You are therefore receiving a Notice of Internet Availability of Proxy Materials, rather than a paper copy of our Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2017. The Notice of Internet Availability explains how to access the proxy materials online, vote online and obtain a paper copy of our proxy materials, if desired.

On behalf of our Board of Directors, management and employees of Tredegar Corporation, I thank you for your continued support and confidence in our company.

Sincerely yours,

William M. Gottwald
Chairman of the Board

PROXY STATEMENT

for

ANNUAL MEETING OF SHAREHOLDERS
TREDEGAR CORPORATION

To be held on May 2, 2018

Approximate date of mailing of the Notice of Internet Availability of Proxy Materials March 23, 2018

VOTING INFORMATION

The Board of Directors (Board) of Tredegar Corporation, a Virginia corporation (Tredegar, we, our or us), is soliciting your proxy for the annual meeting of shareholders to be held on Wednesday, May 2, 2018 (the annual meeting or the 2018 annual meeting). This proxy statement contains information about the items you will be voting on at the annual meeting.

Who may vote?

You may vote if you owned shares of Tredegar common stock on March 9, 2018, the date our Board established for determining shareholders entitled to vote at the annual meeting. On that date, there were 33,114,349 outstanding shares of Tredegar common stock. You are entitled to one vote for each share of Tredegar common stock you own.

What are the proposals shareholders will be voting on at the annual meeting?

You will be voting on the following:

1. the election of the eight directors identified in this proxy statement to serve until the 2019 annual meeting of shareholders and until their successors are elected and qualified;
 2. the approval of the Tredegar Corporation 2018 Equity Incentive Plan;
 3. a non-binding advisory vote on the compensation paid by Tredegar to our named executive officers;
 4. a non-binding advisory vote on whether future advisory votes on the compensation paid by Tredegar to our named executive officers should occur every one, two or three years; and
 5. the transaction of any other business as may properly come before the annual meeting or any adjournments or postponements of the annual meeting.
-

How do I vote my shares?

You may vote your shares as follows:

· If your shares of Tredegar common stock are registered directly in your name with Computershare:

· You may vote via the Internet by accessing the web page www.envisionreports.com/TG and following the on-screen instructions.

· If you request a printed copy of the proxy materials, you may vote by telephone by calling toll-free 1-800-652-VOTE (8683) and following the instructions.

· If you request a printed copy of the proxy materials, you may vote by mail by completing, signing, dating and returning the proxy card in the self-addressed, stamped envelope provided therewith.

· You may vote in person at the annual meeting by requesting a ballot at the annual meeting.

· If your shares of Tredegar common stock are held in street name with a brokerage firm, you may vote by completing, signing and returning the voting instruction form provided by your broker. You may also be able to vote by telephone or via the Internet if your broker makes these methods available. Please see the voting instruction form provided by your broker.

· Even if you plan to attend the annual meeting, we encourage you to vote your shares by one of the methods described above.

What constitutes a quorum for the annual meeting?

A quorum is a majority of the outstanding shares of Tredegar common stock, present in person or represented by proxy at the annual meeting. Abstentions and shares held of record by a broker or its nominee that are voted on any matter at the annual meeting are included in determining the number of shares present. Shares held of record by a broker or its nominee that are not voted on any matter at the annual meeting will not be included in determining whether a quorum is present. A quorum is necessary to conduct business at the annual meeting.

Will my shares be voted if I do not return my proxy?

If you are a Tredegar shareholder whose stock is registered directly in your name with Computershare, our transfer agent, and you do not (1) provide your voting instructions pursuant to the Internet voting options, (2) request a printed copy of the proxy materials and return your signed proxy card or use the telephone voting option, or (3) attend the annual meeting and vote in person, your shares will not be represented at the meeting, will not count toward the quorum requirement and will not be voted.

If you are a Tredegar shareholder whose stock is held in street name with a brokerage firm, your broker may or may not vote your shares in its discretion if you have not provided voting instructions to the broker. Whether the broker may vote your shares depends on the proposals before the meeting. Under the rules of the New York Stock Exchange (NYSE), your broker may vote your shares in its discretion on “routine matters.”

The rules of the NYSE, however, do not permit your broker to vote your shares on proposals that are not considered “routine.” When a proposal is not a routine matter and your broker has not received your voting instructions with respect to that proposal, your broker cannot vote your shares on that proposal. This is called a “broker non-vote.” Under the rules of the NYSE, the election of directors (Proposal 1), the approval of the Tredegar Corporation 2018 Equity Incentive Plan (Proposal 2), the non-binding advisory vote on the compensation paid by Tredegar to our named executive officers (Proposal 3), and the non-binding advisory vote on whether future advisory votes on the compensation paid by Tredegar to our named executive officers should occur every one, two or three years (Proposal 4) are considered non-routine matters. In order to avoid a broker non-vote of your shares on these proposals, you must send voting instructions to your broker.

Can I change or revoke my vote?

You may change or revoke your proxy at any time before it is voted at the annual meeting. You can change or revoke your proxy by (1) providing later-dated voting instructions pursuant to the Internet or telephone voting options, (2) delivering another later-dated proxy, if you request a printed copy of the proxy materials, (3) voting in person at the annual meeting, or (4) notifying Tredegar’s Corporate Secretary in writing that you want to change or revoke your proxy. Attendance at the annual meeting will not by itself change or revoke a proxy. If your shares of Tredegar common stock are held in street name with a brokerage firm, you should follow the instructions provided by your broker to change or revoke your voting instructions.

What happens if I do not specify a choice when returning a proxy?

You should specify your choice for each matter as provided on the Internet, by telephone, or the proxy card, if you request a printed copy of the proxy materials. If you indicate when voting over the Internet or by telephone that you wish to vote as recommended by our Board, or if you return a signed proxy card without giving specific voting instructions, then the individuals designated as proxyholders will vote your shares in the manner recommended by our Board as disclosed in this proxy statement. As to any other business that may properly come before the annual meeting, the individuals designated as proxyholders will vote your shares in the manner recommended by our Board or otherwise in the proxyholders’ discretion.

Who pays for the solicitation of proxies?

We will pay the cost of soliciting proxies and may use employees to solicit proxies by mail, in person or by telephone. We have engaged Alliance Advisors, LLC (Alliance) to solicit proxies from brokers, nominees, fiduciaries and other custodians. We will pay Alliance \$6,000 for its services and will reimburse Alliance for its out of pocket expenses, including mailing, copying, phone calls, faxes and other matters and will indemnify Alliance against any losses arising out of that firm’s proxy soliciting services on our behalf.

How do I communicate with the Board of Directors?

Shareholders can communicate in writing to our Board, any Board Committee or any individual director, including the Lead Director, by either mailing communications c/o Tredegar Corporation, 1100 Boulders Parkway, Richmond, Virginia, 23225, Attention: Corporate Secretary, or by sending an e-mail to the following address: directors@tredegar.com. We will forward communications to the intended recipient(s), although we screen mail for security purposes.

Where can I find Tredegar's corporate governance materials?

Our Governance Guidelines, Code of Conduct and the charters of our Audit Committee, Executive Compensation Committee and Nominating and Governance Committee are available on our website at www.tredegar.com by selecting "Corporate Governance" under "Investors." Information on, or that can be accessed through, our website is not, and shall not be deemed to be, a part of this proxy statement or incorporated into other filings we make with the Securities and Exchange Commission (SEC).

How may I obtain Tredegar's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, and other financial information?

Our 2017 Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (2017 Form 10-K), was made available with this proxy statement.

Shareholders may request copies of the 2017 Form 10-K (including the financial statements and financial statement schedules), without charge, from our Investor Relations Department at Tredegar Corporation, 1100 Boulders Parkway, Richmond, Virginia, 23225, 1-855-330-1001, or invest@tredegar.com. We will deliver a list of exhibits to the 2017 Form 10-K, showing the cost of each, with the copy of the 2017 Form 10-K. We will provide any of the exhibits upon payment of the charge noted on the list. Exhibits to the 2017 Form 10-K are also available on the SEC's website at www.sec.gov.

PROPOSAL 1:
ELECTION OF DIRECTORS

In accordance with Tredegar's Amended and Restated Articles of Incorporation, as amended, all directors are elected for one-year terms expiring at the next succeeding annual meeting of shareholders. Each nominee has agreed to serve if elected. If any nominee is not able to serve, the Board may designate a substitute or reduce the number of directors serving on the Board. Proxies will be voted for the nominees (or if not able to serve, such substitutes as may be designated by the Board). The Board has no reason to believe that any of the nominees will be unable to serve.

Vote Required and Board Recommendation

Directors will be elected by a majority of the votes cast. A majority of the votes cast means that the number of votes "FOR" a nominee must exceed the number of votes "AGAINST" that nominee. Abstentions and broker non-votes will have no effect on the outcome.

Any director who receives a greater number of votes "AGAINST" his election than votes "FOR" such election will promptly tender his resignation to the Board in accordance with Tredegar's Governance Guidelines. The Nominating and Governance Committee will consider the tendered resignation and recommend to the Board whether to accept or reject the tendered resignation. The full Board will consider all factors it deems relevant to the best interests of Tredegar, make a determination, publicly disclose its decision and, if such resignation is rejected, the rationale behind the decision, within 90 days after certification of the election results.

Our Board recommends that you vote "FOR" each of the nominees.

Our Board has adopted, as part of our Governance Guidelines, categorical standards to assist it in making these independence determinations. All of the nominees identified as “independent” in this proxy statement meet these categorical standards, which are available on our website at www.tredegar.com by selecting “Corporate Governance” under “Investors.”

BOARD MEETINGS, MEETINGS OF NON-MANAGEMENT DIRECTORS AND BOARD COMMITTEES

Our Board held seven meetings in 2017. Each director who served as a director during 2017 attended at least 81% of the total number of Board meetings and the total number of meetings of all committees of the Board on which the director then served. The committees of our Board were the Audit Committee, the Executive Compensation Committee and the Nominating and Governance Committee.

The non-management directors of our Board meet regularly in private session at Board meetings. The Chairman of the Board chairs the meetings of non-management directors. During these meetings, the Chairman of the Board has the power to lead the meeting and set the agenda, but all non-management directors are encouraged to, and do, suggest topics for discussion and identify materials and other information for review. The independent directors of our Board meet at each regularly scheduled Board meeting in private session. The Lead Director chairs these meetings. Our Lead Director is Mr. Gregory A. Pratt.

Shareholders and other interested persons may contact the independent directors (individually or as a group), the Chairman (individually) or the Lead Director (individually) in writing through one of the means described under “Voting Information How do I communicate with the Board of Directors?” on page 3 of this proxy statement.

Audit Committee

Our Audit Committee consists of Messrs. Thomas G. Snead, Jr. (Chairman), Gregory A. Pratt and Carl E. Tack, III. The Audit Committee met on five occasions during 2017. The Audit Committee operates under a written charter adopted by our Board, which is available on our website at www.tredegar.com by selecting “Corporate Governance” under “Investors.” The principal functions of our Audit Committee are to review and oversee financial reporting, policies, procedures and internal controls; to retain and oversee activities of our independent registered public accounting firm; to oversee the internal audit function; to oversee legal and regulatory compliance and adherence to our Code of Conduct; to review and approve, if appropriate, related person transactions; to receive from and discuss with our independent registered public accounting firm written disclosures as to independence; to prepare the Audit Committee report for inclusion in the annual proxy statement; and to establish procedures for complaints received regarding our accounting, internal accounting controls and auditing matters.

Upon the recommendation of our Nominating and Governance Committee, our Board has determined that each member of our Audit Committee is independent of management and free of any relationships that, in the opinion of our Board, would interfere with the exercise of independent judgment and is independent, as that term is defined under the enhanced independence standards for audit committee members in the Securities Exchange Act of 1934, as amended (the Exchange Act) and rules thereunder, as incorporated into the listing standards of the NYSE, and in accordance with the Audit Committee Charter and our Governance Guidelines.

Our Board has determined that Messrs. Gregory A. Pratt and Thomas G. Snead, Jr., are “audit committee financial experts,” as that term is defined in the rules promulgated by the SEC under the Sarbanes-Oxley Act of 2002. Our Board has further determined that each member of our Audit Committee is financially literate and that, as required by the NYSE listing standards, each member of the Committee has accounting or related financial management expertise, as such terms are interpreted by our Board in its business judgment.

Our Audit Committee has adopted written procedures for pre-approving certain audit and permissible non-audit services provided by our independent registered public accounting firm. These procedures include reviewing a budget for audit and permissible non-audit services. The budget includes a description of, and a budgeted amount for, particular categories of audit and permissible non-audit services that are recurring in nature and therefore anticipated at the time the budget is submitted. Audit Committee approval is required to exceed the budget amount for a particular category of audit and permissible non-audit services and to engage the independent registered public accounting firm for any audit and permissible non-audit services not included in the budget. For both types of pre-approval, our Audit Committee considers whether such services are consistent with the SEC rules on auditor independence. Our Audit Committee may delegate pre-approval authority to the Chairman of our Audit Committee. Our Audit Committee periodically monitors the services rendered and actual fees paid to the independent registered public accounting firm to ensure that such services are within the parameters approved by our Audit Committee.

Executive Compensation Committee

Our Executive Compensation Committee consists of Messrs. George C. Freeman, III (Chairman), Kenneth R. Newsome and John M. Steitz. The Executive Compensation Committee met on four occasions during 2017. The Executive Compensation Committee operates under a written charter adopted by our Board, which is available on our website at www.tredegar.com by selecting “Corporate Governance” under “Investors.” The principal functions of our Executive Compensation Committee are to approve corporate goals and objectives relevant to Chief Executive Officer compensation and evaluate our Chief Executive Officer’s performance in light of those goals and objectives; to determine and approve Chief Executive Officer compensation, including base salary and incentive awards; to approve the salaries and incentive awards of executive officers; to grant awards under our equity incentive plan; to review compensation programs to confirm they do not encourage unnecessary risk-taking; to retain compensation consultants, legal counsel and any other advisors to the Executive Compensation Committee; to review and recommend for approval by the Board our approach with respect to the advisory vote on executive compensation (say-on-pay) and how frequently we should permit shareholders to have a say-on-pay; to review and discuss with our management the Compensation Discussion and Analysis and, based on such review and discussion, determine whether to recommend to our Board that the Compensation Discussion and Analysis be included in the annual proxy statement; and to prepare the Executive Compensation Committee report for inclusion in the annual proxy statement.

All of the members of our Executive Compensation Committee are “non-employee directors” (within the meaning of Rule 16b-3 of the Exchange Act), “outside directors” (within the meaning of Section 162(m) of the Internal Revenue Code), and “independent directors” (within the meaning of the current NYSE listing standards and our Governance Guidelines).

Executive Compensation Committee Interlocks and Insider Participation

No member of our Executive Compensation Committee was at any time an officer or employee of Tredegar. None of our executive officers serves as a director or member of a compensation committee (or other committee of a board performing equivalent functions) of another entity where an executive officer of such entity served as a director of Tredegar or on our Board's Executive Compensation Committee.

Nominating and Governance Committee

Our Nominating and Governance Committee consists of Messrs. Gregory A. Pratt (Chairman), George C. Freeman, III, and Carl E. Tack, III. The Nominating and Governance Committee met on three occasions during 2017. The Nominating and Governance Committee operates under a written charter adopted by our Board, which is available on our website at www.tredegar.com by selecting "Corporate Governance" under "Investors." The principal functions of our Nominating and Governance Committee are to review the size and composition of our Board; to ensure a balance of appropriate skills and characteristics on our Board; to develop criteria for director nominees; to recruit new directors, to consider director nominees recommended by shareholders and others and to recommend nominees for election as directors, all in accordance with the director selection criteria; to approve compensation of directors, including the compensation of our Chairman and any Vice Chairman (except for a director who is also our Chief Executive Officer, whose compensation is determined solely by our Executive Compensation Committee); to review our Code of Conduct, Governance Guidelines and other governance matters, and to ensure policies are properly communicated and consistently enforced; to make recommendations regarding composition of our Board committees; and to recommend actions to increase our Board's effectiveness.

All members of our Nominating and Governance Committee are independent, as defined under the general independence standards of the NYSE listing standards and our Governance Guidelines.

CORPORATE GOVERNANCE

Board of Directors

Our Board is composed of eight directors, six of whom our Board has affirmatively determined are independent under the general independence standards of the NYSE and our Governance Guidelines. The primary mission of our Board is to represent and protect the interests of our shareholders by overseeing management and acting in the best interests of Tredegar and our shareholders. As provided in our Governance Guidelines, our Board has a non-management Chairman whose duties and responsibilities are separate and distinct from those of our Chief Executive Officer. We believe that the separation of the Chairman and Chief Executive Officer roles is appropriate and in the best interests of Tredegar and our shareholders at this time. We believe the separation of the Chairman and the Chief Executive Officer roles, and our Audit Committee, Executive Compensation Committee and Nominating and Governance Committee, which are comprised entirely of independent directors, helps provide effective oversight of management and facilitates the relationship between our Board and management in overseeing and managing the material risks we face. We also have an independent Lead Director. Mr. Pratt serves as the Lead Director.

The responsibilities of our Lead Director are to preside over executive sessions of the independent directors, which occur at each regularly scheduled Board meeting, and all meetings at which the Chairman is not present; call meetings of the independent directors as he deems necessary; serve as a liaison between the Chairman and the independent directors; and be available for consultation and communication if requested by major shareholders.

We believe that this system of checks and balances involving both our non-management Chairman and Lead Director helps ensure that key decisions made by our management team, including the Chief Executive Officer, are reviewed and subject to oversight.

Risk Management

Management is responsible for the day-to-day management of the risks we face, while our Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. Management regularly reports to our Board on operating and other risks.

While our Board is ultimately responsible for risk oversight at Tredegar, various Board committees assist our Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board in discharging its oversight responsibilities relating to the accounting, reporting and financial practices of Tredegar and our subsidiaries and also assists the Board in overseeing our internal auditing and compliance functions. The Audit Committee is responsible for discussing with management our major financial risk exposures, including cybersecurity risks, and the steps management has taken to monitor and control such exposures. The Nominating and Governance Committee oversees risks associated with our Governance Guidelines, including compliance with listing standards for independent directors. The Executive Compensation Committee oversees risks associated with our executive and other employee compensation programs.

Code of Conduct

Our Code of Conduct applies to our officers, employees and directors, including our Chief Executive Officer, our Chief Financial Officer and our Principal Accounting Officer and Controller. We conduct our business in accordance with the highest standards of conduct. Full compliance with the letter and spirit of the laws applicable to our businesses is fundamental to us. Equally important are honesty, integrity and fairness in our business operations and in our dealings with others. Diligently applying these standards makes good business sense and allows us to earn the trust and respect of our shareholders, employees, customers, suppliers, regulators and the communities in which we operate. We have provided employees, customers and suppliers with a number of avenues for the reporting of ethics violations or similar concerns, including an anonymous telephone hotline provided by a third-party vendor. Our Code of Conduct reflects the foregoing principles. Our Code of Conduct is available on our website at www.tredegar.com by selecting “Corporate Governance” under “Investors.”

Governance Guidelines

Our Board has adopted Governance Guidelines that reflect our governance principles and our long-standing commitment to maintaining high corporate governance standards. Our Governance Guidelines are available on our website at www.tredegar.com by selecting “Corporate Governance” under “Investors.”

Director Attendance at Annual Meeting of Shareholders

Our policy is that directors attend the annual meeting of shareholders. All of our directors who served as directors in 2017 attended the 2017 annual meeting.

COMPENSATION OF DIRECTORS

Components of Director Compensation

The Nominating and Governance Committee determines and approves non-employee director compensation. Our Chief Executive Officer, whose compensation is determined solely by our Executive Compensation Committee, receives no additional compensation for service as a director. For 2017, non-employee directors received the following annual retainers, payable in equal quarterly installments in arrears, for their service on our Board and its committees:

Non-Employee Director	\$113,000
Chairman of the Board	\$65,000
Audit Committee Chairman	\$16,000
Non-Chair Member of the Audit Committee	\$9,500
Executive Compensation Committee Chairman	\$11,000
Non-Chair Member of the Executive Compensation Committee	\$7,000
Nominating and Governance Committee Chairman	\$7,500
Non-Chair Member of the Nominating and Governance Committee	\$4,500
Executive Committee Chairman	\$9,000
Non-Chair Member of the Executive Committee	\$4,500

The retainers for non-employee directors and Chairman of the Board were paid 50% in the form of cash and 50% in the form of a stock award under the Tredegar Corporation Amended and Restated 2004 Equity Incentive Plan (the 2004 Plan). The stock award was determined based on the closing price of Tredegar common stock as reported on the NYSE on the date of grant. Each quarterly stock award became fully vested and transferable immediately upon the date of grant. Retainers for our Chairman of the Board and committee Chairmen and members commenced after our Board elected members to these positions.

The following table presents information relating to total compensation of our non-employee directors for the fiscal year ended December 31, 2017.

Outside Director Stock Ownership Guidelines

Under Tredegar's Outside Director Stock Ownership Guidelines, all of our non-employee directors are to achieve ownership of Tredegar common stock in an amount equal to at least three times that director's base annual cash retainer. Directors have three years from their election to our Board to satisfy 50% of the requirement and six years to satisfy the full requirement. All of our directors have satisfied the full stock ownership requirement, except Mr. Steitz, who joined our Board on February 21, 2017, and has until 2020 to satisfy the three-year, 50% requirement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Messrs. John D. Gottwald, a director and our President and Chief Executive Officer, and William M. Gottwald, a director and the Chairman of the Board, are brothers. Messrs. John D. Gottwald and William M. Gottwald, together with members of their immediate families (the Gottwalds), may be deemed to be a "group" for purposes of Section 13(d)(3) of the Exchange Act. There is no agreement between the Gottwalds with respect to the acquisition, retention, disposition or voting of Tredegar common stock.

Our Audit Committee is responsible for reviewing and approving, if appropriate, related person transactions. Our Audit Committee operates under a written charter, the relevant provisions of which require it, to the extent not otherwise delegated to another committee comprised solely of independent directors, to review related person transactions for potential conflicts of interest situations. The Audit Committee reviews each related person transaction on a case-by-case basis and approves only those related person transactions that it determines in good faith to be in the best interests of Tredegar.

For purposes of Tredegar's Related Parties and Related Persons Transactions policy, (a) "Related person" means any director or executive officer of Tredegar; any employee of Tredegar or any of our subsidiaries; any nominee for director; any immediate family member(s) of directors, executive officers, employees or nominees for director; or any beneficial owner of more than 5% of Tredegar's voting securities; (b) "Related person transaction" means a transaction in which Tredegar or any of our subsidiaries is, or is proposed to be, a participant and the amount involved exceeds \$120,000, and in which a related person has, had or may have a direct or indirect interest; (c) "Immediate family member" means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law, and any person (other than a tenant or employee) sharing the household of any director, nominee for director, executive officer, employee or beneficial owner of more than 5% of Tredegar's voting securities; and (d) "Transaction" means any financial contract, arrangement or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar contracts, arrangements or relationships.

During 2017, The London Company, which was during 2017 a beneficial owner of more than 5% of Tredegar common stock, provided asset management services to our pension plan and received approximately \$196,000 in fees for such services in 2017. The investment management agreement was entered into on an arm's-length basis in the ordinary course of business and was reviewed and approved by the Audit Committee.

The directors and executive officers have sole voting and investment power over their shares, except for those listed under the heading "Number of Shares with Shared Voting and Investment Power," which are held by or jointly (e) with spouses, by children or in partnerships or trusts. Any shares of Tredegar common stock held under our benefit plans for any director or executive officer are included in the number of shares over which that person has sole voting or investment power. Shares held by the trustees of those plans for other employees are not included.

(f)

Messrs. John D. Gottwald and William M. Gottwald share voting and investment power for 4,935 shares of Tredegar common stock. This overlap in beneficial ownership has been eliminated in calculating the total number of shares and the percentage of class owned by directors, nominees and executive officers as a group.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary

In this section, we provide an overview of our executive compensation philosophy and describe the material components of our executive compensation program, with a focus on the following executive officers (NEOs) whose compensation is set forth in the 2017 Summary Compensation Table and the other compensation tables contained in this proxy statement:

· John D. Gottwald, President and Chief Executive Officer;

· D. Andrew Edwards, Vice President and Chief Financial Officer;

· Michael J. Schewel, Vice President, General Counsel and Corporate Secretary; and

· Michael W. Giancaspro, Vice President, Business Processes and Corporate Development, who retired from Tredegar on January 15, 2018.

Mr. Gottwald asked not to participate in Tredegar's 2017 annual cash incentive plan or receive long-term incentive grants in 2017, and the Executive Compensation Committee (the Committee) agreed to Mr. Gottwald's request. Although Mr. Gottwald did not participate in the 2017 cash incentive plan, the 2017 long-term incentive plan or other variable compensation discussed below, his interests were aligned with shareholders by virtue of his significant ownership of Tredegar common stock.

Key Compensation Corporate Governance Practices

The Executive Compensation Committee and our Nominating and Governance Committee continuously review evolving practices in executive compensation and corporate governance. We have adopted certain policies and practices that we believe are consistent with industry best practices.

Tredegear Executive Compensation Policies - What we do

We make variable performance compensation a significant component of each executive's total compensation, with the proportion of compensation allocated to variable performance compensation increasing with the level of responsibility.

We balance short-term and long-term compensation, which discourages short-term risk-taking at the expense of long-term results.

We require meaningful stock ownership and retention at levels that increase with responsibility.

We require NEOs to hold stock beyond vesting. NEOs who receive an award of restricted stock must retain such shares of restricted stock (net of any shares surrendered to satisfy tax withholding obligations) until the sixth anniversary of the date of grant.

The Committee uses an independent executive compensation consultant that reports directly to the Committee and does not provide any services to Tredegear other than executive and director compensation services.

We conduct an annual compensation risk review of potential and existing risks arising from our compensation programs and policies and concluded that our compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on Tredegear.

We have a claw back policy for the recovery of performance-based compensation in the event of executive officer misconduct related to our financial results.

Tredegear Executive Compensation Policies - What we don't do

XNo hedging transactions on our stock are permitted.

No special perquisites are provided to any employee. We do not provide executives with special perquisites such as Xcompany cars, personal use of corporate assets or special company-funded executive deferred compensation plans maintained solely for the benefit of the executives.

XNo employment agreements. We have no employment agreements with any of our executive officers.

XNo stock option re-pricings without shareholder approval or discounted stock options are permitted under our equity incentive plan.

Role of Shareholder Say-on-Pay Votes

Our last "say-on-pay" vote was at our annual meeting of shareholders held on June 4, 2015 (2015 annual meeting), when we provided our shareholders with the opportunity to cast a non-binding advisory vote on the executive compensation paid to our NEOs. Although the advisory shareholder vote on executive compensation was non-binding, the Committee considered the outcome of the 2015 vote and will consider the outcome of this year's vote and future votes when making future compensation decisions for our NEOs. At our 2015 annual meeting, approximately 85% of the votes cast on the "say-on-pay" proposal approved the compensation of our NEOs. The Committee believes that the 2015 shareholder vote endorsed the compensation philosophy of the Committee and our executive compensation. The Committee did not make any material adjustments to the 2016 or 2017 executive compensation programs. The Committee will consider the "say-on-pay" vote by the shareholders at our 2018 annual meeting and future "say-on-pay" votes by our shareholders in making adjustments to or developing executive compensation programs in the future.

Compensation Philosophy and Objectives

Our businesses operate in highly competitive industries that require outstanding customer service and manufacturing efficiency. To lead and manage these businesses, we require high-caliber executive talent with strong vision and operational skills. The objectives of our executive compensation programs are to attract, motivate and retain highly qualified executive officers. To accomplish these objectives, we rely on a pay strategy that emphasizes performance-based compensation through annual and long-term incentives. We believe that this pay strategy aligns with our business strategy of generating strong operating results and shareholder value creation while controlling fixed costs. In this manner, we believe that our executive compensation program supports and reinforces our business objectives and creates a strong link between pay and performance.

Specifically, our executive compensation programs:

- are primarily performance-based, with the percentage of an executive's total compensation opportunity that is based on our financial performance increasing with the executive's level of responsibility;
- are significantly stock-based in order to ensure our executives have common interests with our shareholders;
- enhance retention of our executives by subjecting a meaningful portion of their total compensation to multi-year vesting;
- link a significant portion of total pay to the execution of strategies intended to create long-term shareholder value;
 - provide our executives with an opportunity for competitive total pay; and
- do not encourage our executives to take unnecessary or excessive risks.

Our executive compensation philosophy and strategy aim generally to provide targeted compensation opportunities for base salaries, annual cash incentives and long-term equity incentives near the 50th percentile of our peer group (as defined below) in order to attract and retain talent while using a balance of fixed and variable pay programs to align actual compensation earned with company performance. Allocations between short-term and long-term compensation opportunities and between cash and equity awards take into account market data, but may vary over time and among executives. Greater detail regarding these company-specific and individual factors is included in this discussion.

Process and Procedure for Determining Compensation of Executive Officers

The primary role of the Committee is to develop and oversee the implementation of our philosophy with respect to the compensation of our NEOs and certain other officers designated by the Committee. The Committee has the overall responsibility to evaluate the performance of and determine the compensation of our Chief Executive Officer and approve the compensation structure for our NEOs and other officers designated by the Committee. Our Chief Executive Officer makes specific recommendations to the Committee regarding the compensation of our NEOs, other than himself, and certain other officers designated by the Committee based on the compensation structure approved by the Committee. After review and discussion, the Committee gives its final approval of the compensation for our NEOs and certain other officers designated by the Committee. The Committee reports regularly to our Board on matters relating to the Committee's actions.

Under its charter, the Committee has the authority to engage compensation consultants to assist the Committee in fulfilling its responsibilities. The Committee has engaged Pearl Meyer, a nationally-recognized compensation consulting firm, as its outside advisor for executive compensation. Pearl Meyer reports directly to the Committee, and the scope of its work is directed by the Committee. In retaining Pearl Meyer, the Committee assessed the independence of Pearl Meyer pursuant to applicable NYSE and SEC rules and concluded that no conflict of interest exists that would prevent Pearl Meyer from independently advising the Committee.

Executive compensation was last compared against a peer group in 2016, when, upon the Committee's request, Pearl Meyer conducted a competitive market study of executive compensation levels for our NEOs. The study included compensation data as disclosed in peer company proxy statements as well as survey compensation data published in the fall of 2016. The peer group used in developing proxy-disclosed pay is set forth below:

Griffon Corporation	Chart Industries Inc.	Innospec Inc.
Kraton Corporation	Quanex Building Products Corporation	Calgon Carbon Corporation
Kaiser Aluminum Corporation	Neenah, Inc.	Rogers Corporation
Lydall, Inc.	Myers Industries Inc.	OMNOVA Solutions Inc.

The peer group companies listed above were chosen because they operate in industries similar to those in which we operate, and, at the time they were selected, had similar annual revenues (collectively referred to as the peer group). AEP Industries, which was part of the 2016 peer group study, was acquired in 2017 and, therefore, is no longer included.

In determining the compensation of our Chief Executive Officer and approving the compensation structure for our NEOs and certain other officers designated by the Committee, the Committee considers Tredegar's performance, individual executive performance, recommendations from the Chief Executive Officer (for all positions other than the Chief Executive Officer position), the peer group, published compensation survey data and comments from Pearl Meyer regarding changes in market data since the date of the last competitive market study. The Committee also reviews reports prepared by management showing all elements of compensation and total compensation payable to each NEO. Both the external market pay data and the internal pay history help guide the Committee's decision-making, but no precise formulas or percentiles are applied to all NEOs in all situations.

Elements of Our Executive Officer Compensation Program

The Committee believes that the various elements of our compensation program effectively achieve the objective of aligning compensation with performance measures that are directly related to Tredegar's financial goals and creation of shareholder value, without encouraging executives to take unnecessary and excessive risks. The core elements of the compensation program for our executive officers are described below:

Element	Description	Objective
Base Salary	Fixed cash compensation	Reflects competitive market compensation, individual performance, experience and level of responsibility
Bonus	Special discretionary cash bonus	In unusual operating and/or market conditions or circumstances, rewards individual performance
Annual Incentives	Short-term variable compensation via an annual cash incentive plan (for 2017, the 2017 Cash Incentive Plan)	Rewards achievement of financial performance goals and individual performance objectives
Long-Term Incentives	Long-term variable compensation via the Amended and Restated 2004 Equity Incentive Plan (the 2004 Plan), in the form of: <ul style="list-style-type: none"> · Performance Units · Restricted Stock · Stock Options 	Rewards achievement of long-term performance goals and shareholder value creation; promotes retention of executive officers
Defined Contribution Plans	Savings Plan (401(k) Plan) and Savings Plan Benefit Restoration Plan (SPBR Plan) (together Defined Contribution Plans)	Provides competitive benefits and savings opportunities for retirement
Defined Benefit Plans ⁽¹⁾	Retirement Income Plan (the Pension Plan)	Provides retirement security

Effective January 1, 2007, we closed the Pension Plan to new employees and froze the pay for active employees used to compute benefits as of December 31, 2007. Effective February 28, 2014, service accrual for all

(1) participants in the Pension Plan (other than participants who are part of a collective bargaining agreement) was frozen. In 2017, Messrs. Gottwald, Edwards and Giancaspro were the only NEOs who participated in the Pension Plan.

2017 Compensation Decisions

Base Salaries

We seek to provide our executive officers with base salaries that are targeted within competitive market levels and that reflect the executive's skills and abilities, experience, responsibilities, internal equity, performance and potential. The Committee believes setting base salaries at this level allows us to attract, motivate and retain highly qualified executive officers while maintaining an appropriate cost structure.

For 2017, the base salary for each NEO was as follows:

Named Executive Officer	2016 Base Salary	2017 Base Salary	% Increase
John D. Gottwald ⁽¹⁾	\$396,000	\$396,000	0
D. Andrew Edwards	\$385,000	\$396,550	3%
Michael J. Schewel	\$365,000	\$375,950	3%
Michael W. Giancaspro	\$335,000	\$345,050	3%

(1) Mr. Gottwald asked not to receive an increase to his base pay for 2017. The 3% increase for all other NEOs represents increases consistent with Tredegar's overall merit-based increases.

Annual Incentives

General. Annual cash incentive opportunities serve to link executive rewards to our financial performance and the achievement of individual objectives. Each year, we establish business plans for the forthcoming year that include financial, strategic and other goals for each of our operating businesses, including Aluminum Extrusions, Personal Care, Surface Protection, Flexible Packaging, Bright View Technologies, and Tredegar in general. These business plans are reviewed by our Board. Annual incentive payouts for our NEOs are determined based on the achievement of approved business plans.

2017 Cash Incentive Plan. For 2017, each NEO had the following award opportunity as a percentage of 2017 base salary under the 2017 Cash Incentive Plan:

Named Executive Officer	Threshold Target Bonus		Maximum
	Bonus %	%	Bonus %
John D. Gottwald ⁽¹⁾	-	-	-
D. Andrew Edwards	15%	60%	120%
Michael J. Schewel	12.5%	50%	100%
Michael W. Giancaspro	12.5%	50%	100%

(1) Mr. Gottwald asked not to participate in the 2017 Cash Incentive Plan.

To ensure that the annual incentive awards establish a direct link between the interests of our NEOs and our shareholders, the Committee assesses performance against certain financial measures to establish the size of the incentive pool to be used for payment of annual incentive awards for the current year. For 2017, the key financial measure of the operating performance of our businesses used to determine the amount, if any, of the annual incentive pool was earnings before interest and taxes (EBIT). The financial performance threshold for EBIT must be achieved

before any incentives can be earned. The Committee believes that this financial performance measure is effective and appropriate because it reflects income statement performance, which is consistent with the interests of our shareholders.

When setting the financial performance goals for the 2017 Cash Incentive Plan, the Committee reviewed and approved the following performance targets for the 2017 Cash Incentive Plan as they apply to our NEOs:

	2017 Targets		
	(\$ in Thousands)		
	Threshold	Target	Maximum
Consolidated Corporate			
EBIT	\$32,834	\$41,043	\$49,252

The Committee believes that measuring EBIT on a consolidated basis for our NEOs appropriately aligns incentive opportunities with each NEO's scope of responsibility and accountability.

For purposes of the 2017 Cash Incentive Plan, EBIT excludes unusual items and losses associated with plant shutdowns, asset impairments, restructurings, gains and losses from the sale of assets, investment write-downs and write-ups, gains and losses from non-manufacturing operations, stock option charges under ASC Topic 718, pension income or expense for the Pension Plan, and other items that may be recognized or accrued under GAAP. The accounting principles used to determine EBIT are applied on a consistent basis with the immediate prior year with exceptions approved by the Committee. For the purposes of EBIT-based incentive award calculations for 2017, EBIT excluded the following: (i) discretionary bonuses, since amounts are unpredictable, uncontrollable at the management level, and possibly significant; (ii) income or expense relating to restricted stock, performance-based stock or stock unit awards since amounts are dependent on future periods and are therefore subject to significant volatility; (iii) certain one-time unusual expenses unrelated to the operating businesses or entities (items (i), (ii) and (iii), the 2017 Excluded Items), and (iv) EBIT, as defined above, from any company or entity acquired in 2017. For 2017, EBIT was \$59.2 million. EBIT for Futura Industries Corporation was excluded since it was acquired in February 2017.

In determining incentive payments for our NEOs (other than our CEO) under the 2017 Cash Incentive Plan, the Committee considers, in addition to the financial performance goal, the recommendation of the CEO regarding each NEO's (other than our CEO) individual performance measured against the NEO's individual performance goals. Individual performance metrics were drawn from the following categories: budgets, compliance objectives, operating profit, cost reductions, development of strategic plans, process improvement, succession activities, and organizational development and effectiveness. Specific measurements are assigned to each individual performance objective early in the year for which the performance will be measured and results are determined based on the assessment of the degree of accomplishment of each objective. The Committee applies a formula in linking individual results to incentive payment amounts by using these accomplishments, or lack of accomplishments, to determine the incentive amount applicable to the individual component of the formula, up to 100% of the weighting for the individual component.

These financial results resulted in payouts at the maximum level to our NEOs as follows:

Named Executive Officer	Actual Payout under 2017 Cash Incentive Plan	% of Base 2017 Salary
John D. Gottwald ⁽¹⁾	-	-
D. Andrew Edwards	\$475,860	120%
Michael J. Schewel	\$375,950	100%
Michael W. Giancaspro	\$345,050	100%

(1) Mr. Gottwald asked not to participate in the 2017 Cash Incentive Plan.

The Committee received and confirmed Tredegar's financial performance results before approving the payouts under the 2017 Cash Incentive Plan.

Long-Term Incentives

Long-term incentives, primarily equity-based awards, are an important element of our compensation program. The 2004 Plan allows for the granting of stock options, restricted stock, stock appreciation rights and other equity awards based on Tredegar common stock, as well as performance-based long-term incentive cash awards. We believe long-term incentives, such as those permitted by the 2004 Plan, promote our success by helping to retain executives and by focusing employee efforts on achieving those performance goals that lead to long-term growth of shareholder value.

The Committee administers the 2004 Plan. Awards of performance stock units (Performance Units) and restricted stock approved at the February or March meeting generally become effective on the third business day following the release of our fourth quarter earnings for the preceding fiscal year. Awards of stock options approved at the February meeting generally become effective on the third business day following our annual meeting of shareholders.

In consultation with Pearl Meyer, the Committee reviewed and considered various forms and methods of providing long-term incentive compensation opportunities to our executive officers. After considering factors such as pay and performance alignment, shareholder alignment, retention goals, accounting cost, share usage, shareholder dilution, the ratio of short-term and long-term compensation, tax implications, peer group practices, and market trends, the Committee approved for 2017 the use of (1) Performance Units, which are an unfunded promise to deliver shares of common stock in the future upon achievement of both performance and service conditions; (2) service-based restricted stock; and (3) stock options. Service-based restricted stock is intended to further balance the performance and retention objectives of our long-term incentive program and to create additional stock ownership opportunities for executives to further align their interests with shareholders.

The Committee determined that the annual equity grant mix for 2017 for our NEOs would be as follows: 49% of the annual equity grant value in the form of stock options, 25.5% of the annual equity grant value in the form of Performance Units and 25.5% of the annual equity grant value in the form of service-based restricted stock. In setting the equity mix for 2017, the Committee determined that shifting a larger portion of equity compensation to stock options better aligned management with the interest of shareholders.

The specific number of Performance Units, restricted stock and stock options is generally based on converting a competitive annual equity grant value into an appropriate number of shares for each form of equity being awarded. For conversion purposes, Performance Units and restricted stock granted in 2017 were valued at the ten-day average stock price ending on February 17, 2017. For 2017, the Performance Units were valued at a discount of \$1.32 to the ten-day average stock price. The \$1.32 discount reflects projected dividends during the performance period, which Performance Units are not eligible to receive during the performance period. Stock options are valued using the Black-Scholes Pricing Model. Grant levels may then be adjusted up or down, at the Committee's discretion, based on a variety of factors, including but not limited to, our performance, the executive's performance, internal pay equity and share availability under the 2004 Plan.

2017 Performance Units. Based upon the considerations described above, in 2017 the Committee approved the following Performance Unit grants to each NEO identified below:

Named Executive Officer	Grant Date	Award	Fair Value as of Grant Date ⁽¹⁾
John D. Gottwald ⁽²⁾	-	-	-
D. Andrew Edwards	2/27/2017	6,528	\$113,457
Michael J. Schewel	2/27/2017	5,674	\$98,614
Michael W. Giancaspro ⁽³⁾	2/27/2017	5,207	\$90,498

Under ASC Topic 718, it was assumed that the Performance Units granted will vest based upon information (1) available on the date of grant. Performance Units usually vest over a three-year period only if Tredegar meets certain operating thresholds over the vesting period.

(2) Mr. Gottwald asked not to participate in Tredegar's long-term incentive plan and did not receive a grant of Performance Units.

(3) Mr. Giancaspro retired from Tredegar effective as of January 15, 2018, at which time his Performance Units were forfeited.

The Performance Units are tied to 2019 Return on Capital Employed (ROCE) for fiscal 2019. ROCE excludes unusual items and losses associated with plant shutdowns, asset impairments and restructurings, gains or losses from the sales of assets, investment write-downs and write-ups, gains and losses from non-manufacturing operations, stock option charges under the ASC Topic 718, pension income or expense for the Pension Plan and other items that may be recognized or accrued under GAAP. The accounting principles used in determining ROCE are applied on a consistent basis with the prior year, with exceptions recommended by our Chief Executive Officer and Chief Financial Officer and approved by the Committee. For the purposes of the Performance Units granted in 2017, ROCE excluded the 2017 Excluded Items. The Performance Units can be earned at either the threshold (50%) or target (100%) level. If ROCE in calendar year 2019 is greater than the threshold but less than the target, the number of Performance Units earned in excess of the threshold award will be determined by a straight-line interpolation of ROCE between threshold and target. If ROCE in calendar 2019 is less than the threshold, then no Performance Units will be earned. Performance Units earned based on 2019 ROCE goals will vest and be settled in shares of Tredegar common stock on or before March 15, 2020. The Committee believes that this design effectively balances the performance and retention objectives of the long-term incentive program.

2015 Performance Units Tied to 2017 Performance. In 2015, the Committee awarded Performance Units tied to our 2017 ROCE. For the 2015 Performance Unit awards tied to 2017 ROCE, no Performance Units could be earned unless 2017 ROCE was at least 12% for 2017. As the threshold target for the Performance Units was not met, no Performance Units based on 2017 ROCE were earned.

Restricted Stock. During 2017, the Committee also approved the following service-based restricted stock grants to each NEO identified below:

Named Executive Officer	Grant Date	Award	Fair Value as of Grant Date
John D. Gottwald ⁽¹⁾	-	-	-
D. Andrew Edwards	2/27/2017	6,146	\$114,930
Michael J. Schewel	2/27/2017	5,341	\$ 99,877
Michael W. Giancaspro ⁽²⁾	2/27/2017	4,902	\$ 91,667

(1) Mr. Gottwald asked not to participate in the long-term incentive plan and did not receive a grant of restricted stock.

(2) Mr. Giancaspro retired from Tredegar effective as of January 15, 2018, at which time these shares of restricted stock immediately vested, as approved by the Committee.

The shares of restricted stock vest three years from the date of grant. The shares of restricted stock (net of any shares surrendered to satisfy tax withholding obligations) must be retained by the NEO until the earlier of (i) the sixth anniversary of the date of grant, (ii) a change of control of Tredegar, (iii) the NEO's death, or (iv) the NEO's retirement. Upon the issuance of the shares on the date of grant, the NEO listed above is entitled to vote the shares and will be entitled to receive, free of all restrictions, ordinary cash dividends.

Stock Options. During 2017, the Committee also approved the following non-qualified stock option grants to each NEO identified below:

Named Executive Officer	Grant Date	Award	Grant Date Fair Value of Award
John D. Gottwald ⁽¹⁾	-	-	-
D. Andrew Edwards	5/22/2017	39,572 ⁽²⁾	\$185,593
	5/22/2017	16,488 ⁽³⁾	\$ 77,329
Michael J. Schewel	5/22/2017	34,390 ⁽²⁾	\$161,289
	5/22/2017	15,632 ⁽³⁾	\$ 73,314
Michael W. Giancaspro	5/22/2017	31,563 ⁽²⁾	\$148,030
	5/22/2017	14,347 ⁽³⁾	\$ 67,287

(1) Mr. Gottwald asked not to participate in the long-term incentive plan and did not receive a grant of stock options. These stock options vest two years from the date of grant, provided the NEO is employed by or provides services to Tredegar on the vesting date. The stock options have a seven-year term from the date of grant and were valued

(2) using Black-Scholes value at 30% of share price. With respect to Mr. Giancaspro, he retired from Tredegar effective as of January 15, 2018, at which time these stock options immediately vested, as approved by the Committee.

(3) These stock options vest three years from the date of grant, provided the NEO is employed by or provides services to Tredegar on the vesting date. The stock options have a seven-year term and were valued using Black-Scholes value at 30% of share price. With respect to Mr. Giancaspro, he retired from Tredegar effective as of January 15,

2018, at which time these stock options were forfeited.

Total Compensation

Based on the Pearl Meyer study conducted in 2016, general industry survey information and consultation with Pearl Meyer, the Committee reviewed the above elements of compensation and determined that the total compensation provided to the NEOs is reasonable. As discussed above, the Committee does not use a precise formula or target percentiles to set NEO compensation. The Committee does consider, among other data, industry trends and competitive market data information provided by Pearl Meyer to ensure each element and total compensation is reasonable.

Other Benefits for Chief Executive Officer and Executive Officers

In addition to the cash and equity compensation discussed above, we provide our Chief Executive Officer and other NEOs with the same benefits package available to all of our salaried employees. When setting and determining annual compensation, the Committee reviews and considers all elements of compensation, including health and dental insurance (portion of costs); basic life insurance; long-term disability insurance; the Defined Contribution Plans; and the Pension Plan. We do not provide executives with additional benefits or perquisites, such as company cars or vehicle allowances; personal use of corporate assets; or company-funded deferred compensation programs maintained solely for the benefit of executives. We do not believe that these types of benefits are currently needed to attract, motivate and retain highly qualified executive officers.

Agreements with Executive Officers

As has been our practice, we do not currently have employment agreements with any of our executive officers. From time to time, however, we have entered into severance agreements with certain of our executive officers to ensure that we will have the executive officer's continued dedicated service notwithstanding the possibility, threat or occurrence of a change in control.

We entered into severance agreements with Mr. Edwards effective July 20, 2015 and Mr. Schewel effective May 9, 2016. These severance agreements are more fully described under "Compensation of Executive Officers – Other Potential Payments Upon Termination or a Change in Control – Severance Agreements" beginning on page 36 of this proxy statement.

Corporate Tax and Accounting Considerations

For 2017, Section 162(m) of the Internal Revenue Code imposes a \$1 million limitation on the deduction we may take for the annual compensation paid to each of our NEOs, other than our principal financial officer (covered officers). The \$1 million deduction limit, however, for 2017 does not apply to "qualified performance-based compensation" that is based on the attainment of pre-established, objective performance goals established under a shareholder-approved plan. We considered the impact of this exclusion when developing and implementing our executive compensation programs. We do not believe, however, for 2017 that compensation decisions should necessarily be constrained by how much compensation is deductible for federal income tax consequences. As a result, the Committee retains the discretion to authorize payments that may not be deductible if it believes that they are in the best interests of Tredegar.

For 2018 and subsequent years, covered officers include the principal executive officer, principal financial officer, and next three highest paid NEOs. Compensation paid in 2018 and later years will generally be subject to the deduction limits of Section 162(m), without an exception for performance-based compensation. This includes annual and long-term incentive awards paid and equity awards granted in 2018 and later years.

Executive Stock Ownership Policy

Tredegear places a strong emphasis on equity ownership by executive officers and other members of senior management to strengthen the alignment of our executives' interests with shareholder long-term interests. Our Chief Executive Officer is required to acquire and maintain ownership of common stock with a value equal to five times his base salary. Our other executive officers are required to acquire and maintain ownership of common stock with a value equal to 1.25 times their base salary. The following types of common stock are counted toward the ownership total: shares held outright by the executive or his or her family, in trust for the benefit of the executive, in the executive's 401(k) Plan, and restricted stock held by the executive (both vested and nonvested). If a participant is newly hired or promoted, the executive is to acquire 50% of the target ownership within three years of the date of hire or promotion and full compliance with the target ownership must be achieved within six years. All NEOs and other employees covered by the policy who are not in compliance with the policy must retain at least 50% of any net shares (shares remaining after shares are sold or netted to pay applicable withholding taxes) received upon vesting of Performance Units and restricted stock awards until the NEO or other employee is in compliance with the policy. The Committee reviews the holdings of our NEOs annually. As of December 31, 2017, Mr. Gottwald met his ownership target in accordance with the policy. Mr. Edwards has met the 50% requirement and has until 2021 to meet the 100% requirement. Mr. Schewel has until 2019 to meet the 50% requirement and until 2022 to meet the 100% requirement. Mr. Giancaspro has retired from Tredegear and is no longer subject to the policy.

Executive Incentive-Based Compensation Recoupment Policy (Claw Back)

The Board, based on the Committee's recommendation, approved and adopted an Executive Incentive-Based Compensation Recoupment Policy (Recoupment Policy), effective as of August 2, 2012 (Effective Date). The purpose of the Recoupment Policy is to (i) prevent the unjust enrichment of current or former executive officers by permitting Tredegear to recover incentive-based compensation that was paid or issued or became vested as a result of financial results that were later determined to be incorrect, and (ii) mitigate the risk of manipulation of data used to determine the payment, issuance or vesting of incentive-based compensation. The Recoupment Policy applies to all incentive-based compensation granted on or after the Effective Date to current or former executive officers of Tredegear. The Recoupment Policy applies if (a) Tredegear is required to prepare an accounting restatement of its consolidated financial statements due to the material noncompliance by Tredegear with any financial reporting requirement under the U.S. federal securities laws, and (b) a current or former executive officer of Tredegear received incentive-based compensation in excess of the amount of cash or the number of shares of Tredegear common stock that such executive officer would otherwise have received or that would have become vested if the restated financial statements had been used to determine whether such incentive-based compensation should have been received or vested. In these cases, Tredegear will recover from such current or former executive officer the amount of cash or shares that were paid or issued in excess of the amount of cash or shares that would have been paid or issued or have become vested according to the restated financial statements, net of any income or employment taxes paid by the current or former executive officer on the incentive-based compensation.

Risk Analysis of Executive Compensation Program

In 2017, the Committee asked management to undertake a risk assessment of Tredegar's compensation programs and asked Pearl Meyer to review the assessment with regard to our executive compensation program. The assessment confirmed that our compensation programs do not incentivize our employees to take risks that are reasonably likely to have a material adverse effect on Tredegar. The Committee reviewed the findings of the assessment and concluded that our compensation programs are designed with the appropriate balance of risk and reward in relation to Tredegar's overall business strategy. In its discussions, the Committee considered the attributes of our programs, including: (i) the balance between annual and longer-term performance opportunities; (ii) target executive compensation that is aligned with a well-defined industry peer group; (iii) short-term and long-term compensation programs based on financial metrics that measure both income statement performance and capital discipline; (iv) placement of a significant portion of our executive compensation "at risk" and dependent upon achieving specific corporate and individual performance goals; (v) stock ownership requirements that align executives' interests with those of our shareholders; (vi) the absence of employment contracts with our executives; (vii) long-term incentive equity awards and grants comprised of multiple forms vesting over multiple years; (viii) the use of rolling three-year Performance Units to lengthen the overall measurement period; (ix) having an incentive compensation recoupment (claw back) policy to authorize the potential recovery or adjustment of cash incentive payments and long-term equity payments paid to NEOs and other recipients under certain circumstances; (x) having each executive's short-term incentive opportunity capped at two times his target bonus; and (xi) appropriate management supervision for sales-related incentives.

EXECUTIVE COMPENSATION COMMITTEE REPORT

The Executive Compensation Committee has the overall responsibility of evaluating the performance and determining the compensation of the Chief Executive Officer and approving the compensation structure for Tredegar's other executive officers. In fulfilling its responsibilities, the Committee has reviewed and discussed the Compensation Discussion and Analysis section of this proxy statement with management. Based on such review and discussion, the Committee recommended to the Board that the Compensation Discussion and Analysis section be included in this proxy statement.

(3) Represents cash awards to the NEOs under Tredegar's annual cash incentive plans for the years indicated.

This amount represents the change in actuarial present value in the Pension Plan from December 31, 2016 to (4) December 31, 2017, from December 31, 2015 to December 31, 2016, and from December 31, 2014 to December 31, 2015, respectively. Pension Benefits

The following table presents information as of December 31, 2017, concerning each of our defined benefit plans that provide for payments or other benefits to our NEOs at, following or in connection with retirement. Mr. Schewel is not eligible to participate in the Pension Plan.

Pension Plan

The Pension Plan is a defined benefit pension plan applicable generally to salaried, full-time employees who are not covered by a collective bargaining agreement. Of our NEOs, Messrs. Gottwald, Edwards and Giancaspro participate in the Pension Plan.

The Pension Plan assumes a normal retirement age of 65 and does not impose a vested service requirement as a condition to paying benefits to a participant who retires upon reaching that age. In most other cases involving a separation of service from Tredegar before age 65, a participant must have accrued at least five years of pension vesting service, as defined in the Pension Plan, in order to be entitled to receive any benefits under the Pension Plan. The Pension Plan, however, allows participants who reach the age of 55 and have accrued at least ten years of pension vesting service to elect early retirement. As of December 31, 2017, our NEOs eligible to participate in the Pension Plan had accrued the following number of pension vesting service years under the Pension Plan for their service through December 31, 2017:

Name	Vesting Years
John D. Gottwald	35
D. Andrew Edwards	20
Michael W. Giancaspro	23

A participant who retires at age 65 or later, with certain exceptions, is entitled to a monthly benefit paid as a single life annuity with five years of guaranteed payments. The monthly payment equals 1/12th of the sum of: (i) 1.1% of his or her final average pay (which is calculated and frozen as of December 31, 2007 and determined by averaging the participant's base salary plus 50% of incentive bonuses for his three consecutive highest paid years in the ten-year period preceding January 1, 2008) multiplied by the number of years of pension benefit service he has accrued; and (ii) 0.4% of his final average pay in excess of the participant's 2007 social security covered compensation, multiplied by his years of pension benefit service.

For a participant who retires prior to age 65, the amount of his retirement benefit is reduced by 7/12 of 1% for each calendar month, up to a maximum of 60 months, if the benefit is started prior to age 60.

In accordance with the provision in the Pension Plan allowing us to amend, modify or terminate it at any time, effective January 1, 2007, we closed the Pension Plan to new participants and froze the pay and covered compensation used to compute benefits for existing participants as of December 31, 2007. Effective February 28, 2014, service accrual for all participants in the Pension Plan (other than participants who are part of a collective bargaining agreement) was frozen.

Nonqualified Deferred Compensation

The following table presents information concerning the Savings Plan Benefit Restoration Plan for Employees of Tredegar Corporation, which is a defined contribution plan that provides for the deferral of compensation of our NEOs on a basis that is not tax qualified.

Name	Registrant Contributions in Last FY ⁽¹⁾ (\$)	Aggregate Earnings in Last FY (\$)	Aggregate Withdrawals/Distributions (\$)	Aggregate Balance at Last FYE ⁽²⁾ (\$)
John D. Gottwald	6,442	(1,481)	-0-	12,592
D. Andrew Edwards	10,874	(1,355)	-0-	21,246
Michael J. Schewel	4,130	(17)	-0-	4,114
Michael W. Giancaspro	3,877	(44)	-0-	3,832

(1) These amounts represent the sum of the amounts included in Note (5) to the Summary Compensation Table beginning on page 29 of this proxy statement under the columns "Matching Contributions under the Tredegar Corporation Savings Plan Benefit Restoration Plan" and "Dividends on Shares in the Tredegar Corporation Savings Plan Benefit Restoration Plan."

(2) These amounts include the following amounts that were previously reported as compensation in the Summary Compensation Table of our 2017 proxy statement:

Name	Matching Contributions under the Tredegar Corporation Savings Plan Benefit Restoration Plan(\$)	Dividends on Shares in the Tredegar Corporation Savings Plan Benefit Restoration Plan(\$)	Total(\$)
John D. Gottwald	6,300	142	6,442
D. Andrew Edwards	10,626	248	10,874
Michael J. Schewel	4,128	2	4,130
Michael W. Giancaspro	3,877	-0-	3,877

Because of Internal Revenue Code limitations on the matching contributions we are entitled to make on behalf of highly-compensated employees to Tredegar's 401(k) Plan, we adopted the SPBR Plan under which we credit the matching contribution we would have been able to make to the 401(k) Plan, but for the Internal Revenue Code limitations, to an account representing the employee's interest in the SPBR Plan for each payroll period. Every employee who qualifies as "highly-compensated" under the Internal Revenue Code becomes a member of the SPBR Plan as of the date his or her contributions to the 401(k) Plan are limited by IRS regulations.

Our contributions to the SPBR Plan are converted to phantom shares of Tredegar common stock based on the fair market value at the end of the month in which the contributions are credited. Contributions to the SPBR Plan either match those that could not be made to the 401(k) Plan because of Internal Revenue Code limitations or are dividends on shares of stock already credited to the participant.

The value of an account at any given time is based upon the fair market value of Tredegar common stock. The fair market value of Tredegar common stock was \$19.20 on December 29, 2017, the last trading day before December 31, 2017. We reserve the right to terminate or amend the SPBR Plan at any time.

A participant in the SPBR Plan becomes 100% vested in his or her benefit under the Plan if he or she works at least one hour on or after January 1, 2008.

Other Potential Payments Upon Termination or a Change in Control

Equity Incentive Plans

Grants under the Amended and Restated 2004 Equity Incentive Plan. Under the 2004 Plan, Performance Units, shares of restricted Tredegar common stock and stock options granted vest immediately upon the NEO's death, termination of employment due to disability, a change of control of Tredegar, or retirement (except in the case of the Performance Units and provided that the NEO has reached 65 years of age).

The 2004 Plan generally provides that a change in control occurs if (1) a person (or a group of persons) becomes the owner of 50% or more of our voting securities, (2) there is a substantial change in the composition of our Board, (3) there is a business combination in which our shareholders own 80% or less of the surviving entity or (4) our shareholders approve a liquidation or dissolution of Tredegar or the sale of all or substantially all of Tredegar's assets.

The table included below assumes a change in control occurred on December 31, 2017 and provides the value that our NEOs could have realized from the equity awards held as of December 31, 2017, based on the closing price of shares of Tredegar common stock on the NYSE on December 29, 2017, the last trading day before December 31, 2017, which was \$19.20.

Severance Agreements

Agreement with D. Andrew Edwards

On June 25, 2015, we entered into a Severance Agreement with Mr. Edwards, to be effective as of the first day of Mr. Edwards' employment, which was July 20, 2015, which agreement was subsequently amended by the First Amendment to Severance Agreement dated February 25, 2016 (the Edwards Severance Agreement). The Edwards Severance Agreement provides that Mr. Edwards will be entitled to a lump sum severance payment from us in an amount equal to (i) one and one-half times his base salary and (ii) accrued and unused vacation, if, beginning on the first day of employment and ending upon the earlier of (a) February 25, 2019 and (b) the first anniversary of the date (after February 26, 2016) that Mr. Gottwald is not our Chief Executive Officer, Mr. Edwards is terminated without cause (as defined in the Edwards Severance Agreement), or he resigns with good reason (as defined in the Edwards Severance Agreement).

The Edwards Severance Agreement includes provisions regarding the 4,825 shares of restricted stock granted to him on his first day of employment, which become vested on July 20, 2018 solely on account of his continued employment.

In addition, in consideration of our agreement to pay benefits in accordance with the terms of the Edwards Severance Agreement, Mr. Edwards covenants that during his employment with us or an affiliate and for a period of two years following the date of his separation from service (as defined in the Edwards Severance Agreement), Mr. Edwards will not directly or indirectly render any services for a competitor that are substantially similar to those he provided to us or an affiliate, and will not solicit or attempt to solicit, in whole or in part, or do business with any customer for the purpose of providing products that are in competition with products provided by us or any affiliate at the time of his separation from service. Mr. Edwards also covenants that during his employment with us or an affiliate and for a period of one year following the date of his separation from service, he will not directly or indirectly offer employment to, hire, solicit, or cause to be solicited or recruited, any employee of Tredegar or any of our affiliates for the purpose of having such employee terminate his or her employment with us or any affiliate.

Agreement with Michael J. Schewel

On May 9, 2016, we entered into a Severance Agreement with Mr. Schewel (the Schewel Severance Agreement). The Schewel Severance Agreement provides that Mr. Schewel will be entitled to a lump sum severance payment from us in an amount equal to (i) one and one-half times his base salary and (ii) accrued and unused vacation, if, beginning on the first day of employment and ending upon the earlier of (a) May 9, 2019 and (b) the first anniversary of the date that Mr. Gottwald is not our Chief Executive Officer, Mr. Schewel is terminated without cause (as defined in the Schewel Severance Agreement), or he resigns with good reason (as defined in the Schewel Severance Agreement).

The Schewel Severance Agreement includes provisions regarding the 4,087 shares of restricted stock granted to him on his first day of employment, which become vested on February 25, 2019 solely on account of his continued employment.

In addition, in consideration of our agreement to pay benefits in accordance with the terms of the Schewel Severance Agreement, Mr. Schewel covenants that during his employment with us or an affiliate and for a period of two years following the date of his separation from service (as defined in the Schewel Severance Agreement), Mr. Schewel will not directly or indirectly render any services for a competitor that are substantially similar to those he provided to us or an affiliate, and will not solicit or attempt to solicit, in whole or in part, or do business with any customer for the purpose of providing products that are in competition with products provided by us or any affiliate at the time of his separation from service. Mr. Schewel also covenants that during his employment with us or an affiliate and for a period of one year following the date of his separation from service, he will not directly or indirectly offer employment to, hire, solicit, or cause to be solicited or recruited, any employee of Tredegar or any of our affiliates for the purpose of having such employee terminate his or her employment with us or any affiliate.

SPBR Plan

Retirement. If an NEO retires from Tredegar, he will be entitled to receive the total value of his interest in the SPBR Plan as of the last business day of the month in which his benefit under the 401(k) Plan is distributed, subject to Internal Revenue Code Section 409A.

Termination. If the NEO's employment with us ends due to termination, he will be entitled to receive the value of his vested benefit in the SPBR Plan as of the last business day of the month in which he receives his vested benefit under the 401(k) Plan, subject to Internal Revenue Code Section 409A.

Disability. If the NEO separates from service due to a disability, he will be entitled to receive the total value of his interest in the SPBR Plan as of the last business day of the month in which his benefit under the 401(k) Plan is distributed, subject to Internal Revenue Code Section 409A.

Death. If the NEO dies while employed by us, his beneficiary will be entitled to receive the total value of his interest in the SPBR Plan as of the last business day of the month in which the NEO's benefit under the 401(k) Plan is distributed, subject to Internal Revenue Code Section 409A.

The table included below provides information with respect to the benefits we would have had to pay to our NEOs assuming any of the events described above had occurred on December 31, 2017.

Name	Payment on Retirement(\$) ⁽¹⁾	Payment on Termination(\$) ⁽¹⁾	Payment on Death(\$) ⁽¹⁾
John D. Gottwald	12,592	12,592	12,592
D. Andrew Edwards	21,246	21,246	21,246
Michael J. Schewel	4,114	4,114	4,114
Michael W. Giancaspro	3,832	3,832	3,832

Under the terms of the SPBR Plan, if any of these events occurred on December 31, 2017, the earliest payment date would be January 30, 2018 and the amount payable would be based on the closing price of Tredegar common stock on the NYSE on January 30, 2018, the date of payment. In addition, the SPBR Plan provides that payment for a portion of the shares of Tredegar common stock held in a participant's account would be withheld for six months and the payment would be based on the closing price of Tredegar common stock on the NYSE on the date of payment. The amounts set forth above assume that the total payment was made on December 31, 2017 based on the closing price of Tredegar common stock on the NYSE on December 29, 2017, the last trading day before December 31, 2017, which was \$19.20.

CEO PAY RATIO DISCLOSURE

Pursuant to Item 402(u) of Regulation S-K, we are required to provide the following information with respect to fiscal year 2017:

The annual total compensation of the individual identified as the median compensated employee of Tredegar (other than Mr. Gottwald, our Chief Executive Officer) was \$46,105; and
 The annual total compensation of Mr. Gottwald, our Chief Executive Officer was \$539,076.

Based on this information, the ratio of the annual total compensation of our Chief Executive Officer to our median compensated employee is 12 to 1.

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described below. Because the SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

We employed the following methodology, material assumptions, adjustments and estimates to identify the median compensated employee and determine such employee's annual total compensation:

Employee Population Measurement Date: We used December 31, 2017 as the date to determine our employee population.

Compensation Time Period: We measured compensation for the above employees using the 12-month period ending December 31, 2017.

Consistently Applied Compensation Measure: To identify our median compensated employee (other than our CEO), we used employee salaries and bonuses. Compensation for full-time employees hired during fiscal year 2017 was annualized. For purposes of this disclosure, salaries and bonuses for employees located outside the United States were converted from local currency to U.S. dollars using the rate of exchange used in our 2017 Strategic Plan for that location.

Determining Median Compensated Employee's Pay for CEO Ratio: With respect to our median compensated employee, we then identified and calculated the elements of such employee's compensation for fiscal year 2017 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K (which are the same requirements we use to calculate our Chief Executive Officer's annual total compensation), resulting in annual total compensation of \$46,105.

Determining CEO's Pay for CEO Ratio: With respect to the annual total compensation of our Chief Executive Officer, we used the amount reported in the "Total" column of the Summary Compensation table included in this proxy statement.

PROPOSAL 2:

APPROVAL OF TREDEGAR CORPORATION 2018 EQUITY INCENTIVE PLAN

Tredegear currently has in effect the Amended and Restated 2004 Equity Incentive Plan. The 2004 Plan was adopted by the Board in 2004 and amended from time to time thereafter and last approved by shareholders at the 2014 annual meeting of shareholders. The 2004 Plan authorized the issuance of up to 3,622,472 shares pursuant to awards granted under the 2004 Plan. As of February 1, 2018, 1,748,806 shares remained available for issuance under the 2004 Plan. However, the term of the 2004 Plan will end on March 27, 2019 and no additional awards can be granted under the 2004 Plan after that date.

The Board believes that the 2004 Plan has benefited Tredegear and promoted the retention and incentive objectives of the 2004 Plan. The Board also believes that Tredegear's ability to grant equity and equity-based awards in the future is a significant element in Tredegear's executive compensation program. In light of the 2019 expiration of the 2004 Plan, the Board proposes that the shareholders approve the Tredegear Corporation 2018 Equity Incentive Plan (the 2018 Plan). Upon shareholder approval of the 2018 Plan, no additional awards will be granted under the 2004 Plan.

The Board believes that the 2004 Plan has, and the 2018 Plan will, benefit Tredegear by (i) assisting in recruiting and retaining the services of individuals with high ability and initiative, (ii) providing appropriate incentives for employees and other individuals who provide valuable services to Tredegear and its subsidiaries and (iii) associating the interests of those persons with those of Tredegear and its shareholders.

The more significant features of the 2018 Plan are summarized below. The following summary is qualified in its entirety by reference to the 2018 Plan, a copy of which is attached as Annex A to this proxy statement.

Administration

The 2018 Plan is administered by the Executive Compensation Committee (the Committee). The Committee has the authority to select the individuals who will participate in the 2018 Plan (Participants) and to make awards upon such terms (not inconsistent with the terms of the 2018 Plan) as the Committee considers appropriate. The Committee has complete authority to interpret the provisions of the 2018 Plan, to prescribe the form of agreements evidencing awards and to make all determinations necessary or advisable for the administration of the 2018 Plan. Notwithstanding the preceding sentences, the Board administers the 2018 Plan with respect to awards that are made to directors who are not employees of Tredegar or one of its affiliates (Non-Employee Directors).

The Committee may delegate its authority to administer the 2018 Plan to the Executive Committee of the Board or to an officer of Tredegar. The Committee may not delegate its authority, however, with respect to individuals who are subject to Section 16 of the Exchange Act. This summary uses the term “Administrator” to refer to the Committee, any delegate of the Committee and, in the case of awards to Non-Employee Directors, the Board.

Eligibility

Any employee of Tredegar, any employee of any of its affiliates and any person who provides services to Tredegar or an affiliate (including members of the Board) are eligible to participate in the 2018 Plan if the Administrator determines that the individual has contributed significantly or can be expected to contribute significantly to the profits or growth of Tredegar or one of its affiliates. Tredegar is not able to estimate the number of individuals who may be selected by the Administrator to participate in the 2018 Plan or the type or size of awards that the Administrator will approve. Therefore, Tredegar cannot determine the benefits to be allocated to any individual or group of individuals. In recent years, approximately 45 employees participated in the 2004 Plan. Tredegar does not believe that the number of individuals who will be selected to participate under the 2018 Plan will differ materially from the number selected to participate under the 2004 Plan.

Awards

The 2018 Plan permits the grant of options, stock appreciation rights (SARs), stock awards and stock unit awards. As described below, the 2018 Plan includes annual limits on the awards that may be granted to a Participant in a calendar year. The annual limits described below do not apply to Non-Employee Director awards (which are subject to a separate aggregate annual limit). The 2018 Plan provides that a Non-Employee Director may not receive awards in any calendar year covering shares that have a fair market value on the date of the award in excess of \$250,000.

As described below, the 2018 Plan provides that options and SARs generally will not become exercisable and stock awards and stock unit awards generally will not become vested before the first anniversary of the date the award is made. This limitation does not apply to awards made to Non-Employee Directors because the current compensation program for those individuals provides for quarterly equity awards as remuneration for services provided in the preceding calendar quarter.

Options. Options granted under the 2018 Plan may be incentive stock options (ISOs) or nonqualified stock options. A stock option entitles the holder to purchase shares of common stock from Tredegar at the option price. The option price will be fixed by the Administrator on the date the option is granted, but the price cannot be less than the shares' fair market value on the date of grant. Except for adjustments related to stock dividends, stock splits, etc. (as described below), the exercise price of an outstanding option may not be reduced without shareholder approval. The option will be exercisable at the times and subject to the conditions prescribed by the Administrator. Except for options granted to Non-Employee Directors, options generally will not be exercisable before the first anniversary of the grant date. The option price may be paid in cash or a cash equivalent acceptable to the Administrator. If permitted by the terms of the option agreement, the option price also may be paid by the surrender of common stock or, if the option is not an ISO, in a “net exercise” (whereby the number of shares issuable upon exercise is reduced by

the number of shares with a fair market value equal to the option price). The option term will be set by the Administrator but it cannot exceed ten years. The 2018 Plan provides that no Participant may be granted options in any calendar year for more than 450,000 shares.

40

SARs. The 2018 Plan also permits the grant of SARs. A stock appreciation right or SAR generally entitles the holder to receive a payment equal to the excess, if any, of the fair market value of the common stock on the date of exercise over the “initial value” of the SAR (the fair market value of the common stock on the date of grant). Except for adjustments related to stock dividends, stock splits, etc. (as described below), the initial value of a SAR may not be reduced without shareholder approval. The amount payable upon the exercise of a SAR may be settled in cash, with shares of Tredegar common stock or a combination of cash and common stock as the Administrator determines in its discretion. SARs may be exercised at such times and subject to such conditions as the Administrator may establish. Except for SARs granted to Non-Employee Directors, SARs generally will not be exercisable before the first anniversary of the grant date. The maximum term of a SAR is ten years. The 2018 Plan provides that no Participant may be granted SARs in any calendar year for more than 450,000 shares.

Stock Awards and Stock Units. The 2018 Plan permits the grant of stock awards and the grant of stock units. A “stock award” is an award of common stock. A “stock unit” is an award that allows the Participant to earn a benefit based on the fair market value of a share of common stock, which may be paid in cash or common stock. Stock awards and stock units may be nontransferable or subject to forfeiture or both unless and until conditions prescribed by the Administrator are satisfied. The conditions may include, for example, a requirement that the Participant complete a stated period of service or that certain performance objectives be achieved. The objectives may be based on performance goals that are stated with reference to the performance criteria described below. Except for stock awards and stock unit awards granted to Non-Employee Directors, stock awards and stock unit awards generally will not be vested and transferable before the first anniversary of the grant date. The 2018 Plan provides that no Participant may be granted stock awards and/or stock units in any calendar year covering more than 75,000 shares.

Performance Criteria. The Administrator may prescribe that stock awards and stock units will become vested or transferable or both only upon the satisfaction of performance objectives. The 2018 Plan provides that the performance objectives may be stated with reference to the fair market value of the common stock or on Tredegar’s, a subsidiary’s or an operating unit’s economic profit added, return on equity, earnings per share, total earnings, earnings growth, return on capital, return on assets or other measures prescribed by the Administrator.

Transferability

Awards under the 2018 Plan generally are nontransferable other than by will or the laws of descent and distribution. The Administrator may grant options (other than ISOs) and SARs that are transferable during the Participant’s lifetime to members of the Participant’s immediate family and trusts or partnerships of which those individuals are the only beneficiaries or partners.

Change in Control

The 2018 Plan provides that, except as prescribed by the award agreement, (i) all outstanding options and SARs will become vested and exercisable, (ii) all outstanding stock awards will become vested and transferable and (iii) all outstanding stock unit awards will be earned if there is a change in control of Tredegar. The 2018 Plan provides further that upon a change in control and regardless of whether the award becomes vested, the Committee may direct that (i) all outstanding awards will be cancelled in exchange for a payment (in cash, shares or the consideration received by shareholders in the transaction) equal to the value received by shareholders for a share of Tredegar common stock (in the case of stock awards and stock units) or any excess of the value received by shareholders over the option price or initial value (in the case of options and SARs) or (ii) outstanding awards will be assumed by the surviving entity or replaced with awards granted by the surviving entity.

Section 280G of the Internal Revenue Code applies to compensation that is payable on account of a change in control (parachute payments), which may include accelerated vesting of 2018 Plan awards if there is a change in control of Tredegar. If an individual's parachute payments exceed a "safe harbor" amount (generally 2.99 times the individual's average taxable compensation for the preceding five years), then the individual must pay a 20% excise tax on a portion of the parachute payments and Tredegar is not entitled to deduct a portion of the parachute payments. The 2018 Plan provides that each participant's parachute payments, including those related to 2018 Plan awards, will be reduced to the maximum amount that can be paid without triggering liability for the excise tax and the loss of a deduction by Tredegar. The parachute payments will not be reduced, however, if the participant will realize a greater after-tax benefit by receiving all of the parachute payments and paying his or her own excise tax liability. If the individual receives all of the parachute payments and the parachute payments exceed the safe harbor amount, Tredegar will not be allowed to deduct a portion of the parachute payments received by the participant. However, the 2018 Plan further provides that if the terms of an agreement or another plan provide that an individual's parachute payments cannot exceed the safe harbor amount, then the individual's parachute payments will be reduced, if necessary, so that they do not exceed the safe harbor amount.

The 2018 Plan generally provides that a change in control occurs if a person (or a group of persons) becomes the owner of 50% or more of Tredegar's voting securities, if there is a substantial change in the composition of the Board, if there is a business combination in which Tredegar's shareholders own 80% or less of the surviving entity or if the shareholders approve a liquidation or dissolution of Tredegar or the sale of all or substantially all of Tredegar's assets.

Share Authorization

A maximum of 2,000,000 shares may be issued under the 2018 Plan, an increase of 251,194 shares from the number of shares that remain available under the 2004 Plan. In determining the number of shares to include in the 2018 Plan, the Committee and the Board, in consultation with Pearl Meyer, the Committee's independent executive compensation consultant, considered anticipated share usage over the next three to five years. The Committee and the Board also considered annual share burn rate and overhang relative to Tredegar's peer companies (identified on page 19 of this proxy statement) and peers in other industry groups. Tredegar's burn rate is below the competitive median, and the requested share authorization will position Tredegar's total overhang below the median of its peers. The Committee and the Board believe the requested share authorization for the 2018 Plan will be sufficient to provide competitive equity grants to eligible employees over the next few years and will not be perceived by most shareholders as overly dilutive.

If, after the date shareholders approve the 2018 Plan, an award granted under the 2018 Plan or the 2004 Plan is terminated, forfeited, settled for cash or otherwise settled without the issuance of shares or for fewer shares than the number covered by the award (including the net exercise of an option), then the 2018 Plan's aggregate share authorization will be increased by the number of terminated, forfeited or reduced shares. However, the 2018 Plan's share authorization will not be increased by the number of shares that are tendered to pay an option exercise price or to satisfy tax withholding obligations with respect to awards granted under the 2018 Plan or the 2004 Plan. Notwithstanding the share reallocation provisions, no more than 2,000,000 shares may be issued upon the exercise of options granted under the 2018 Plan.

The share authorization, the limitation on the issuance of shares under options, the terms of outstanding awards and the individual grant limitations will be adjusted as the Committee determines is appropriate if we have a stock split, stock dividend, combination, reclassification of shares or similar change in our capitalization.

Shareholder Rights

A Participant will not have any rights as a shareholder with respect to an option until the option is exercised and shares are issued to the Participant. A Participant will not have any rights as a shareholder with respect to a SAR or stock unit award until, and then only to the extent that, the SAR or stock unit award is exercised or vests and is settled by the issuance of shares. The Administrator may provide that a stock unit award includes a dividend equivalent right that may be payable on a current or deferred basis. A Participant will have all the rights of a shareholder with respect to the shares covered by a stock award, including the right to vote the shares and to receive dividends (on a current or deferred basis as determined by the Administrator).

Amendment and Termination

The Board may terminate or suspend the 2018 Plan, in whole or in part, at any time. The Board also may amend the 2018 Plan, but the amendment must be approved by shareholders if the amendment (i) increases the number of shares that may be issued under the 2018 Plan (other than in connection with a stock split, stock dividend, etc. as described above), (ii) changes the requirements for participation in the 2018 Plan or (iii) modifies the 2018 Plan in any other way that would require shareholder approval under any applicable regulatory requirement, including the rules of the NYSE.

No awards may be granted under the 2018 Plan after February 20, 2028. Awards made before that date (or before the earlier termination of the 2018 Plan) will remain valid in accordance with their terms. No amendment of the 2018 Plan will adversely affect a Participant's rights under an outstanding award without the Participant's consent.

Federal Tax Consequences

Counsel advised us regarding the federal income tax consequences of the 2018 Plan. No income is recognized by a Participant at the time an option or SAR is granted. If the option is an ISO, no income will be recognized upon the Participant's exercise of the option (although the exercise of an ISO may have alternative minimum tax consequences for the Participant). Income is recognized by a Participant when he or she disposes of shares acquired under an ISO. The exercise of a nonqualified stock option or SAR generally is a taxable event that requires the Participant to recognize, as ordinary income, the difference between the shares' fair market value and the option price or the amount paid in settlement of the SAR.

Income is recognized on account of the grant of a stock award when the shares first become transferable or are no longer subject to a substantial risk of forfeiture. At that time the fair market value of the common stock is recognized as ordinary income.

No income is recognized upon the grant of a stock unit award. Ordinary income will be recognized on the date that payment is made under the stock unit award in an amount equal to the sum of any cash and the fair market value of any common stock paid to settle the stock unit award.

The employer (either Tredegar or a subsidiary) will be entitled to claim a federal income tax deduction on account of the exercise of a nonqualified stock option or SAR or the vesting of a stock award or the settlement of a stock unit award. The amount of the deduction is equal to the ordinary income recognized by the Participant. The employer will not be entitled to a federal income tax deduction on account of the grant or the exercise of an ISO. The employer may claim a federal income tax deduction on account of certain dispositions of shares acquired under an ISO.

Vote Required and Voting Recommendation

The 2018 Plan must be approved by the holders of a majority of the total votes cast on the 2018 Plan at the annual meeting. Under the rules of the NYSE, abstentions and broker non-votes will be counted as being entitled to vote on the proposal to approve the 2018 Plan. Abstentions will be treated as votes cast on this proposal but broker non-votes will not be treated as votes cast on this proposal. As a result, broker non-votes will have no effect on the proposal to approve the 2018 Plan. Abstentions will have the same effect as a vote against the proposal to approve the 2018 Plan.

Our Board recommends that you vote “FOR” this proposal.

PROPOSAL 3: NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), Tredegar is providing its shareholders with the opportunity to cast a non-binding advisory vote on compensation paid by Tredegar to our NEOs. This non-binding advisory vote, which is commonly referred to as a “say-on-pay” vote, provides shareholders with the opportunity to express their views on the compensation paid by Tredegar to our NEOs. This vote is not intended to address any specific item of compensation, but rather the overall compensation paid by Tredegar to our NEOs as described in “Compensation Discussion and Analysis” beginning on page 16 of this proxy statement, the accompanying compensation tables, and the related narrative disclosure.

At our 2015 annual meeting, approximately 85% of the votes cast on the “say-on-pay” proposal were voted in favor of the proposal. The Executive Compensation Committee believes this affirms shareholders’ support of our approach to executive compensation.

As described in detail in our “Compensation Discussion and Analysis” beginning on page 16 of this proxy statement, our compensation programs are designed so that our executives are incentivized to achieve specific company performance goals and personal objectives that will build shareholder value over the long term without encouraging undue or unreasonable risk taking. The Executive Compensation Committee reviews our executive compensation programs annually to ensure they align executive compensation with the interests of our shareholders.

Our Board recommends that shareholders vote in favor of the following resolution:

“RESOLVED, that the compensation of Tredegar’s named executive officers as disclosed in the Proxy Statement for the 2018 Annual Meeting of Shareholders pursuant to the rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the accompanying compensation tables and the related narrative disclosure is hereby approved.”

Although this vote is advisory and is not binding, the Board and the Executive Compensation Committee, which is comprised solely of independent directors, expect to take into account the outcome of the vote when considering future executive compensation decisions.

Tredegar currently intends to hold the next non-binding advisory vote to approve the compensation of our NEOs at our 2021 annual meeting of shareholders, unless our Board modifies its policy of holding this vote every three years, particularly after considering the results of the vote on Proposal 4.

Vote Required and Voting Recommendation

This proposal will be approved if the votes cast “FOR” exceed the votes cast “AGAINST.” Abstentions and broker non-votes will have no effect on the outcome.

Our Board recommends that you vote “FOR” this proposal.

PROPOSAL 4: NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF THE VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Act and related regulations provide shareholders with a non-binding advisory vote on whether future advisory votes to approve the compensation of our NEOs (commonly referred to as a “frequency” vote) should occur every one, two or three years. This frequency vote must occur at least once every six years. When this vote was first held at our annual meeting of shareholders on May 16, 2012, approximately 52% of the votes cast were cast in favor of conducting the “say-on-pay” vote every three years.

Regarding the frequency or say-when-on-pay vote, shareholders are able to choose among four options: holding the say-on-pay vote every one, two or three years, or abstaining.

The Board believes that the optimal interval for conducting the say-on-pay vote is every three years. Shareholders who have concerns about executive compensation during the interval between say-on-pay votes may bring their specific concerns to the attention of the Board and the Executive Compensation Committee through one of the means described under “Voting Instructions — How do I communicate with the Board of Directors?” on page 3 of this proxy statement.

Although this vote is advisory and is not binding, the Board and the Executive Compensation Committee will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

Vote Required and Voting Recommendation

If none of the frequency options receive a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by shareholders. Abstentions and broker non-votes will have no effect on the outcome.

Our Board recommends that you vote for “EVERY THREE YEARS.”

REPORT OF THE AUDIT COMMITTEE

The Audit Committee assists the Board in fulfilling its oversight responsibilities relating to the accounting, reporting and financial practices of Tredegar by monitoring the quality and integrity of the financial statements, the financial reporting processes and the systems of internal accounting and financial controls of Tredegar. The Audit Committee operates under a written charter that has been adopted by Tredegar’s Board and is available on Tredegar’s website (www.tredegar.com) by selecting “Corporate Governance” under “Investors.” Management is responsible for the preparation of Tredegar’s financial statements, for establishing and maintaining an adequate system of internal control over financial reporting, and for assessing the effectiveness of Tredegar’s internal control over financial reporting. PricewaterhouseCoopers LLP (PwC), Tredegar’s independent registered public accounting firm, is responsible for performing an independent audit of those financial statements and Tredegar’s internal control over financial reporting.

The Audit Committee has met and held discussions with management and PwC regarding Tredegar's audited 2017 consolidated financial statements. Management represented to the Audit Committee that Tredegar's consolidated financial statements were prepared in accordance with generally accepted accounting principles, in all material respects, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and PwC.

The Audit Committee has discussed with PwC the matters required to be discussed under Public Company Accounting Oversight Board (PCAOB) Standards. In addition, the Audit Committee has received the written disclosures and the letter from PwC relating to the independence of that firm as required by the applicable requirements of the PCAOB and has discussed with PwC that firm's independence from Tredegar.

In reliance upon the Audit Committee's discussions with management and PwC, and the Audit Committee's review of the representations of management and the report of PwC to the Audit Committee, the Audit Committee recommended that the Board include the audited consolidated financial statements in Tredegar's Annual Report on Form 10-K for the year ended December 31, 2017 to be filed with the Securities and Exchange Commission.

INDEPENDENT REGISTERED PUBLIC ACCOUNT FIRM AUDIT FEES

PwC was our independent registered public accounting firm for the fiscal year ended December 31, 2017 and prior years. The Audit Committee has not selected an independent registered public accounting firm for the fiscal year ending December 31, 2018 because it is currently conducting a competitive proposal process to make such selection and therefore does not propose that any independent registered public accounting firm be ratified for the fiscal year ending December 31, 2018 at the annual meeting. We believe that the process reflects good corporate governance and is not due to a disagreement with PwC on any matter related to their audit of Tredegar, PwC declining to stand for re-appointment, or there being reportable events as defined in Item 304(a)(1)(v) of Regulation S-K. PwC is included in the proposal process and the Audit Committee expects to complete its review by May 1, 2018. The Audit Committee intends to propose in future years the ratification of its independent registered public accounting firm in our proxy statement. A representative of PwC will be present at the annual meeting and will be available to respond to appropriate questions.

Shareholder ratification of our Audit Committee's appointment of our independent registered public accounting firm is not required by our Bylaws or otherwise. In future years, if our shareholders fail to ratify the appointment, our Audit Committee will take such failure into consideration. If our shareholders ratify the appointment, our Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it is determined that such a change would be in the best interests of Tredegar.

The following table lists fees our independent registered public accounting firm, PwC, billed to us for services rendered in fiscal years 2016 and 2017.

	2016	2017
Audit Fees	\$2,115,750	\$1,880,159
All Other Fees	4,592	3,600
Total Fees	\$2,120,342	\$1,883,759

Audit Fees include fees PwC billed for services it performed to comply with the standards of the PCAOB, including the recurring audit of our consolidated financial statements and of our internal control over financial reporting. This category also includes fees for audits PwC provided in connection with statutory filings or services that generally only the principal auditor reasonably can provide and assistance with and review of documents filed with the SEC.

All Other Fees include software licensing for online accounting research and other miscellaneous consulting and training fees.

Our Audit Committee has concluded that the provision of the non-audit services listed above as “All Other Fees” is compatible with maintaining the auditor’s independence.

DIRECTOR NOMINATING PROCESS AND SHAREHOLDER PROPOSALS

Nominating and Governance Committee Process for Identifying and Evaluating Director Candidates

Our Nominating and Governance Committee evaluates all director candidates in accordance with the director qualification standards described in our Governance Guidelines, which require that a majority of our Board must be independent directors under the general independence standards of the NYSE listing standards and under our Governance Guidelines. Our Nominating and Governance Committee evaluates all candidates’ qualifications to serve as members of our Board based on the skills and characteristics of individual Board members as well as the composition of our Board as a whole. In addition, our Nominating and Governance Committee will evaluate a candidate’s independence, diversity, age, skills and experience in the context of our Board’s needs. Our Nominating and Governance Committee does not assign specific weights to particular criteria and no particular criteria are necessarily applicable to all prospective nominees and directors other than having the highest standards of business and professional conduct.

Although we have no formal policy on diversity, we believe our Board should exhibit diversity of backgrounds and expertise. Our Nominating and Governance Committee considers diversity in the context of the Board as a whole and takes into account the personal characteristics (e.g., age, gender, skill, etc.) and experience (e.g., industry, professional, public service, etc.) of current and prospective directors to facilitate Board deliberations that reflect a broad range of perspectives. The Nominating and Governance Committee takes into account diversity considerations in determining Tredegar’s nominees for directors and planning for director succession and believes that, as a group, the current directors and nominees bring a diverse range of perspectives to the Board’s deliberations.

Director Candidate Recommendations and Nominations by Shareholders

Our Nominating and Governance Committee's Charter provides that our Nominating and Governance Committee will consider director candidate recommendations by our shareholders. Shareholders should submit any such recommendations to our Nominating and Governance Committee through one of the methods described under "Voting Information How do I communicate with the Board of Directors?" on page 3 of this proxy statement. There are no differences in the manner in which our Nominating and Governance Committee evaluates director candidates based on whether shareholders recommend the candidates.

In addition to candidate recommendations, any shareholder of record entitled to vote for the election of directors at the applicable meeting of shareholders may nominate persons for election to the Board so long as that shareholder complies with the requirements set forth in the applicable provisions of our amended and restated Bylaws and summarized in "Shareholders' Proposals" below.

Our Nominating and Governance Committee did not receive any recommendations of director candidates from any shareholder or group of shareholders during 2017, nor were there any shareholder nominations of any person for election as a director.

Shareholders' Proposals

The regulations of the SEC require any shareholder wishing to include in our proxy statement a proposal to be acted upon at the 2019 annual meeting of shareholders to ensure that the proposal is received by Tredegar at our principal office in Richmond, Virginia, no later than November 23, 2018. We will consider written proposals received by our Corporate Secretary by that date for inclusion in our proxy statement in accordance with regulations governing the solicitation of proxies.

Article I, Section 10 of our amended and restated Bylaws (Bylaws) also requires any shareholder wishing to make a proposal to be acted on at an annual meeting to give written notice to our Corporate Secretary not later than 120 days before the anniversary date of Tredegar's annual meeting in the immediately preceding year (January 2, 2019). The notice must contain the information required by our Bylaws.

In addition, Article II, Section 5 of our Bylaws allows any shareholder entitled to vote in the election of directors generally to nominate one or more persons for election as directors at a meeting only if written notice of such shareholder's intent to make such nomination or nominations has been given, either by personal delivery or by United States mail, postage prepaid, to our Corporate Secretary not later than:

- 120 days before the anniversary date of Tredegar's annual meeting in the immediately preceding year, or
- with respect to an election to be held at a special meeting of shareholders for the election of directors, the close of business on the seventh day following the date on which notice of a special meeting of shareholders is first given to shareholders.

Each notice must set forth information required by our Bylaws as to the shareholder giving the notice and the person whom the shareholder proposes to nominate for election as a director.

Because the 2018 annual meeting is being held on May 2, 2018, our Corporate Secretary must receive notice of a shareholder proposal to be acted on at the 2019 annual meeting not later than the close of business on January 2, 2019. These requirements are separate from the requirements of the SEC that a shareholder must meet to have a proposal included in our proxy statement.

Our Bylaws are available on our website at www.tredegar.com and on the SEC's website at www.sec.gov. We will also furnish any shareholder a copy of our Bylaws without charge upon written request to our Corporate Secretary.

See “Voting Information How do I communicate with the Board of Directors?” on page 3 of this proxy statement.

Beneficial owners with the same address who receive more than one proxy statement and 2017 Form 10-K may request delivery of a single proxy statement and 2017 Form 10-K by contacting our Corporate Secretary as provided in the preceding sentence. Such beneficial owners will continue to receive separate proxy cards, voting instruction forms or notice of Internet availability, as applicable, which will allow each individual to vote independently.

OTHER MATTERS

Our Board is not aware of any matters to be presented for action at the annual meeting of shareholders other than as described in this proxy statement. However, if any other matters are properly raised at the annual meeting or in any adjournment of the annual meeting, the person or persons voting the proxies will vote them in accordance with their best judgment.

ARTICLE II

PURPOSES

The Plan is intended to assist the Company and its Affiliates in recruiting and retaining individuals with ability and initiative by enabling such persons to participate in the future success of the Company and its Affiliates and to associate their interests with those of the Company and its shareholders. The Plan is intended to permit the grant of both Options qualifying under Section 422 of the Code ("incentive stock options") and Options not so qualifying, and the grant of SARs, Stock Awards and Stock Unit Awards. No Option that is intended to be an incentive stock option shall be invalid for failure to qualify as an incentive stock option. The Plan was adopted by the Board on February 20, 2018, subject to the approval of the Company's shareholders.

ADMINISTRATION

The Plan shall be administered by the Committee. The Committee shall have authority to grant Awards upon such terms (not inconsistent with the provisions of this Plan) as the Committee may consider appropriate. Such terms may include conditions (in addition to those contained in this Plan) on the exercisability of all or any part of an Option or SAR or on the vesting or forfeitability of a Stock Award or Stock Unit Award, including upon a termination of employment or a Change in Control. Neither the Committee nor any member of the Committee shall be liable for any act done in good faith with respect to this Plan or any Award. Upon the exercise of any Option or SAR the Company may deliver to the Participant (or the Participant's broker if the Participant so directs), shares of Common Stock from its authorized but unissued Common Stock.

5.02. Aggregate Limit. Subject to adjustment as provided in Article IX, the total aggregate number of shares of Stock that may be issued or transferred under the Plan on and after the Effective Date is 2,000,000 shares plus any additional shares that become available in accordance with Section 5.03.

5.03. Reallocation of Shares. If, after the Effective Date, any Award granted hereunder or any award granted under the Prior Plan expires or is terminated unexercised, or is settled for cash or otherwise settled without the issuance of shares of Common Stock or for fewer shares of Common Stock than the maximum number subject to such Award (including any options that are net settled), then any shares of Common Stock to the extent of such lapse, cancellation, expiration or cash or net settlement of such Award or Prior Plan award shall be available for grant under this Plan. If after the Effective Date any shares of Common Stock are tendered by a Participant to pay the exercise price of, or are delivered to satisfy tax obligations in respect of, any Award under this Plan or any award under the Prior Plan, then any shares of Common Stock covered by such tender shall not be available for grant under this Plan. Notwithstanding the foregoing reallocation, no more than 2,000,000 shares may be issued upon the exercise of Options.

5.04. Director Grant Limitation. A Non-Employee Director may not be granted Awards in any calendar year covering or with respect to that number of shares of Common Stock that has a Fair Market Value on the date of grant of the Award in excess of \$250,000.

ARTICLE VI

OPTIONS

6.01. Award. In accordance with the provisions of Article IV, the Committee will designate each individual to whom an Option is to be granted and will specify the number of shares of Common Stock covered by such awards provided, however, that except as provided in Section 5.04 with respect to Non-Employee Directors, the maximum number of shares of Common Stock covered by Options granted to a Participant in any calendar year is equal to 450,000 shares of Common Stock.

Option Price. The price per share for Common Stock purchased on the exercise of an Option shall be determined by the Committee on the date of grant, but shall not be less than the Fair Market Value on the date the Option is granted (unless such Option is granted in connection with a transaction described in Article IX).

- 6.02. Notwithstanding, the preceding sentence, the price per share for shares of Common Stock purchased on the exercise of any Option that is an incentive stock option granted to an individual who is a Ten Percent Shareholder on the date such option is granted, shall not be less than one hundred ten percent (110%) of the Fair Market Value on the date the Option is granted. Except as provided in Article IX, the price per share for Common Stock purchased on the exercise of an Option shall not be reduced without the approval of the Company's shareholders in accordance with applicable law.

- 6.03. Maximum Option Period. The maximum period in which an Option may be exercised shall be ten years from the date such Option was granted. In the case of an incentive stock option that is granted to a Participant who is a Ten Percent Shareholder on the date of grant, such Option shall not be exercisable after the expiration of five years from the date of grant. The terms of any Option may provide that it is exercisable for a period less than such maximum period.

- 6.04. Nontransferability. Except as provided in Section 6.05, each Option granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution and during the lifetime of the Participant to whom the Option is granted, the Option may be exercised only by the Participant. No right or interest of a Participant in any Option shall be liable for, or subject to, any lien, obligation, or liability of such Participant.

- 6.05. Transferable Options. Section 6.04 to the contrary notwithstanding, if the Agreement provides, an Option that is not an incentive stock option may be transferred by a Participant to the Participant's children, grandchildren, spouse, one or more trusts for the benefit of such family members or a partnership in which such family members are the only partners; provided, however, that Participant may not receive any consideration for the transfer. In addition to transfers described in the preceding sentence, the Committee may grant Options that are not incentive stock options that are transferable on other terms and conditions as may be permitted under Securities Exchange Commission Rule 16b-3 under the Exchange Act, as in effect from time to time. The holder of an Option transferred pursuant to this section shall be bound by the same terms and conditions that governed the Option during the period that it was held by the Participant, and may not subsequently transfer the Option, except by will or the laws of descent and distribution.

- 6.06. Employee Status. For purposes of determining the applicability of Section 422 of the Code (relating to incentive stock options), or in the event that the terms of any Option provide that it may be exercised only during employment or continued service or within a specified period of time after termination of employment or service, the Committee may decide to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service.

- 6.07. Exercise. Subject to the provisions of this Plan and the applicable Agreement, an Option may be exercised in whole at any time or in part from time to time at such times and in compliance with such requirements as the Committee shall determine. Subject to the provisions of Article III and Section 10.01, no Option may become exercisable before the first anniversary of its grant or, if earlier, the date of the Participant's death or termination of employment on account of disability. The preceding sentence shall not apply to an Option granted to a Non-Employee Director. In addition, no option shall be treated as an incentive stock option to the extent that the aggregate Fair Market Value of the shares of Common Stock subject to the incentive stock options granted under the Plan and the Prior Plan which would first become exercisable in any calendar year exceeds \$100,000. Any such excess shall instead automatically be treated as a nonqualified option. An Option granted under this Plan may be exercised with respect to any number of whole shares less than the full number of shares for which the Option could be exercised.

A partial exercise of an Option shall not affect the right to exercise the Option from time to time in accordance with this Plan and the applicable Agreement with respect to the remaining shares subject to the Option.

- 6.08. Payment. Unless otherwise provided by the Agreement, payment of the Option price shall be made in cash or a cash equivalent acceptable to the Committee. If the Agreement provides, payment of all or part of the Option price may be made by surrendering to the Company (either by actual surrender or by attestation of ownership) shares of Common Stock or, if the Option is not intended to be an incentive stock option, by means of a net exercise (whereby the number of shares of Common Stock issued upon exercise is equal to the number of shares for which the Option is exercised reduced by the number of shares that have a Fair Market Value (on the date of exercise) equal to the Option price of the shares for which the Option is being exercised). If shares of Common Stock are used to pay all or part of the Option price, the sum of the cash and cash equivalent and the Fair Market Value (determined on the date of exercise) of the shares surrendered must not be less than the Option price of the shares for which the Option is being exercised.
- 6.09. Shareholder Rights. No Participant shall have any rights as a shareholder with respect to shares of Common Stock subject to his Option until the date of exercise of such Option.
- 6.10. Disposition of Stock. A Participant shall notify the Company of any sale or other disposition of shares of Common Stock acquired pursuant to an Option that was an incentive stock option if such sale or disposition occurs (i) within two years of the grant of an Option or (ii) within one year of the issuance of the shares of Common Stock to the Participant. Such notice shall be in writing and directed to the Secretary of the Company.

ARTICLE VII

SARS

- 7.01. Award. In accordance with the provisions of Article IV, the Committee will designate each individual to whom SARs are to be granted and will specify the number of shares of Common Stock covered by such awards provided, however, that except as provided in Section 5.04 with respect to Non-Employee Directors, the maximum number of shares of Common Stock covered by SARs granted to a Participant in any calendar year is equal to 450,000 shares.
- 7.02. Maximum SAR Period. The maximum period in which a SAR may be exercised shall be ten years from the date of grant. The terms of any SAR may provide that it is exercisable for a period less than such maximum period.
- 7.03. Nontransferability. Except as provided in Section 7.04, each SAR granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution and during the lifetime of the Participant to whom the SAR is granted, the SAR may be exercised only by the Participant. No right or interest of a Participant in any SAR shall be liable for, or subject to, any lien, obligation, or liability of such Participant.
- 7.04. Transferable SARs. Section 7.03 to the contrary notwithstanding, the Committee may grant transferable SARs to the extent and on such terms as may be permitted by Securities Exchange Commission Rule 16b-3 under the Exchange Act, as in effect from time to time. The holder of a SAR transferred pursuant this section shall be bound by the same terms and conditions that governed the SAR during the period that it was held by the Participant, and may not subsequently transfer the SAR, except by will or the laws of descent and distribution.

TREDEGAR CORPORATION
2018 EQUITY INCENTIVE PLAN

7.05. Exercise. Subject to the provisions of this Plan and the applicable Agreement, a SAR may be exercised in whole at any time or in part from time to time at such times and in compliance with such requirements as the Committee shall determine. Subject to the provisions of Article III and Section 10.01, no SAR may become exercisable before the first anniversary of its grant or, if earlier, the date of the Participant's death or termination of employment on account of disability. The preceding sentence shall not apply to a SAR granted to a Non-Employee Director. A SAR granted under this Plan may be exercised with respect to any number of whole shares of Common Stock less than the full number for which the SAR could be exercised. A partial exercise of a SAR shall not affect the right to exercise the SAR from time to time in accordance with this Plan and the applicable Agreement with respect to the remaining shares subject to the SAR.

7.06. Employee Status. If the terms of any SAR provide that it may be exercised only during employment or continued service or within a specified period of time after termination of employment or service, the Committee may decide to what extent leaves of absence for governmental or military service, illness, temporary disability or other reasons shall not be deemed interruptions of continuous employment or service.

7.07. Settlement. At the Committee's discretion, the amount payable as a result of the exercise of a SAR may be settled in cash, shares of Common Stock, or a combination of cash and shares of Common Stock. No fractional share will be deliverable upon the exercise of a SAR but a cash payment will be made in lieu thereof.

7.08. Shareholder Rights. No Participant shall, as a result of receiving a SAR award, have any rights as a shareholder of the Company or any Affiliate until the date that the SAR is exercised and then only to the extent that the SAR is settled by the issuance of shares of Common Stock.

ARTICLE VIII

STOCK AND STOCK UNIT AWARDS

8.01. Award. In accordance with the provisions of Article IV, the Committee will designate each individual to whom a Stock Award or a Stock Unit Award is to be made and will specify the number of shares of Common Stock covered by such Awards provided, however, that except as provided in Section 5.04 with respect to Non-Employee Directors, the maximum number of shares of Common Stock covered by Stock Awards and/or Stock Unit Awards granted to a Participant in any calendar year is equal to 75,000 shares of Common Stock.

8.02. Vesting. The Committee, on the date of the award, may prescribe that a Participant's rights in the Stock Award or Stock Unit Award shall be forfeitable or otherwise restricted for a period of time or subject to such conditions as may be set forth in the Agreement. Subject to the provisions of Article III and Section 10.01, each Stock Award and Stock Unit Award shall be forfeitable or otherwise restricted until at least the first anniversary of its grant or, if earlier, the date of the Participant's death or termination of employment on account of disability. The preceding sentence shall not apply to a Stock Award or Stock Unit Award granted to a Non-Employee Director.

TREDEGAR CORPORATION
2018 EQUITY INCENTIVE PLAN

8.03 Performance Objectives. In accordance with Section 8.02, the Committee may prescribe that Stock Awards and Stock Unit Awards will become vested or transferable or both based on performance objectives stated with respect to the Company, an Affiliate or an operating unit. Performance objectives for any Stock Award or Stock Unit Award may be based on one or more financial measures stated with reference to economic profit added, return on equity, earnings per share, total earnings, earnings growth, return on capital, return on assets, Fair Market Value or other measure prescribed by the Committee. Each goal may be expressed on an absolute basis or relative to the performance of one or more similarly situated companies or a published index. When establishing performance goals for a performance cycle, the Committee may exclude any or all special, unusual, or extraordinary items as determined under U.S. generally accepted accounting principles including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, other unusual or non-recurring items, and the cumulative effects of accounting changes. The Committee may also adjust the performance goals for any performance cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine, including, without limitation, any adjustments that would result in the Company paying non-deductible compensation to a Participant. If the Committee, on the date of award, prescribes that a Stock Award or Stock Unit Award shall become nonforfeitable and transferable only upon the attainment of performance objectives, the shares subject to such Award shall become nonforfeitable and transferable only to the extent that the Committee certifies that such objectives have been achieved.

8.04 Employee Status. In the event that the terms of any Stock Award or Stock Unit Award provides that shares may become transferable and nonforfeitable thereunder only after completion of a specified period of employment or continued service, the Committee may decide in each case to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service.

8.05. Shareholder Rights.

(a) Stock Awards. The Company may implement the grant of a Stock Award by (i) book-entry issuance of shares to the Participant in an account maintained by the Company at its transfer agent or (ii) delivery of certificates for shares of Common Stock to the Participant bearing a legend setting forth the restrictions imposed thereon as the Committee, in its discretion, may determine. While the shares of Common Stock granted pursuant to a Stock Award may be forfeited or are nontransferable, a Participant will have all rights of a shareholder with respect to the Stock Award, including (subject to Section 12.04) the right to receive dividends and vote the shares; provided, however, that the Committee may provide at the time of grant that dividends shall be subject to the same restrictions as the shares; and provided further, that during such period (i) a Participant may not sell, transfer, pledge, exchange, hypothecate, or otherwise dispose of shares of Common Stock granted pursuant to a Stock Award, (ii) if certificates are issued, the Company shall retain custody of the certificates evidencing shares of Common Stock granted pursuant to a Stock Award, and (iii) the Participant will deliver to the Company a stock power, endorsed in blank, with respect to each Stock Award. The limitations set forth in the preceding sentence shall not apply after the shares of Common Stock granted under the Stock Award are transferable and are no longer forfeitable.

(b) Stock Unit Awards. No Participant shall, as a result of receiving a Stock Unit Award, have any rights as a shareholder of the Company until the date the Stock Unit Award is settled and then only to the extent that the Stock Unit Award is settled by the issuance of shares of Common Stock. Each Stock Unit Award shall have a value equal to the Fair Market Value of an equal number of shares of Common Stock. Stock Unit Awards may be paid in cash or shares of Common Stock or a combination of cash and shares of Common Stock, as determined in the sole discretion of the Committee, upon the lapse of the applicable restrictions. In accordance with Section 12.04, the Committee may, in its sole and absolute discretion, credit Participants with dividend equivalents on Stock Unit Awards at the time of any payment of dividends to shareholders on shares. A Participant may not sell, transfer, pledge, exchange,

hypothecate, or otherwise dispose of Stock Unit Awards.

ADJUSTMENT UPON CHANGE IN SHARES OF COMMON STOCK

The maximum number of shares as to which Options, SARs, Stock Awards and Stock Unit Awards may be granted under this Plan, the terms of outstanding Awards (including, where applicable, the Option price or Initial Value), and the per individual limitations on Awards, shall be adjusted as the Committee shall determine to be equitably required in the event that (a) the Company (i) effects one or more stock dividends, stock split-ups, subdivisions or consolidations of shares or (ii) engages in a transaction to which Section 424 of the Code applies or (b) there occurs any other event which, in the judgment of the Committee necessitates such action. Any determination made under this Article IX by the Committee shall be final and conclusive.

The issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, the terms of outstanding Awards, the maximum number of shares as to which Options, SARs, Stock Awards and Stock Unit Awards may be granted, or the per individual limitations on the number of shares for which Options, SARs, Stock Awards and Stock Unit Awards may be granted.

The Committee may grant Awards in substitution for performance shares, phantom shares, stock awards, stock options, stock appreciation rights, or similar awards held by an individual who becomes an employee of the Company or an Affiliate in connection with a transaction described in the first paragraph of this Article IX. Notwithstanding any provision of the Plan (other than the limitation in Section 5.02), the terms of such substituted Awards shall be as the Committee, in its discretion, determines is appropriate.

ARTICLE X

CHANGE IN CONTROL

10.01. Accelerated Vesting. Except as provided in an Agreement, upon a Change in Control, (i) all outstanding Options and SARs shall become vested and exercisable and thereafter may be exercised in accordance with the terms provided in the applicable Agreement, (ii) all outstanding Stock Awards shall become transferable and nonforfeitable and (iii) all outstanding Stock Unit Awards shall become earned and nonforfeitable in their entirety. Upon a Change in Control, the provisions of this Article X shall take precedence over any other provision of the Plan that relates to the vesting of an Award.

10.02. Assumption Upon Change in Control. In the event of a Change in Control the Committee, in its discretion and regardless of whether the Award becomes vested under Section 10.01 and without the need for a Participant's consent, may provide that an outstanding Option, SAR, Stock Award or Stock Unit Award shall be assumed by, or replaced with a substitute award granted by, the surviving entity in the Change in Control. Such assumed or substituted award shall be of the same type of award as the original Option, SAR, Stock Award or Stock Unit Award being assumed or substituted. The assumed or substituted award shall have a value, as of the Control Change Date, that is substantially equal to the value of the original award (or the difference between the Fair Market Value and the option price or Initial Value in the case of Options and SARs) as the Committee equitably determines and vesting and other terms and conditions as may be prescribed by the Committee; provided, however, that the assumed or substituted award, if not sooner vested, shall become vested and nonforfeitable upon the Participant's termination of employment if such termination is on account of the Participant's death or disability or involuntary separation from service (determined in accordance with the provisions of Treasury

Regulation Section 1.409A-1(n).

2018 EQUITY INCENTIVE PLAN

Cash-Out Upon Change in Control. In the event of a Change in Control the Committee, in its discretion and regardless of whether the Award becomes vested under Section 10.01 and without the need of a Participant's consent, may provide that each Option, SAR, Stock Award or Stock Unit Award shall be cancelled in exchange for a payment. The payment may be in cash, shares of Common Stock or other securities or consideration received by shareholders in the Change in Control transaction. The amount of the payment shall be an amount

10.03. that is substantially equal to (i) the amount by which the price per share received by shareholders in the Change in Control exceeds the option price or Initial Value in the case of an Option and SAR or (ii) the price per share received by shareholders for each share of Common Stock subject to a Stock Award or Stock Unit Award. If the option price or Initial Value exceeds the price per share received by stockholders in the Change in Control transaction, the Option or SAR may be cancelled under this Section 10.03 without any payment to the Participant.

Limitation of Benefits. The benefits that a Participant may be entitled to receive under this Plan and other benefits that a Participant is entitled to receive under other plans, agreements and arrangements (which, together with the benefits provided under this Plan, are referred to as "Payments"), may constitute Parachute Payments that

10.04. are subject to Code Sections 280G and 4999. As provided in this Section 10.04, the Parachute Payments will be reduced if, and only to the extent that, a reduction will allow a Participant to receive a greater Net After Tax Amount than a Participant would receive absent a reduction.

The Accounting Firm will first determine the amount of any Parachute Payments that are payable to a Participant. The Accounting Firm also will determine the Net After Tax Amount attributable to the Participant's total Parachute Payments.

The Accounting Firm will next determine the largest amount of Payments that may be made to the Participant without subjecting the Participant to tax under Code Section 4999 (the "Capped Payments"). Thereafter, the Accounting Firm will determine the Net After Tax Amount attributable to the Capped Payments.

The Participant will receive the total Parachute Payments or the Capped Payments, whichever provides the Participant with the higher Net After Tax Amount. If the Participant will receive the Capped Payments, the total Parachute Payments will be adjusted by first reducing the amount of any noncash benefits under this Plan or any other plan, agreement or arrangement (with the source of the reduction to be directed by the Participant; provided, however, that any such benefits that are subject to Code Section 409A shall be reduced last) and then by reducing the amount of any cash benefits under this Plan or any other plan, agreement or arrangement (with the source of the reduction to be directed by the Participant; provided, however, that any such benefits that are subject to Code Section 409A shall be reduced last). The Accounting Firm will notify the Participant and the Company if it determines that the Parachute Payments must be reduced to the Capped Payments and will send the Participant and the Company a copy of its detailed calculations supporting that determination.

TREDEGAR CORPORATION
2018 EQUITY INCENTIVE PLAN

As a result of the uncertainty in the application of Code Sections 280G and 4999 at the time that the Accounting Firm makes its determinations under this Section 10.04, it is possible that amounts will have been paid or distributed to the Participant that should not have been paid or distributed under this Section 10.04 (“Overpayments”), or that additional amounts should be paid or distributed to the Participant under this Section 10.04 (“Underpayments”). If the Accounting Firm determines, based on either the assertion of a deficiency by the Internal Revenue Service against the Company or the Participant, which assertion the Accounting Firm believes has a high probability of success or controlling precedent or substantial authority, that an Overpayment has been made, the Participant must repay the Overpayment to the Company, without interest; provided, however, that no amount will be payable by the Participant to the Company unless, and then only to the extent that, the repayment would either reduce the amount on which the Participant is subject to tax under Code Section 4999 or generate a refund of tax imposed under Code Section 4999. If the Accounting Firm determines, based upon controlling precedent or substantial authority, that an Underpayment has occurred, the Accounting Firm will notify the Participant and the Company of that determination and the amount of that Underpayment will be paid to the Participant promptly by the Company.

For purposes of this Section 10.04, the term “Accounting Firm” means the independent accounting firm engaged by the Company immediately before the Control Change Date.

For purposes of this Section 10.04, the term “Net After Tax Amount” means the amount of any Parachute Payments or Capped Payments, as applicable, net of taxes imposed under Code Sections 1, 3101(b) and 4999 and any State or local income taxes applicable to the Participant on the date of payment. The determination of the Net After Tax Amount shall be made using the highest combined effective rate imposed by the foregoing taxes on income of the same character as the Parachute Payments or Capped Payments, as applicable, in effect on the date of payment. For purposes of this Section 10.04, the term “Parachute Payment” means a payment that is described in Code Section 280G(b)(2), determined in accordance with Code Section 280G and the regulations promulgated or proposed thereunder.

Notwithstanding any other provision of this Section 10.04, the limitations and provisions of this Section 10.04 shall not apply to any Participant who, pursuant to an agreement with the Company or the terms of another plan maintained by the Company, is not entitled to receive Parachute Payments that exceed the Capped Payments.

ARTICLE XI

COMPLIANCE WITH LAW AND APPROVAL OF REGULATORY BODIES

No Option or SAR shall be exercisable, no shares of Common Stock shall be issued, no certificates for shares of Common Stock shall be delivered, and no payment shall be made under this Plan except in compliance with all applicable federal and state laws and regulations (including, without limitation, withholding tax requirements), any listing agreement to which the Company is a party, and the rules of all domestic stock exchanges on which the Company's shares may be listed. The Company shall have the right to rely on an opinion of its counsel as to such compliance. Any share certificate issued to evidence shares of Common Stock may bear such legends and statements as the Committee may deem advisable to assure compliance with federal and state laws and regulations. No Option or SAR shall be exercisable, no Shares of Common Stock shall be issued, no certificate for shares of Common Stock shall be delivered, and no payment shall be made under this Plan until the Company has obtained such consent or approval as the Committee may deem advisable from regulatory bodies having jurisdiction over such matters.

ARTICLE XII

GENERAL PROVISIONS

Effect on Employment and Service. Neither the adoption of this Plan, its operation, nor any documents describing or referring to this Plan (or any part thereof) shall confer upon any individual any right to continue in the employ or service of the Company or an Affiliate or in any way affect any right and power of the Company or an Affiliate to terminate the employment or service of any individual at any time with or without assigning a reason therefore.

Unfunded Plan. The Plan, insofar as it provides for grants, shall be unfunded, and the Company shall not be required to segregate any assets that may at any time be represented by grants under this Plan. Any liability of the Company to any person with respect to any grant under this Plan shall be based solely upon any contractual obligations that may be created pursuant to this Plan. No such obligation of the Company shall be deemed to be secured by any pledge of, or other encumbrance on, any property of the Company.

Withholding. The Company shall have the right to deduct from all amounts paid to a Participant in cash (whether under this Plan or otherwise) any amount of taxes required by law to be withheld in respect of Awards under this Plan as may be necessary in the opinion of the Company to satisfy tax withholding required under the laws of any country, state, province, city or other jurisdiction, including but not limited to income taxes, capital gains taxes, transfer taxes, and social security contributions that are required by law to be withheld. In the case of payments of Awards in the form of shares of Common Stock, at the Committee's discretion, the Participant shall be required to either pay to the Company the amount of any taxes required to be withheld with respect to such shares of Common Stock or, in lieu thereof, the Company shall have the right to retain (or the Participant may be offered the opportunity to elect to tender) the number of shares of Common Stock whose Fair Market Value equals the amount to be withheld.

Dividends; Dividend Equivalents. At the discretion of the Committee, a Stock Award or Stock Unit Award may provide the Participant with dividends or dividend equivalents, payable in cash or shares of Common Stock on a current or deferred basis. All dividend or dividend equivalents which are not paid currently may, at the Committee's discretion, accrue interest, be reinvested into additional shares of Common Stock and paid if and when, and to the extent the underlying Awards are earned and paid. The total number of shares of Common Stock available for grant under the Plan shall not be reduced by any dividends or dividend equivalents that are reinvested and credited under Stock Awards or Stock Unit Awards.

Rules of Construction. Headings are given to the articles and sections of this Plan solely as a convenience to facilitate reference. The reference to any statute, regulation, or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

All Awards made under this Plan are intended to comply with, or otherwise be exempt from, Section 409A of the Code ("Section 409A"), after giving effect to the exemptions in Treasury Regulation sections 1.409A-1(b)(3) through (b)(12). This Plan and all Agreements shall be administered, interpreted and construed in a manner consistent with Section 409A. If any provision of this Plan or any Agreement is found not to comply with, or otherwise not be exempt from, the provisions of Section 409A, it shall be modified and given effect, in the sole discretion of the Committee and without requiring the Participant's consent, in such manner as the Committee determines to be necessary or appropriate to comply with, or effectuate an exemption from, Section 409A. Each payment under an Award granted under this Plan shall be treated as a separate identified payment for purposes of Section 409A.

TREDEGAR CORPORATION
2018 EQUITY INCENTIVE PLAN

If a payment obligation under an Award or an Agreement arises on account of the Participant's termination of employment and such payment obligation constitutes "deferred compensation" (as defined under Treasury Regulation section 1.409A-1(b)(1), after giving effect to the exemptions in Treasury Regulation sections 1.409A-1(b)(3) through (b)(12)), it shall be payable only after the Participant's "separation from service" (as defined under Treasury Regulation section 1.409A-1(h)); provided, however, that if the Participant is a "specified employee" (as defined under Treasury Regulation section 1.409A-1(i)), any such payment that is scheduled to be paid within six months after such separation from service shall accrue without interest and shall be paid on the first day of the seventh month beginning after the date of the Participant's separation from service or, if earlier, within fifteen days after the appointment of the personal representative or executor of the Participant's estate following the Participant's death.

ARTICLE XIII

AMENDMENT

The Board may at any time in its sole discretion, for any reason whatsoever, terminate or suspend the Plan, and from time to time may amend or modify the Plan; provided that without the approval of the Company's shareholders in accordance with applicable law, no amendment or modification to the Plan may (i) except as otherwise expressly provided in Article X, increase the number of shares of Common Stock subject to the Plan, (ii) modify the requirements for participation in the Plan or (iii) modify the Plan or any Award in any other way that would require shareholder approval under any regulatory requirement that the Committee determines to be applicable, including, without limitation, the rules of the New York Stock Exchange.

No amendment shall, without a Participant's consent, adversely affect any rights of such Participant under any Award outstanding at the time such amendment is made.

ARTICLE XIV

DURATION OF PLAN

No Award may be granted under this Plan after February 20, 2028. Awards granted before that date shall remain valid in accordance with their terms.

ARTICLE XV

EFFECTIVENESS DATE OF PLAN

Options, SARs and Stock Unit Awards may be granted under the Plan upon its adoption by the Board, provided that no such Award shall be exercisable or settled unless the Plan is approved by the Company's shareholders in accordance with applicable law within twelve months of such adoption. Stock Awards may be granted under the Plan upon the later of its adoption by the Board or its approval by shareholders in accordance with the preceding sentence.
