Item 2.02. Results of Operations and Financial Condition.

* This 8-K was prepared and submitted for filing on November 13, 2006. Due to an administrative error, the Company's outside filer failed to submit it to the SEC. The filing is being completed now promptly following the Company's discovery of the error.

On November 13, 2006, Advanced Photonix, Inc. issued a press release announcing its results for the second quarter ended September 30, 2006. A copy of the press release is furnished as Exhibit 99.1 and is incorporated herein by reference.

The attached press release includes non-GAAP net income, non-GAAP net income per share data, and Earnings Before Interest, Taxes and Deposits, (EBITDA).

These non-GAAP measures are not in accordance with, or an alternative for, generally accepted accounting principles and may be different from non-GAAP measures used by other companies. In addition, these non-GAAP measures are not based on any comprehensive set of accounting rules or principles. The Company believes that non-GAAP measures have limitations in that they do not reflect all of the amounts associated with the Company's results of operations as determined in accordance with GAAP and that these measures should only be used to evaluate the Company's results of operations in conjunction with the corresponding GAAP measures.

The Company believes that the presentation of non-GAAP net income, non-GAAP net income per share data and EBITDA, when shown in conjunction with the corresponding GAAP measures, provides useful information to investors and management regarding financial and business trends relating to its financial condition and results of operations.

The Company's management also uses the foregoing non-GAAP measures, in addition to the corresponding GAAP measures, in reviewing the financial results of the Company.

The information contained herein and in the accompanying exhibit shall not be incorporated by reference into any filing of the Company, whether made before or after the date hereof, regardless of any general incorporation language in such filing, unless expressly incorporated by specific reference to such filing. The information in this report, including the exhibit hereto, shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section or Sections 11 and 12(a)(2) of the Securities Act of 1933, as amended.
