ADAL GROUP, INC.

PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 19, 2005

SOLICITATION OF PROXY

The accompanying proxy is solicited on behalf of the Board of Directors of AdAl Group, Inc. (the "Company"), for use at the annual meeting of stockholders of the Company (the "Annual Meeting") to be held at the offices of Loeb & Loeb LLP, the Company's legal counsel, located at 345 Park Avenue, New York, New York 10154 on May 19, 2005 at 10:00 a.m., local time, and at any adjournment. In addition to mail, proxies may be solicited by personal interview, telephone or telegraph by our officers, directors and other employees, without additional compensation. We will bear the cost of solicitation of proxies, which are expected to be nominal. The Board of Directors has set March 31, 2005 as the record date (the "Record Date") to determine those holders of record of common stock, par value \$.0001 ("Common Stock") who are entitled to notice of, and to vote at the Annual Meeting. On or about April 19, 2005, the Company's 2004 Annual Report, including financial statements, this Proxy Statement and the proxy card (the "Proxy Card" or "Proxy") are being mailed to stockholders of record as of the close of business on March 31, 2005.

If a stockholder specifies how the proxy is to be voted with respect to any of the proposals for which a choice is provided, the proxy will be voted in accordance with such instructions. If a stockholder fails to so specify with respect to such proposals, the proxy will be voted "FOR" Proposals No. 1 and No. 2.

OUTSTANDING VOTING SECURITIES

Only stockholders of record at the close of business on the Record Date are entitled to vote at the Annual Meeting. As of the close of business on the Record Date, there were 2,860,001 shares of Common Stock outstanding.

If a quorum is present, in person or by proxy, all elections for Directors shall be decided by a plurality of the votes cast in respect thereof. If no voting direction is indicated on the proxy cards, the shares will be considered votes for all nominees. In accordance with Delaware law, stockholders entitled to vote for the election of Directors can withhold authority to vote for all nominees for Directors or can withhold authority to vote for certain nominees for Directors.

Abstentions may be specified on all proposals submitted to a stockholder vote other than the election of Directors. Abstentions will be counted as present for purposes of determining the existence of a quorum regarding the proposal on which the abstention is noted. Abstentions on the Company's proposal to approve the appointment of the independent auditors will not have any effect

Edgar Filing: AdAI Group Inc. - Form DEF 14A

for or against such proposal.

Brokers holding shares of the Company's Common Stock in street name who do not receive instructions are entitled to vote on the election of Directors and the approval of the appointment of the independent auditors. Under applicable Delaware law, "broker non-votes" (where a broker submits a proxy but does not have authority to vote a customer's shares on such proposal) on any non-routine proposal would not be considered entitled to vote on that proposal and will, therefore, have no legal effect on the vote of that particular matter.

3

HOW YOU CAN VOTE

You may vote your shares by signing the enclosed proxy card and returning it in a timely manner. Please mark the appropriate boxes on the card and sign, date and return the card promptly. A postage-paid return envelope is enclosed for your convenience.

EXECUTION OF THE ACCOMPANYING PROXY CARD WILL NOT AFFECT A STOCKHOLDER'S RIGHT TO ATTEND THE ANNUAL MEETING AND VOTE IN PERSON. ANY STOCKHOLDER GIVING A PROXY HAS THE RIGHT TO REVOKE IT BY GIVING WRITTEN NOTICE OF REVOCATION TO THE SECRETARY OF THE COMPANY AT ANY TIME BEFORE THE PROXY IS VOTED OR BY ATTENDANCE AT THE ANNUAL MEETING AND ELECTING TO VOTE IN PERSON.

4

BOARD AND COMMITTEE MEETINGS

Our Board of Directors has responsibility for establishing the Company's corporate policies and overseeing the Company's overall performance, although it is not involved in day-to-day operating details. The Board of Directors meets regularly throughout the year to review significant developments affecting the Company and to act upon matters requiring approval of the Board of Directors. It also holds special meetings as required from time to time when important matters arise requiring action of the Board of Directors between scheduled meetings. Due to the change in control of the Company in October 2004, the Board of Directors only held one meeting during 2004. All of the members of the Board of Directors at that time were present for the meeting.

Edgar Filing: AdAI Group Inc. - Form DEF 14A

The Board of Directors has an Audit Committee. The Board of Directors does not have a Nominating Committee or a Compensation Committee. The entire Board of Directors assumes the duties that would be delegated to a Nominating Committee and Compensation Committee. The Company does not have a policy with regard to Board of Directors members' attendance at annual meetings of stockholders. Since October 28, 2004, when the Company consummated the Share Exchange Agreement and new directors were appointed to the Board of Directors, the Company has not held an annual meeting of stockholders. Accordingly, there is no information to provide as to the number of members of the Board of Directors who attended the prior year's annual meeting.

Nominating Committee

The Board of Directors does not have a standing Nominating Committee. The Board of Directors has adopted resolutions with respect to the nomination process.

The Board of Directors accepts director nominations made by members of the Board of Directors and stockholders of the Company. Pursuant to the terms of the Company's bylaws, stockholders proposing to nominate one or more candidates for election as directors must give timely notice in writing of such nomination to the Secretary of the Company. To be timely, a stockholder's notice must be delivered or mailed to the principal office of the Company not less than 70 days prior to the scheduled meeting date or, if notice of the scheduled meeting date is not given at least 80 days prior to such meeting, not more than ten (10) days following the day on which notice of the date of the scheduled meeting is mailed or the day on which disclosure of that date is made, whichever is earlier. A stockholder's notice to the Secretary of the Company shall set forth (i) the name, age, business address and residence address of the person nominated, (ii) the principal occupation or employment of the person nominated, (iii) the number and class of shares of stock of the Company beneficially owned by the nominated person, and (iv) the information with respect to each such proposed nominee that would be required to be provided in a proxy statement prepared in accordance with Regulation 14A of the Securities Exchange Act of 1934, as amended. A stockholder's notice to the Secretary of the Company also shall set forth (i) the name and address, as they appear in the Company's records, of the stockholder and any other stockholder(s) supporting or likely to support the person being nominated, and (ii) the number and class of shares of stock of the Company that are beneficially owned on the date of such notice by the nominating stockholder(s). This information shall be accompanied by a written statement, signed and acknowledged by each person nominated by the stockholder(s) that the person nominated agrees to be nominated and serve as a director of the Company if elected. The Board of Directors or a designated committee thereof may reject any stockholder's nomination of one or more director candidates if (i) notice is not timely given, or (ii) there is a material deficiency in the notice. The Secretary of the Company shall notify the stockholder of the deficiency and the stockholder shall have not more than five (5) days, to be determined by the Board of Directors, from the date of the deficiency notice to cure. If the deficiency is not materially cured within such period as determined by the Board of Directors, then the Board of Directors may reject the stockholder's nomination. If a stockholder proposes to nominate one or more candidates for election as directors at a meeting and the Board of Directors has not made a determination of whether the stockholder has complied with the procedures set forth above, then the chairman of the meeting shall determine at the meeting whether the nominating stockholder has complied. If the chairman determines that the stockholder's notice has complied with the procedures set forth above, then the chairman shall declare the notice effective and ballots shall be provided for use at the meeting with respect to such nomination. If the chairman determines that the stockholder's notice has not complied, then unless the chairman, in his sole and absolute discretion, decides to waive such compliance, the stockholder's nomination shall be disregarded.

The Board of Directors may consider those factors it deems appropriate in evaluating director nominees, including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other members of the Board of Directors, and specialized knowledge or experience. Depending upon the current needs of the Board of Directors, certain factors may be weighed more or less heavily. In considering candidates for the Board of Directors, they evaluate the entirety of each candidate's credentials and do not have any specific minimum qualifications that must be met by a nominee. They will consider candidates from any reasonable source, including current members of the Board of Directors, stockholders, professional search firms or other persons. The Board of Directors will not evaluate candidates differently based on who has made the recommendation.

Audit Committee

The following disclosure about the Company's audit committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any of the Company's other filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates the report by reference therein.

The Audit Committee operates under a formal charter in accordance with all applicable laws. The charter was approved and adopted by the Board of Directors on February 23, 2005 and will be reviewed and reassessed annually by the Audit Committee. The charter sets forth the responsibilities, authority and specific duties of the Audit Committee. The charter specifies, among other things, the structure and membership requirements of the Audit Committee, as well as the relationship of the Audit Committee to the Company's independent auditors and management. The Audit Committee charter is attached as Appendix 1 to this proxy statement.

The Board of Directors has established an audit committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The members of the Audit Committee are Messrs. Brian Alleman and John Sanderson, each of whom are independent as defined in the Nasdaq Marketplace listing standards currently in effect. None of the Audit Committee members is a current officer or employee of the Company or any of its affiliates.

The Board of Directors has determined that Brian Alleman, Chairman of the Audit Committee, qualifies as an "audit committee financial expert" under the Securities and Exchange Commission's definition.

Audit Committee Report

The responsibilities of the Audit Committee are set forth in the Audit Committee Charter. The Audit Committee assists the full Board of Directors in fulfilling its oversight responsibilities with respect to the integrity of financial statements and other financial information. Management prepares the financial statements and establishes the system of internal control.

As part of its oversight responsibility, the Audit Committee reviewed and discussed the financial statements with Management and the Company's Independent Auditor, Moore Stephens, P.C., including a discussion about the quality and

Edgar Filing: AdAI Group Inc. - Form DEF 14A

appropriateness, not just acceptability, of accounting principles applied in the company's financial statements. The Independent Auditor has the responsibility for expressing an opinion on the conformity of the annual financial statements with US GAAP and disclosure requirements. The Audit Committee reviewed with the Independent Auditor their judgments as to the acceptability and conformity of the Company's financial statements with US GAAP and SEC disclosure requirements; and also other matters as are required to be discussed under US generally accepted auditing standards. The Audit Committee met with the Independent Auditor, without management present, to discuss the results of their audit, quality of financial reporting and audit experience with the Company.

The Audit Committee discussed with Moore Stephens, P.C. its independence from management and the Company. The Audit Committee received a letter and written disclosure, as required by Independence Standard Board Standard No.1, from Moore Stephens, P.C. confirming its independence from management and the Company.

An engagement letter was submitted to and approved by the Audit Committee outlining the scope and plan of the annual audit.

Relying on the reviews and discussions noted above, the Audit Committee recommends to the full Board of Directors that the financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2004 for filing with the US SEC. The Audit Committee also recommends Moore Stephens, P.C. as the Company's Independent Auditor for 2004.

PROPOSAL NO. 2.

APPROVAL OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has reappointed Moore Stephens, P.C. as independent auditors to audit the financial statements of the Company for the current fiscal year, subject to the approval of such appointment by the Company's stockholders. Moore Stephens, P.C. has served as the Company's Independent Auditors since October 2004.

Representatives of the firm of Moore Stephens, P.C. may be present at the Annual Meeting by telephone conference call to respond to appropriate questions and will have an opportunity to make a statement, if they so desire.

On October 28, 2004, we ended the engagement of Hein & Associates, LLP as our independent certified public accountants, and engaged Moore Stephens, P.C. as our new independent certified public accountants. The decision was approved by the Board of Directors of the Company. The report of Hein & Associates LLP on the Company's financial statements for the fiscal years ended September 30, 2003 and 2002 did not contain an adverse opinion or disclaimer of opinion. However, the report was modified due to an uncertainty about the Company's ability to continue as a going concern. During the Company's fiscal years ended September 30, 2003 and 2002 and the subsequent interim period preceding the termination, there were no disagreements with Hein & Associates LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Hein & Associates LLP, would have caused Hein & Associates LLP to make reference to the subject matter of the disagreements in connection with its report on the financial statements for such years or subsequent interim periods.

During the two most recent fiscal years and the interim period preceding the engagement of Moore Stephens, the Company did not consult with Moore Stephens regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) any matter that was either the subject of a disagreement or event identified in paragraph (a)(1)(iv) of Item 304 of Regulation S-B.

Audit Fees

The aggregate fees billed by Moore Stephens, P.C. for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2004, and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-QSB for fiscal year 2004 was \$25,000 and \$6,500, respectively.

Audit Related Fees

There were no fees billed for services rendered for assurance and related

Edgar Filing: AdAI Group Inc. - Form DEF 14A

services in connection with the audit and quarterly reviews.

Tax Fees

There were no tax fees billed.

All Other Fees

There were no other fees billed.

15

Pre-Approval of Services

The Audit Committee pre-approves all services, including both audit and non-audit services, provided by the Company's independent accountants. For audit services, each year the independent auditor provides the Audit Committee with an engagement letter outlining the scope of the audit services proposed to be performed during the year, which must be formally accepted by the Committee before the audit commences. The independent auditor also submits an audit services fee proposal, which also must be approved by the Committee before the audit commences.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR APPROVAL OF THIS PROPOSAL. THE AFFIRMATIVE VOTE OF THE MAJORITY OF THE VOTES CAST AT THE ANNUAL MEETING IS REQUIRED FOR THE APPROVAL OF THE APPOINTMENT OF THE INDEPENDENT AUDITORS.

APPENDIX 1

AUDIT COMMITTEE CHARTER
OF
ADAL GROUP, INC.

MISSION STATEMENT

The Audit Committee of AdAI Group, Inc. (the "Company") has been established by the board of directors of the Company (the "Board") to assist the Board in fulfilling its responsibilities to oversee the Company's financial and accounting operations. The Audit Committee will review and be responsible for, among other things, the Company's system of internal controls, its financial reporting process, the audit process, and the Company's processes for monitoring compliance with laws and regulations. In performing its duties, the Audit Committee will maintain effective working relationships with the Board, management, the Company's internal auditors, and the independent auditors. The Audit Committee will confirm with the independent auditor its understanding that it has access to the Audit Committee at any time.

ORGANIZATION AND MEETINGS

Audit Committee Composition

The Audit Committee shall consist of such number of members as the Board shall determine, but in no event less than three members. The Board shall designate one member of the Audit Committee to be the Chairperson. Each member of the Audit Committee must be independent, as defined under applicable Securities and Exchange Commission ("SEC") and stock exchange rules and regulations as they currently exist and as they may be amended from time to time.

Each member must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or, if and so long as permitted under applicable stock exchange rules, become able to do so within a reasonable period of time after his or her appointment to the Audit Committee. Audit Committee members shall have such other qualifications as the Board may from time to time deem appropriate in light of the mission of the Audit Committee.

At least one member of the Audit Committee shall qualify as a "audit committee financial expert" in compliance with the requirements established under applicable SEC and stock exchange laws and regulations as they currently

Edgar Filing: AdAI Group Inc. - Form DEF 14A

exist and as they may be amended from time to time.

Notwithstanding anything to the contrary in this charter, if permitted by applicable SEC and stock exchange laws and regulations in effect from time to time, one director who (i) is not independent as defined under applicable stock exchange rules, and (ii) is not a current employee or an immediate family member (as defined under applicable stock exchange rules) of such employee, may be appointed to the Audit Committee if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required in the best interests of the Company and its stockholders. In such event, the Board will disclose in the Company's next annual proxy statement the nature of that director's relationship with the Company and the reasons for that determination.

20

If the Company fails to comply with the Audit Committee composition requirements under applicable SEC and stock exchange rules and regulations, the Company shall have an opportunity to cure such defect as provided under such rules.

Term; Meetings

The Committee shall meet at least quarterly, or more frequently as it deems appropriate and as circumstances dictate. Any member of the Committee may call a special meeting of the Committee. Meetings of the Committee may be held telephonically.

The Committee shall periodically meet with each of management (including the Chief Financial Officer) and the independent auditors (including the audit engagement partner) in separate executive sessions to discuss any matters that the Committee or each of these groups believe would be appropriate to discuss privately. In addition, the Committee expects to meet with the independent auditors and management quarterly to review the Company's financial statements.

The Committee may invite to its meetings any director, member of management of the company and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

ROLE AND RESPONSIBILITIES

The Committee's primary responsibility is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the independent auditors are responsible for auditing those financial statements. The Committee also recognizes that financial management, as well as the independent auditors, have more time, knowledge and more detailed information on the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work. The Committee shall also perform any other activities consistent with this Charter as the Audit Committee or the Board deems necessary or appropriate or as may be required under applicable SEC and stock exchange rules and regulations in effect from time to time.

The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services provided that the

decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.
