QUESTIONS AND ANSWERS

Your vote is very important. Your shares can only be voted at the Annual Meeting if you are present or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to assure that your shares will be represented. You may revoke your proxy at any time before it is voted by written notice to the Secretary of the Company, by submission of a proxy bearing a later date or by casting a ballot at the Annual Meeting. Properly executed proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided. If no directions are given, your shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of the person(s), not more than two, to whom you wish to give your proxy.

Q: WHO IS SOLICITING MY VOTE?

This proxy solicitation is being made on behalf of us and our Board of Directors. Proxies are being solicited by mail, and all expenses of preparing and soliciting such proxies will be paid by us. In addition to the use of mail, A: proxies may be solicited by our directors, officers and regular employees, without additional compensation, in person or by telephone or other electronic means. We will reimburse brokerage houses and other nominees for their expenses in forwarding proxy materials to beneficial owners of our common stock.

Q: WHO IS ENTITLED TO VOTE?

Stockholders as of the close of business on December 29, 2009 (the Record Date) are entitled to vote at the Annual Meeting. On that date, 15,742,431 shares of our Common Stock were outstanding and eligible to vote. Every holder A: of Common Stock is entitled to one vote for each share held. A list of stockholders eligible to vote will be available at our principal place of business, 525 Lincoln Drive West, 5 Greentree Center, Suite 117, Marlton, New Jersey, beginning January 5, 2010. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting.

Q: WHO WILL COUNT THE VOTE?

A: Representatives of our transfer agent, Zions Bank, will count the votes.

Q: IS MY VOTE CONFIDENTIAL?

Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to Zions Bank, and handled in a manner that protects your voting privacy. Your vote will not be disclosed except (1) A: as needed to permit Zions Bank to tabulate and certify the vote and (2) as required by law. Additionally, all comments written on the proxy card or elsewhere will be forwarded to management. Your identity will be kept confidential unless you ask that your name be disclosed.

Q: WHAT IS A QUORUM?

A quorum is a majority of the outstanding shares of our common stock entitled to vote on December 29, 2009. A: These shares must be present at the Annual Meeting, in person or by proxy, for the meeting to be held for the transaction of business.

Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum has been reached. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Q: HOW MANY VOTES ARE REQUIRED FOR THE APPROVAL OF THE PROPOSALS?

A: Assuming a quorum is present, the directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote at the Annual Meeting. Because directors are elected by a plurality of the votes cast by the holders of shares entitled to vote, abstentions will have no effect on Item 1. Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the

Annual Meeting by the holders of shares entitled to vote thereon.

1

TABLE OF CONTENTS

Because abstentions will be included in tabulations of the votes entitled to vote for purposes of determining whether a proposal has been approved, abstentions have the same effect as negative votes on Item 2. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matters which the broker has not expressly voted. Broker non-votes are not counted in determining whether there is a plurality for any director under Item 1 or whether the affirmative vote required for the approval of Item 2.

Q: HOW DOES THE BOARD RECOMMEND I VOTE?

The Board recommends a vote **FOR** the Board nominees (Item 1), and **FOR** the ratification of the Board of Directors' appointment of McGladrey & Pullen, LLP as the independent, registered certified public accountants of the Company for the upcoming year (Item 2).

Q: WHO CAN ATTEND THE ANNUAL MEETING?

All stockholders as of December 29, 2009, the record date, can attend. If your shares are held through a broker and you would like to attend, please bring a copy of your brokerage account statement or an omnibus proxy (which you can obtain from your broker) to gain entrance to the Annual Meeting.

Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?

We do not know of any business to be considered at the Annual Meeting other than the proposals described in this proxy statement. If any other business is presented at the Annual Meeting, your signed proxy card gives authority to Dinesh R. Desai, our Chairman, President and Chief Executive Officer, and Gregory P. Chandler, our Chief Financial Officer, to vote on such matters at their discretion.

Q: WHO ARE THE LARGEST PRINCIPAL STOCKHOLDERS?

As of December 29, 2009, Mr. Desai beneficially owned a total of 8,755,047 shares of our Common Stock (52.9%), 7,821,815 of which are owned through DARR Westwood LLC, in which he is a sole member and 600,000 of which are owned through DARR Emtec LLC, in which he is a member, and Mary Margaret Grabel, spouse of Keith Grabel, a current director, owned 2,255,454 shares (14.0%). Mr. Grabel is not standing for re-election as a director at this meeting.

TABLE OF CONTENTS

CORPORATE GOVERNANCE

In accordance with the General Corporation Law of the State of Delaware, our Certificate of Incorporation, as amended, and our Amended and Restated Bylaws, our business, property and affairs are managed under the direction of the Board of Directors (the Board). The Board delegates the conduct of business to the Company's senior management team. Although our non-employee directors are not involved in our day-to-day operating details, they are kept informed of our business through written reports and documents provided to them regularly, as well as by operating, financial and other reports presented by our officers at meetings of the Board of Directors and committees of the Board of Directors.

Board and Committee Meetings

Our Board usually meets four times a year in regularly scheduled meetings. It may meet more often if necessary.

During the fiscal year ended August 31, 2009, the Board held eight meetings. Each director attended all of the meetings, except Mr. Gregory L. Cowan, who attended all of the meetings since joining the Board on July 10, 2009.

The Chairman usually determines the agenda for the meetings. Board members receive the agenda and supporting information in advance of the meetings. Board members may also raise other matters at the meetings.

We have a Code of Ethics, which was adopted in July 2004 and amended and adopted in its current form in July 2009, applicable to all of the Company's employees, including our Principal Executive Officer, Principal Financial Officer and Principal Accounting Officer, as well as the members of our Board. The Code of Ethics seeks to ensure compliance with all applicable laws and to maintain the highest standards of ethical conduct. The Code of Ethics sets out basic principles and methodology to help guide all of our officers, directors and employees in the attainment of this common goal.

Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition. However, in making its nominations, the Board of Directors considers, among other things, an individual's business experience, industry experience, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

Any stockholder recommendation of a director candidate should include the candidate's name, biographical data and a detailed description of the candidate's qualifications for Board membership, and should be sent to Emtec, Inc., 525 Lincoln Drive West, 5 Greentree Center, Suite 117, Marlton, New Jersey 08053, Attention: Sam Bhatt. Any stockholder recommendations must be submitted in sufficient time for an appropriate evaluation by the Board.

Stockholder Communication with Board Members

We maintain contact information for stockholders, both by telephone and email, on our website at www.emtecinc.com under the heading About Us Investor Relations. By following the link, a stockholder will be given access to our telephone number and mailing address as well as a link for providing email correspondence to Investor Relations.

Communications sent to Investor Relations and specifically marked as a communication for our Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications received via telephone or mail that are directed to the Board are forwarded to the Board by one of our officers.

Board Member Attendance at Annual Meetings

Our Board of Directors does not have a formal policy regarding attendance of directors at our annual stockholder meetings, although all directors are encouraged to attend the meeting. All directors who were directors at the time attended our 2009 Annual Meeting of Stockholders held on February 2, 2009.

Director Independence

The Board of Directors has determined that two of its members, Robert Mannarino and Gregory L. Cowan, would be considered independent under the current NASDAQ listing standards if those standards were applicable to the Company.

TABLE OF CONTENTS

Committees of the Board of Directors. The Board of Directors has established two standing committees.

Audit Committee assists the Board of Directors in monitoring: (i) the integrity of the consolidated financial statements of the Company; (ii) the Company's compliance with legal and regulatory requirements related to the financial statements, including the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that have been established relating to such financial statements; and (iii) the independence and performance of the Company's external auditors. In addition, the Audit Committee maintains the sole responsibility to appoint, determine funding for, and oversee the independence and performance of our external auditors and has the authority to engage independent counsel and other advisors to assist in such responsibility. Each of the members of the Audit Committee is independent as that term is used in Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and would be independent under the NASDAQ listing standards if those standards were applicable to the Company. The Audit Committee met eight times during 2009. The Audit Committee has adopted a written charter, a copy of which is available on our Internet website at www.emtecinc.com. Please note that information on our website is not incorporated by reference into this Proxy Statement. The current members of the Audit Committee are Mr. Cowan (Chairman) and Mr. Mannarino. The Board has determined that Mr. Cowan is an audit committee financial expert, as described in Rule 401(h) of Regulation S-K promulgated under the Securities Act of 1933, as amended. The Board had also previously determined that Mr. Chandler was an audit committee financial expert at the time he served on the audit committee prior to his becoming the Chief Financial Officer of the Company.

Compensation Committee reviews and determines compensation arrangements for the Chief Executive Officer and President and the other executive officers. The Compensation Committee also oversees our equity compensation plans and makes recommendations to the Board of Directors regarding the compensation to be provided to the directors. The Compensation Committee has adopted a written charter, a copy of which is available on our Internet website at www.emtecinc.com. The Compensation Committee held thirteen meetings during 2009. The current members of the Compensation Committee are Mr. Mannarino (Chairman) and Mr. Cowan. Each member of the Compensation Committee would be independent as defined under the NASDAQ listing standards if those standards were applicable to the Company.

Nominating and Corporate Governance At this time, given that after the Annual Meeting the Board will consist of five members, two of whom would be considered independent under the current NASDAQ listing standards if those standards were applicable to the Company, the Board has concluded that all members of the Board of Directors should convene for purposes of considering potential candidates to the Board. We expect that the Board will continue to review whether formation of a nominating and governance committee is appropriate.

The directors who would be considered independent under the current NASDAQ listing standards if those standards were applicable to the Company (the Independent Directors) will consider director candidates recommended by stockholders. A description of the procedures a stockholder must follow to submit a director candidate and the criteria the Independent Directors will use to evaluate candidates is set forth on page 3 under the subheading Board and Committee Meetings and on page 25 under the heading Stockholder Proposals for the 2011 Annual Meeting.

TABLE OF CONTENTS

ELECTION OF DIRECTORS ITEMS 1 ON PROXY CARD

Our Certificate of Incorporation, as amended, and our Amended and Restated Bylaws provide that our business will be managed by a Board of Directors. Prior to the 2010 Annual Meeting, our Board of Directors has six directors, divided into two classes. Five of the directors are Class A directors and one of the directors is a Class B director. Each of the Class A directors serves for a term of three years or until his successor is elected and qualified and the Class B director serves for a term of one year or until his successor is elected and qualified. Mr. Grabel, the sole Class B director, is not standing for re-election and the Board does not currently expect to fill the vacancy by electing another Class B director.

Director candidates are nominated by the Board of Directors. The Board of Directors did not receive any stockholder recommendations for a director candidate to be considered for election at the Annual Meeting.

At the Annual Meeting, two Class A directors are to be elected. Mr. Mannarino and Mr. Cowan have consented to being named as nominees for director of the Company and have agreed to serve if elected. We do not anticipate that either of them will be unable to stand for election. If that occurred, the Board would designate a substitute. If a substitute were designated, the shares represented by proxy will be voted for the substituted candidate designated by the Board of Directors. You may vote for or withhold from voting on this matter. Assuming a quorum is present, director elections are determined by a plurality of the votes cast at the Annual Meeting by the holders of shares entitled to vote in such election.

Subject to stockholder ratification, the Audit Committee of the Board of Directors has appointed the firm of McGladrey & Pullen, LLP (McGladrey), as the independent registered public accounting firm, to audit and report on our consolidated financial statements for our fiscal year ending August 31, 2010. Although the submission to stockholders of the appointment of McGladrey is not required by law or the Company's Amended and Restated Bylaws, the Audit Committee and the Board of Directors believe it is appropriate to submit this matter to stockholders to allow a forum for stockholders to express their views with regard to the Audit Committee's selection. In the event the stockholders fail to ratify the appointment, the Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

One or more representatives of McGladrey are expected to attend the Annual Meeting. They will have the opportunity to speak at the meeting if they desire to do so and will also be available to respond to appropriate questions.

In assessing requests for services by the independent auditor, the Audit Committee considers whether such services are consistent with the auditor's independence, whether the independent auditor is likely to provide the most effective and efficient service based upon their familiarity with the Company, and whether the service could enhance the Company's ability to manage or control risk or improve audit quality.

In making its recommendation to ratify the appointment of McGladrey as our auditor for the current fiscal year, the Audit Committee has considered whether the non-audit services provided by McGladrey are compatible with maintaining the independence of McGladrey.

TABLE OF CONTENTS

Your Board of Directors unanimously recommends a vote FOR the ratification of the selection of McGladrey & Pullen, LLP as the auditors of the Company.

REPORT OF THE AUDIT COMMITTEE

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, and is composed of two independent Directors who are not officers or employees of the Company. In fiscal 2008 through April 30, 2009, the Audit Committee consisted of Gregory Chandler and Robert Mannarino, and from July 10, 2009, the Audit Committee consisted of Gregory L. Cowan and Robert Mannarino. The Audit Committee operates under a written charter that was adopted in July 2006 by the Board of Directors. The Audit Committee held eight official meetings during the fiscal year ended August 31, 2009. The Audit Committee Charter can be accessed on the Internet via the Company's website at www.emtecinc.com.

All current members of the Company's Audit Committee are independent within the meaning of Rule 10A-3(b)(1) of the Securities and Exchange Commission. Gregory L. Cowan, the Chairman of the Audit Committee meets the definition of audit committee financial expert (as defined by the Securities and Exchange Commission).

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management is responsible for the Company's financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principals generally accepted in the United States (GAAP). The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures.

In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality and the acceptability of the Company's financial reporting and controls and procedures and the certifications by the Company's Chief Executive Officer and Chief Financial Officer, which are required by the Securities and Exchange Commission under the Sarbanes-Oxley Act of 2002 for certain of the Company's filings with the Securities and Exchange Commission.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with GAAP, their judgments as to the quality and the acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Audit Committee under the standards of the Public Company Accounting Oversight Board (United States). In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with the independent auditors. The Audit Committee has also discussed with the independent auditors for the Company the matters required to be discussed by Statement on Auditing Standards No. 114 and such other matters as are required to be discussed under auditing standards generally accepted in the United States.

The Audit Committee has received the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent auditors their independence. The Audit Committee reviews and approves any non-auditing services to be provided by McGladrey & Pullen, LLP prior to the firm being retained to perform such services.

The Audit Committee members are not employees of the Company and are not auditors by profession. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectively and in conformity with GAAP and on the representations of the independent auditors included in their report on the Company's financial statements. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable

TABLE OF CONTENTS

laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with GAAP, that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's independent accountants are in fact independent.

The Audit Committee has reappointed, subject to stockholder ratification, the firm of McGladrey & Pullen, LLP, certified public accountants, as the Company's independent registered public accounting firm to audit and report upon the Company's financial statements for 2010. In appointing McGladrey & Pullen, LLP as the Company's auditors for the year ending August 31, 2010, the Audit Committee has considered whether McGladrey & Pullen, LLP's provision of services other than audit services are compatible with maintaining their independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended August 31, 2009 for filing with the Securities and Exchange Commission.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

Our executive compensation program is based on principles designed to align executive compensation with our business strategy of creating wealth for our stockholders and creating long-term value for the business. The Compensation Committee believes that executive compensation tied to the execution of a sound business strategy achieves stockholder value. Our compensation policy for executives is intended to further our interests, as well as those of our stockholders, by encouraging growth of our business through securing, retaining and motivating management employees of a high caliber who possess the skills necessary to our development and growth. The following disclosure provides an overview of the compensation of our Principal Executive Officer, our two most highly compensated executive officers (other than our Principal Executive Officer) for the 2009 fiscal year who were serving as executive officers as of the end of the 2009 fiscal year and, in accordance with SEC rules, one of our former executive officers who would have been considered one of our two most highly compensated executive officers (other than our Principal Executive Officer) for the 2009 fiscal year if he had been serving as an executive officer as of the end of the 2009 fiscal year. We refer to these individuals throughout this disclosure as the named executive officers.

of restricted stock granted in fiscal years 2009, 2008 and prior fiscal years. The fair market value of each restricted stock award described in the table is equal to the market price of our Common Stock on the date of grant. Although the amounts included in the table do not reflect estimated forfeitures, the amounts actually recognized in our consolidated financial statements are reduced, in accordance with FAS 123(R), for estimated forfeitures. As the result of Mr. Grabel's employment relationship with Emtec Federal ending, he forfeited 87,026 shares of restricted stock that had not vested. The amount reported in the Stock Awards column for Mr. Grabel for the 2009 fiscal year represents the reversal of the accounting charges we previously incurred in the 2008 fiscal year with respect to Mr. Grabel's forfeited restricted stock awards. There were no other forfeitures by our named executive officers in fiscal years 2009 and 2008.

Amounts in this column represent the cash portion of the bonuses paid to our named executive officers under our (5) Senior Management Annual Incentive Plan in respect of the 2009 fiscal year due to the achievement of specified performance targets.

Narrative Disclosure to Summary Compensation Table

Annual Bonus Compensation

Each of the named executive officers (other than Mr. Grabel) currently participates in the Senior Management Annual Incentive Plan (the "Incentive Plan"), under which they are eligible to receive annual bonuses based on our achievement of annual performance goals and, if applicable, their achievement of individual performance goals. The Company's performance goals for any fiscal year may be based on net income before interest, taxes, depreciation and amortization (EBITDA), earnings per share, business unit or departmental objectives, some combination of the foregoing or any other performance factors or ratios as the Compensation Committee may determine appropriate. The named executive officers' target bonus opportunity under the Incentive Plan is based on a percentage of their base salary or a specific dollar amount. The threshold, or minimum, bonus that may be earned by a named executive officer is 25% of his target bonus opportunity. Subject to the discretion of the Compensation Committee, no bonus is paid unless the threshold level of performance is achieved. The maximum bonus that the named executive officers may receive, which equals 200% of their target bonus opportunity, will be awarded only if we achieve at least 130% of our financial performance objectives.

Bonuses for the 2009 fiscal year were based on the Company's attainment of specified levels of EBITDA and earnings per share. Seventy-five percent (75%) of the 2009 fiscal year bonus was based on the attainment of EBITDA and the remaining twenty-five percent (25%) was based on the attainment of earnings per share. The Compensation Committee approved the following threshold, target and maximum bonus opportunities and payment forms under the Incentive Plan for the named executive officers (other than Mr. Grabel) for the 2009 fiscal year:

Name	2009 Threshold Bonus Opportunity	2009 Target Bonus Opportunity	2009 Maximum Bonus Opportunity	% Cash	% Restricted Stock
Dinesh R. Desai, Chairman, President and Chief Executive Officer	12.5% of Base Salary	50% of Base Salary	100% of Base Salary	70%	30%
Ronald A. Seitz, President Emtec Systems	12.5% of Base Salary	50% of Base Salary	100% of Base Salary	70%	30%
Brian McAdams Vice Chairman	7.5% of Base Salary	30% of Base Salary	60% of Base Salary	70%	30%

For the 2009 fiscal year, the Company exceeded both the EBITDA and earnings per share thresholds but did not achieve the target level of performance for either measure. As the result, each named executive officer (other than Mr. Grabel) earned 25% of his target bonus for achieving the threshold levels of EBITDA and earnings per share, plus an additional 21.43% of his target bonus for exceeding the threshold levels of EBITDA and earnings per share (determined pro-rata based on the amount by which actual EBITDA and earnings per share exceeded threshold EBITDA and earnings per share), for a total bonus earned under the Incentive Plan equal to 46.43% of target bonus. However, based on several factors described below, the Compensation Committee exercised its discretion to award members of the executive management team, including the named executive officers (other than Mr. Grabel), bonuses under the Incentive Plan equal to their target bonus for the 2009 fiscal year. In determining that it was more appropriate to award each named executive officer his target bonus for the 2009 fiscal year, the Compensation

Committee considered numerous factors, including aggressive budget targets for 2009, excellent financial performance in a turbulent economic environment, progress towards long-term strategic goals, one-time charges, the restructuring and improvement of executive and senior management teams and the following positive performance highlights for the 2009 fiscal year:

Services and consulting revenue increased 171.5% (from \$20.6 million to \$55.8 million);
Services and consulting revenue increased to 24.9% from 9.7% as a percentage of total revenue;
Overall gross margin rose to 14.7% from 12.8%; and
Long term debt, including the current portion of long term debt, was reduced by \$2.4 million.

TABLE OF CONTENTS

Accordingly, Messrs. Desai, Seitz and McAdams received bonuses under the Incentive Plan for the 2009 fiscal year equal to \$155,000, \$144,375 and \$67,950, respectively. Mr. Grabel did not receive a bonus for the 2009 fiscal year due to the end of his employment relationship with Emtec Federal. Seventy percent (70%) of each named executive officer's bonus was paid in cash and the remaining thirty percent (30%) was paid in the form of a restricted stock award that was granted on December 15, 2009 and is scheduled to vest in full on December 15, 2010, subject to continued employment on that date. Based on the market value of our Common Stock on December 15, 2009, Mr.

Desai received 46,040 shares of restricted stock, Mr. Seitz received 42,884 shares of restricted stock and Mr. McAdams received 21,183 shares of restricted stock. The cash portion of these bonus awards that was received based on the achievement of EBITDA and earnings per share targets is reported in the Summary Compensation Table under the column titled "Non-Equity Incentive Plan Compensation" and the cash portion of these bonus awards that was paid in the discretion of the Compensation Committee is reported in the Summary Compensation Table under the column titled "Bonus."

Equity-Based Incentive Compensation

In addition to the equity grants described above in the "Annual Bonus Compensation" section, on November 26, 2008, Messrs. Desai, Seitz, McAdams and Grabel received grants of 69,583, 67,294, 30,763 and 36,623 shares of restricted stock, respectively, as part of their 2008 fiscal year awards under the Incentive Plan. In accordance with the terms of the grants, Messrs. Desai's, Seitz's and McAdams' shares of restricted stock vested on November 26, 2009 and Mr. Grabel's restricted stock grant was forfeited when his employment relationship with Emtec Federal ended.

On February 5, 2007 in connection with the termination of a Management Services Agreement between Emtec Federal and DARR Global Holdings, Inc. ("DARR Global"), Emtec Federal issued a subordinated promissory note to DARR Global. The principal amount of the note is \$1,002,900, and interest on the unpaid principal amount is payable at a rate of five percent (5%) per annum. Because all amounts due under the notes issued to Mr. Grabel, Mary Margaret Grabel and Four Kings Management LLC were paid in full in fiscal year 2009, Emtec Federal must repay the note at a rate of \$350,000 per annum (prior to the payment of all amounts due under such notes, Emtec Federal was required to repay the note in favor of DARR Global at the rate of \$250,000 per annum). During the 2009 and 2008 fiscal years, Emtec Federal paid a total of \$309,142 and \$288,801 in interest and principal on this note, respectively. These amounts are reported in the "All Other Compensation" column of the Summary Compensation Table.

Interest on the unpaid principal balance of the note is payable at a rate of five percent (5%) per annum. The note reached maturity on April 16, 2009 and was paid in full. Until April 16, 2009, Emtec Federal made monthly payments to Mr. Grabel equal to 3.70% of the principal amount, and all interest then accrued and unpaid, on the note. During the 2009 and 2008 fiscal years, Emtec Federal paid a total of \$202,695 and \$315,522 in interest and principal on this note, respectively. These amounts are reported in the "All Other Compensation" column of the Summary Compensation Table.

In addition, effective April 17, 2009, we entered into a consulting agreement with Mr. Grabel. Pursuant to this consulting agreement, Mr. Grabel earns a fixed monthly consulting fee of \$10,000, plus an additional fee of \$150 per hour for each hour of services provided by Mr. Grabel in excess of 100 hours (measured on a monthly basis). Mr.

Grabel is also entitled to be reimbursed for expenses incurred by him in connection with providing consulting services. This consulting agreement may be terminated by us or Mr. Grabel at any time upon providing 60 days advance written notice.

The Company also provided Mr. Grabel with a discretionary stock grant on December 9, 2009 for 87,026 shares of stock as consideration for his continuing service to the Company as a director and as a consultant. These shares of stock became fully vested on December 10, 2009.

The fair value of all the awards was estimated using the Black-Scholes option-pricing model. We use the Black-Scholes formula to calculate

16

TABLE OF CONTENTS

an assumed value of the options for compensation expense purposes. Because the formula uses assumptions, the fair values calculated are not necessarily indicative of the actual values of the stock options. For fiscal year 2009, the assumptions used were: a dividend yield of 0%; a risk-free interest rate of 1.89% - 3.26%; an expected life of five years; and stock price volatility of 106% - 129%. For fiscal year 2008, the assumptions used were: a dividend yield of 0%; a risk-free interest rate of 3.21%; an expected life of five years; and a stock price volatility of 100.13%. As of August 31, 2009, Messrs. Mannarino, Cowan and Chandler held options to purchase 50,000, 20,000 and 65,000 shares of our common stock, respectively.

Narrative Disclosure to Director Compensation Table

Our policy is not to pay director compensation to directors who are also our employees. Accordingly, following Mr. Chandler's appointment as the Chief Financial Officer of the Company and the President of Emtec Global Services, LLC, he ceased receiving compensation for his service as a director. Our non-employee directors' compensation structure is as follows:

Annual cash retainer of \$10,000 (paid quarterly);

Cash fee of \$1,000 for each regular meeting of the Board of Directors, each Annual Meeting of Stockholders and each special meeting of the Board of Directors attended in person (a fee of \$500 is paid if such meeting is attended telephonically); and

Cash fee of \$200 for each management meeting attended in person (a fee of \$100 is paid if such meeting is attended telephonically).

Additionally, each non-employee director receives an annual grant of stock options to purchase 10,000 shares of our common stock. Our non-employee directors are also reimbursed for out-of-pocket expenses incurred for each Board meeting or committee meeting attended and any other expenses incurred while working in their capacity as a Board member.

Our non-employee directors also receive compensation for serving on our Audit Committee and our Compensation Committee.
