Section 8 - Other Events

Item 8.01 - Other Events

As previously disclosed, our Dayton, Ohio subsidiary, Perma-Fix of Dayton, Inc. (“PFD”), had entered into a Consent Decree on December 12, 2007, which Consent Decree is subject to a 30 day public comment period and the approval of the federal court, formalizing settlement of the government’s claims in the lawsuit styled *Barbara Fisher v. Perma-Fix of Dayton, Inc.*, pending in the U.S. District Court, Southern District of Ohio (Court), whereby the government and the plaintiff both alleged, among other things, certain violations by PFD of state and federal clean air statutes in connection with the operation by PFD of its Dayton, Ohio facility.

Also, as previously disclosed, we had reached an agreement in principle to settle the citizen’s suit portion of the above lawsuit for \$1,325,000 (“Fisher Lawsuit”). On December 19, 2007, PFD and Plaintiff Fisher entered into a Settlement Agreement formalizing settlement of the Plaintiff’s claims in the above lawsuit. The settlement with Plaintiff Fisher resolves the Plaintiff’s claims against PFD and, subject to certain conditions set forth in the Settlement Agreement, requires PFD to pay a total of \$1,325,000.

We previously disclosed that our insurer has agreed to contribute \$500,000 toward the settlement cost of the citizen’s suit portion of the litigation. Subsequently, our insurer has agreed to contribute an additional \$162,500 toward the settlement cost of the Fisher Lawsuit. We previously recorded a total of \$825,000 of reserves in connection with settlement of the Fisher Lawsuit in our discontinued operations.
