditors. To effectively perform his or her role, each committee member will obtain an understanding of the detailed responsibilities of committee membership as well as the company's business, operations, and risks.

ORGANIZATION

Size of committee

The audit committee shall be comprised of at least 3 members.

Membership qualifications

Each member should make a unique and valuable contribution to the committee. A diverse outlook among members is also desirable, since a uniform

Edgar Filing: AWARE INC /MA/ - Form DEF 14A

point of view could lead to overemphasis in one direction. Qualifications that each committee member should possess include:

- o Integrity;
- o Recognition of audit committee's significant role;
- o Dedication of time and energy;
- o Understanding of the business, its products, and its services;
- o Knowledge of the company's risks and controls, and the ability to offer insights;
- o Inquisitiveness and independent judgment (asking the right questions and interpreting the answers); and
- o Ability to offer new and different perspectives and constructive suggestions.

The board of directors should ensure periodically that the mix of characteristics, experiences, and skills of committee members provides an appropriate balance necessary for the committee's successful performance.

Independence of members -----

To the extent practical, the audit committee shall be composed of independent directors. In the event that all members of the audit committee are not independent directors, then independent directors should be a majority of the members of the committee.

A-1

Frequency of meetings -----

The audit committee shall meet regularly and must carefully plan its timetable, agendas, and participants. The number of meetings the committee holds is influenced by the objectives established and the scope of activities. Above all, the number and length of committee meetings shall be appropriate to ensure that the committee meets its objectives.

Appointment of chairperson -----

In selecting a committee chairperson, the board of directors shall choose someone with the requisite characteristics listed above, strong leadership qualities, objectivity, and the ability to promote effective working relationships.
