WHAT CONSTITUTES A "QUORUM" FOR THE ANNUAL MEETING?

One-third of the outstanding shares of the Company common stock entitled to vote at the annual meeting, present or represented by proxy, constitutes a quorum. A quorum is necessary to conduct business at the annual meeting. You will be considered part of the quorum if you have voted by proxy. Abstentions, broker non-votes and votes withheld from director nominees count as "shares present" at the annual meeting for purposes of determining a quorum. However, abstentions and broker non-votes do not count in the voting results. A broker non-vote occurs when a broker or other nominee who holds shares for another does not vote on a particular item because the broker or nominee does not have discretionary authority for that item and has not received instructions from the owner of the shares.

HOW MANY VOTES ARE REQUIRED?

- o Directors nominees are elected by a plurality of the votes cast in person or by proxy, provided that a quorum is present at the Meeting.
- o The amendment to the 2004 Stock Incentive Plan to increase the number of shares of common stock issuable under such plan from 800,000 shares to 1,200,000 shares and the reservation of 1,200,000 shares for issuance will require an affirmative vote of the majority of the votes cast in person or by proxy, provided that a quorum is present at the annual meeting.

WHO PAYS FOR THE SOLICITATION OF PROXIES?

The Company will pay the cost of preparing, printing and mailing material in connection with this solicitation of proxies. We will, upon request, reimburse brokerage firms, banks and others for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of stock or otherwise in connection with this solicitation of proxies.

Officers, directors and greater than 10 percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Specific due dates for such reports have been established by the Commission and the Company is required to disclose in this Proxy Statement any failure to file reports by such dates during fiscal 2003. Based solely on its review of the copies of such reports received by it, or written representations from certain reporting persons that no Forms 5 were required for such persons, the Company believes that during the fiscal year ended December 31, 2004, there was no failure to comply with Section 16(a) filing requirements applicable to its officers, directors and ten percent stockholders.

\$100,000 (guaranteed minimum of \$50,000) in 2004, and an annual salary of \$200,000 and a bonus of up to \$150,000 in 2005 and 2006 and an annual car allowance of \$30,000.

The agreement further provides that, if Mr. Toro's employment is terminated other than for willful breach by the employee, for cause or in event of a change in control of the Company, then the employee has the right to terminate the agreement. In the event of any such termination, the employee will be entitled to receive the payment due on the balance of his employment agreement.

The Company also entered into a fixed term employment agreement for management of a subsidiary, which provides for an aggregate monthly compensation of \$10,000 until December 31, 2005

We have no pension or profit sharing plan or other contingent forms of remuneration with any officer, director, employee or consultant, although bonuses are paid to some individuals.

DIRECTOR COMPENSATION

Directors who are also officers of the Company are not separately compensated for their services as a director. Directors who are not officers receive cash compensation for their services: \$2,000 at the time of agreeing to become a Director; \$2,000 for each Board Meeting attended either in person or by telephone; and \$1,000 for each Audit Committee Meeting attended either in person or by telephone. Non-employee directors are reimbursed for their expenses incurred in connection with attending meetings of the Board or any committee on which they serve and are eligible to receive awards under the Company's 1993 Stock Option Plan (described below).

9

STOCK OPTION PLAN

The Company's 1993 Stock Option Plan (the "Plan") permits the grant of options to employees of the Company, including officers and directors, who are serving in such capacities. An aggregate of 134,000 shares of Common Stock are authorized for issuance under the Plan. At December 31, 2004, options for 46,000 Common Stock were outstanding and exercisable under the Plan. The Plan provides that qualified and non-qualified options may be granted to officers, directors, employees and consultants to the Company for the purpose of providing an incentive to those persons to work for the Company.

2004 INCENTIVE PLAN

GENERAL

The 2004 Incentive Plan was adopted by the Board of Directors. The Board of Directors has initially reserved 800,000 shares of Common Stock for issuance under the 2004 Incentive Plan. We are presently seeking stockholder approval for the increase of the number of shares issuable under the 2004 Incentive plan to 1,200,000. Under the Plan, options may be granted which are intended to qualify as Incentive Stock Options ("ISOs") under Section 422 of the Internal Revenue Code of 1986 (the "Code") or which are not ("Non-ISOs") intended to qualify as Incentive Stock Options thereunder.

The 2004 Incentive Plan and the right of participants to make purchases thereunder are intended to qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"). The 2004 Incentive Plan is not a qualified deferred compensation plan under Section

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

401(a) of the Internal Revenue Code and is not subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On April 28, 2004, the Company granted 125,000 options to the Chief Executive Officer and an additional 240,000 options to seven employees and consultants of the Company. The exercise price of the options (\$4.78) is equal to the market price on the date the grants were made. The options vest over a period of between 3-4 years.

On March 22, 2005, the Board of Directors decided to grant two new directors 100,000 stock options under the 2004 Stock Incentive Plan. The stock option vests at the rate of 50,000 on each September 22 of 2005, 2006, 2007, and 2008. The exercise price of the options (\$3.40) is equal to the market price on the date the grants were made. The options vest over a period of four years.

PURPOSE

The primary purpose of the 2004 Incentive Plan is to attract and retain the best available personnel for the Company in order to promote the success of the Company's business and to facilitate the ownership of the Company's stock by employees.

ADMINISTRATION

The 2004 Incentive Plan is administered by the Company's Board of Directors, as the Board of Directors may be composed from time to time. All questions of interpretation of the 2004 Incentive Plan are determined by the Board, and its decisions are final and binding upon all participants. Any determination by a majority of the members of the Board of Directors at any meeting, or by written consent in lieu of a meeting, shall be deemed to have been made by the whole Board of Directors.

Notwithstanding the foregoing, the Board of Directors may at any time, or from time to time, appoint a committee (the "Committee") of at least two members of the Board of Directors, and delegate to the Committee the authority of the Board of Directors to administer the Plan. Upon such appointment and delegation, the Committee shall have all the powers, privileges and duties of the Board of Directors, and shall be substituted for the Board of Directors, in the administration of the Plan, subject to certain limitations.

Members of the Board of Directors who are eligible employees are permitted to participate in the 2004 Incentive Plan, provided that any such eligible member may not vote on any matter affecting the administration of the 2004 Incentive Plan or the grant of any option pursuant to it, or serve on a committee appointed to administer the 2004 Incentive Plan. In the event that any member of the Board of Directors is at any time not a "disinterested person", as defined in Rule 16b-3(c)(3)(i) promulgated pursuant to the Securities Exchange Act of 1934, the Plan shall not be administered by the Board of Directors, and may only be administered by a Committee, all the members of which are disinterested persons, as so defined.

ELIGIBILITY

Under the 2004 Incentive Plan, options may be granted to key employees, officers, directors or consultants of the Company, as provided in the 2004 Incentive Plan.

TERMS OF OPTIONS

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

The term of each Option granted under the Plan shall be contained in a stock option agreement between the Optionee and the Company and such terms shall be determined by the Board of Directors consistent with the provisions of the Plan, including the following:

(a) PURCHASE PRICE. The purchase price of the Common Shares subject to each ISO shall not be less than the fair market value (as set forth in the 2004 Incentive Plan), or in the case of the grant of an ISO to a Principal Stockholder, not less than 110% of fair market value of such Common Shares at the time such Option is granted. The purchase price of the Common Shares subject to each Non-ISO shall be determined at the time such Option is granted, but in no case less than 85% of the fair market value of such Common Shares at the time such Option is granted.

(b) VESTING. The dates on which each Option (or portion thereof) shall be exercisable and the conditions precedent to such exercise, if any, shall be fixed by the Board of Directors, in its discretion, at the time such Option is granted.

(c) EXPIRATION. The expiration of each Option shall be fixed by the Board of Directors, in its discretion, at the time such Option is granted; however, unless otherwise determined by the Board of Directors at the time such Option is granted, an Option shall be exercisable for ten(10) years after the date on which it was granted (the "Grant Date"). Each Option shall be subject to earlier termination as expressly provided in the 2004 Incentive Plan or as determined by the Board of Directors, in its discretion, at the time such Option is granted.

(d) TRANSFERABILITY. No Option shall be transferable, except by will or the laws of descent and distribution, and any Option may be exercised during the lifetime of the Optionee only by him. No Option granted under the Plan shall be subject to execution, attachment or other process.

(e) OPTION ADJUSTMENTS. The aggregate number and class of shares as to which Options may be granted under the Plan, the number and class shares covered by each outstanding Option and the exercise price per share thereof (but not the total price), and all such Options, shall each be proportionately adjusted for any increase decrease in the number of issued Common Shares resulting from split-up spin-off or consolidation of shares or any like Capital adjustment or the payment of any stock dividend.

Except as otherwise provided in the 2004 Incentive Plan, any Option granted hereunder shall terminate in the event of a merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation of the Company. However, the Optionee shall have the right immediately prior to any such transaction to exercise his Option in whole or in part notwithstanding any otherwise applicable vesting requirements.

(f) TERMINATION, MODIFICATION AND AMENDMENT. The 2004 Incentive Plan (but not Options previously granted under the Plan) shall terminate ten (10) years from the earlier of the date of its adoption by the Board of Directors or the date on which the Plan is approved by the affirmative vote of the holders of a majority of the outstanding shares of capital stock of the Company entitled to vote thereon, and no Option shall be granted after termination of the Plan. Subject to certain restrictions, the Plan may at any time be terminated and from time to time be modified or amended by the affirmative vote of the holders of a majority of the outstanding shares of the capital stock of the Company present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the State of Delaware.

FEDERAL INCOME TAX ASPECTS OF THE 2004 INCENTIVE PLAN

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

THE FOLLOWING IS A BRIEF SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON THE PARTICIPANTS AND THE COMPANY WITH RESPECT TO THE PURCHASE OF SHARES UNDER THE 2004 INCENTIVE PLAN. THIS SUMMARY DOES NOT PURPORT TO BE COMPLETE AND DOES NOT ADDRESS THE FEDERAL INCOME TAX CONSEQUENCES TO TAXPAYERS WITH SPECIAL TAX STATUS. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE, AND DOES NOT DISCUSS ESTATE, GIFT OR OTHER TAX CONSEQUENCES OTHER THAN INCOME TAX CONSEQUENCES. THE COMPANY ADVISES EACH PARTICIPANT TO CONSULT HIS OR HER OWN TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PARTICIPATION IN THE 2004 Incentive Plan AND FOR REFERENCE TO APPLICABLE PROVISIONS OF THE CODE.

The 2004 Incentive Plan and the right of participants to make purchases thereunder are intended to qualify under the provisions of Sections 421, 422 and 423 of the Code. Under these provisions, no income will be recognized by a participant prior to disposition of shares acquired under the 2004 Incentive Plan.

If the shares are sold or otherwise disposed of (including by way of gift) more than two years after the first day of the offering period during which shares were purchased (the "Offering Date"), a participant will recognize as ordinary income at the time of such disposition the lesser of (a) the excess of the fair market value of the shares at the time of such disposition over the purchase price of the shares or (b) 15% of the fair market value of the shares on the first day of the offering period. Any further gain or loss upon such disposition will be treated as long-term capital gain or loss. If the shares are sold for a sale price less than the purchase price, there is no ordinary income and the participant has a capital loss for the difference.

If the shares are sold or otherwise disposed of (including by way of gift) before the expiration of the two-year holding period described above, the excess of the fair market value of the shares on the purchase date over the purchase price will be treated as ordinary income to the participant. This excess will constitute ordinary income in the year of sale or other disposition even if no gain is realized on the sale or a gift of the shares is made. The balance of any gain or loss will be treated as capital gain or loss and will be treated as long-term capital gain or loss if the shares have been held more than one year.

11

In the case of a participant who is subject to Section 16(b) of the Exchange Act, the purchase date for purposes of calculating such participant's compensation income and beginning of the capital gain holding period may be deferred for up to six months under certain circumstances. Such individuals should consult with their personal tax advisors prior to buying or selling shares under the 2004 Incentive Plan.

The ordinary income reported under the rules described above, added to the actual purchase price of the shares, determines the tax basis of the shares for the purpose of determining capital gain or loss on a sale or exchange of the shares.

The Company is entitled to a deduction for amounts taxed as ordinary income to a participant only to the extent that ordinary income must be reported upon disposition of shares by the participant before the expiration of the two-year holding period described above.

RESTRICTIONS ON RESALE

Certain officers and directors of our company may be deemed to be "affiliates" of our company as that term is defined under the Securities Act. The Common

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

Stock acquired under the 2004 Incentive Plan by an affiliate may be reoffered or resold only pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or another exemption from the registration requirements of the Securities Act.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Euroweb's largest customer and supplier since early 2001 has been Pantel Rt., a Hungary-based alternative telecommunications provider. Pantel operates within the region and has become a significant trading partner for Euroweb Romania Rt., the Company's wholly-owned subsidiary, through the provision of a direct fibre cable connection which enables companies to transmit data to a variety of destinations by utilizing the international connections of Pantel Rt. As a result, Euroweb Romania became the preferred, but not exclusive partner of Pantel Rt. for services in Romania. In addition to this, Euroweb Hungary, the Company's wholly-owned subsidiary, utilizes significant telecom services from Pantel Rt. Due to the fact that a significant portion of the Company's revenue is generated by international/domestic leased line and Voice over Internet Protocol services, a small number of the Company's representatives have moved to the premises of Pantel Rt. in order to improve co-operation on international and national projects.

After the acquisition and consolidation of Euroweb Hungary and Elender Rt. in 2004, the balance and volume of transactions with Pantel Rt. has changed significantly. First, the net receivable position in the past (related party receivables less related party liabilities) has changed to a net liability position through the large trade and loan liability position of Euroweb Hungary to Pantel Rt. Second, sales dependency on Pantel Rt. (i.e. percent of consolidated sales derived from Pantel Rt.) will decrease as Euroweb Hungary and Elender Rt. have insignificant sales to Pantel Rt. Third, dependency on Pantel Rt. as the main supplier of the Company increased as Pantel Rt. is also the main supplier of Euroweb Hungary.

Transactions: Both Euroweb Hungary and Euroweb Romania engage in the following transactions with Pantel Rt.:

(a) Pantel Rt. receives revenue from the provision of the following services to the Company and its subsidiaries:

- Internet and related services;
- National and international leased and telephone lines;
- VOIP services;
- Consulting services; and
- Interest on a loan to the Company.

The total amount of telecom related services were USD \$6,198,505 (2003: \$5,796,350 - restated) during the year ended December 31, 2004. Additionally \$154,761 (2003: \$292,864 - restated) is interest expense (2004) and consulting fees (2003).

(b) The Company and its subsidiaries received revenue from the provision of the following services to Pantel Rt.:

- Cost of international leased lines and local telephone lines in Romania;
- International/national data and voice over internet protocol services for Pantel;
- Internet and related services;
- Consulting services; and
- Commission.

Total value of these services were approximately \$8,503,939 (2003: \$5,740,709 restated) for the year ended December 31, 2004.

During the year ended December 31, 2004, direct sales to Pantel Rt. were 23% (2003: 26% - restated) of total consolidated revenues. However, the dependency on Pantel is even more significant. Some third party sales of Euroweb Romania involve Pantel Rt. as the subcontractor/service provider for the international/domestic lines (hence the revenues related to Pantel Rt. are greater than the amounts paid to Pantel Rt.), and some third party customers are also clients of Pantel Rt. outside of Romania (i.e. their relationship with Pantel is stronger than their relationship with Euroweb Romania).

Effective dependency on Pantel Rt. - taking into account direct and Pantel Rt.-related sales - represents approximately 30% of total consolidated revenues of the Company and approximately 80% of total sales of Euroweb Romania in 2004. There is no such dependency in the case of Euroweb Hungary.

With respect to pricing, agreements are made at market prices or a split of the margin based on the financial investment into the specific services by each of the parties. The Company always considers alternative suppliers for each individual project.

On February 28, 2005, KPN Telecom B.V. (the majority owner of Pantel Rt. and our largest shareholder), completed the sale of its entire interest in Pantel Rt. Therefore Euroweb is no longer related party with Pantel from March 1, 2005.

It cannot be predicted in advance whether these changes will have an influence on the business relationship between the Company and Pantel Rt. However, management believes - although it cannot be assured - that the current business agreements were made on arms-length principles and are beneficial to both parties, and therefore significant changes may not occur.

The Company has not experienced material changes in the mutual relationship in the first quarter of 2005 with Pantel Rt.

ANNUAL REPORT ON FORM 10-KSB

OTHER BUSINESS

The Board of Directors is not aware of any matter other than the matters described above to be presented for action at the Meeting. However, if any other proper items of business should come before the Meeting, it is the intention of the individuals named on your proxy card as the proxy holders to vote in accordance with their best judgment on such matters.

ANNEX 1

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

MEMBERSHIP AND ROLE OF THE AUDIT COMMITTEE

The Audit Committee of the board of directors reviews the internal accounting procedures of the company and consults with and reviews the services provided by our independent accountants. During 2004, the audit committee consisted of Messrs. Stewart Reich and Howard Cooper, both who were considered independent. The Audit Committee held four meetings in 2004. On March 21, 2005, Mr. Cooper resigned as a director of the Company and a member of the Audit Committee. On March 21, 2005, the Board of Directors appointed Mr. Attia and Mr. Kenig, both independent members of the board of directors, to serve as members of the Audit Committee.

As at December 31, 2004, a majority of the members of the Audit Committee (Messrs. Reich and Cooper) were "independent" for purposes of the National Association of Securities Dealers' listing standards. The Audit Committee operates under a written charter adopted by the Board of Directors which is included in the Company's Proxy Statement dated April 18, 2001.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted accounting principles and to issue a report thereon. The Committee monitors these processes.

REVIEW OF THE COMPANY'S AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2004

In this context, the Committee met and held discussions with management and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Committee reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU 380), as amended.

In addition, the Committee discussed with the independent auditors the auditors' independence from the Company and its management, and the independent auditors provided to the Committee the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form

Edgar Filing: EUROWEB INTERNATIONAL CORP - Form DEF 14A

10-KSB for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

AUDIT FEES

Audit Fees. The aggregate fees billed by KPMG Hungaria Kft. ("KPMG"), our former auditors, for professional services rendered for the audit of the Company's annual financial statements for the years ended December 31, 2004 and 2003, and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-QSB during the fiscal years were \$217,000 and \$178,000, respectively.

Audit related fees: In 2004, KPMG fees for the audit of the 2003 US GAAP financial statements of Euroweb Hungary Rt. (for 8-K filing purposes) was \$18,750 and fees for the restatement of the Company's 2003 financial statements to reflect the "as-if" pooling of Euroweb Hungary Rt. for purposes of the SB-2 filing was \$37,000. There were no audit related fees in 2003. Deloitte Kft. provided an audit opinion for the financial statements of ELENDEK Business Communications Services Ltd. ("Elender") for the years ended December 31, 2003 and 2002, which was acquired by the Company on June 9, 2004. In addition, Deloitte Kft. has provided consents for the inclusion of its report on Elender's financial statements in a registration statement initially filed by the Company on July 26, 2004 and amended on September 8, 2004, December 23, 2004 and February 10, 2005. The aggregate fees paid to Deloitte Kft. were \$56,000, which were paid in 2004.

All Other Fees. The aggregate fees billed by KPMG for services rendered to the Company, other than the services covered in "Audit Fees" and "Audit related fees" and for the fiscal years ended December 31, 2004 and 2003 were \$124,600 and EUR 33,000. - The 2004 fees relate to the SB-2 registration statement costs (\$123,000), and miscellaneous tax advice (\$1,600) provided during the course of 2004. The 2003 fees relate to assistance provide to Euroweb Romania in connection with the Tax Authority Review on VAT.

For the fiscal year ended December 31, 2004 Deloitte rendered no information technology services to the Company relating to financial systems design and implementation, and no fees were billed by Deloitte to the Company for any such services.

14

The Board of Directors has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

AUDITOR INDEPENDENCE

The Audit Committee has considered whether, and has determined that, the provision of services described under "All Other Fees" was compatible with maintaining the independence of Deloitte as the Company's principal accountants.
