QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE MEETING

Q: Why am I receiving these materials?

A: Our Board is providing these proxy materials to you in connection with our 2009 Annual Meeting of Stockholders, which will take place on Thursday July 2, 2009. As a stockholder on the Record Date, you are invited to attend the meeting. We also encourage you to vote on the matters described in this proxy statement.

Q: What information is contained in these materials?

A: This proxy statement includes information about the nominees for director and the other matters to be voted on at the meeting. The proxy statement also includes information about the voting process and requirements, the compensation of directors and some of our executive officers, and certain other required information.

Q: What can I vote on at the meeting?

A: There are 2 matters to be voted on at the meeting:

(1) The election of 1 director to our Board to hold office until the annual meeting of stockholders in 2012 and until their successors are elected and qualified; and

(2) The ratification of the appointment of Stegman & Company as our independent registered public accounting firm for 2009.

Q: How does the Board recommend that I vote on each of the matters?

A: Our Board recommends that you vote FOR the director nominee and FOR the ratification of the appointment of Stegman & Company as our independent registered public accounting firm for 2009.

1

Q: What classes of stock are entitled to be voted?

A: Each share of our common stock outstanding on the Record Date is entitled to one vote on each of the items being voted on at the meeting. On the Record Date, we had 33,751,300 shares of common stock outstanding which are entitled to vote at our Annual Meeting. We have no other classes of stock outstanding.

Q: What shares can I vote?

A: You can vote all shares you owned on the Record Date. These shares include (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner through a stockbroker, bank or other nominee.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. There are some important distinctions between shares held of record and those beneficially owned.

Stockholder of Record

If your shares are registered in your name with our transfer agent, American Stock Transfer & Trust Company, you are the stockholder of record for those shares and are receiving proxy-related materials directly from us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting.

Beneficial Owner

If your shares are held in a stock brokerage account, by a bank or other nominee (commonly referred to as being held in "street name") you are the beneficial owner of those shares. Your broker, bank or nominee is the stockholder of record and therefore has forwarded proxy-related materials to you as beneficial owner. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares and are also invited to attend the meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you obtain a signed proxy from your broker, bank or nominee giving you the right to vote the shares.

Q: How do I vote if I am a stockholder of record (as described in the question and answer above)?

A: You can vote on the Internet or by telephone by following the instructions you received in the mail or by email. If you received a full printed set of our proxy materials in the mail, you can also vote by mail. Finally, you can vote in person at the meeting.

Q: How do I vote if I am a beneficial owner (as described in the question and answer above)?

A: You can vote on the Internet or by mail or telephone by following the instructions you received in the mail or by email. Also, you can vote in person at the meeting, BUT ONLY if you obtain a signed proxy from your broker, bank or nominee giving you this right.

Q: Can I change my vote or revoke my proxy?

A: Yes. You can change your vote or revoke your proxy at any time before the final vote at the meeting. You can do this by casting a later proxy through any of the available methods described in the questions and answers above. If you are a stockholder of record, you can also revoke your proxy by delivering a written notice of your

revocation to our Corporate Secretary at our principal executive office at 9700 Great Seneca Highway Rockville, Maryland, 20850. If you are a beneficial owner, you can revoke your proxy by following the instructions sent to you by your broker, bank or other nominee.

Q: What does it mean if I get more than one set of proxy-related materials?

A: It means you hold shares registered in more than one account. Follow the instructions in each set of proxy-related materials to ensure that all of your shares are voted.

Q: What is the quorum requirement for the meeting?

A: For a "quorum" to exist at the meeting, stockholders holding a majority of the votes entitled to be cast by the stockholders entitled to vote generally must be present in person or represented by proxy at the meeting. There must be a quorum for any action to be taken at the meeting (other than adjournment or postponement of the meeting). If you submit a properly completed proxy, even if you abstain from voting, then your shares will be counted for purposes of determining the presence of a quorum.

If a broker indicates on a proxy that it lacks discretionary authority as to certain shares to vote on a particular matter, commonly referred to as "broker non-votes," those shares will still be counted for purposes of determining the presence of a quorum at the meeting.

Q: What is the voting requirement to approve each of the matters?

A: In the election of directors, the nominee will be elected a director if he receives the affirmative vote of a majority of the votes cast with respect to the nominee's election. A majority of the votes cast means that the number of votes "for" a director must exceed 50% of the votes cast with respect to the director's election. Votes "against" the director count as votes cast with respect to the director, but "abstentions" will not count as votes cast with respect to the director. You can find more information about the voting requirement for director elections below under the heading "Proposal 1—Election of Directors."

For each of the other matters, approval requires the affirmative vote of stockholders holding a majority of those shares present (in person or by proxy) and entitled to vote on the matter. If you are a beneficial owner and do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes for certain matters (as described in the question and answer immediately above). In tabulating the voting result for a proposal, shares that constitute broker non-votes are not considered as being entitled to vote on that proposal.

Q: How can I vote on each of the matters?

A: In the election of director, you may vote FOR or AGAINST the nominee or indicate that you wish to ABSTAIN from voting. For the other matters, you may vote FOR or AGAINST the matter, or you may indicate that you wish to ABSTAIN from voting on the matter.

Q: How will the votes be counted?

A: Your shares will be voted according to your directions on your proxy. If you submit a proxy with no further instructions, your shares will be voted in accordance with the recommendations of our Board (FOR the director nominee named in this proxy statement and the ratification of the appointment of Stegman & Company as our independent registered public accounting firm for 2009). If you ABSTAIN from voting on the election of the director nominee, your vote will not be considered a vote cast with respect to that director's election and therefore will not be counted in determining whether the director received a majority of the votes cast. If you ABSTAIN from voting on any of the other proposals, it will have the same effect as a vote AGAINST that proposal.

Q: Who will count the votes?

A: We will appoint one of our officers present at the meeting to act as the inspector of elections for the meeting. Also, our transfer agent will separately tabulate all votes FOR and AGAINST each matter, as well as all abstentions and broker non-votes.

Q: Who may attend the meeting?

A: All stockholders as of the Record Date may attend. Please bring to the meeting:

- proof of ownership such as: a copy of your proxy or voting instruction card; or a copy of a brokerage or bank statement showing your share ownership as of the Record Date; and

- proof of identification such as a valid driver's license or passport.

Q: How will voting on any other business be conducted?

A: We do not expect any matters to be presented for a vote at the meeting other than the 2 matters described in this proxy statement. If you grant a proxy, either of the officers named as proxy holders, I. Richard Garr and John Conron, or their nominees or substitutes, will have the discretion to vote your shares on any additional matters that are properly presented for a vote at the meeting and at any adjournment or postponement that may take place. If, for any unforeseen reason, any of our nominees is not available as a candidate for director, the persons named as the proxy holder will vote your proxy for another candidate nominated by our Board.

3

Q: Who is paying for this proxy solicitation?

A: We will pay the cost of soliciting the proxies. In addition, our officers, directors and employees may solicit proxies or votes in person, by telephone or by email. These people will not be paid any additional compensation for these activities. We will send copies of proxy-related materials or additional solicitation materials to brokers, fiduciaries and custodians who will forward these materials to the beneficial owners of our shares. On request, we will reimburse brokers and other persons representing beneficial owners of shares for their reasonable expenses in forwarding these materials to beneficial owners.

BENEFICIAL OWNERSHIP OF SHARES OF COMMON STOCK

The following table sets forth, as of May 18, 2009, information regarding beneficial ownership of our capital stock by:

- each person, or group of affiliated persons, known by us to be the beneficial owner of 5% or more of any class of our voting securities;
- each of our current directors and nominees;
- each of our current named executive officers; and
- all current directors and named executive officers as a group.

Beneficial ownership is determined according to the rules of the SEC. Beneficial ownership means that a person has or shares voting or investment power of a security and includes any securities that person or group has the right to acquire within 60 days after the measurement date. This table is based on information supplied by officers, directors and principal stockholders. Except as otherwise indicated, we believe that each of the beneficial owners of the common stock listed below, based on the information such beneficial owner has given to us, has sole investment and voting power with respect to such beneficial owner's shares, except where community property laws may apply.

Unless otherwise indicated, the address of the beneficial owner is c/o Neuralstem, Inc. 9700 Great Seneca Highway, Rockville, MD, 20850.
- (2) Pursuant to Rules 13d-3 and 13d-5 of the Exchange Act, beneficial ownership includes any shares as to which a shareholder has sole or shared voting power or investment power, and also any shares which the shareholder has the right to acquire within 60 days, including upon exercise of common shares purchase options or warrant. There are 33,751,300 shares of common stock issued and outstanding as of May 18, 2009.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers, directors, and stockholders owning more than ten percent of our common stock, to file reports of ownership and changes in ownership with the SEC and to furnish us with copies of such reports. Based solely on our review of Form 3, 4 and 5's, the following table provides information regarding any of the reports which were filed late during the fiscal year ended December 31, 2008:

CORPORATE GOVERNANCE

Our Board consists of four members.

Our business, property and affairs are managed under the direction of the Board. Members of the Board are kept informed of the our business through discussion with the Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its Committees.

During 2008, the Board held 2 meetings and acted through unanimous written consent 4 times. Each Director attended at least 75% of all meetings of the Board and of the Committees on which the Director served. The Board currently holds regularly scheduled meetings and calls for special meetings or acts through unanimous written consents as necessary. Meetings of the Board may be held telephonically. Directors are expected to attend all board meetings and meetings of the committees of the board on which they serve and to spend the time needed and meet as frequently as necessary to properly discharge their duties. Though we do not have a formal policy regarding attendance by directors at annual meetings of stockholders, attendance is encouraged.

Our Board is responsible for establishing broad corporate policies and for overseeing our overall management. In addition to considering various matters which require its approval, the Board provides advice and counsel to, and ultimately monitors the performance of, our senior management.

Independent Directors

Our common stock is listed on NYSE AMEX. As such, we are subject to the NYSE AMEX's director independence standards. In accordance with these standards, in determining independence the Board affirmatively determines whether a director has a "material relationship" with Neuralstem that would compromise his or her independence from management or would cause him or her to fail to meet the NYSE AMEX's specific independence criteria. When assessing the "materiality" of a director's relationship with Neuralstem, the Board considers all relevant facts and circumstances, not merely from the director's standpoint, but from that of the persons or organizations with which the director has an affiliation, and, where applicable, the frequency and regularity of the services, and whether the services

are being carried out at arm's length in the ordinary course of business. Material relationships can include commercial, consulting, charitable, familial and other relationships. A relationship is not material if, in the Board's judgment, it is not inconsistent with the NYSE AMEX's director independence standards and it does not compromise a director's independence from management.

Applying the NYSE AMEX's standards, our board of directors has determined that Messrs Ogilvie and Oldaker are each "independent" as that term is defined by the NYSE Amex. Messrs Ogilvie and Oldaker are the sole members of our: (i) Audit Committee; (ii) Compensation Committee; and (iii) Nomination and Corporate Governance Committee.

Communications with Directors

We have adopted a formal process for shareholder communications with our independent directors. The policy, which is available on our website, www.neuralstem.com is as follows:

Interested parties are invited to communicate with the non-management members of the Board by sending correspondence to the non-management members of the Board of Directors, c/o Corporate Secretary, Neuralstem, Inc. 9700 Great Seneca Highway, Rockville, Maryland 20850.

The Corporate Secretary will review all such correspondence and forward to the non-management members of the Board a summary of all such correspondence received during the prior month and copies of all such correspondence that deals with the functions of the Board or committees thereof or that otherwise is determined to require attention of the non-management directors. Non-management directors may at any time review the log of all correspondence received by us that is addressed to the non-management members of the Board and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters will immediately be brought to the attention of the Chairman of the Audit Committee.

Code of Ethics

We have adopted a "Code of Ethics" that applies to our officer, directors and employees. We have also adopted a "Finance Code of Professional Conduct" that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and any persons who participate in our financial reporting process. A copy of our "Code of Ethics" and "Finance Code of Professional Conduct" can be viewed on our website at www.neuralstem.com.

The codes incorporate our guidelines designed to deter wrongdoing and to promote honest and ethical conduct and compliance with applicable laws and regulations. The codes also incorporate our expectations of our officers, directors and employees that enable us to provide accurate and timely disclosure in our filings with the SEC and other public communications. In addition, the codes incorporate guidelines pertaining to topics such as complying with applicable laws, rules, and regulations; reporting violations; and maintaining accountability for adherence to the codes.

We intend to disclose future amendments to certain provisions of our codes, or waivers of such provisions on our web site within four business days following the date of such amendment or waiver, if any.

Classification of Board

Pursuant to amended bylaws, we have a classified board of directors divided into three classes with staggered three-year terms. Only one class may be elected each year, while the directors in the other classes continue to hold office for the remainder of their three-year terms. Each class is required to have approximately the same number of directors. The Board may, on its own, determine the size of the exact number of directors on the Board and may fill vacancies on the Board. The procedure for electing and removing directors on a classified board of directors generally makes it more difficult for stockholders to change management control by replacing a majority of the board at any one time, and the classified board structure may discourage a third party tender offer or other attempt to gain control of the company and may maintain the incumbency of directors. In addition, under our amended bylaws, directors may only be removed from office by a vote of the majority of the shares then outstanding and eligible to vote.

Committees

We have established 3 corporate governance committees which are the: (i) Audit Committee; (ii) Compensation Committee; and (iii) Nomination and Corporate Governance Committee. A copy of each respective committee's charter can be viewed on our website at www.neuralstem.com.

The table below identifies the Board's standing committees and committee membership:

Name	Audit Committee Member	Compensation Committee Member	Nomination and Corporate Governance Committee Member
I. Richard Garr			
Karl Johe			
William Oldaker	ü	Chair	Chair
Scott Ogilvie	Chair	ü	ü
Total Meetings during 2008	4	1	1
Action Via Unanimous Written Consent	0	1	0

Each member of the Audit Committee, the Compensation Committee and the Nomination and Corporate Governance Committee is considered independent under NYSE AMEX listing criteria.

Audit Committee

We have a designated audit committee in accordance with section 3(a)(58)(A) of the Exchange Act. The members of the Audit Committee are Messrs Ogilvie and Oldaker. The Audit Committee assists our Board in fulfilling its responsibility for the oversight of the quality and integrity of our accounting, auditing, and reporting practices, and such other duties as directed by the Board. The committee's purpose is to oversee our accounting and financial reporting processes, the audits of our financial statements, the qualifications of our public accounting firm engaged by us as our independent auditor to prepare or issue an audit report on our financial statements, and the performance of our internal audit function and independent auditor. The committee reviews and assesses the qualitative aspects of financial reporting to shareholders, our processes to manage business and financial risk, and compliance with significant applicable legal, ethical, and regulatory requirements. The committee is directly responsible for the appointment (subject to shareholder ratification), compensation, retention, and oversight of our independent auditor.

Our Board has determined that Mr. Ogilvie is an "audit committee financial expert" within the meaning of SEC rules. An audit committee financial expert is a person who can demonstrate the following attributes: (1) an understanding of generally accepted accounting principles and financial statements; (2) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves; (3) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the company's financial statements, or experience actively supervising one or more persons engaged in such activities; (4) an understanding of internal controls and procedures for financial reporting; and (5) an understanding of audit committee functions.

The Audit Committee met 4 times during 2008. Both Messrs Oldaker and Ogilvie attended all meetings.

Compensation Committee

The Compensation Committee's role is to discharge our Board's responsibilities relating to compensation of our executives and to oversee and advise Board on the adoption of policies that govern our compensation and benefit programs. Messrs Ogilvie and Oldaker are the members of the Compensation Committee.

Our compensation program consists generally of salary, bonus and benefits. The Compensation Committee is responsible for the review and approval of our compensation plans, compensation for senior management, salary and bonus ranges for other employees and all employment, severance and change in control agreements. The Compensation Committee also reviews and approves compensation for our directors. The Compensation Committee has not delegated any of its authority to other persons.

In making its determinations with respect to compensation, the Compensation Committee relies on recommendations from our Chief Executive Officer with respect to the salaries of our senior management and bonus levels for all employees. The Compensation Committee and Chief Executive Officer work together to finalize these salary and bonus decisions. The Compensation Committee determines the compensation of the Chief Executive Officer.

The Compensation Committee met 1 time and acted 1 time by unanimous written consent during 2008. Both Messrs Oldaker and Ogilvie attended all meetings.

Nomination and Corporate Governance Committee

The Nomination and Corporate Governance Committee reviews and evaluates the effectiveness of our executive development and succession planning processes, as well as provides active leadership and oversight of these processes, and oversight of our corporate governance policies. The Nomination and Corporate Governance Committee also evaluates and recommends nominees for membership on our board of directors and its committees. Messrs Ogilvie and Oldaker are the members of the Nomination Committee.

The Nomination and Governance Committee evaluates candidates for the Board on the basis of the process and standards set forth in its charter. Candidates may come to the attention of the Nomination and Governance Committee through current Board members, professional search firms, stockholders or other persons. The Nomination and Governance Committee will consider nominees recommended by our stockholders. Any stockholder wishing to propose a nominee for consideration by the Nomination and Governance Committee should submit a recommendation in writing to our Chief Financial Officer at our principal executive office, indicating the nominee's qualifications and other relevant biographical information and providing confirmation of the nominee's consent to serve as a director. The Nomination and Governance Committee does not intend to alter its criteria for evaluating potential director candidates, including the criteria set forth above, in the case of director candidates recommended by stockholders. The Nomination and Governance Committee periodically considers recommendations for director candidates.

If you wish to raise a director nomination for next year's annual meeting, you must comply with the notice and other requirements described below under the heading "Shareholder Proposals" Also, individuals wishing to raise a director for nomination for next year's annual meeting, are encouraged to review our Amended and Restated Bylaws filed as an exhibit to our Annual Report filed with the Securities and Exchange Commission.

The Nomination and Corporate Governance Committee met 1time during 2008. Both Messrs Oldaker and Ogilvie attended all meetings.

AUDIT COMMITTEE REPORT

This section of the proxy statement will not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and will not otherwise be deemed filed under these Acts.

The Audit Committee is solely responsible for the appointment, compensation and oversight of the work of the independent registered public accounting firm for the purpose of preparing or issuing an audit report or related work.

Management is responsible for our financial statements, internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or

auditing, including with respect to auditor independence. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and on the representations of the independent registered public accounting firm included in its report on Neuralstem's financial statements. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that our financial statements are presented in accordance with generally accepted accounting principles, that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards, or that the independent registered public accounting firm is in fact "independent."

The Audit Committee has reviewed and discussed the audited financial statements with management and the independent registered public accounting firm, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Our independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent registered public accounting firm its independence.

Based upon these reviews and discussions and the report of the independent registered public accounting firm to the Audit Committee, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above, the Audit Committee, exercising its business judgment, recommended to our Board on March 30, 2009, that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2008, filed with the SEC.

Our Board is divided into three classes, the terms of which expire at successive annual meetings.

At this year's annual meeting, the term of Mr. Ogilvie will expire. One Director will be elected at the annual meeting to serve for a three-year term which will expire at our annual meeting in 2012. We have nominated Mr. Ogilvie for this position. Mr. Ogilvie currently serves as a Director. If the nominee is unavailable for election, the persons named as proxies will vote your shares FOR the election of a substitute nominee proposed by our Board.

The nominee will be elected a director if he or she receives the affirmative vote of a majority of the votes cast. A majority of the votes cast means that the number of votes FOR must exceed 50% of the votes cast with respect to that director's election. PROPOSAL 2
RATIFICATION OF AUDIT COMMITTEE'S SELECTION OF STEGMAN & COMPANY AS OUR
INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM FOR 2009

The Audit Committee has appointed Stegman & Company as the independent registered public accounting firm to audit the accounts of Neuralstem for 2009. Stegman & Company has audited our accounts and records since 2007. Representatives of Stegman & Company are expected to attend the 2009 annual meeting and to respond to appropriate questions, and they will have the opportunity to make a statement if they wish.

We are asking our stockholders to ratify the selection of Stegman & Company as our independent registered public accounting firm. Although ratification is not required, our Board is submitting the selection of Stegman & Company to stockholders for ratification because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate practice. In the event stockholders fail to ratify the appointment of Stegman & Company, the Audit Committee will reconsider this appointment. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that the change would be in the best interests of Neuralstem and our stockholders.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Prior Auditor David Banerjee

On January 29 2007, we formally appointed David Banerjee (“Banerjee”) as our independent registered public accounting firm for purposes of auditing our financial statements for the fiscal year ended December 31, 2006. The decision to engage Banerjee was approved by our Board.

Termination of Dave Banerjee and Appointment of Stegman & Company

Effective October 10, 2007, the Audit Committee dismissed Dave Banerjee CPA (“Banerjee”) as its independent registered public accounting firm. Effective October 15, 2007, the Audit Committee engaged Stegman & Company (the “New Auditor”) as our independent registered public accounting firm.

Banerjee’s reports on the Company’s financial statements did not contain an adverse opinion or disclaimer of opinion, nor were they modified as to uncertainty, audit scope or accounting principles. There were no disagreements with Banerjee, for the the fiscal years or the interim period from April 1, 2007 through the date of dismissal on October 10, 2007, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Banerjee, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report.

Prior to the appointment of Stegman & Company, neither Neuralstem nor anyone acting on its behalf consulted the New Auditor regarding (i) either: the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Registrant’s financial statements, and no written report or oral advice was provided to the Registrant that the New Auditor concluded was an important factor considered by the Registrant in reaching a decision as an accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement or a reportable event (as defined in Regulation S-B Item 304(a)(1)).

Pre-Approval Policies and Procedures

The Audit Committee is responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. Our Audit Committee reviewed and pre-approved all audit and non-audit fees for services provided by Stegman & Company and has determined that the provision of such services to us during fiscal 2008 and in connection with the audit of our 2008 fiscal year financials is compatible with and did not impair independence. It is the practice of the Audit Committee to consider and approve in advance all auditing and non-auditing services provided to us by our independent auditors in accordance with the applicable requirements of the SEC. Stegman & Company did not provide us with any services, other than those listed above. Shareholders who, in accordance with SEC Rule 14a-8, wish to present proposals for inclusion in the proxy materials to be distributed in connection with next year's Annual Meeting Proxy Statement must submit their proposals so that they are received at our principal executive offices no later than the close of business on February 1, 2010. As the rules of the SEC make clear, simply submitting a proposal does not guarantee that it will be included.

In order to be properly brought before the 2010 Annual Meeting, a shareholder's notice of a matter the shareholder wishes to present (other than a matter brought pursuant to SEC Rule 14a-8), or the person or persons the shareholder wishes to nominate as a director, must be delivered to our principal executive offices not less than 90 nor more than 120 days before the first anniversary of the date of our 2009 Annual Meeting. As a result, any notice given by a shareholder pursuant to these provisions of our Bylaws (and not pursuant to the SEC Rule 14a-8) must be received no earlier than March 4, 2010, and no later than April 3, 2010, unless our Annual Meeting date occurs more than 30 days

before or after July 2, 2010. In that case, we must receive proposals not earlier than the close of business on the 120th day prior to the date of the annual meeting and not later than the close of business on the later of the 90th day prior to the date of the annual meeting or, if the first public announcement of the date of the annual meeting is less than 100 days prior to the date of the meeting, the 10th day following the day on which we first make a public announcement of the date of the meeting.

To be in proper form, a shareholder's notice must include the specified information concerning the proposal or nominee as described in our Bylaws. A shareholder who wishes to submit a proposal or nomination is encouraged to seek independent counsel about our Bylaw and SEC requirements. We will not consider any proposal or nomination that does not meet the Bylaw and SEC requirements for submitting a proposal or nomination. Pursuant to SEC Rule 14a-4(c)(1), if proposals are received prior to the meeting they may be voted upon with the discretionary authority granted to the proxies in this proxy statement and attached proxy card.

Notices of intention to present proposals at the 2010 Annual Meeting should be addressed to Corporate Secretary, We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to our directors, officers or other regular employees for such services.
