Item 4.02 Non-Reliance on Previously Issued Financial Statements

On March 23, 2010, in connection with the review of its consolidated financial statements for the year ended December 31, 2008 by the Securities and Exchange Commission, the board of directors (the "Board") determined that Yasheng Eco-Trade Corporation's (the "Company") audited consolidated financial statements for the year ended December 31, 2008, included in the Company's Form 10-K for the fiscal year ended December 31, 2008, as filed with the Securities and Exchange Commission (the "SEC") on April 15, 2009 and the unaudited consolidated financial statements of the Company included in the Company's Form 10-Q for the quarterly period ended March 31, 2009, as filed with the SEC on May 20, 2009 (the "Relevant Reports"), are inaccurate; and, as a result, the Company intends to restate its consolidated financial statements included in the Relevant Reports, to be filed on or before March 31, 2010. Furthermore, the Board and the Company's management have determined that the Relevant Statements should no longer be relied upon.

The matters disclosed in this Current Report on Form 8-K have been discussed with and reviewed by the Company's management, the Board and the Company's auditor.

In our restated reports for the year ended December 31, 2008 and March 31, 2009, , the Company has restated its balance sheet at December 31, 2008 and March 31, 2009, and its statements of income, stockholders' equity and cash flows for the year ended December 31, 2008 and for the quarter ended March 31, 2009 to reflect changes mostly as a result of the need to reclassify certain assets and liabilities, and also the need to fix accounting errors in the treatment of the minority interest in the Company's subsidiary, Vortex Ocean One LLC in the Relevant Reports, resulting in inaccuracies in the stockholder equity statements in the Relevant Reports. The restatement for the year ended December 31, 2008 and in the quarter ended March 31, 2009 did not have a material impact on (x) the net loss reported; (y) loss per share; and (z) the negative equity position of the Company from what the Company had previously reported for the year ended December 31, 2008 and for the quarter ended March 31, 2009.
