Forward Looking Statements

This Form 8-K and other reports filed by SinoCoking Coal and Coke Chemical Industries, Inc. (the “Registrant”) from time to time with the Securities and Exchange Commission (collectively the “Filings”) may contain forward looking statements and information that are based upon beliefs of, and information currently available to, the Registrant’s management as well as estimates and assumptions made by the Registrant’s management. When used in the Filings the words “anticipate”, “believe”, “estimate”, “expect”, “future”, “intend”, “plan” or the negative of these terms and expressions as they relate to the Registrant or the Registrant’s management identify forward looking statements. Such statements reflect the current view of the Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to the Registrant’s industry, operations and results of operations and any businesses that may be acquired by the Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although the Registrant believes that the expectations reflected in the forward looking statements are reasonable, the Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, the Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

Item 8.01 Other Events.

On January 7, 2011 (the “Effective Date”), Henan Province Pingdingshan Hongli Coal & Coke Co., Ltd. (“Hongli”), a company organized in the People’s Republic of China (“PRC” or “China”), entered into a Bank Acceptance Agreement (the “Agreement”) with Pingdingshan Rural Cooperative Bank (the “Bank”). Hongli is engaged in China-based coal and coke production business operations and is a variable interest entity that is controlled by the Registrant through a series of contractual arrangements between Hongli and Pingdingshan Hongyuan Energy Science and Technology Development Co., Ltd., a wholly-owned subsidiary of Top Favour Limited, a holding company, which, in turn, is the Registrant’s wholly-owned subsidiary. Pursuant to the Agreement, Hongli’s bank acceptance credit with the Bank was increased to a total of RMB 200 million (approximately USD\$30.3 million). For each issuance of bank acceptance credit, Hongli will be required to deposit cash of 50% of the issuance amount into its account with the Bank as security for the credit. Hongli can determine the date and amount of the issuance of bank acceptance credit based on its need of funds for its business operations and project construction. The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to a complete copy of the Agreement, a translation of which is filed hereto as Exhibit 99.1 and incorporated herein by reference.
