OUR COMPANY

Because this is a summary, it does not contain all the information about us that may be important to you. You should read the more detailed information and the financial statements and related notes which are incorporated by reference in this prospectus.

NexCen is a vertically integrated global brand management and franchising company. Our business is focused on managing, developing and acquiring intellectual property, which we refer to as IP, and IP-centric businesses operating in three segments: Consumer Branded Products, Retail Franchising and Quick Service Restaurant Franchising (which we refer to as “QSR” Franchising). We own, license, franchise and market a growing portfolio of brands including Bill Blass, Waverly, The Athlete's Foot, Shoebox New York, Great American Cookies, MaggieMoo's, Marble Slab, Pretzel Time, and Pretzelmaker. We license and franchise our brands to a network of leading retailers, manufacturers and franchisees that includes every major segment of retail distribution from the luxury market to the mass market in the United States and in over 50 countries around the world. Our franchise network consists of approximately 1,900 retail stores.

We commenced our current business in June 2006, when we acquired UCC Capital Corporation, which we refer to as UCC. Upon the closing of that acquisition, Robert W. D’Loren, who was the president and chief executive officer of UCC, became our president and chief executive officer and a member of our Board of Directors.

In November 2006, we entered the retail franchising business by acquiring Athlete’s Foot Brands, LLC, along with an affiliated company and certain related assets (“The Athlete’s Foot” or “TAF”). The Athlete’s Foot is one of the largest athletic footwear and apparel franchisors with approximately 640 franchised units in over 40 countries.

In February 2007, we entered the consumer branded products business by acquiring Bill Blass Holding Co., Inc. and two affiliated businesses (“Bill Blass”). The Bill Blass label represents timeless, modern American style.

Also in February 2007, we acquired MaggieMoo’s International, LLC (“MaggieMoo’s”) and the assets of Marble Slab Creamery, Inc. (“Marble Slab”), two well known and established brands within the hand-mixed, premium ice cream category, having a combined total of approximately 580 franchised units. With these acquisitions NexCen entered the QSR franchising business.

In May 2007, we expanded our consumer branded products business by acquiring all of the intellectual property and license contracts related to the Waverly brand. Waverly is a premier lifestyle brand with an array of licensed home furnishings products, including fabrics, wallpapers, paint, bedding, window treatments, and decorative accessories.

In August 2007, we acquired substantially all of the assets of Pretzel Time Franchising, LLC (“Pretzel Time”) and Pretzelmaker Franchising, LLC (“Pretzelmaker”), adding two hand-rolled pretzel chains with approximately 380 franchised units worldwide to our QSR franchising business.

In January 2008, we acquired the trademarks and other intellectual property of The Shoe Box, Inc. (“Shoebox”) in partnership with the Camuto Group, a premier women's fashion footwear company. Shoebox is a multi-brand luxury shoe retailer based in New York with nine locations. The partnership has begun franchising the Shoebox's luxury footwear concept domestically and internationally under the Shoebox New York brand.

In January 2008, we also acquired substantially all of the assets of Great American Cookie Company Franchising, LLC and Great American Manufacturing, LLC (collectively, “Great American Cookies”). This transaction added another premium treat brand and approximately 300 franchised units to our QSR portfolio.

RISK FACTORS

Our business is subject to significant risks. You should carefully consider the risks and uncertainties described in this prospectus and the documents incorporated by reference herein, including the risks and uncertainties described in our consolidated financial statements and the notes to those financial statements and the risks and uncertainties described under the caption “Risk Factors” included in Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2007, which is incorporated by reference in this prospectus. The risks and uncertainties described in this prospectus and the documents incorporated by reference herein are not the only ones facing us. Additional risks and uncertainties that we do not presently know about or that we currently believe are not material may also adversely affect our business. If any of the risks and uncertainties described in this prospectus or the documents incorporated by reference herein actually occur, our business, financial condition and results of operations could be adversely affected in a material way. This could cause the trading price of our common stock to decline, perhaps significantly, and you may lose part or all of your investment.

In addition to the foregoing, you should also consider the following risk factor:

Our stock price may be volatile, and the market price of our common stock may decline.

The stock market in general, and the market for stocks of companies similar to ours, has been highly volatile. As a result, the market price of our common stock is likely to be similarly volatile, and investors in our common stock may experience a decrease, which could be substantial, in the value of their stock, including decreases unrelated to our operating performance or prospects, and could lose part or all of their investment. The price of our common stock could be subject to wide fluctuations in response to a number of factors, including those described elsewhere in this prospectus or the documents incorporated by reference herein and others such as:

- variations in our operating performance and the performance of our competitors;
- actual or anticipated fluctuations in our quarterly or annual operating results;
- publication of research reports by securities analysts about us or our competitors or our industry;
- our failure or the failure of our competitors to meet analysts’ projections or guidance that we or our competitors may give to the market;
- additions and departures of key personnel;
- strategic decisions by us or our competitors, such as acquisitions, strategic investments or changes in business strategy;
- speculation in the press or investment community;
- changes in accounting principles;
- terrorist acts, acts of war or periods of widespread civil unrest;
- changes in general market and economic conditions; and
- the factors discussed in the bullet points under “Forward-Looking Statements” below.

In the past, securities class action litigation has often been initiated against companies following periods of volatility in their stock price. This type of litigation could result in substantial costs and divert our management's attention and resources, and could also require us to make substantial payments to satisfy judgments or to settle litigation.

FORWARD-LOOKING STATEMENTS

This prospectus and the information incorporated by reference herein contains forward-looking statements within the meaning of the federal securities laws and the Private Securities Litigation Reform Act of 1995. These statements may be found throughout this prospectus and the documents incorporated by reference herein. Forward-looking statements typically are identified by the use of terms such as “may,” “will,” “should,” “expect,” “anticipate,” “believe,” “estimate,” “intend,” and “could,” or similar words, although some forward-looking statements are expressed differently. You should consider statements that contain these words carefully because they describe our expectations, plans, strategies and goals and our beliefs concerning future business conditions, our future results of operations, our future financial position, and our business outlook or state other “forward-looking” information. The information included and incorporated by reference under the heading “Risk Factors” in this prospectus provides examples of risks, uncertainties and events that could cause our actual results to differ materially from the expectations expressed in our forward-looking statements. These risks, uncertainties and events also include, but are not limited to, the following:

- we may not be successful in implementing our new IP strategy;
- we may not be able to acquire IP or IP-centric companies or finance or exploit them on terms that are acceptable to us;
- we are likely to face substantial competition in seeking to acquire and market desirable IP and IP-centric companies, and competitors may have substantially greater resources than we do;
- we may not be successful in operating or expanding our acquired businesses or integrating them into an overall IP business strategy;
- we may not be able to borrow desired amounts at desired times in accordance with the terms of our master loan agreement;
- we will be subject to risks associated with incurring indebtedness, including interest expense and the obligation to satisfy covenants contained in our master loan agreement, and these could have a negative impact on our business and results and could reduce our flexibility in some circumstances;
- risks associated with marketing and licensing our acquired trademarks and with successfully developing and marketing new products particularly in light of rapidly changing fashion and market trends;
- risks associated with the ability of licensees and franchisees to successfully market and sell branded products, competition;
- we may not be able to realize value from our accumulated tax loss carry forwards, because of a failure to generate sufficient taxable earnings, regulatory limits or both;
- general regional and national economic conditions;
- loss or departure of one or more members of our senior management; and
- the market price of our stock may be volatile, which could make the use of our stock as consideration for acquisitions less attractive to potential sellers.

The forward-looking statements made in this prospectus or the documents incorporated by reference herein relate only to events as of the date on which the statements were made. We undertake no obligation to update any

forward-looking statement to reflect events or circumstances after the date on which the statement was made or to reflect the occurrence of unanticipated events.

SELLING STOCKHOLDERS

The shares to be offered by the selling stockholders are "restricted" securities under applicable federal and state securities laws and are being registered under the Securities Act to give the selling stockholders the opportunity to sell these shares publicly. The registration of these shares does not require that any of the shares be offered or sold by the selling stockholders. The selling stockholders may from time to time offer and sell all or a portion of their shares indicated below in privately negotiated transactions or on the Nasdaq Global Market or any other market on which our common stock may subsequently be listed.

The registered shares may be sold directly or through brokers or dealers, or in a distribution by one or more underwriters on a firm commitment or best effort basis. To the extent required, the names of any agent or broker-dealer and applicable commissions or discounts and any other required information with respect to any particular offer will be set forth in a prospectus supplement. See "Plan of Distribution," beginning on page 6. The selling stockholders and any agents or broker-dealers that participate with the selling stockholders in the distribution of registered shares may be deemed to be "underwriters" within the meaning of the Securities Act, and any commissions received by them and any profit on the resale of the registered shares may be deemed to be underwriting commissions or discounts under the Securities Act.

No estimate can be given as to the amount or percentage of our common stock that will be held by the selling stockholders after any sales made pursuant to this prospectus because the selling stockholders are not required to sell any of the shares being registered under this prospectus. The following table assumes that the selling stockholders will sell all of the shares listed in this prospectus.

The following table sets forth information with respect to the beneficial ownership of our common stock held, as of April 21, 2008, by the selling stockholders and the number of shares being offered hereby and information with respect to shares to be beneficially owned by the selling stockholders after completion of this offering. The percentages in the following table reflect the shares beneficially owned by the selling stockholders as a percentage of the total number of shares of our common stock outstanding as of April 21, 2008.

Summary of Resale Restrictions

The shares to be offered hereby are owned by or issuable to the selling stockholders in connection with the UCC, Pretzel Time and Pretzelmaker acquisitions. In the UCC, Pretzel Time and Pretzelmaker acquisitions, we entered into a registration rights agreement with the selling stockholders under which we agreed to register shares of our common stock held by or issuable to the selling stockholders. Additionally, the selling stockholders who received their shares in the Pretzel Time and Pretzelmaker acquisition agreed to certain resale restrictions which will continue to restrict the resale of the shares registered by this prospectus.

The warrant held by BTMU was issued in connection with the extension of our existing credit facility on January 29, 2008. Under the terms of the warrant, we agreed to register the shares issuable upon exercise of the warrant.

Pretzel Time and Pretzelmaker Acquisition

Pursuant to the Pretzel Purchase Agreement, at the closing, we issued 1,000,915 shares of our common stock to PTF, LLC and PMF, LLC. The shares issued at the closing include 533,175 shares held in escrow to secure indemnification obligations under the Pretzel Purchase Agreement of which 397,121 shares will be released on May 8, 2008 and

136,054 shares will be released on November 8, 2008 if no claims have been made prior to such dates. The number of shares registered under this prospectus excludes 3,244 shares issued to PTF, LLC and PMF, LLC that will be returned to us in satisfaction of a purchase price adjustment. We will not receive any proceeds from the sale of the common stock by the selling stockholders pursuant to this prospectus. However, we will pay the expenses of registration of all of the shares that are offered pursuant to this prospectus, including legal and accounting fees. We will receive the exercise price of the warrant from the selling stockholder upon the exercise of the warrant. If the warrant is fully exercised, we will receive net proceeds of approximately \$2,000. We expect to use the proceeds received from the exercise of the warrant for general corporate purposes. General corporate purposes may include capital expenditures, the repayment of debt, investments in our subsidiaries, working capital, repurchases of stock, or the financing of possible acquisitions or business opportunities.

PLAN OF DISTRIBUTION

We are registering 3,697,671 shares of our common stock for possible sale by the selling stockholders. Unless the context otherwise requires, as used in this prospectus, "selling stockholders" includes the selling stockholders named in the table above and donees, pledgees, transferees or other successors-in-interest selling shares received from the selling stockholders as a gift, pledge, partnership distribution or other transfer after the date of this prospectus. Upon being notified by a selling stockholder that a donee, pledge, transferee or other successor-in-interest intends to sell more than 500 shares, we will, to the extent required, promptly file a supplement to this prospectus to name specifically such person as a selling stockholder.

The selling stockholders may offer and sell all or a portion of the shares covered by this prospectus from time to time, in one or more or any combination of the following transactions:

- on the Nasdaq Global Market, in the over-the-counter market or on any other national securities exchange on which our shares are listed or traded;
- in privately negotiated transactions;
- in underwritten transactions;
- in a block trade in which a broker-dealer will attempt to sell the offered shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- through purchases by a broker-dealer as principal and resale by the broker-dealer for its account pursuant to this prospectus;

- in ordinary brokerage transactions and transactions in which the broker solicits purchasers; and
- through the writing of options (including put or call options), whether the options are listed on an options exchange or otherwise.

The selling stockholders may sell the shares at prices then prevailing or related to the then current market price or at negotiated prices. The offering price of the shares from time to time will be determined by the selling stockholders and, at the time of the determination, may be higher or lower than the market price of our common stock on the Nasdaq Global Market or any other exchange or market.

The shares may be sold directly or through broker-dealers acting as principal or agent, or pursuant to a distribution by one or more underwriters on a firm commitment or best-efforts basis. The selling stockholders may also enter into hedging transactions with broker-dealers. In connection with such transactions, broker-dealers of other financial institutions may engage in short sales of our common stock in the course of hedging the positions they assume with the selling stockholders. The selling stockholders may also enter into options or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). In connection with an underwritten offering, underwriters or agents may receive compensation in the form of discounts, concessions or commissions from the selling stockholders or from purchasers of the offered shares for whom they may act as agents. In addition, underwriters may sell the shares to or through dealers, and those dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. In connection with any particular offering pursuant to this shelf registration statement, an underwriter may engage in stabilizing transactions, short sales, syndicate covering transactions and penalty bids. The selling stockholders and any underwriters, dealers or agents participating in a distribution of the shares may be deemed to be "underwriters" within the meaning of the Securities Act, and any profit on the sale of the shares by the selling stockholders and any commissions received by broker-dealers may be deemed to be underwriting commissions under the Securities Act. Agents, underwriters, dealers or their affiliates, may be customers of, engage in transactions with or perform services for us, in the ordinary course of business.

We and the selling stockholders may agree to indemnify an underwriter, broker-dealer or agent against certain liabilities related to the selling of the common stock, including liabilities arising under the Securities Act. Under the registration rights agreements, we have agreed to indemnify the selling stockholders against certain liabilities related to the sale of the common stock, including liabilities arising under the Securities Act. Under the registration rights agreements, we have also agreed to pay the costs, expenses and fees of registering the shares of common stock; however, the selling stockholders will pay any underwriting discounts or commissions relating to the sale of the shares of common stock in any underwritten offering.

We are not aware that any selling stockholders have entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of its shares. Upon our notification by the selling stockholders that any material arrangement has been entered into with an underwriter or broker-dealer for the sale of shares through a block trade, special offering, exchange distribution, secondary distribution or a purchase by an underwriter or broker-dealer, we will file a supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act, disclosing certain material information, including:

- the name of the selling stockholders;
- the number of shares being offered;
- the terms of the offering;
- the names of the participating underwriters, broker-dealers or agents;
- any discounts, commissions or other compensation paid to underwriters or broker-dealers and any discounts, commissions or concessions allowed or reallocated or paid by any underwriters to dealers;
- the public offering price; and
- other material terms of the offering.

The selling stockholders are subject to the applicable provisions of the Exchange Act and the rules and regulations under the Exchange Act, including Regulation M. This regulation may limit the timing of purchases and sales of any of the shares of common stock offered in this prospectus by the selling stockholders. The anti-manipulation rules under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of the shares to engage in market-making activities for the particular securities being distributed for a period of up to five business days before the distribution. The restrictions may affect the marketability of the shares and the ability of any person or entity to engage in market-making activities for the shares.

To the extent required, this prospectus may be amended and/or supplemented from time to time to describe a specific plan of distribution. Instead of selling the shares of common stock under this prospectus, the selling stockholders may sell the shares of common stock in compliance with the provisions of Rule 144 under the Securities Act, if available, or pursuant to other available exemptions from the registration requirements of the Securities Act.

Incorporation by Reference. The SEC allows us to "incorporate by reference" information into this prospectus, which means that we can disclose important information about us by referring you to another document filed separately with the SEC. The information incorporated by reference is considered to be a part of this prospectus. This prospectus incorporates by reference the documents and reports listed below (other than portions of these documents that are either (1) described in paragraphs (i), (k) and (l) of Item 402 of Regulation S-K promulgated by the SEC or (2) furnished under Item 2.02 or Item 7.01 of a Current Report on Form 8-K):

The description of our common stock to which we refer was filed in connection with our initial public offering when we were known as Aether Systems, Inc. Subsequently, in July 2005, our stockholders approved a holding company reorganization as the result of which our name changed to Aether Holdings, Inc. In connection with that reorganization, our stockholders also approved an amendment to our certificate of incorporation that imposed restrictions on certain transfers of our common stock the purpose of which was to reduce the risk that we would experience an ownership change for tax purposes. Specifically, the transfer restrictions restrict any person from buying or selling our stock (or any interest in our stock) if the transfer would result in a stockholder (or several stockholders, in the aggregate, who hold their stock as a “group” under the federal securities laws) owning 5% or more of our stock. A description of these restrictions is set forth in our Form S-4 (No. 333-124633) filed with the SEC on May 4, 2005, as amended, which is incorporated herein by reference. Subsequently, at our annual meeting of stockholders held on October 31, 2006, we changed our name to NexCen Brands, Inc. as part of the change in our long-term strategy that focuses on acquiring or licensing, for sale, licensing or sublicensing intellectual property.

We also incorporate by reference the information contained in all other documents we file with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act (other than portions of these documents that are either (1) described in paragraphs (i), (k) and (l) of Item 402 of Regulation S-K promulgated by the SEC or (2) furnished under Item 2.02 or Item 7.01 of a Current Report on Form 8-K, unless otherwise indicated therein) after the date of this prospectus and prior to the termination of this offering. The information contained in any such document will be considered part of this prospectus from the date the document is filed with the SEC.

Any statement contained in a document incorporated or deemed to be incorporated by reference in this prospectus will be deemed to be modified or superseded to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference in this prospectus modifies or supersedes that statement. Any statement so modified or superseded will not be deemed, except as so modified or superseded, to constitute a part of this prospectus.

We undertake to provide without charge to any person, including any beneficial owner, to whom a copy of this prospectus is delivered, upon oral or written request of such person, a copy of any or all of the documents that have been incorporated by reference in this prospectus, other than exhibits to such other documents (unless such exhibits are specifically incorporated by reference therein).
